This enrollment will take care of all benefits including medical, there have been changes to the medical plans so make sure you review them in detail on the PWCISD Employee Benefit Center prior to your enrollment. This year's enrollment will take place over the phone instead of face to face, you will sign up online for a specific window of time during your enrollment days you would like a First Financial Benefits Administrator to contact you. This will be the time to make any changes to your benefits for the 2020-2021 plan year and ask any questions you may have.

Remember, if you do not re-enroll in Flexible Spending and Dependent Care, these benefits will be dropped effective September 1, 2020.

During this time of anxiety and uncertainty, First Financial wants to be a source of stability you can trust. We have been with you during prior enrollment periods and will continue being by your side to make this year's enrollment as smooth as possible. We are in this together!

If you have questions or concerns, please contact dallas@ffga.com or Fran Self at fself@pwcisd.net.
