Benefit Eligibility & Coverage

You have 31 days from your actively-at-work date to make benefit elections. Insurance coverage becomes effective on the first day of the month that follows a waiting period of 30 calendar days.

Existing Employees

Your elections can be made anytime during annual enrollment online from your work or home computer. Before enrollment, take time to educate yourself on the available benefits and what options would work best for you and your family by visiting the Employee Benefits Center.

Mid-year Benefit Changes

You may add or cancel coverage during the plan year if you have a change in family status. You must notify the benefits department within 31 days of the change.

Qualifying Life Events Include:

- Changes in household, including marriage, divorce, legal separation, annulment, death of a spouse, birth, adoption, placement for adoption or death of a dependent child
- Loss of health coverage, attributable to your spouse's employment, losing existing health coverage including job-based, individual and student plans, losing eligibility for Medicare, Medicaid, or CHIP, turning 26 and losing coverage through a parent's plan

Declining Coverage

Section 125 Plans

Section 125 Plan Information & Rules

A Section 125 Plan provides a tax-saving way to pay for eligible medical or dependent care expenses. The funds are automatically deducted from your paycheck on a pre-tax basis.

Here’s How It Works

A Section 125 Plan reduces your taxes and increases your spendable income by allowing you to deduct the cost of eligible benefits from your earnings before tax. Plus, the plan is available to you at no cost, and you’re already eligible – all you must do is enroll.

Is It Right For Me?

The savings you may experience with a Section 125 Plan are outlined in the example below. For instance, you could potentially take home about \$70 more each month if you participated in your employer’s Section 125 Plan – that’s a savings of \$840 a year!

You cannot change your benefit elections for the plan year unless the benefits office receives notification in writing within 31 days of the status change. If the benefits office is not notified within 31 days of the status change, no benefit change can be made until the next annual open enrollment.

- IRS specified changes in family status include:
- Change in legal married status
 - Change in number of dependents
 - Termination or commencement of employment
 - Dependent satisfies or ceases to satisfy dependent eligibility requirements
 - Change in residence or worksite that affects eligibility for coverage

Section 125 Plan Sample Paycheck		
	Without S125	With S125
Monthly Salary	\$2,000	\$2,000
Less Medical Deductions	-N/A	-\$250
Tax Gross Income	\$2,000	\$1,750
Less Taxes (Fed/State at 20%)	-\$400	-\$350
Less Estimated FICA (7.65%)	-\$153	-\$133
Less Medical Deductions	-\$250	-N/A
Take Home Pay	\$1,197	\$1,267

You could save \$70 per month in taxes by paying for your benefits on a pre-tax basis!

Why Do I Need Disability Insurance?

Have you ever wondered what would happen to your income if you had an accidental injury, sickness, or pregnancy? That is why you need disability coverage. It replaces a portion of income for the period you are unable to work due to those reasons. You can choose the benefit amount, which is the amount of your income to replace, and the waiting period that you begin receiving payments.

How do you decide if you need disability insurance? Consider these questions when making your decision:

- How much employer leave do you have?
- Do you have savings?
- Do you have other income you can rely on, such as from your spouse or from child support?
- How close are you to retirement?
- Could you go on Social Security Disability or take a Disability Retirement?
- What are your other sources of income?

Group Short Term Disability Insurance

Protect your income and those who depend on it.

This coverage replaces a portion of your income when you can't work because of a qualifying disability. Even if you're healthy now, it's important to protect yourself and the people who count on your income. This insurance can help you pay the bills when you're unable to work.

This plan offers:

- Competitive group rates
- The convenience of payroll deduction
- Benefits for a qualifying disability that is not work-related

? About This Coverage

See the Important Details section for more information, including requirements, exclusions and definitions.

What Your Benefit Provides

This is the benefit you'd receive if you were to suffer a qualifying disability. Eligible earnings are your weekly insured predisability earnings, as defined by the group policy. Your benefit amount will be reduced by deductible income; see the Important Details section for a list of deductible income sources.

Benefit Waiting Period

If you suffer a qualifying disability, your benefit waiting period is the length of time you must be continuously disabled before you can begin receiving your weekly benefit.

Extended Benefit Waiting Period

This applies if you do not apply for this coverage within 31 days of becoming eligible, were eligible for coverage under a prior plan for more than 31 days but were not insured, or if your insurance ends because you failed to pay your premium and is later reinstated.

How Long Your Benefits Last

This is the maximum length of time you could be eligible to receive a weekly disability benefit.

\$300 - \$5,000 in increments of \$100

Option 1 - 0 days for accidental injury / 7 for physical disease, pregnancy or mental disorder

Option 2 - 14 days for accidental injury / 14 for physical disease, pregnancy or mental disorder

60 days for any qualifying disability caused by physical disease, pregnancy or mental disorder occurring during the first 12 months of coverage.

90 days

Additional Features

Your coverage comes with some added features:

Return to Work Incentive	Your disability benefit will not be reduced by any work earnings you receive until the combined amount of the benefit and your work earnings exceeds 100% of your predisability earnings.
Help with Returning to Work	If a worksite modification would enable you to return to work, we can help your employer make approved modifications by covering some or all of the cost.

How Much Your Coverage Costs

Because this insurance is offered through Berkely County School District, you'll have access to competitive group rates that may be more affordable than those available through individual insurance. You'll also have the convenience of having your premium deducted directly from your paycheck. How much your premium costs depends on a number of factors, such as your age and benefit amount.

1. Enter the amount of coverage you are requesting \$_____
2. Divide line 1 by 100 = _____
3. Enter your rate from the rate table below \$_____
4. Multiple line 2 by line 3 = \$_____
5. Line 4 is the estimated amount you would pay each month.
6. To get a sense of your semimonthly premium, divide your monthly premium amount by 2. \$_____

Option	Rate per \$100 of weekly benefit
Option 1	\$2.515
Option 2	\$1.840

Not being able to work also means not being able to earn a paycheck. As you consider Short Term Disability insurance, think about the expenses you would need to cover if you were to become disabled:

- Mortgage or rent
- Utilities
- Groceries
- Medical bills
- Car insurance
- Childcare costs

To estimate your insurance needs, you'll need to consider your unique circumstances.

Manhattan Life via BayBridge Administrators | 800-845-7519 | www.bbadmin.com

Thousands of Americans are diagnosed with cancer each day. No doubt, the news is devastating, both personally and financially. It's impossible to anticipate a cancer diagnosis, but it is possible to prepare for it with a cancer insurance plan.

It is likely that your major medical coverage will not cover all the costs associated with a cancer diagnosis. Supplementing your major medical with cancer insurance may help you pay for related expenses, such as copays and deductibles, specialists, experimental treatment, specialty hospitals, travel expenses, in-home care and more.

Premiums are paid through convenient payroll deduction to ensure your policy remains in force if you should need it. Benefits are paid directly to you, so you can choose how to spend the money. Visit the Employee Benefits Center and view policy for more details.

Pre-Existing Condition Limitation

No benefits will be provided during the first 12 months of the policy for cancer diagnosed before the 30th day after the effective date shown in the policy schedule. During the first 12 months of a Covered Person's Insurance, losses incurred for Pre-Existing Conditions are not covered. During the first 12 months following the date a Covered Person makes a change in coverage that increases his or her benefits, the increase will not be paid for Pre-Existing Conditions. After this 12 month period, however, benefits for such conditions will be payable unless specifically excluded from coverage. This 12 month period is measured from the Certificate Effective Date for each Covered Person.

Pre-Existing Condition means Cancer or a Specified Disease, for which a Covered Person has received medical consultation, treatment, care, services, or for which diagnostic test(s) have been recommended or for which medication has been prescribed during the 12 months immediately preceding the Certificate Effective Date of coverage for each Covered Person.

3. the date the Policy is amended to terminate the eligibility of the Employee class.

On the date the Policy terminates or the date the Named Insured ceases to be a member of an eligible class, Named Insureds and their covered dependents will be eligible to exercise the portability privilege. Portability coverage may continue beyond the termination date of the Policy, subject to the timely payment of premiums. Portability coverage will be effective on the day after insurance under the Policy terminates.

The benefits, terms and conditions of the portability coverage will be the same as those provided under the Policy when the insurance terminated. The initial portability premium rate is the rate in effect under the Policy for active employees who have the same coverage. The premium rate for portability coverage may change for the class of Covered Persons on portability on any premium due date.

Hospital Indemnity Insurance

The Standard | www.standard.com | 800-368-1135

Hospital stays are costly. If you or a family member find yourself in the hospital due to a sudden accident or illness, you may struggle financially, even if you have a good medical plan. With a hospital indemnity plan, you can rest assured those extra expenses won't be a financial burden.

Unlike medical plans, there are no deductibles to meet with a hospital indemnity plan. As soon as you incur a qualified event, you can file a claim and start receiving benefits.

The plan pays a lump sum benefit in a previously specified amount. The money can be used for medical costs, insurance deductibles, groceries, transportation, childcare – the choice is up to you!

Hospital Indemnity Insurance

IMPORTANT: This is a fixed indemnity policy, NOT health insurance

This fixed indemnity policy may pay you a limited dollar amount if you're sick or hospitalized. You're still responsible for paying the cost of your care.

- The payment you get isn't based on the size of your medical bill.
- There might be a limit on how much this policy will pay each year.
- This policy isn't a substitute for comprehensive health insurance.
- Since this policy isn't health insurance, it doesn't have to include most Federal consumer protections that apply to health insurance.

Looking for comprehensive health insurance?

- **Visit [HealthCare.gov](https://www.healthcare.gov) online** or call **1-800-318-2596** (TTY: 1-855-889-4325) to find health coverage options.
- To find out if you can get health insurance through your job, or a family member's job, contact the employer.

Questions about this policy?

- For questions or complaints about this policy, contact your State Department of Insurance. Find their number on the National Association of Insurance Commissioners' website ([naic.org](https://www.naic.org)) under "Insurance Departments."
- If you have this policy through your job, or a family member's job, contact the employer.

Group Hospital Indemnity Insurance

Keep your finances on track when you're in the hospital.

1 You're admitted to the hospital.

Your health insurance covers many costs of your stay and treatment. But you still have a lot of expenses, including deductibles, copays, and other costs you couldn't predict.

2 We send you a check.

The Standard will send a check directly to you - not to your medical providers - upon approval of your claim. You decide how you spend the money.

3 You focus on recovering.

With The Standard helping you handle the costs of your hospital stay, you get to concentrate on what matters most - your health.

Here's what it does:

- **Pays you directly**, so you can choose how to spend the money
- **Goes with you** if you leave your employer
- **Provides coverage** without answering any medical questions
- Gives you the option to **cover your spouse and children**
- **Protects your HSA Account**
- Provides the convenience of having your **premium payments deducted directly from your paycheck**

This coverage from Standard Insurance Company (The Standard) can help protect your finances and provides you peace of mind.

Here’s how it works:

Ruptured Ulcer: Kim is out of town on a business trip when she experiences abdominal pain and a racing heartbeat. Diagnosis: ruptured gastric ulcer. She is rushed to the hospital, admitted and taken into surgery. She ends up being hospitalized for 10 days, three of which are in a critical care unit. Kim’s spouse leaves their two kids with their daycare provider and flies to be at her side. The family now faces additional costs for medical bills, travel, and childcare amounting to \$3,850.

Your Employer is giving you the following options to choose from. Here's what each plan would cover for this example:

Benefits Paid to You	Low	Medium	High
Hospital admission	\$1,500	\$2,000	\$2,500
Hospital confinement (10 days)	\$2,000	\$2,500	\$3,000
Critical care unit admission	\$1,500	\$2,000	\$2,500
Critical care unit confinement (3 days)	\$600	\$750	\$900
Total paid to you	\$5,600	\$7,250	\$8,900

Here’s what it would cost you:

Coverage for...	Semimonthly Premium for Low	Semimonthly Premium for Medium	Semimonthly Premium for High
You	\$10.97	\$14.05	\$16.14
You and your spouse	\$18.82	\$24.05	\$30.59
You and your children	\$15.58	\$19.89	\$24.35
You, your spouse and your children	\$27.66	\$35.37	\$38.78

Here's what it covers:

Benefits Paid to You	Low	Medium	High
Hospital Admission ¹	\$1,500 Maximum 1 per calendar year	\$2,000 Maximum 1 per calendar year	\$2,500 Maximum 1 per calendar year
Daily Hospital Confinement ¹	\$200 per day Maximum 30 days per stay	\$250 per day Maximum 30 days per stay	\$300 per day Maximum 30 days per stay

Daily Critical Care Unit Confinement ^{1,2}	\$200 per day Maximum 30 days per stay	\$250 per day Maximum 30 days per stay	\$300 per day Maximum 30 days per stay

² Payable in addition to the Hospital Admission and/or Daily Hospital Confinement benefit you may be eligible to receive.

Additional Benefits

Waiver of Premium – Premium waived if you are confined to a hospital for more than 30 days.

Health Maintenance Screening Benefit — Pays a benefit once per insured per calendar year for receiving a covered wellness screening, which may include a novel infectious disease test (including COVID-19) or a mammogram. The benefit amounts are \$100 for Low, \$100 for Medium and \$100 for High.

Protect your HSA Account — Hospital Indemnity insurance provides financial protection while you are building your HSA assets. Contact your employer to determine if this Hospital Indemnity plan impacts the taxability of your contributions to an HSA. It's protection that's also convenient: Your premium payments can be deducted directly from your paycheck.
