

Easily manage your policy online with MyAflac®

Managing your insurance can be overwhelming, and we know your time is valuable. MyAflac has features to help make managing your policy easier.

Access your account anytime, from anywhere on our website or MyAflac mobile app to:

- View your policy.
- Manage your payment information.
- Make a name change.
- Update beneficiary information.
- View coverage or (download) a copy of your policy.
- Remove coverage for dependent or spouse.

Be on the lookout for more options coming soon.

Scan the QR code to download the MyAflac mobile app, access your account online and find helpful claims resources.

Registration of a new MyAflac account can take up to 24 hours to take effect.
