Section 125 Plans

Section 125 Plan Information & Rules

A Section 125 Plan provides a tax-saving way to pay for eligible medical or dependent care expenses. The funds are automatically deducted from your paycheck on a pre-tax basis.

Here’s How It Works

A Section 125 Plan reduces your taxes and increases your spendable income by allowing you to deduct the cost of eligible benefits from your earnings before tax. Plus, the plan is available to you at no cost, and you’re already eligible – all you must do is enroll.

Is It Right For Me?

The savings you may experience with a Section 125 Plan are outlined in the example below. For instance, you could potentially take home about \$70 more each month if you participated in your employer’s Section 125 Plan – that’s a savings of \$840 a year!

You cannot change your benefit elections for the plan year unless the benefits office receives notification in writing within 31 days of the status change. If the benefits office is not notified within 31 days of the status change, no benefit change can be made until the next annual open enrollment.

- IRS specified changes in family status include:
- Change in legal married status
 - Change in number of dependents
 - Termination or commencement of employment
 - Dependent satisfies or ceases to satisfy dependent eligibility requirements
 - Change in residence or worksite that affects eligibility for coverage

Section 125 Plan Sample Paycheck		
	Without S125	With S125
Monthly Salary	\$2,000	\$2,000
Less Medical Deductions	-N/A	-\$250
Tax Gross Income	\$2,000	\$1,750
Less Taxes (Fed/State at 20%)	-\$400	-\$350
Less Estimated FICA (7.65%)	-\$153	-\$133
Less Medical Deductions	-\$250	-N/A
Take Home Pay	\$1,197	\$1,267

You could save \$70 per month in taxes by paying for your benefits on a pre-tax basis!

Dental insurance

Taking care of your teeth is about more than just covering cavities and cleanings. It also means accounting for more expensive dental work, and your overall health.

With dental insurance, routine preventive care can lead to better overall health. And you'll be able to save money if any extensive dental work is required.

Who is it for?

Everyone should have access to great dental coverage, which is why we offer comprehensive plans that are available through employers as part of your benefit offerings.

What does it cover?

Dental insurance helps to protect your overall oral care. That includes services like preventive cleanings, x-rays, restorative services like fillings, and other more serious forms of oral surgery if you ever need them.

Why should I consider it?

Poor oral health isn't just aesthetic, it's also been linked to conditions including diabetes, heart disease, and strokes. So, while brushing and flossing every day can help keep your teeth clean, nothing should replace regular visits to the dentist.

Staying healthy

Joe visits his dentist for a routine dental cleaning, to take care of his teeth as well as his overall health.

Oral health is about more than just teeth and gums. It's also essential for a range of other health and wellbeing reasons:

Cardiovascular disease: Some research suggests that heart disease, clogged arteries, and strokes may be linked to inflammation and infections from oral bacteria.

Osteoporosis: Weak and brittle bones may be linked to tooth loss.

Diabetes: Research shows that people with gum disease find it more difficult to control their blood sugar levels.

Alzheimer's disease: Worsening oral health is seen as Alzheimer's disease progresses.

Source: An Ounce of Prevention: The link between preventive dental care and better oral health and wellness, Guardian 12th Annual Workplace Benefits Study, 2024

You will receive these benefits if you meet the conditions listed in the policy. *Guardian will never ask you to provide sensitive personal information, including SSN/DOB, nor login via QR codes.

Your dental coverage

PPO plan, you'll have access to one of the largest networks of dentists with two reimbursement levels that give you more control over savings. You will always save money with any dentist in Guardian's network and when they belong to a tier in the Tier 1 reimbursement level you will maximize your savings. Reimbursement for covered services received from a non-contracted dentist will be based on a percentile of the prevailing fee data for the dentist's zip code.

Guardian's Preferred Provider Organization consists of Dentists in the DentalGuard Preferred ("DGP") network. These tiers represent specific benefit levels as described in Your Schedule of Benefits. Network access varies by geographic location and zip code. Please visit www.Guardianlife.com to confirm your Dentist's tiered participation.

This is only a partial list of dental services. Your certificate of benefits will show exactly what is covered and excluded. **For PPO and or Indemnity members, Crowns, Inlays, Onlays and Labial Veneers are covered only when needed because of decay or injury or other pathology when the tooth cannot be restored with amalgam or composite filling material.

When Orthodontia coverage is for "Child(ren)" only, the dependent limiting age and the orthodontia limiting age may differ. Please review your certificate of benefits to confirm the age limit specific to orthodontic treatment. For Orthodontia to be covered, the orthodontic appliance must be placed prior to the orthodontia age limit set by your plan; If full-time status is required by your plan in order to remain insured after a certain age, then orthodontic maintenance may continue as long as full-time student status is maintained. If Orthodontia coverage is for "Adults and Child(ren)" this limitation does not apply.

*General Anesthesia – restrictions apply. ‡For PPO and or Indemnity members, Fillings – restrictions may apply to composite fillings.

Oral Health Rewards Program

Regular visits to the dentist can help prevent and detect the early signs of serious diseases.

That’s why Guardian’s Maximum Rollover Oral Health Rewards Program encourages and rewards members who visit the dentist, by rolling over part of your unused annual maximum into a Maximum Rollover Account (MRA). This can be used in future years if your plan’s annual maximum is reached.

Automatic rollover

Submit a claim (without exceeding the paid claims threshold of a benefit year), and Guardian will roll over a portion of your unused annual dental maximum.

How maximum rollover works*

Depending on a plan’s annual maximum, if claims made for a certain year don’t reach a specified threshold, then the set maximum rollover amount can be rolled over.

Plan annual maximum**	Threshold	Maximum rollover amount	In-network only rollover amount	Maximum rollover account limit
\$2,000 Maximum claims reimbursement	\$800 Claims amount that determines rollover eligibility	\$400 Additional dollars added to a plan’s annual maximum for future years	\$600 Additional dollars added if only in-network providers were used during the benefit year	\$1,500 The limit that cannot be exceeded within the maximum rollover account

* This example has been created for illustrative purposes only.
** If a plan has a different annual maximum for PPO benefits vs. non-PPO benefits, (\$1500 PPO/\$1000 non-PPO for example) the non-PPO maximum determines the Maximum Rollover plan. May not be available in all states.
Guardian’s Dental Insurance is underwritten and issued by The Guardian Life Insurance Company of America, New York, NY. Products are not available in all states. Policy limitations and exclusions apply. Optional riders and/or features may incur additional costs. Plan documents are the final arbiter of coverage. Flexible Spending Accounts

First Financial Administrators, Inc. | www.ffga.com
1-866-853-3539 P.O. Box 161968 | Altamonte Springs, F.L. 32716

Medical FSA

A Medical Flexible Spending Account (Medical FSA) is an IRS-approved program to help you save taxes and pay for out-of-pocket medical expenses not covered under your medical plan. If your plan includes a grace period option, you have additional time to incur and claim against unused funds in the new plan year. Keep in mind that remaining balances after the grace period is exhausted will be forfeited under the use-it-or-lose-it rule.

Your maximum contribution amount for 2026 is \$3,400.

Medical FSA Highlights

- Contributions are automatically deducted from your paycheck on a pre-tax basis, which helps reduce your taxable income and increase your spendable income.
- Your full election will be available to you at the beginning of the plan year.
- Be conservative – any money left in your account at the end of the plan year will be forfeited.
- Use your benefits card to pay for qualified expenses upfront without spending money out of pocket.
- Keep all receipts in case you need to substantiate a claim for tax purposes.

NOTE: The IRS requires proof that all expenses are eligible. Keep all receipts in case you need to substantiate a claim for tax purposes. Your receipt must include the date of purchase or service, amount you were required to pay after insurance, description of the product or service, merchant or provider name, and the patient's name.

Dependent Care FSA

With a Dependent Care Flexible Spending Account, you can set aside part of your pay on a pre-tax basis to pay for eligible dependent care expenses like childcare, babysitters, and adult day care.

You may allocate up to \$7,500 per tax year for reimbursement of dependent care services.

If you are married and file a separate tax return, the limit is \$3,750.

Dependent Care FSA Highlights

- Eligible dependents must be claimed as an exemption on your tax return.
- Eligible dependents must be children under age 13 or an adult dependent incapable of self-care.
- Funds become available as contributions are made to your account.
- Keep all receipts in case you need to substantiate a claim for tax purposes.
- Balances will be forfeited at the end of the runoff or grace period.

Portable, Permanent, Individual Life Insurance for Employees and Their Families

As an employee, you can apply for valuable life insurance protection on you and your family under eligibility guidelines established for your employer. Your employer has conveniently agreed to permit you to pay premiums through payroll deduction. This is a summary only. Policy provisions prevail. This brochure is not a contract or an offer to contract.

Minimal Cash Values Buy this policy for its life insurance protection, not its cash value. The primary benefit is life insurance. Payment of the Table Premium produces a small cash value (Benchmark Cash Value).

Permanent Life Insurance Coverage Unlike group term life insurance, PureLife-plus is a personally owned, permanent individual life insurance policy to age 121 that can never be canceled or reduced as long as you pay the necessary premiums, even if your health changes.

Guaranteed Period Continuous, timely, and uninterrupted payment of the Table Premium guarantees coverage for the Guaranteed Period shown. Texas Life (We) cannot legally predict the premium required to continue coverage after the Guaranteed Period. It may be lower, the same, or higher than the Table Premium. However, if the premium to continue coverage is ever higher, We guarantee a limited right to a partial refund of premium (described below).

Guaranteed Limited Right to Partial Refund of Premium If a premium higher than the Table Premium is ever required to continue coverage after the Guaranteed Period, you have the choice to:

- Pay the higher premium(s) required to continue coverage; or,
- Surrender the policy and receive a partial refund of premium equal to 120 times the minimum monthly premium due at issue (ten years worth of Table Premium). You are eligible for this refund if the actual cash value equals or exceeds the Benchmark Cash Value and you have taken no prior partial surrenders.

Portable Once issued, continued employment is not a condition to continue coverage. Coverage is guaranteed as long as required premiums are paid, even after you retire or terminate employment. When employment ends, you can pay equivalent monthly premiums directly or by bank draft (for monthly direct payments we add a monthly fee not to exceed \$2.00). Other modes are available.

Accelerated Death Benefit Due to Terminal Illness Rider This policy includes, at no additional premium, an Accelerated Death Benefit Due to Terminal Illness Rider (Form ICC07-ULABR-07). See details on next page.

Individual and Family Coverage is Easy to Apply For Subject to age and amount restrictions, you may apply for an individual policy on your life or your spouse's life (see chart next page for spouse's minimum/maximum amounts). An individual policy is

also available on each of your children ages 15 days — 26, and even on each of your grandchildren ages 15 days — 18. Proof of insurability is required. Most policies are issued based upon the answers to three work and health related application questions.

Optional Benefits According to the guidelines established for your employer, your application will include the following benefit for an additional cost depending upon your issue age.

Accidental Death Benefit This benefit to age 65 (Issue Ages 17-59) doubles the coverage when death occurs by accidental bodily injury within 180 days of an accident. Maximum in-force limits and exclusions apply. (Form ICC07-ULCL-ADB-07).

Accelerated Death Benefit Rider For Chronic Illness For Employee and Spouse Only This benefit provides an accelerated death benefit if an insured becomes chronically ill as defined in the rider. (Form ICC15-ULABR-CI-15). Requires additional underwriting questions. See details on next page.

Interim Insurance: Interim insurance will be in force on the application date if these conditions are met: (1) the insurance is purchased through payroll deduction; (2) the Salary Deduction Authorization is signed; and, (3) the proposed insured is insurable at standard rates under Our rules and usual practice. Interim insurance remains in effect until the earlier of: (a) the Policy Date; (b) the date We decline the application; (c) the date We notify the applicant that s/he is ineligible for interim insurance; or, (d) the 180th day after the application date.

Policy Mechanics and Other Important Details Premiums are flexible. However, we highly recommend payment of the Table Premium during the Guaranteed Period, and no partial surrenders or policy loans. Table Premium produces a small cash value (Benchmark Cash Value). Paying a lesser premium results in an actual cash value which is less than Benchmark Cash Value, causing the policy to lapse. Premiums less a premium load create cash value to pay monthly administrative loads and cost of insurance. Cash value is currently credited at the guaranteed interest rate of 2.00% per year. We may, at any time, credit higher than the guaranteed interest rate. Likewise, We may charge cost of insurance rates which are less than the policy's maximum rates, but only when actual cash value equals or exceeds Benchmark Cash Value. No surrender charges apply. Loads include 10.00% of premium, \$2.03 per month and monthly administrative loads. Two year suicide and contestable clauses apply. The policy loan rate is 7.40% in advance. Surrenders and loans may be deferred for up to six months.

A Summary of the Accelerated Death Benefit Rider

Terminal Illness - included at no additional cost

The policy includes an Accelerated Death Benefit Due to Terminal Illness Rider. If the Insured has a terminal illness, in lieu of the insurance proceeds otherwise payable at death, you may elect to claim an accelerated benefit while the Insured is still alive. The single sum benefit is 92% of the insurance proceeds less an administrative fee of the lesser of \$150 or 7% of the insurance proceeds. Terminal Illness is an injury or sickness diagnosed and certified by a qualifying physician that, despite the appropriate medical care, is reasonably expected to result in death within 12 months. This benefit is intended to qualify for favorable income tax treatment and may not be subject to federal income tax. (See Important Notices below.)

Chronic Illness - included with an additional premium

For an additional premium of 10% of the base policy premium, this policy may include an Accelerated Death Benefit Due to Chronic Illness Rider. If the Insured has a chronic illness, in lieu of the insurance proceeds otherwise payable at death, you may elect to claim an accelerated benefit while the Insured is still alive. The single sum benefit is 92% of the insurance proceeds less an administrative fee of the lesser of \$150 or 7% of the insurance proceeds. Chronic Illness means the Insured permanently: (a) is unable to perform, without substantial assistance from another individual, at least two Activities of Daily Living due to a loss of functional capacity and will need services for the rest of his or her life; or (b) requires substantial supervision to protect the Insured from threats to health and safety due to severe cognitive impairment and will need services for the rest of his or her life. Activities of Daily Living include: bathing, continence, dressing, eating, toileting, and transferring. Severe cognitive impairment means deterioration or loss of intellectual capacity that: (1) places the Insured in jeopardy of harming himself or herself or others, and therefore, the Insured requires substantial supervision by another person; and (2) is measured by clinical evidence and standardized tests which reliably measure impairment in: (a) short or long term memory; (b) orientation to people, places or time; and (c) deductive or abstract reasoning.

This benefit will be calculated and paid as a lump sum only. This lump sum is intended to serve as a per diem accelerated death benefit as described under Section 101(g) of the Internal Revenue Code. You may be able to exclude certain portions of this accelerated death benefit (specifically, the greater of: (a) the lump sum equivalent of the per diem amount; or (b) the actual cost incurred for Services provided in the year the Accelerated Death Benefit is paid) from your taxable income. Your benefit for Chronic Illness will be calculated in accordance with the rider and you may, in some circumstances, be paid more than the excludable per diem amount.

Important Notices

Tax laws related to the acceleration of life insurance benefits are complex. The information presented in this Summary is general in nature. You should consult a qualified tax or legal advisor to determine the effect of receiving this benefit. Texas Life Insurance Company and its agents do not provide tax or legal advice.

Receipt of any accelerated death benefit under your policy may affect your, your spouse's and your family's eligibility for medical assistance (Medicaid), Aid to Families with Dependent Children (AFDC), Supplemental Social Security Income (SSI), and drug assistance programs. You should consult with a qualified tax or legal advisor and the relevant social service agencies to determine how receiving the benefit may affect your, your spouse's, and your family's eligibility for public assistance.

An accelerated death benefit is not long term care insurance. This summary provides a general description of any accelerated death benefit under your policy. Your policy and riders contain certain exclusions, limitations, and exceptions. Please refer to your policy and rider for details. The right to accelerate benefits under any accelerated death benefit does not extend to any Child Term Life Insurance Rider. However, if the accelerated death benefit under any rider is paid, any coverage provided under the Child Term Life Insurance Rider attached to this policy becomes a paid up term insurance policy on each covered child.

This paid up coverage on each child will terminate on each covered child's 25th birthday. Payment under any accelerated death benefit rider terminates the policy and all other optional benefits/riders and reduces all insurance proceeds, cash values and loan values to zero.

Representation of benefit payable - Terminal or Chronic Illness

The following chart shows the effect of exercising an accelerated benefit on the base policy. This example is using a \$50,000 policy with a \$2,000 policy loan balance and all premiums are current. This chart is for representation purposes only. Your benefits may be higher or lower, depending on your face amount of coverage, any unpaid policy loan balance, and any overdue premiums.

	Terminal Illness	Chronic Illness
Death Benefit	\$50,000	\$50,000
Policy Loan Balance	- \$2,000	- \$2,000

Short Term Disability Insurance

American Fidelity | www.americanfidelity.com | 800-662-1113

Why Do I Need Disability Insurance?

Have you ever wondered what would happen to your income if you had an accidental injury, sickness, or pregnancy? That is why you need disability coverage. It replaces a portion of income for the period you are unable to work due to those reasons. You can choose the benefit amount, which is the amount of your income to replace, and the waiting period that you begin receiving payments.

How do you decide if you need disability insurance? Consider these questions when making your decision:

- How much employer leave do you have?
- Do you have savings?
- Do you have other income you can rely on, such as from your spouse or from child support?
- How close are you to retirement?
- Could you go on Social Security Disability or take a Disability Retirement?
- What are your other sources of income?

Why Do I Need Disability Insurance?

Have you ever wondered what would happen to your income if you had an accidental injury, sickness, or pregnancy? That is why you need disability coverage. It replaces a portion of income for the period you are unable to work due to those reasons. You can choose the benefit amount, which is the amount of your income to replace, and the waiting period that you begin receiving payments.

How do you decide if you need disability insurance? Consider these questions when making your decision:

- How much employer leave do you have?
- Do you have savings?
- Do you have other income you can rely on, such as from your spouse or from child support?
- How close are you to retirement?
- Could you go on Social Security Disability or take a Disability Retirement?
- What are your other sources of income?

When Coverage Begins

Certificates will become effective on the requested effective date following the date we approve the application, provided you are on active employment and premium has been paid.

Physician Expense Benefit

Injury - \$150.00 per Injury
Sickness - \$50.00

If you need personal treatment by a physician due to an Injury or Sickness, we will pay the amount shown above provided no other claim has been paid under the policy. This benefit will be paid for Sickness only if the treatment is received during one full day of Disability during which you missed one full day of work. To be eligible for more than one payment for the same or related condition due to Sickness, you must have returned to work for at least 14 consecutive scheduled workdays. You are not required to miss one full day of work in order to receive the Injury Benefit. This benefit will be limited to 8 payments per calendar year.

Accidental Death Benefit

A lump sum of \$20,000 will be paid to your designated beneficiary if you die as the direct result of an Injury within 90 days after the Injury.

Hospital Confinement Benefit

A Hospital Confinement Benefit will be paid each day you are confined as a patient in a Hospital due to an Injury or Sickness, for up to 60 days. The amount payable is 1 times the Disability Benefit which will be pro-rated on a daily basis. This benefit will not be reduced by Deductible Sources of Income. The Hospital confinement must be at least 18 continuous hours in duration. This benefit will begin after you've met your elimination period.

Waiver of Premium

No premium payments are required while you are receiving payments under the plan after Disability payments have been received for 180 consecutive days. We will require proof annually that you remain Disabled during that time.

Donor Benefit

If you are Disabled as a result of being an organ or tissue donor, we will pay your benefit as any other Sickness under the terms of the plan.

Offsets With Other Sources of Income

Deductible Sources of Income include:

- Other group Disability income.
- Governmental or other retirement system, whether due to Disability, normal retirement or voluntary election of retirement benefits.
- United States Social Security Act or similar plan or act, including any amounts due your dependent(s) on account of your Disability.
- State Disability.
- Unemployment compensation.
- Sick leave or other salary or wage continuance plans provided by the employer which extend beyond 180 calendar days from the date of Disability.

We reserve the right to estimate these Deductible Sources of Income that you may receive as defined in your certificate.

Minimum Disability Benefit

The Minimum Disability Benefit is 10% of the Monthly Disability Benefit or \$100.00, whichever is greater.

If You Are Disabled Due to a Covered Disability and Not Working

Your Disability payment will be the Disability Benefit described in the benefit schedule less any Deductible Sources of Income you receive or are entitled to receive. No Disability payment will be provided for any period in which you are not under the regular and appropriate care of a physician.

Return To Work Incentives: Disabled and Working

If you are Disabled and working, you may be eligible to continue to receive a percentage of your Disability payment in addition to your Disability earnings. If your Disability earnings exceed 80% of your monthly compensation, payments will stop and your claim will end.

This benefit is for expenses incurred up to 25% of your Monthly Disability Benefit. Your Disability earnings, gross Disability Benefit, and Family Care Benefit cannot exceed 100% of your monthly compensation. Payment of this benefit ends when you cease to be eligible for benefits under the Disabled and working provision of the policy.

Cancer Insurance

Plan Options

Guardian | www.guardianlife.com | 888-600-1600

Thousands of Americans are diagnosed with cancer each day. No doubt, the news is devastating, both personally and financially. It’s impossible to anticipate a cancer diagnosis, but it is possible to prepare for it with a cancer insurance plan.

It is likely that your major medical coverage will not cover all the costs associated with a cancer diagnosis. Supplementing your major medical with cancer insurance may help you pay for related expenses, such as copays and deductibles, specialists, experimental treatment, specialty hospitals, travel expenses, in-home care and more.

Premiums are paid through convenient payroll deduction to ensure your policy remains in force if you should need it. Benefits are paid directly to you, so you can choose how to spend the money. Visit the Employee Benefits Center and view policy for more details.

Monthly Premium	Plan 1	Plan 2
Employee	\$25.00	\$35.00

Cancer insurance

If you're diagnosed with cancer, the last thing you need to think about is the cost. Cancer insurance eases the financial burden.

Every year, more and more people are diagnosed with cancer. Unfortunately, in addition to bearing the physical and emotional toll of this disease, patients are often saddled with the financial burdens when medical insurance falls short or income is compromised.

Who is it for?

Cancer insurance is for people who want added financial protection, in addition to their regular health insurance. It comes into play if they're diagnosed with cancer and if medical insurance alone isn't enough to cover the expenses.

What does it cover?

Cancer insurance benefits can help you handle medical plan deductibles, co-pays and other out-of-pocket costs by providing benefits when you receive radiation or chemotherapy treatment, or are hospitalized for surgery to treat cancer. These benefits can be used for non-medical expenses such as transportation to treatment facilities, and even everyday living expenses like groceries, rent, and mortgage payments.

Why should I consider it?

Health coverage is becoming more expensive, with higher co-pays, premiums, and deductibles. The unexpected out-of-pocket expenses of cancer recovery, including transportation, co-pays, and deductibles, can add up fast. What's more, some of the costs you may incur during recovery are non-medical, such as covering a mortgage, childcare, and household expenses. Cancer insurance can help you pay for all of them.

Plus, cancer insurance is portable and benefit payments are made directly to you.

You will receive these benefits if you meet the conditions listed in the policy. *Guardian will never ask you to provide sensitive personal information, including SSN/DOB, nor login via QR codes.

Critical costs

Bob has had a couple of health scares over the years including a heart attack and stroke.

Bob suffered a heart attack and received a lump sum benefit payment from his critical illness plan. Four years later, he had a stroke and got another payment.

During both illnesses, he used his lump sum benefits to help pay for out-of-pocket medical costs, as well as household expenses while he recovered.

EXCLUSIONS AND LIMITATIONS

A SUMMARY OF PLAN LIMITATIONS AND EXCLUSIONS FOR CRITICAL ILLNESS:

We will not pay benefits for a Second occurrence (recurrence) of a Critical Illness unless the Covered Person has not exhibited symptoms or received care or treatment for that Critical Illness for at least 6 months in a row prior to the recurrence. For purposes of this exclusion, care or treatment does not include: (1) preventive medications in the absence of disease; and (2) routine scheduled follow-up visits to a doctor. If one illness causes or contributes to another illness, we'll pay benefits for only one of these illnesses. We'll pay for the illness that has the larger benefit. If the benefit amounts for the illness are the same, we'll let you choose which one we pay.

We do not pay benefits for claims relating to a covered person: taking part in any war or act of war (including service in the armed forces) committing a felony or taking part in any riot or other civil disorder or intentionally injuring themselves or attempting suicide while sane or insane.

Employees must be legally working in the United States in order to be eligible for coverage. Underwriting must approve coverage for employees on temporary assignment: (a) exceeding 1 year; or (b) in an area under travel warning by the US Department of State, subject to state specific variations.

Guardian's Critical Illness plan does not provide comprehensive medical coverage. It is a basic or limited benefit and is not intended to cover all medical expenses. It does not provide "basic hospital," "basic medical," or "medical" insurance as defined by the New York State Insurance Department.

Health questions are required on late enrollees. This coverage will not be effective until approved by a Guardian underwriter.

This policy will not pay for a diagnosis of a listed critical illness that is made before the insured's Critical Illness effective date with Guardian.

The policy has exclusions and limitations that may impact the eligibility for or entitlement to benefits under each covered condition. See your certificate booklet for a full listing of exclusions & limitations..

If Critical Illness insurance premium is paid for on a pre tax basis, the benefit may be taxable. Please contact your tax or legal advisor regarding the tax treatment of your policy benefits..

403(b) Retirement Plan

Research shows that Americans are living well past retirement years. Are you saving enough to be able to enjoy those years? A 403(b) plan can help you get there.

It's an IRS-approved retirement plan that allows you to set aside money on a pre-tax basis for your retirement. Contributions are conveniently made through payroll deduction, so money is moved from your paycheck into the account automatically. Plus, your employer may even match your contributions based on how much you put into the plan. Now is the time to take full advantage of this opportunity to maximize your retirement savings!

457(b) Retirement Plan

The 457(b) plan is an employer-sponsored voluntary retirement savings plan that allows you to save money for retirement on a tax-deferred or ROTH basis. One significant way the 457(b) differs from the 403(b) is that distributions are never subject to the 10 percent tax for early withdrawal.

Contribution Limits	
2025	2026
\$23,500	\$24,500
Participants aged 50 and older at any time during the calendar year are permitted to contribute an additional \$8,000.	

All investing involves risk. Past performance is not a guarantee of future returns.

Life is full of unexpected events that may impact your health insurance coverage. Under the Consolidated Omnibus Budget Reconciliation Act, better known as COBRA, you have the right to continue your group health coverage such as medical, dental, vision insurance and flexible spending accounts for a limited period of time.

COBRA Highlights

- Temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work, divorce, death or a child no longer qualifying as a dependent. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.
- Either you or your family member are responsible for notifying your employer of a divorce, legal separation or child losing dependent status within 60 days of the event. In the case of termination, death or reduction in hours, your employer will be responsible for letting the provider know that you have the right to continue coverage under COBRA.
- Benefits will remain identical to what you had while employed. However, you will be responsible for paying the full premium, plus any applicable fees.
