

IMPORTANT INFORMATION ABOUT YOUR PLAN

- ▶ This schedule of benefits provides a listing of procedures covered by your plan. For procedures that require a copayment, the amount to be paid is shown in the column titled "Member Pays \$." You pay these copayments to the dental office at the time of service.
- ▶ Your **dental copayment** plan offers coverage for services provided by both **contracted and non-contracted dentists**. Members may see any licensed dentist, but non-contracted dentists are able to balance bill the difference between the listed copayment and the dentist's usual charge for the service.
- ▶ Your plan does not include an annual maximum or deductible.
