Here are some tips for smooth filing

1. Along with details about your claim, we'll ask you to share a few supporting documents to help us review it.

Examples of documents include:

- ER, urgent care, physician visit or hospital discharge papers
- Exam, lab or test results/reports
- Physician notes
- Explanation of Benefits (EOB) from your health insurance provider
- Itemized medical or hospital bills
- Medical records

2. In some cases, we may need to work with your medical providers to fully review your claim. If that's needed, we'll let you know along the way. **Completing and including the Authorization to Obtain and Disclose Information form** with your submission can help keep things moving.
