How does it work?

- › If you are seriously injured or pass away from a covered accident, your beneficiaries will receive a payment for a covered claim. Your coverage is paid for by the employer.
- › However, this coverage shouldn't be a replacement for life insurance or primary medical insurance as it provides accident-only coverage.
- › Depending on the severity of an injury, the plan may pay a percentage of the total benefit for a covered accident that doesn't lead to loss of life.

Review the AD&D benefits summary and policy documents to learn more about plan details, exclusions, and limitations.
