

## Notice to Employees: Requirements of the Affordable Care Act

**As of January 1, 2014, the Affordable Care Act (ACA) requires you to have health insurance for yourself and your dependents.** Some people are exempt from this requirement. To learn how to apply for an exemption see *Questions and Answers on the Individual Shared Responsibility Provision*, [www.irs.gov/uac/Questions-and-Answers-on-the-Individual-Shared-Responsibility-Provision](http://www.irs.gov/uac/Questions-and-Answers-on-the-Individual-Shared-Responsibility-Provision). If you do not have health insurance and you are not exempt, you may be subject to a penalty (see [www.healthcare.gov/what-if-someone-doesnt-have-health-coverage-in-2014](http://www.healthcare.gov/what-if-someone-doesnt-have-health-coverage-in-2014)). The penalty applies to each month in the calendar year that an individual does not have coverage or an exemption.

**Enrollment in TRS-ActiveCare satisfies the requirement to have health insurance.** The TRS-ActiveCare Enrollment Guide explains who is eligible to enroll in ActiveCare.

Enrollment in another plan, such as through a spouse, parent, or association, also satisfies the requirement to have health insurance if the plan provides minimum essential coverage.

**As an alternative to ActiveCare or another health insurance program, you may enroll in insurance through the Health Insurance Marketplace.** In Texas, the Marketplace is a federal government program that will offer “one-stop shopping” to find and compare private health insurance options. Most individuals are eligible to enroll in insurance through the Marketplace. For information on the Marketplace, see [www.healthcare.gov](http://www.healthcare.gov).

**You may be eligible for a premium tax credit or other assistance toward insurance obtained through the Marketplace, depending on your household income.** More information on the premium tax credit and other cost sharing provisions is available at [www.healthcare.gov](http://www.healthcare.gov). Please note that the district will not contribute to premium costs if you enroll in insurance through the Marketplace. Also, you will lose the benefit of paying the premium with pre-tax income if you purchase insurance through the Marketplace.

**You must decide whether to enroll in ActiveCare during open enrollment, if you are eligible.** You may not delay the decision until the Marketplace is operational. If you decide not to enroll in ActiveCare during Annual Open Enrollment period, you will not be able to enroll again until the following plan year unless you experience a special enrollment event. On the other hand, if you decide to enroll in ActiveCare in during Annual Open Enrollment period, the district’s section 125 plan (cafeteria plan) does permit you to drop insurance before the end of the plan year.

**Additional information.** If you have questions or concerns about the health insurance offered through the district, please contact AISD Benefits Office at (972) 727-7196. Questions about the Marketplace and how the Affordable Care Act impacts you as an individual should be addressed to [www.healthcare.gov](http://www.healthcare.gov) or your personal attorney.
