MID-YEAR BENEFIT CHANGES

You may add or cancel coverage during the plan year if you have a Qualified Life Event (QLE). You must notify the benefits department within 30 days of the QLE. If you do not notify within 30 days, the change cannot be made until the next open enrollment period.

QUALIFYING LIFE EVENTS INCLUDE:

Loss or gain of other coverage, birth of a child, marriage/divorce, death of a dependent, gaining/losing eligibility of governmental programs (Medicare, Medicaid, CHIP), turning 26 and losing coverage through a parent's plan, and several others.

Helpful Information and Tips

BENEFIT START DATE:

Your 2026-2027 benefits will begin on September 1, 2026. If you are a new hire, your benefits will begin on the first day of the month following your hire date. You do have the option to begin your medical insurance on your hire date, but please note you will be required to pay the full monthly premium. All supplemental benefits begin on the first day of the month following your hire date.

DEDUCTIONS FROM PAY BEGIN:

Please note the rates you see in this guide are the “per paycheck” rate and that we are paid twice a month. You will be paid on the 15th and the next to the last working day of each month. The BISD Pay Schedule can be found under Staff Resources on the BISD website. If you are hired in August, your first deduction for your benefit elections will be your September 15th paycheck, for coverage beginning 9/1/2026.

ENROLLMENT/DECLINATION IS REQUIRED:

Even if you don't need to enroll in any of the coverages we offer you still have to do something! Due to requirements of the Affordable Care Act (ACA), we (BISD) must offer health insurance to both you and your eligible dependents. You (our employee) must either enroll or decline health insurance for you and your eligible dependents.

DEADLINES FOR ENROLLMENT:

For new hires, you have 31 days from your hire date to complete your enrollment. If you do not complete the enrollment in that time frame, the portal will be closed until Open Enrollment begins for the 2027-2028 Plan Year. For current employees you can only make changes during Open Enrollment, June 22nd – August 14th, 2026!

SECTION 125 CAFETERIA PLAN RULES:

A Section 125 Plan reduces your taxes and increases your spendable income by allowing you to deduct the cost of eligible benefits from your earnings before tax. Plus, the plan is available to you at no cost, and you're already eligible. All you have to do is complete your enrollment. Eligible benefits under Section 125 include: medical, dental, vision, critical illness, cancer and accident insurance; as well as FSA and HSA accounts.

BCBSTX HEALTH PLAN ID CARDS

TRS – ActiveCare ID cards will be mailed to the employee's mailing address. Employees and dependents on a TRS-ActiveCare Primary or TRSActiveCare Primary+ family plan will each get their own card with their PCP's name printed on it. Employees on a TRS-ActiveCare HD or TRSActiveCare 2 plan will receive 2 cards. The cards will only have the primary subscriber/policyholders name on them with all covered family members listed and can be used by all dependents enrolled under the policy. Should a participant have any questions upon receiving their ID cards, please contact a Personal Health guide at 1-866-355-5999.

EXPRESS SCRIPTS

Express Scripts is the administrator for the prescription drug benefits for all BCBSTX Health plans. For more information and to check prescription costs, please visit www.expressscripts.com/trsactivecare. Plan participants enrolled in a BCBSTX Health plan will have two ID cards – one from Blue Cross Blue Shield of Texas for medical benefits and a separate card from Express Scripts for the prescription drug benefits.

Please don't hesitate to reach out with any questions you may have. This guide contains information that you may need throughout the plan year. You can access this information online at benefits.ffqa.com/bastropisd.

Each plan may require you to follow its rules or use specific doctors and hospitals, and it may be impossible to comply with both plans at the same time. Before you enroll in this plan, read all of the rules very carefully and compare them with the rules of any other plan that covers you or your family.

Savings from enrolling in a MetLife Vision Plan will depend on various factors, including plan premiums, number of visits to an eye care professional by your family per year and the cost of services and materials received. Be sure to review the Schedule of Benefits for your plan's specific benefits and other important details.

Flexible Spending Account (FSA)

First Financial Administrators, Inc. | www.ffga.com
1-866-853-3539 P.O. Box 161968 | Altamonte Springs, FL 32716

Medical FSA

A Medical Flexible Spending Account (Medical FSA) is an IRS-approved program to help you save taxes and reimburse yourself for out-of-pocket medical expenses not covered under your medical plan. Bastrop ISD has the \$680 carryover option for your Medical FSA plan. This option allows you the opportunity to carry over up to \$680 of unclaimed Medical FSA funds into the following plan year. Keep in mind that balances more than \$680 will be forfeited under the use-it-or-lose-it rule.

Your maximum contribution amount for 2026 is \$3,400.

Medical FSA Highlights

- Contributions are automatically deducted from your paycheck on a pre-tax basis, which helps reduce your taxable income and increase your spendable income.
- Your full election will be available to you at the beginning of the plan year.
- Be conservative – any money left in your account at the end of the plan year will be forfeited.
- Use your benefits card to pay for qualified expenses upfront without spending money out of pocket.
- Keep all receipts in case you need to substantiate a claim for tax purposes.

NOTE: The IRS requires proof that all expenses are eligible. Keep all receipts in case you need to substantiate a claim for tax purposes. Your receipt must include the date of purchase or service, amount you were required to pay after insurance, description of the product or service, merchant or provider name, and the patient's name.

Dependent Care FSA

With a Dependent Care Flexible Spending Account, you can set aside part of your pay on a pre-tax basis to pay for eligible dependent care expenses like childcare, babysitters, and adult day care.

You may allocate up to \$7,500 per tax year for reimbursement of dependent care services.

If you are married and file a separate tax return, the limit is \$3,750.

Dependent Care FSA Highlights

- Eligible dependents must be claimed as an exemption on your tax return.
- Eligible dependents must be children under age 13 or an adult dependent incapable of self-care.
- Funds become available as contributions are made to your account.
- Keep all receipts in case you need to substantiate a claim for tax purposes.
- Balances will be forfeited at the end of the runoff or grace period.

Health Savings Account (HSA)

First Financial Administrators, Inc. | www.ffga.com | 1-866-853-3539
P.O. Box 161968 | Altamonte Springs, FL 32716

A Health Savings Account (HSA) is a great way to help you control your healthcare costs. It works in conjunction with a qualified High Deductible Health Plan (HDHP) to combine tax-free savings earmarked for qualified medical expenses. An HSA allows you to set aside money to pay for higher deductibles associated with a lower monthly premium HDHP. The money you save in monthly insurance premiums is reserved for eligible medical expenses you incur in the future. Eligible expenses include things like co-pays and deductibles, prescriptions, vision expenses, dental care, therapy and medical supplies.

Health Savings Account Highlights

- Balances roll over from year to year and earn interest along the way.
- Portable – you keep it even after you leave employment.
- Tax advantages – invest money in mutual funds to grow your tax savings for either future healthcare costs or retirement.
- Pay for expenses with a benefits debit card that gives you immediate access to your money at the time of purchase.
- Expenses also can be reimbursed through our online portal, online bill pay directly to your provider or submitting a distribution request form.
- Receipts are not required for reimbursement but be sure to save them for tax purposes.

Who Can Participate in an HSA?

- You must be enrolled in the TRS ActiveCare HD medical plan.
- You cannot be enrolled in Tricare or Medicare or covered under your spouse's traditional (non-HDHP) health care plan.
- You cannot participate in a general purpose Flexible Spending Account (FSA) or Health Reimbursement Arrangement.
- Limited Purpose Flexible Spending Accounts are permitted (dental and vision expenses only).
- You cannot participate if your spouse has a general purpose FSA or HRA at their place of employment.
- You cannot participate if you are being claimed as a dependent on another person's tax return.

LIFE INSURANCE HIGHLIGHTS

For the employee

PURELIFE-PLUS

Voluntary permanent life insurance can be an ideal complement to the group term and optional term life insurance your employer might provide. This voluntary permanent universal life product is yours to keep, even when you change jobs or retire, as long as you pay the necessary premium. Group and voluntary term life insurance may be portable if you change jobs, but even if you can keep them after you retire, they usually cost more and decline in death benefit.

The contract, PURELIFE-PLUS, is underwritten by Texas Life Insurance Company, and it has the following features:

- **High Death Benefit.** Written on a minimal cash-value Universal Life frame, PURELIFE-PLUS features one of the highest death benefits per payroll-deducted dollar offered at the worksite.¹
- **Refund of Premium.** Unique in the workplace, PURELIFE-PLUS offers you a refund of 10 years' premium, should you surrender the contract if initial specified premium paid for ever increases. *(Conditions apply.)*
- **Accelerated Death Benefit Due to Terminal Illness Rider.** Should you be diagnosed as terminally ill with the expectation of death within 12 months, you will have the option to receive 92% of the death benefit, minus a \$150 (\$100 in Florida) administrative fee. Included with your contract at no additional cost, this valuable living benefit helps give you peace of mind knowing that, should you need it, you can take the large majority of your death benefit while still alive. *(Conditions apply.) (Form ICC07-ULABR-07 or Form Series ULABR-07)*
- **Accelerated Death Benefit for Chronic Illness Rider.** Included on employees and spouse contracts at an additional cost, this rider will be triggered by the loss of two out of six Activities of Daily Living² or severe cognitive impairment for a period of 90 days. It pays the insured up to 92% of the death benefit minus a small administrative fee, should the insured decide to exercise it. This valuable living benefit can help offset the cost of either in-home care or care in a resident facility. *(Conditions apply; see the following pages for additional details. Form Series CA-ULABR-CI-18)*

Accelerated Death Benefit Due To Chronic Illness Rider

This valuable living benefit will be included upon approval in the life contract for employees and their spouses at an additional cost.¹ This rider can help offset the unplanned expense of care should the insured be faced with a qualifying disabling chronic illness or severe cognitive impairment. Here's how it works:

- If, for a period of 90 days, you're no longer able to perform any two of the six Activities of Daily Living or if you suffer Severe Cognitive Impairment, you can receive a living benefit.²
 - Example: You own a \$100,000 Texas Life insurance policy with the Chronic Illness rider. A medical

professional certifies that you can no longer perform two of the six Activities of Daily Living or have suffered Severe Cognitive Impairment. You can apply for a lump sum of \$92,000 minus a \$150 processing fee.³

- The money is yours to do with as you choose: you do not have to go to a nursing home, convalescent center or receive home health care to receive the cash.
- The cost to add this valuable living benefit to your life insurance policy is minimal – just 10% of the policy's base premium.

The agent/agency offering this coverage is not affiliated with Texas Life other than to market its products. Underwritten and claims paid by Texas Life. Licensed in DC and all states except NY.

PureLife-plus is a Flexible Premium Adjustable Life Insurance to Age 121. Texas Life contracts and riders contain certain exclusions, limitations, exceptions, reductions of benefits, waiting periods and terms for keeping them in force. See a Texas Life representative or the Purelife-plus brochure for costs and complete details. Any outstanding loans will reduce the cash value and death benefit. Form series PRFNG-NI.

¹ Issuance requires responses to additional underwriting questions.

² Six Activities of Daily Living include: bathing, continence, dressing, eating, toileting, and transferring. Severe Cognitive Impairment means a deterioration or loss in intellectual capacity that: (1) places the Insured in jeopardy of harming him/herself or others and, therefore, the Insured requires Substantial Supervision by another individual; and (2) is measured by clinical evidence and standardized tests which reliably measure impairment in: (a) short or long-term memory; (b) orientation to people, places or time; and (c) deductive or abstract reasoning.

³ The Accelerated Death Benefit Rider for Chronic Illness pays 92% of the insurance proceeds less a \$150 administration fee in lieu of the benefit payable at death. Payment of this rider terminates the contract and any obligations under other riders, endorsements and supplemental benefits as if the insured had died. Form series ULABR-CI.

Employer-Paid Term Life & AD&D Insurance

Life insurance protects your loved ones. It pays a benefit so they can afford to pay for funeral expenses, pay off debt and maintain their current standard of living. It is one of the best ways to show you care. Bastrop ISD provides all eligible employees a \$10,000 policy. The cost of this policy is paid for 100% by Bastrop ISD. This is a term life policy that is in effect while you are employed.

Voluntary Term Life Insurance

Voluntary life insurance is term life coverage you can purchase in addition to the basic life plan provided by Bastrop ISD. It will cover you for a specific period of time while you are employed. Plan amounts are offered in tiers so you can choose the amount of coverage that works best for you and your family. Because it's a group plan, premiums are typically lower, so it's more affordable to gain the peace of mind that life insurance provides. Limitations apply, please see policy for details. Visit the Employee Benefits Center for more details.

Voluntary Term Life Benefits

You may select a minimum benefit of \$10,000 up to a maximum amount of \$500,000, in \$10,000 increments, not to exceed 5 times your annual base salary only, rounded to the next higher \$1,000.

Long Term Disability Insurance

Why Do I Need Disability Insurance?

Have you ever wondered what would happen to your income if you had an accidental injury, sickness, or pregnancy? That is why you need disability coverage. It replaces a portion of income for the period you are unable to work due to those reasons. You can choose the benefit amount, which is the amount of your income to replace, and the waiting period that you begin receiving payments.

How do you decide if you need disability insurance? Consider these questions when making your decision:

- How much employer leave do you have?
- Do you have savings?
- Do you have other income you can rely on, such as from your spouse or from child support?
- How close are you to retirement?
- Could you go on Social Security Disability or take a Disability Retirement?
- What are your other sources of income?

When Coverage Begins

Certificates will become effective on the requested effective date following the date we approve the application, provided you are on active employment and premium has been paid.

Hospital Confinement Benefit

A Hospital Confinement Benefit will be paid each day you are confined as a patient in a Hospital due to an Injury or Sickness, for up to 60 days. The amount payable is 1 times the Disability Benefit which will be pro-rated on a daily basis. This benefit will not be reduced by Deductible Sources of Income. The Hospital confinement must be at least 18 continuous hours in duration.

Plans IV-VI: This benefit will begin after you've met your elimination period.

Plans I-III: This benefit will begin on your first day of Hospital confinement. The remainder of your elimination period will be waived. If you are Hospital confined due to a covered Injury or Sickness, your Hospital Confinement Benefit will be paid for any days of that confinement occurring before the day your Monthly Disability Benefit would otherwise begin.

Survivor Benefit

A lump sum benefit equal to 3 times the Disability payment will be paid if on the date of your death your Disability had continued for 90 or more consecutive days and you were receiving or entitled to receive Disability payments. The Survivor Benefit may be paid earlier if you have a terminal illness.

Waiver of Premium

No premium payments are required while you are receiving payments under the plan after Disability payments have been received for 90 consecutive days. We will require proof annually that you remain Disabled during that time.

Donor Benefit

If you are Disabled as a result of being an organ or tissue donor, we will pay your benefit as any other Sickness under the terms of the plan.

Offsets With Other Sources of Income

Deductible Sources of Income include:

- Other group Disability income.
- Governmental or other retirement system, whether due to Disability, normal retirement or voluntary election of retirement benefits.
- United States Social Security Act or similar plan or act, including any amounts due your dependent(s) on account of your Disability.
- State Disability.
- Unemployment compensation.
- Sick leave or other salary or wage continuance plans provided by the employer which extend beyond 365 calendar days from the date of Disability.

We reserve the right to estimate these Deductible Sources of Income that you may receive as defined in your certificate.

Minimum Disability Benefit

The Minimum Disability Benefit is 10% of the Monthly Disability Benefit or \$100.00, whichever is greater.

If You Are Disabled Due to a Covered Disability and Not Working

For the first 12 months you are disabled due to a covered disability and not working, we will pay the disability benefit described in the benefit schedule. After 12 months, your disability payment will be the disability benefit described in the benefit schedule less any deductible sources of income you receive or are entitled to receive. No disability payment will be provided for any period in which you are not under the regular and appropriate care of a physician.

Return To Work Incentives: Disabled and Working

If you are Disabled and working, you may be eligible to continue to receive a percentage of your Disability payment in addition to your Disability earnings. If your Disability earnings exceed 80% of your monthly compensation, payments will stop and your claim will end.

- **Worksite Accommodation**

As a part of our claims evaluation process, if worksite modifications may assist your return to work, we will evaluate your claim for appropriate action.

Alcoholism and Drug Addiction Limited Benefit

If drug addiction is sustained at the hands of, or while under the regular and appropriate care of a physician in the course of treatment for Injury or Sickness, it will be covered the same as any other Sickness.

Hospital Indemnity Insurance

MetLife | www.metlife.com/mybenefits | 800-638-5433

Hospital stays are costly. If you or a family member find yourself in the hospital due to a sudden accident or illness, you may struggle financially, even if you have a good medical plan. With a hospital indemnity plan, you can rest assured those extra expenses won't be a financial burden.

Unlike medical plans, there are no deductibles to meet with a hospital indemnity plan. As soon as you incur a qualified event, you can file a claim and start receiving benefits.

The plan pays a lump sum benefit in a previously specified amount. The money can be used for medical costs, insurance deductibles, groceries, transportation, childcare – the choice is up to you!

Medical Transport

MASA | www.masamts.com | 800-643-9023

Americans today suffer from a false sense of security that their medical coverage will pay for all costs associated with emergency or critical care transport. The reality is that a majority of Americans are only partially covered for these high costs.

Most medical plans will only pay a portion of costs leaving you with the remainder of the bill. There is also the possibility of your medical provider denying your claim altogether, which means you would be responsible for paying the entire bill.

With medical transport protection, you will have zero out-of-pocket expenses for any emergent air or ground transport from anywhere in the United States, regardless of who transports you. You will receive medical emergency transportation solutions to help cover your out-of-pocket medical transport costs when your insurance falls short.

EMERGENCY TRANSPORTATION COSTS

MASA MTS is here to protect its members and their families from the shortcomings of health insurance coverage by providing them with comprehensive financial protection for lifesaving emergency transportation services, both at home and away from home.

Many American employers and employees believe that their health insurance policies cover most, if not all ambulance expenses. The truth is, they DONOT!

Even after insurance payments for emergency transportation, you could receive a bill up to \$5,000 for ground ambulance and as high as \$70,000 for air ambulance. The financial burdens for medical transportation costs are very real.

HOW MASA IS DIFFERENT

Across the US there are thousands of ground ambulance providers and hundreds of air ambulance carriers. ONLY MASA offers comprehensive coverage since MASA is a PAYER and not a PROVIDER!

ONLY MASA provides over 1.6 million members with coverage for **BOTH ground ambulance and air ambulance transport, REGARDLESS of which provider transports them.**

Members are covered ANYWHERE in all 50 states and Canada!

Worldwide coverage is also available with our Platinum Membership.

Additionally, MASA provides a repatriation benefit: if a member is hospitalized more than 100 miles from home, MASA can arrange and pay to have them transported to a hospital closer to their place of residence.

Any Ground. Any Air. Anywhere.™

Identity Theft Protection

iLock360 | www.iLock360.com | 855-287-8888

Millions of Americans report having their identity stolen each year. People are online and mobile more than any time in history, so it's no surprise that identity theft is on the rise. And it goes far beyond simply having your credit card number stolen. While credit card fraud is one of the highest reported types of identity theft, it also includes bank, loan, phone and tax-related fraud.

Identity theft insurance won't prevent your identity from being stolen. But it will be there to alert you if any suspicious activity is noticed under your name. The plan includes credit bureau monitoring, social security number usage and lost wallet protection. Accounts are monitored daily so you can rest easy knowing your identity is being protected even while you sleep. The sooner you can take action to close your accounts, the quicker you can recover your identity.

403(b) Retirement Plan

Research shows that Americans are living well past retirement years. Are you saving enough to be able to enjoy those years? A 403(b) plan can help you get there.

It's an IRS-approved retirement plan that allows you to set aside money on a pre-tax basis for your retirement. Contributions are conveniently made through payroll deduction, so money is moved from your paycheck into the account automatically. Plus, your employer may even match your contributions based on how much you put into the plan. Now is the time to take full advantage of this opportunity to maximize your retirement savings!

457(b) Retirement Plan

The 457(b) plan is an employer-sponsored voluntary retirement savings plan that allows you to save money for retirement on a tax-deferred or ROTH basis. One significant way the 457(b) differs from the 403(b) is that distributions are never subject to the 10 percent tax for early withdrawal.

Contribution Limits	
2025	2026
\$23,500	\$24,500

Participants aged 50 and older at any time during the calendar year are permitted to contribute an additional \$8,000.

All investing involves risk. Past performance is not a guarantee of future returns.

Employee Assistance Program

One America | www.guidanceresources.com | 855-387-9727

Life pulls us in many different directions. Between kids, personal relationships, extracurricular activities, and family time, it seems like we don't have enough time in a day to fit it all in. When life gets you stressed, call the employee assistance line provided by your employer. It offers 24/7 access to professionals who can help you successfully face emotional issues.

An employee assistance program, or EAP, is a free, voluntary program offered by Bastrop ISD. With one phone call, you will have access to short-term counseling and confidential assessments whenever you have a personal or work-related problem.

Employee assistance programs address a wide range of issues including mental and emotional well-being, substance abuse and grief. Counselors are held to the highest ethical standard and are trained to keep your situation confidential. They work with you to determine the best way to address your needs and move you in a positive direction.

For Employees: What is the Employee Assistance Program?

The Employee Assistance Program is provided by ComPsych® GuidanceResources® and offers counseling, legal and financial consultation, work-life assistance and crisis intervention services to all our employees and their household family members.

Why provide an EAP?

Because we care about our employees and their dependents. The EAP can be used free of charge as needed when you or your dependents are facing emotional, financial, legal or other concerns.

Are the services confidential?

Yes, the EAP is strictly confidential. No information about your participation in the program is provided to your employer.

Why might my family or I use the services?

There are many reasons to use these services. You may wish to contact the EAP if you:

- Are feeling overwhelmed by the demands of balancing work and family
- Are experiencing stress, anxiety or depression
- Are dealing with grief and loss
- Need assistance with child or elder care concerns
- Have legal or financial questions
- Have concerns about substance abuse for yourself or a dependent

What happens when I call?

When you call, you will speak with a GuidanceConsultantSM, a master's- or PhD-level counselor who will collect some general information about you and will talk with you about your needs. The GuidanceConsultantSM will provide the name of a counselor who can assist you. You can then set up an appointment to speak with the counselor over the phone or schedule a face-to-face visit.

What counseling services does the EAP provide?

The EAP provides free short-term counseling with counselors in your area who can help you with your emotional concerns. If the counselor determines that your issues can be resolved with short-term counseling, you will receive counseling through the EAP. However, if it is determined that the problem cannot be resolved in short-term counseling in the EAP and you will need longer-term treatment, you will be referred to a specialist early on and your insurance coverage will be activated.

Can my children use the EAP?

Yes. The EAP is a confidential benefit for employees and their household family members.
