REGULAR OCCUPATION means a Person's occupation as it is recognized in the general workplace and according to industry standards. The Person's time, energy and services must be performed at the Policyholder's regular place of employment, or an alternative worksite approved by AUL. For Actively at Work requirements, a Person's alternative worksite may not be located outside of the United States or Canada for more than 6 months in any 12 month period. A Person's occupation does not mean the specific job tasks he does for the Policyholder or at a specific location. For example, an attorney's Regular Occupation means the practice of law as defined under applicable laws versus a specialized area within the practice of law.

SALARY CONTINUANCE means vacation pay, sick leave pay and/or paid time off pay, holiday pay and a documented formal salary continuation plan for Sickness or Injury received by a Person after his Date of Disability.

SICKNESS means illness, bodily disorder or disease, Mental Illness, normal pregnancy and Complications of Pregnancy. Complications of Pregnancy is defined as a concurrent disease or abnormal conditions significantly affecting the usual medical management of pregnancy.

SOCIAL SECURITY means the United States Social Security Act or any similar law, plan or act including the initial enactment and all amendments.

SPOUSE means:

- 1) an individual to whom the Person is legally married; or
- 2) the Person's domestic partner, as defined by applicable law.

Spouse does not include an individual from whom the Person is divorced or from whom the Person has dissolved a domestic partnership.

SECTION 2 - DEFINITIONS

TERMINAL ILLNESS means a diagnosed illness that, according to generally accepted medical standards, is expected to result in death within 12 months.

THIRD PARTY means an individual, entity or an insurance company other than AUL.

TOTAL DISABILITY and **TOTALLY DISABLED** mean that because of Injury or Sickness:

- 1) a Person cannot perform the Material and Substantial Duties of his Regular Occupation;
- 2) after the Monthly Benefit has been paid for 2 years, a Person cannot perform the duties of any Gainful Occupation for which he is reasonably fitted by training, education or experience; and
- 3) a Person is under the Regular Attendance of a Physician for that Injury or Sickness.

Loss of occupational license for any reason does not in itself constitute Total Disability.

WAITING PERIOD means the period of days, starting on the Date of Hire, that an Employee must be continuously Actively at Work while in an eligible class. The Waiting Period is stated in the Schedule of Benefits.

SECTION 3 - ELIGIBILITY, ENROLLMENT and INDIVIDUAL EFFECTIVE DATE OF INSURANCE

INITIAL EMPLOYEE means an Employee who is employed by the Policyholder before the Policyholder's Effective Date.

NEW EMPLOYEE means an Employee who is employed by the Policyholder on or after the Policyholder's Effective Date.

LATE ENROLLEE: A Late Enrollee is an Initial or New Employee who is Actively at Work, but does not request coverage during his Initial Enrollment Period. Enrollment after the Initial Enrollment Period can only be done during a Scheduled Enrollment Period and will not require satisfactory Evidence of Insurability.

ELIGIBILITY DATE: An Employee who is in an eligible class as stated in the Schedule of Benefits and has satisfied his Waiting Period, becomes eligible for Personal Insurance under the policy on:

- 1) *Initial Employee*: the later of:
 - a) the Policyholder's original Effective Date of coverage under the policy; or
 - b) the day immediately following completion of the Waiting Period.
- 2) *New Employee*: the first day of the Coverage Month immediately following completion of the Waiting Period.
- 3) *Late Enrollee*: the Policyholder's Anniversary Date following the next Scheduled Enrollment Period.

ENROLLMENT: To be considered for coverage, an eligible Employee must apply correctly and truthfully for Personal Insurance under the policy. Eligible Employees applying for Personal Insurance must complete and sign a request for coverage via an enrollment method approved by AUL within 31 days of their Eligibility Date and pay the required premiums before coverage will become effective. This form will be given to and maintained by the Policyholder. Coverage may only be requested as follows:

- 1) INITIAL ENROLLMENT PERIOD: The Initial Enrollment Period is the time during which an eligible Employee who is Actively at Work may first enroll for coverage following completion of the Waiting Period without providing Evidence of Insurability. An eligible Employee may waive coverage or request coverage under any Option offered by the Policyholder for his class. The Initial Enrollment Period includes the following periods, during which an Employee may make his initial application for coverage under the policy:
 - a) *Initial Employee*: the Initial Enrollment Period is the period of time agreed to by AUL and the Policyholder and is stated on the Schedule of Benefits; or
 - b) *New Employee*: the Initial Enrollment Period is the period that begins on the Eligibility Date and continues through the number of days as stated in the Schedule of Benefits; or
 - c) *Initial or New Employee not Actively at Work during his Initial Enrollment Period*: an Initial or New Employee not Actively at Work during his Initial Enrollment Period may enroll, without Evidence of Insurability, within 31 days from the date he returns to Active Work if:
 - i) he is in an eligible class as stated in the Schedule of Benefits; and
 - ii) his Waiting Period was completed prior to his cessation of Active Work.

**SECTION 3 - ELIGIBILITY, ENROLLMENT and
INDIVIDUAL EFFECTIVE DATE OF INSURANCE**

- 2) SCHEDULED ENROLLMENT PERIOD: This is a recurrent period of time starting after the Policyholder's original Effective Date, chosen by the Policyholder and approved by AUL, during which:
- a) an eligible Late Enrollee may apply for coverage under the policy via an enrollment method approved by AUL; or
 - b) an eligible Late Enrollee may apply, via an enrollment method approved by AUL, for a Monthly Benefit amount in excess of the Guaranteed Issue Amount for Late Enrollees as stated in the Schedule of Benefits with satisfactory Evidence of Insurability. See Section 4.

The Scheduled Enrollment Period is chosen by the Policyholder and must be approved by AUL.

**SECTION 3 - ELIGIBILITY, ENROLLMENT and
INDIVIDUAL EFFECTIVE DATE OF INSURANCE**

INDIVIDUAL EFFECTIVE DATE OF INSURANCE

Initial Employees:

- 1) The Individual Effective Date of Insurance for an eligible Initial Employee who has satisfied the Waiting Period prior to the Policyholder's original Effective Date is the Policyholder's original Effective Date under the policy as long as the Initial Employee:
 - a) requested coverage during the Initial Enrollment Period; and
 - b) is Actively at Work for the Policyholder on that date.
- 2) The Individual Effective Date of Insurance for an eligible Initial Employee who has not satisfied the Waiting Period prior to the Policyholder's original Effective Date is stated on the Schedule of Benefits and applies as long as the Initial Employee:
 - a) requested coverage during the Initial Enrollment Period; and
 - b) is Actively at Work for the Policyholder on that date.

New Employees: The Individual Effective Date of Insurance for an eligible New Employee is the date of the request if that date is the first day of a Coverage Month; otherwise it is the first day of the next Coverage Month as long as the New Employee:

- 1) requested coverage during the Initial Enrollment Period;
- 2) has completed the Waiting Period for New Employees; and
- 3) is Actively at Work on the Individual Effective Date of Insurance.

Initial or New Employee not Actively at Work during his Initial Enrollment Period: The date an Initial or New Employee returns to full-time Active Work will be his Individual Effective Date of Insurance, if he was enrolled during an Initial Enrollment Period, has completed the Waiting Period for Initial Employees, but was not Actively at Work on the date Personal Insurance would otherwise have become effective.

If enrolling after returning to Active Work, the Individual Effective Date of Insurance for an Initial or New Employee not Actively at Work is the first day of the Coverage Month following the Initial Enrollment Period.

**SECTION 3 - ELIGIBILITY, ENROLLMENT and
INDIVIDUAL EFFECTIVE DATE OF INSURANCE**

Late Enrollee: The Individual Effective Date of Insurance for an eligible Late Enrollee is the Policyholder's Anniversary Date following the Scheduled Enrollment Period as long as the Late Enrollee:

- 1) requested coverage during the Scheduled Enrollment Period;
- 2) has completed the Waiting Period for New Employees; and
- 3) is Actively at Work on the Individual Effective Date of Insurance.

COVERAGE IN EXCESS OF GUARANTEED ISSUE AMOUNT: The Individual Effective Date of Insurance as previously explained applies to any portion of the Maximum Monthly Benefit that does not exceed the Guaranteed Issue Amount. However, any portion of the Maximum Monthly Benefit that exceeds the Guaranteed Issue Amount will require Evidence of Insurability, satisfactory and without expense to AUL. If the excess portion is approved, the Effective Date of Insurance for that portion will be named by AUL. If the excess portion is not approved by AUL, the Maximum Monthly Benefit will be an amount equal to the Guaranteed Issue Amount.

Evidence of Insurability: Documentation and records are required to be forwarded to AUL, at no cost to AUL, if the request for coverage is made:

- 1) after an Employee's Initial Period;
- 2) after a Person's requested termination date; or
- 3) for coverage in excess of the Guaranteed Issue Amount.

If satisfactory Evidence of Insurability is provided, and coverage is approved in writing by AUL, the Individual Effective Date of Insurance will be named by AUL.

SECTION 4 - CHANGES IN INSURANCE

EFFECTIVE DATE OF CHANGE (First of the Coverage Month & No AIB)

A change in coverage that does not increase the amount of coverage becomes effective on:

- 1) the first day of the Coverage Month following AUL's approval of the change, if the date is the first day of the Coverage Month; or
- 2) the first day of the next Coverage Month following AUL's approval of the change, if the date is after the first day of the Coverage Month.

Prior to a change in coverage that increases the amount of coverage, the Person must be Actively at Work and the required amount of premium must be paid.

A change increasing the amount of coverage is subject to:

- 1) satisfactory Evidence of Insurability, at no expense to AUL; and
- 2) AUL's written approval.

If the Person is not Actively at Work on the approved change date, any change in the amount of coverage takes effect on the date the Person returns to Active Work.

If the change is an increase in coverage, see Pre-Existing Condition Exclusions in Section 9.

SECTION 4 - CHANGES IN INSURANCE

CHANGING OPTION: After the Initial Enrollment Period, a Person may increase his coverage to another Option available to his class during a Scheduled Enrollment Period as agreed to by the Policyholder and approved by AUL. The request for a change in Option and agreement to pay the required premium must be made via a method approved by AUL, subject to the following:

- 1) an increase in coverage to the next higher Option available to a Person's class will require Evidence of Insurability;
- 2) requests to increase coverage to an Option other than the next higher Option will not be allowed with satisfactory Evidence of Insurability; and
- 3) if a Person fails to apply for an increase in coverage in a manner agreed to by the Policyholder and approved by AUL, he will continue to be covered under his current Option until the next Scheduled Enrollment Period.

If the Person is not Actively at Work on the Effective Date of Change, the Person becomes eligible for the change on the first day that the Person returns to Active Work.

The provision entitled Pre-Existing Condition Exclusion For A Change In Option, shown in Section 9 - Exclusions, will apply to a change in Option resulting in an increase in coverage.

DECREASING THE MONTHLY BENEFIT AMOUNT: A Person may decrease the amount of his coverage at any time. Any decrease in coverage will become effective the first day of the Coverage Month following the date of the request.

Any change in insurance, other than a decrease in the amount of coverage or an increase in coverage to the next higher Option as stated above, will require satisfactory Evidence of Insurability.

If the change is an increase in coverage, see Pre-Existing Condition Exclusions in Section 9.

SECTION 4 - CHANGES IN INSURANCE

FAMILY STATUS CHANGE

A Person may request an additional amount of coverage or a Late Enrollee may request coverage, without Evidence of Insurability, up to the Guaranteed Issue Amount as stated in the Schedule of Benefits if all the following conditions are met:

- 1) The Person or Late Enrollee experienced one of the following changes in family status:
 - a) legal marriage;
 - b) domestic partnership, as defined under applicable laws in the state of residence of the Person;
 - c) divorce or dissolution of a domestic partnership;
 - d) birth of a child;
 - e) adoption of a child or stepchild; or
 - f) permanent legal custody or guardianship of a child lasting more than 90 days;
- 2) AUL was notified within 31 days of the change in family status;
- 3) the Person or Late Enrollee was Actively at Work on the effective date of the change;
- 4) the amount of coverage after the increase is not greater than the Monthly Benefit amount stated in the Schedule of Benefits; and
- 5) the Person or Late Enrollee has not previously been declined.

This change will become effective the first day of the Coverage Month following the date of the request.

If coverage for a Person or Late Enrollee was previously declined due to unsatisfactory Evidence of Insurability, no Family Status Change will be approved until Evidence of Insurability satisfactory to AUL is received. If the Person's or Late Enrollee's Family Status Change request is approved, coverage will begin on the date identified in writing by AUL.

SECTION 5 - TERMINATIONS

INDIVIDUAL TERMINATIONS: A Person will cease to be insured on the EARLIEST of the following dates:

- 1) the date the policy terminates;
- 2) the end of the Coverage Month following the date the Person is no longer in an eligible class;
- 3) the date the Person's class, as stated on the Schedule of Benefits, is no longer insured under the policy;
- 4) the last day of the period for which premiums were paid, if the premium is not paid when due;
- 5) the date the Person requests termination, but not prior to the date of the request;
- 6) the end of the Coverage Month following the date employment terminates. However, insurance will be continued for a Person:
 - a) during the Elimination Period, if the Person is Disabled, as described in the policy;
 - b) during any period that premiums are being waived under the Waiver of Premium provision;
 - c) during any temporary Leave of Absence according to the appropriate Continuation of Personal Insurance benefit if premiums continue to be paid during the Leave of Absence, and the benefit was elected by the Policyholder, shown on the Schedule of Benefits and approved by AUL;
 - d) to the end of the Coverage Month following the month that a Person is temporarily laid off as long as premiums continue to be paid, if coverage during a temporary layoff was elected by the Policyholder, shown on the Schedule of Benefits and approved by AUL; and
- 7) the end of the Coverage Month following the date the Person ceases Active Work. However, insurance will be continued for a Person:
 - a) during the Elimination Period, if the Person is Disabled, as described in the policy;
 - b) during any period that premiums are being waived under the Waiver of Premium provision;
 - c) during any temporary Leave of Absence according to the appropriate Continuation of Personal Insurance benefit if premiums continue to be paid during the Leave of Absence, and the benefit was elected by the Policyholder, shown on the Schedule of Benefits and approved by AUL; and
 - d) to the end of the Coverage Month following the month that a Person is temporarily laid off as long as premiums continue to be paid, if coverage during a temporary layoff was elected by the Policyholder, shown on the Schedule of Benefits and approved by AUL.

SECTION 5 - TERMINATIONS

TERMINATION OF THE POLICY: Insurance coverage under the policy will cease on the EARLIEST of the following dates:

- 1) the date the Policyholder no longer meets the definition of a Policyholder;
- 2) the date the Policyholder ceases active business operations or is placed in bankruptcy or receivership;
- 3) the date the Policyholder loses its entity by means of dissolution, merger, or otherwise;
- 4) the date ending the Policy Month for which the last premium payment is made for the Policyholder's insurance;
- 5) at the end of a Policy Month, provided AUL has given at least 31 days prior written notice to the Policyholder;
- 6) at the end of the Policy Month, if the Policyholder has given AUL at least 31 days prior written notice;
- 7) the date, as determined by AUL, that the Policyholder fails to promptly furnish any information which AUL may reasonably require; or
- 8) the date the Policyholder, without good and sufficient cause, fails to perform in good faith its duties pertaining to the policy.

If a Person's insurance is terminated due to the termination of the policy, the Person's rights under the policy are terminated on the date that the policy terminated.

Termination of the policy under any conditions will be without prejudice to any claim incurred prior to termination.

If the policy terminates, the Policyholder will be liable to AUL for all unpaid premiums for the period during which the coverage was in force.

Termination of the Policyholder will be on a basis that precludes individual selection or discrimination.

SECTION 5 - TERMINATIONS

EXTENDED BENEFIT: If the Person is Disabled on the date insurance terminates, AUL will pay benefits for Disability:

- 1) after the Elimination Period has been met, if the Person is not already receiving a Monthly Benefit;
- 2) during the uninterrupted continuance of the same period of Disability; and
- 3) subject to the provisions and benefits of the policy.

Benefits will be extended to the EARLIEST of the following:

- 1) the date Current Monthly Income equals or exceeds 80% of the Indexed Pre-Disability Earnings;
- 2) the date that the Person ceases to be Disabled;
- 3) the date the Person dies;
- 4) the date the Maximum Benefit Duration, shown on the Schedule of Benefits, is completed;
- 5) the date the Person fails to give AUL required proof of Disability or information required by AUL to determine if any benefits are owed under the policy;
- 6) the date the Person refuses to allow an examination requested by AUL;
- 7) the date the Person is no longer under the Regular Attendance and care of a Physician;
- 8) the date the Person refuses to provide information to AUL to verify the Person's Current Monthly Income; or
- 9) the date the Person leaves the United States or Canada and establishes his residence in any other country. A Person will be considered to reside outside these countries when the Person has been outside the United States or Canada for a total period of 6 months or more during any 12 consecutive months of benefits.

SECTION 5A - INDIVIDUAL REINSTATEMENT

INDIVIDUAL REINSTATEMENT: If Personal Insurance terminates under the policy due to cessation of Active Work for the Policyholder, it may be reinstated subject to the terms of this provision. Individual Reinstatement must be requested during the 31-day period immediately following return to Active Work for the Policyholder in accordance with the terms stated in this provision. Individual Reinstatement will be for the same coverage amount and eligible class that the Employee belonged to immediately prior to his termination. AUL may require Evidence of Insurability if reinstatement is requested for an amount or eligible class that differs from the coverage the Employee had with the Policyholder immediately prior to his cessation of Active Work. Reinstatement is subject to payment of required premiums and that the Policyholder is insured by AUL under the policy. In addition to the above requirements, the following also applies, as applicable:

- 1) If an Employee returns to Active Work within the period of consecutive calendar days as stated in the Schedule of Benefits under Individual Reinstatement from his individual termination date and requests Individual Reinstatement:
 - a) Personal Insurance will become effective the first day of the Coverage Month immediately following the date of request for Individual Reinstatement.
 - b) Evidence of Insurability will not be required for Individual Reinstatement to the same coverage amount and eligible class held by the Employee under the policy immediately prior to cessation of Active Work.
 - c) *If the Schedule of Benefits states that the Employee must return to Active Work within 30 days of termination:* Credit will be given towards satisfaction of the eligibility Waiting Period and of the Pre-Existing Condition exclusion or limitation period he previously served under the policy. However, any days accumulated during his period of lapse in coverage will not be credited. The original Individual Effective Date of Insurance will be used when applying the eligibility Waiting Period and the Pre-Existing Condition exclusion or limitation period.
 - d) *If the Schedule of Benefits states that the Employee can return to Active Work for a period greater than 30 days from the Employee's date of termination:* Credit will be given towards satisfaction of the eligibility Waiting Period he previously served under the policy. However, any days accumulated during his period of lapse in coverage will not be credited. The Employee will be considered a New Employee and subject to the terms of the policy, except as stated herein.
- 2) If an Employee returns to Active Work after more than the number of consecutive calendar days, shown in 1) above, after his Individual Termination date and requests Individual Reinstatement:
 - a) The Employee will be considered a New Employee and subject to the terms of the policy.
 - b) Eligibility for Personal Insurance, enrollment and his Individual Effective Date of Insurance will be determined as stated in the policy.
 - c) The Waiting Period and Pre-Existing Condition exclusion or limitation period will start anew. The Individual Reinstatement date will be used when applying the Pre-Existing Condition exclusion or limitation period.
- 3) If the Employee is insured under the policy's Portability Privilege and returns to Active Work with the Policyholder and requests Individual Reinstatement to the policy.
 - a) Personal Insurance will become effective the first day of the Coverage Month immediately following the date of request for Individual Reinstatement.
 - b) Evidence of Insurability will not be required for Individual Reinstatement to the same coverage amount and eligible class held by the Employee under the policy immediately prior to cessation of Active Work.
 - c) Credit will be given towards satisfaction of the Pre-Existing Condition exclusion or limitation period already served under the policy and the Portability Privilege. The Employee's original Individual Effective Date of Insurance will be used when applying the Pre-Existing Condition exclusion or limitation period.
 - d) Coverage under the Portability Privilege must terminate immediately prior to the date of Individual Reinstatement under the policy.

SECTION 5A - INDIVIDUAL REINSTATEMENT

- 4) If Personal Insurance terminates because of a leave approved by the Policyholder under the Federal Family and Medical Leave Act (FMLA), or similar applicable state law, and the Employee returns to full-time Active Work immediately following the end of the leave:
 - a) Personal Insurance will become effective immediately upon the date of request for Individual Reinstatement.
 - b) Credit will be given towards satisfaction of the Pre-Existing Condition exclusion or limitation period previously served under the policy. However, the days accumulated during the period of lapse in coverage will not be credited. The original Individual Effective Date of Insurance will be used when applying the Pre-Existing Condition exclusion or limitation period.
 - c) Evidence of Insurability will not be required for Individual Reinstatement to the same coverage amount and eligible class that the Employee would have been entitled to prior to the FMLA leave.
- 5) If Personal Insurance terminates because an Employee became a full-time member of the armed forces of the United States and he returns to full-time Active Work, the Person's coverage may be reinstated in accordance with the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA) and applicable state law.

**SECTION 5B - CONTINUATION OF PERSONAL INSURANCE
UNDER THE FAMILY AND MEDICAL LEAVE ACT**

CONTINUATION OF PERSONAL INSURANCE UNDER THE FAMILY AND MEDICAL LEAVE ACT. If the Policyholder correctly approves a leave of absence under the Federal Family and Medical Leave Act (FMLA), a Person's coverage under the policy will be continued as stated in this Section. Personal Insurance will continue while a Person's leave is covered under FMLA, until the end of the later of:

- 1) the leave period permitted under FMLA or
- 2) the leave period permitted by applicable state law.

Coverage continued under this Section is subject to the following requirements:

- 1) the Policyholder has approved a Person's leave in writing as a leave taken under FMLA;
- 2) applicable premiums must continue to be paid to AUL in accordance with the policy (see Section 6 - PREMIUM PAYMENT); and
- 3) Basic Monthly Earnings will be the amount as last reported to AUL in writing and in effect prior to the date the Person's family or medical leave began.

Continuation of Personal Insurance under this provision will cease on the earliest of the following:

- 1) the date a Person dies;
- 2) the date a Person's coverage terminates for nonpayment of premiums;
- 3) the date a Person begins full or part-time employment with another employer;
- 4) the date the policy terminates;
- 5) the date a Person notifies the Policyholder that he will not be returning to Active Work;
- 6) the date a Person's class is no longer offered under the policy;
- 7) the date a Person no longer qualifies for a Leave of Absence or participation in an eligible class, as stated in the Schedule of Benefits; or
- 8) the date a Person requests termination of coverage under the policy, but not prior to the date of request.

All terms and conditions of the policy will apply during the approved continuation period provided under this Section, unless otherwise stated. While Personal Insurance is being continued under this Section, the Person will be considered exempt from the requirements listed below:

- 1) the Actively at Work definition; and
- 2) the applicable number of hours needed to meet the requirement for Full-Time Employee, as stated in the Schedule of Benefits.

If the Policyholder has approved more than one type of Leave of Absence for the Person during any one period, AUL will consider such leaves to be concurrent for the purpose of determining how long the Person's coverage may continue under the policy.

**SECTION 5C - CONTINUATION OF PERSONAL INSURANCE
DURING A LEAVE OF ABSENCE AND TEMPORARY LAYOFF**

LEAVE OF ABSENCE references in this Section means the Person is absent from Active Work for a temporary period of time that has been agreed to in advance and in writing by the Policyholder and includes temporary layoffs unless otherwise stated.

CONTINUATION OF PERSONAL INSURANCE WHILE TEMPORARILY LAID OFF. If the Policyholder approves a temporary layoff, a Person's coverage under the policy will be continued to the end of the Coverage Month following the month in which the layoff begins, as long as premiums continue to be paid to and received by AUL, subject to same requirement as a Leave Of Absence.

CONTINUATION OF PERSONAL INSURANCE UNDER A LEAVE OF ABSENCE: If the Policyholder approves a Leave of Absence, a Person's coverage under the policy will be continued to the end of the Coverage Month following the month that a Person begins a Leave of Absence as long as premiums continue to be paid to and received by AUL, subject to the following requirements:

- 1) the Policyholder has approved a Person's Leave of Absence in writing;
- 2) applicable premiums must continue to be paid to AUL in accordance with the policy (see Section 6 – PREMIUM PAYMENT); and
- 3) Basic Monthly Earnings will be the amount last reported to AUL in writing and in effect prior to the date the Person's Leave of Absence began.

Continuation of Personal Insurance under this provision will cease on the EARLIEST of the following:

- 1) the date a Person dies;
- 2) the date a Person's coverage terminates for nonpayment of premiums;
- 3) the date a Person begins full or part-time employment with another employer;
- 4) the date the policy terminates;
- 5) the date a Person notifies the Policyholder that he will not be returning to Active Work;
- 6) the date a Person's class is no longer offered under the policy;
- 7) the date a Person no longer qualifies for a Leave of Absence or participation in an eligible class, as stated in the Schedule of Benefits; or
- 8) the date a Person requests termination of coverage under the policy, but not prior to the date of request.

**SECTION 5C - CONTINUATION OF PERSONAL INSURANCE
DURING A LEAVE OF ABSENCE AND TEMPORARY LAYOFF**

All terms and conditions of the policy will apply during the approved continuation period provided under this Section, unless otherwise stated. While Personal Insurance is being continued under this Section, the Person will be considered exempt from the requirements listed below:

- 1) the Actively at Work definition; and
- 2) the applicable number of hours needed to meet the requirement for Full-Time Employee, as stated in the Schedule of Benefits.

If the Policyholder has approved more than one type of Leave of Absence for the Person during any one period, AUL will consider such leaves to be concurrent for the purpose of determining how long the Person's coverage may continue under the policy.

**SECTION 5D - CONTINUATION OF PERSONAL INSURANCE
DURING A LEAVE OF ABSENCE FOR ACTIVE MILITARY SERVICE**

LEAVE OF ABSENCE means the Person is absent from Active Work for a temporary period of time that has been agreed to in advance in writing by the Policyholder.

CONTINUATION OF PERSONAL INSURANCE DURING A LEAVE OF ABSENCE FOR ACTIVE MILITARY SERVICE: If the Person is on a Leave of Absence for Active Military Service as described under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA) and applicable state law, the Person's coverage may be continued until the LATER of:

- 1) the length of time the coverage may be continued under the policy for an FMLA leave of absence; or
- 2) the length of time the coverage may be continued under the policy for a Leave of Absence other than an FMLA leave of absence.

Coverage continued under this Section is subject to the following requirements:

- 1) applicable premiums must continue to be paid to AUL in accordance with the policy (see Section 6 - Premium Payment); and
- 2) Basic Monthly Earnings will be the amount last reported to AUL in writing and in effect prior to the date the Person's Leave of Absence for Active Military Service began.

Continuation of Personal Insurance under this provision will cease on the earliest of the following:

- 1) the date a Person dies;
- 2) the date a Person's coverage terminates for nonpayment of premiums;
- 3) the date a Person begins full or part-time employment with another employer;
- 4) the date the policy terminates;
- 5) the date a Person notifies the Policyholder that he will not be returning to Active Work;
- 6) the date a Person's class is no longer offered under the policy;
- 7) the date a Person no longer qualifies for a Leave of Absence or participation in an eligible class, as stated in the Schedule of Benefits; or
- 8) the date a Person requests termination of coverage under the policy, but not prior to the date of request.

All terms and conditions of the policy will apply during the approved continuation period provided under this Section, unless otherwise stated. While Personal Insurance is being continued under this Section, the Person will be considered exempt from the requirements listed below:

- 1) the Actively at Work definition; and
- 2) the applicable number of hours needed to meet the requirement for Full-Time Employee, as stated in the Schedule of Benefits.

If the Policyholder has approved more than one type of Leave of Absence for the Person during any one period, AUL will consider such leaves to be concurrent for the purpose of determining how long the Person's coverage may continue under the policy.

SECTION 6 - PREMIUM PAYMENT

PREMIUM PAYMENTS: As provided in the Application, the Policyholder is responsible for properly and accurately paying premiums to AUL on or before the Due Date. All premiums will be calculated and paid in U.S. dollars. At the request of the Policyholder and AUL's written approval, the interval of premium payments may be changed.

Overpayment of premium will not result in increases in any coverage amounts or additional benefits for the Policyholder or Person. If a Person has contributory insurance, premiums paid by the Person may be paid by means of payroll deduction administered by the Policyholder.

Premiums for a Person's coverage under the policy shall be owed beginning on the Person's Individual Effective Date of Insurance. Premiums will cease to be owed on the Person's individual termination date. However, premiums will continue to be owed for a Disabled Person who ceases work. Premiums will continue to be owed until the date they are waived according to the Waiver of Premium provision.

Monthly premiums for each Person will change automatically following attainment of each new age bracket. Each premium payment will include adjustments in past premiums for changes that have not previously been taken into account. Payment of any premium does not maintain the insurance in force beyond the end of the period for which it has been paid. Each premium payment is owed to AUL on or before its Due Date.

PREMIUM RATES: AUL reserves the right to change premium rates on any date:

- 1) after the Policyholder's coverage has been in effect for one year, by giving prior written notice to the Policyholder at least 60 days before the effective date of the change;
- 2) the eligibility or benefit provisions are changed;
- 3) the number of Persons insured through the Policyholder changes by 25% or more;
- 4) a division, unit, subsidiary or affiliate is added to, or deleted from, the Policyholder's coverage under the policy;
- 5) if the age or any other fact that affects the benefits for a Person or Policyholder has been misstated; or
- 6) there is a change in existing laws which affects the coverage offered under the policy.

The base rates on which premiums are determined will be on a basis that precludes individual selection or discrimination.

WAIVER OF PREMIUM: Premium payments will be waived for a Disabled Person beginning with the first day of Disability. Premiums will continue to be waived during any period that benefits are paid to a Person insured by the policy or any AUL Group Long Term or Short Term Disability Income policy if those policies were made available to the Person through employment with the Policyholder. Premiums for coverage under the policy will be waived as described in this provision, provided the Disability claim is approved by AUL. If a Disabled Person returns to work before the end of his Elimination Period or his Benefit Eligibility Period, his premium payments will resume, but he will not be required to repay the waived premiums.

SECTION 7 - GENERAL POLICY PROVISIONS

AGENCY: For all purposes of the policy, the Policyholder acts on behalf of itself or as agent for the Person. Under no circumstances will the Policyholder be deemed the agent of AUL.

AMENDMENT AND CHANGES: The policy may be amended in writing by mutual agreement between the Policyholder and AUL, but without prejudice to any loss incurred prior to the effective date of the amendment. No change in the policy is valid until approved by the Chief Executive Officer, President or Secretary of AUL. No agent has the authority to approve coverage, change the policy or waive any of its provisions.

ASSIGNMENT: No assignment of any present or future right or benefit under the policy will bind AUL without its prior written consent and when permitted under applicable laws.

CERTIFICATES: AUL will issue a certificate for delivery by the Policyholder to the insured Persons. The certificate will summarize the Person's coverage under the policy and will state:

- 1) the benefits provided; and
- 2) to whom the benefits are payable.

If there is any discrepancy between the provisions of any marketing materials, plan documents, certificate, and the provisions of the policy, the provisions of the policy will govern.

CLERICAL ERROR: If a clerical error is made in keeping records on the coverage under the policy, it will not affect otherwise valid insurance. A clerical error does not continue insurance which is otherwise terminated, make insurance effective when it should not have been or change the amount of insurance provided by the provisions of the policy.

CONFORMITY WITH STATE LAWS: Any provision of the policy in conflict with the laws of the state in which it is delivered, is amended to conform to the minimum requirements of those laws.

DATA AND RECORDS: The Policyholder must promptly furnish all information/documentation that AUL reasonably requires. The Policyholder must furnish all relevant information to AUL about Persons:

- 1) who qualify to become insured or are eligible for benefits; and/or
- 2) whose amounts of insurance change; and/or
- 3) whose insurance terminates.

At any reasonable time, AUL or its representatives shall have the right to inspect the records of the Policyholder that, in the opinion of AUL, may have a bearing on the insurance coverage provided under the policy.

SECTION 7 - GENERAL POLICY PROVISIONS

ENTIRE CONTRACT: The policy, the application/enrollment forms of the Persons, the Application of the Policyholder, and any amendments made from time to time constitute the entire contract.

GRACE PERIOD: If the Policyholder or AUL does not give notice in writing that coverage under the policy is to be terminated due to unpaid premium, a Grace Period of 31 days will be granted for the payment of any premium owed after the first premium Due Date. During the Grace Period, the policy will continue in force but will automatically terminate on the last day of the Grace Period. The Policyholder is liable to AUL for payment of premiums for the days of grace during which the policy remains in force.

INSURANCE FRAUD: AUL wants to ensure that its customers do not incur additional insurance costs as a result of the act of insurance fraud. Applicable state laws require AUL to undertake measures to detect, investigate and pursue prosecution for fraud.

Anyone that knowingly completes an application for insurance or statement of claim containing any materially false information or facts, with the intent to deceive, conceal or mislead is committing a fraudulent insurance act. This is a crime and may subject such Persons to criminal and civil penalties.

MISSTATEMENT OF FACTS: If the age or any other fact that affects the benefits for a Person or Policyholder has been misstated, the benefits will be payable based on the true facts. Premium adjustment will be made so that AUL will receive the actual premium required based on the true facts.

SECTION 7 - GENERAL POLICY PROVISIONS

REHABILITATION: The goal of a rehabilitation program is to enable the Person to return to work. The Person may choose to join a vocational rehabilitative program while receiving Disability benefits, if prior approval is given in writing by AUL. If the program is approved in advance by AUL, such participation will not alone be deemed recovery from Disability. By mutual written agreement, AUL may help pay the Person's expenses for taking part in the rehabilitation program. Rehabilitation is strictly voluntary and there is no penalty for refusal.

RELATIONSHIP: AUL and the Policyholder are, and will remain, independent contractors. Nothing in the policy or the Application shall be construed as making the parties joint venturers or as creating a relationship of employer and employee, master and servant or principal and agent. Neither party has any power, right or authority to bind the other or to assume or create any obligation or responsibility on behalf of the other. AUL and the Policyholders each retain exclusive control of their time and methods to perform their respective duties. AUL and the Policyholder will employ, pay and supervise their own employees and pay their own expenses. The Policyholder is required to familiarize itself with all relevant state and federal laws including applicable banking, MEWA, plan sponsor, plan administrator, and fiduciary laws. Any violation of federal or state law will require Policyholder to reimburse AUL for any and all damages or fines imposed on AUL as well as AUL's reasonable attorney's fees incurred due to Policyholder's violations and/or any violations incurred by any representative of Policyholder, in which AUL is made party thereof.

STATEMENTS MADE IN AN APPLICATION: all statements in an application or Group Statement of Insurability made by the Policyholder or insured Persons shall be deemed representations and not warranties. No such statements will be used to reduce or deny any claim or to cancel the Person's coverage unless:

- 1) the statement is in writing; and
- 2) a copy of that statement is given to the Person or to his personal representative.

INCONTESTABILITY: The validity of any coverage under the policy may not be contested, except in the case of fraud or for nonpayment of premiums, after the Personal Insurance has been in force for 2 years from the Person's Individual Effective Date of Insurance. Additionally, if the validity of any coverage under the policy is contested due to a misrepresentation of a material fact during the first 2 years after the Person's Individual Effective Date of Insurance, no statement made by a Policyholder or a Person relating to his insurability may be used in contesting the validity of the insurance unless the statement is contained in a written instrument signed by the Person.

All statements made by a Policyholder or a Person are to be deemed representations and not warranties, and that other than a misrepresentation of a material fact no statement made by any Person may be used in any contest unless a copy of the instrument containing the statement is or has been furnished to the Person or, in the event of death or incapacity of the Person, to the Person's personal representative.

Notwithstanding the foregoing, AUL is not precluded from asserting at any time any defenses based upon provisions in the policy relating to eligibility for coverage.

WORKERS' COMPENSATION AND WORKMEN'S COMPENSATION NOT AFFECTED: The policy is not in lieu of, and does not affect any requirement for coverage by Workers' or Workmen's Compensation Insurance.

SECTION 7A - CLAIM PROCEDURES

INITIAL NOTICE OF DISABILITY: Written notice of Disability must be given to AUL during the Elimination Period. If written notice cannot be made during the Elimination Period without the fault of the claimant, AUL must be notified as soon as it is reasonably possible to do so. Written notice should contain sufficient information to identify the Person. Notices are not considered given until received by AUL at its Home Office in Indianapolis, Indiana, by one of its Claims offices, or by its third party administrator.

CLAIM FORMS FOR PROOF OF LOSS: Upon receipt of the Initial Notice of Disability, AUL will furnish the Policyholder with any necessary claim forms to be given to the Person. These forms must be properly, accurately and truthfully completed and returned to AUL or its third party administrator. If, for any reason, the Person does not receive a claim form within 15 days of request, the Person should submit written proof of Disability. The initial claim form or proof of Disability must show:

- 1) the claimant's name;
- 2) the Employer's name and address;
- 3) the policy number;
- 4) the date Disability started;
- 5) the cause of Disability;
- 6) the nature and extent of the Disability
- 7) that the claimant is under the appropriate care of a doctor;
- 8) the appropriate documentation of the claimant's earnings and activities; and
- 9) the name and address of any hospital, health provider, health facility or institution where the claimant has received treatment, including the names of all attending and treating doctors.

The initial claim form or proof of Disability must be signed by a Physician and sent to AUL within 90 calendar days of the end of the Elimination Period. If it is not possible to give proof within these limits, it must be given as soon as reasonably possible. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible. Proof of claim may not be given later than one year after the time proof is otherwise required, except in the absence of legal capacity.

AUL will also periodically send the Person additional claim forms or requests for information necessary to determine eligibility for benefits under the policy. These subsequent completed claim forms and requests for information must be returned to AUL within 30 days after the Person receives them. Failure to furnish such additional claim forms within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to provide such forms within such time, provided such forms are furnished as soon as reasonably possible. If requested forms and/or information are not received from the Person, AUL reserves the right to deny continued benefits for failure to provide proof of continuous disability as required by the policy.

PHYSICAL EXAMINATION: AUL, at its own expense, has the right to have a Person examined, hospitalized and/or tested to determine the existence of any Disability that is the basis for a claim. This right may be exercised as often as is reasonably necessary, as determined by AUL, and must be performed by a Physician of AUL's choice. If the Person fails to comply with AUL's requests for Physical Examination, AUL reserves the right to deny benefits.

SECTION 7A - CLAIM PROCEDURES

LEGAL ACTION: No legal action may be brought to obtain benefits or a refund of premium paid under the policy:

- 1) for at least 60 days after proof of loss or entitlement to a premium refund has been furnished; or
- 2) beyond the expiration of the applicable statute of limitations from the time proof of loss or entitlement to a premium refund is required to be given. If no statute of limitations is given, then after 3 years following the expiration of the time within which proof of loss or entitlement to a premium refund is required by the Policyholder.

TIME OF PAYMENT OF CLAIMS: When AUL receives a claim form or proof of Disability, benefits payable under the policy will be paid monthly during any period for which AUL is liable. AUL shall notify the Person in writing of the acceptance or rejection of the claim within 15 business days after receipt of all items, statements and forms required by AUL to secure final proof of loss. If AUL is unable to accept or reject the claim within said time period, AUL shall notify the Person of the reasons that additional time is needed and shall then accept or reject the claim not later than 45 days after the date such notification is made.

PAYMENT OF CLAIMS: All benefits, other than any survivor benefits, are payable to a Person. If a Person dies before a benefit to which he was entitled is paid, AUL has the right to pay up to \$10,000 to any of the Person's relatives to whom AUL considers entitled to such benefits. If AUL pays benefits in good faith to a person who it considers entitled to such benefits, then AUL will have no obligation to pay such benefits again. The Monthly Benefit will be calculated and paid in United States dollars, and when necessary, it will be based on the exchange rate effective on the first day of the Elimination Period.

SECTION 7A - CLAIM PROCEDURES

RIGHT TO APPEAL: When the policy is governed by ERISA, if a Person wishes to appeal the decision made by AUL or its third party administrator, claimants are allowed 180 days following receipt of a notification of an adverse benefit determination within which to appeal the determination. Claimants are allowed the opportunity to submit written comments, documents, records and other information relating to the claim for benefits. The claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the claimant's claim for benefits. Whether a document, record or other information is relevant to a claim for benefits shall be determined by reference to paragraph (m)(8) of 29 C.F.R. § 2560.503-1. AUL's review will take into account all written comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination. A claimant has a right to obtain the information about any voluntary appeal procedures offered by the plan described in paragraph (c)(3)(iv) of 29 C.F.R. § 2560.503-1 and has a right to bring an action under section 502(a) of ERISA. A final determination will be provided pursuant to 29 C.F.R. § 2560.503-1.

RIGHT OF RECOVERY: If benefits have been received for which the Person was not entitled to receive under the policy, then full reimbursement to AUL is required. Such reimbursement is required whether the overpayment is due to intentional or innocent misrepresentations by the Person, intentional or innocent misrepresentations by an entity supplying AUL with information, a claims processing error or miscalculation by AUL or for any other reason. If reimbursement is not made, then AUL has the right, as allowed under law to:

- 1) reduce future benefits or any amounts payable under all other AUL insurance contracts insuring the Person until full reimbursement is made, and
- 2) recover such overpayments from the Person or his estate.

If AUL chooses not to use benefit payments towards the reimbursement, this will not constitute a waiver of AUL's rights to reimbursement. This provision will be in addition to, and not in lieu of, any other compensation available to AUL by law.

SUBROGATION RIGHTS: AUL has the right to be subrogated to any rights a Person may have against a Third Party. AUL may, at its option, bring legal action to recover benefits it paid in connection with a Person's Disability. AUL may do this if a Person:

- 1) suffers a Disability and, because of any act or omission of a Third Party, becomes entitled to and is paid benefits under the policy; and
- 2) does not initiate legal action for the recovery of such benefits from the Third Party within a reasonable period of time.

SECTION 8 - INSURING PROVISIONS

MONTHLY BENEFIT PAYMENTS: AUL will pay Disability benefits, according to the policy, if a Person becomes Disabled while insured by the policy. AUL must receive proof that a Person is Disabled due to Sickness or Injury and requires the Regular Attendance of a legally qualified Physician. AUL will pay the Person a Monthly Benefit after the Person satisfies the Elimination Period. The Elimination Period may be satisfied by Total Disability, Partial Disability, or a combination of both. If a Person is Totally Disabled and hospital confined for 24 hours or more with room and board charges during the Elimination Period due to an Injury or Sickness resulting in a covered Disability, benefits will be payable from the first day of that confinement.

The Monthly Benefit will be paid as long as Disability continues; provided that proof of continued Disability is submitted to AUL upon request and the Person is under the Regular Attendance and care of a Physician. The proof must be submitted at the Person's expense. Monthly Benefits will not be paid during any period that a Person is incarcerated in a penal or correctional institution.

The Monthly Benefit will not exceed the Maximum Monthly Benefit, nor will it be payable for longer than the Maximum Benefit Duration. The Maximum Monthly Benefit and the Maximum Benefit Duration are stated in the Schedule of Benefits.

PRORATING OF MONTHLY BENEFIT: The eligible Monthly Benefit will be paid on a monthly basis. For any period of Disability less than one month, the Monthly Benefit will be paid on a pro-rata basis at the rate of 1/30 per day.

REDUCTIONS TO THE MONTHLY BENEFIT: Other Income Benefits will reduce the Monthly Benefit as defined in this certificate. The Social Security Integration Method used is stated in the Schedule of Benefits.

SECTION 8 - INSURING PROVISIONS

MONTHLY BENEFITS: To figure the amount of the Total Disability Benefit if a Direct Primary or Family Social Security integration method is stated on the Schedule of Benefits, take the Person's Monthly Benefit and reduce the result by Other Income Benefits.

SECTION 8 - INSURING PROVISIONS

SOCIAL SECURITY INCENTIVE: For the first 6 months of entitlement to Social Security benefits, AUL will not reduce the Monthly Benefit by the Social Security monthly benefit. If Social Security benefits are paid in a lump sum, the Lump Sum Payments provision will apply.

SECTION 8 - INSURING PROVISIONS

LUMP SUM PAYMENTS: Other Income Benefits that are paid in a lump sum, excluding benefits received from the Employer's Retirement Plan, will be prorated by AUL over the stated period of time the lump sum was projected to apply. Lump sums projected to cover the Person's life expectancy will be prorated based on appropriate actuarial tables. If the projected period of time that a lump sum is intended to cover is not stated, the lump sum will be prorated over a period of 60 months.

A lump sum payment from an Employer's Retirement Plan will be prorated over 60 months. However, if such lump sum is rolled to an annuity or retirement account that does not pay a benefit prior to the end of the Maximum Benefit Duration stated in the Schedule of Benefits, then the Gross Monthly Benefit will not be reduced by that lump sum payment.

Regardless of how benefits from the Employer's Retirement Plan are distributed, AUL will treat contributions made by the Person and Policyholder as if they were distributed simultaneously throughout the Person's lifetime.

APPLICATION FOR OTHER INCOME BENEFITS: If the Person, Spouse or Child(ren) are or become eligible for any Other Income Benefit, they must:

- 1) apply for the Other Income Benefits; and
- 2) appeal any denial for the Other Income Benefits that appears unreasonable.

Until approval or denial of any Other Income Benefits for any Disability is determined, AUL will make payments as indicated below.

Payments will be made under either Method A or B below, as chosen by the Person in a written agreement provided by AUL.

Method A: AUL will estimate the Other Income Benefits that will be received and reduce the regular Monthly Benefit by this amount. If Other Income Benefits are estimated, the Person's regular Monthly Benefit will be adjusted when AUL receives proof of the amount awarded or that benefits have been denied. If the application is denied, the amount withheld based upon estimates will be returned to the Person in a lump sum. During subsequent appeals of denial of benefits Method B will be used.

Method B: AUL will pay the regular Monthly Benefit after the Elimination Period, with no reduction for estimated benefits, until the appropriate entity reaches a decision. When a decision is reached, the Person must send AUL a copy of the determination and reimburse AUL for any overpayment made as a result of that decision, regardless of whether or not the coverage is still in force on the date the Person recovers such amount. Additionally, if an award is made, AUL will reduce the Monthly Benefit by the amount of the Other Income Benefits the Person received, in accordance with the terms of the Policy. If the Person chooses Method B and has not applied for the Other Income Benefits for which he may be entitled, the Person must agree to apply for such benefits immediately. If the Person does not apply for the Other Income Benefits immediately, AUL will automatically use Method A.

SECTION 8 - INSURING PROVISIONS

SOCIAL SECURITY APPLICATION ASSISTANCE. When AUL determines that a Person is a likely candidate for Social Security Disability Insurance (SSDI), AUL may assist the Person with the application process for these benefits.

Upon written request, a representative from AUL's Group Claims Department may supply pertinent information to the Person about:

- 1) eligibility for SSDI benefits;
- 2) how to begin the application process;
- 3) how to submit an appeal;
- 4) guidelines established by the Social Security Administration for submitting appeals; and
- 5) names of organizations offering assistance.

SECTION 8 - INSURING PROVISIONS

COST OF LIVING ADJUSTMENT FREEZE: If the Person receives a cost of living increase, with regard to Other Income Benefits, after the date benefits actually become payable under the policy, the Monthly Benefit will not be further reduced by such cost of living increase. For purposes of this provision, a cost of living increase is any annual increase reasonably related to the annual increase in any generally recognized cost of living measurement that applies to all Persons who are entitled to receive such benefits.

TERMINATION OF THE MONTHLY BENEFIT: The Monthly Benefit will cease on the EARLIEST of the following:

- 1) the date Current Monthly Income equals or exceeds 80% of the Indexed Pre-disability Earnings;
- 2) the date that the Person ceases to be Disabled;
- 3) the date the Person dies;
- 4) the date the Maximum Benefit Duration stated in the Schedule of Benefits is completed;
- 5) the date the Person fails to give AUL required proof of Disability or information required by AUL to determine if any benefits are owed under the policy;
- 6) the date the Person refuses to allow an examination requested by AUL;
- 7) the date the Person is no longer under the Regular Attendance and care of a Physician;
- 8) the date the Person refuses to provide any evidence required by AUL to verify the Person's Current Monthly Income; or
- 9) the date the Person leaves the United States or Canada and establishes his residence in any other country. A Person will be considered to reside outside these countries when the Person has been outside the United States or Canada for a total period of 6 months or more during any 12 consecutive Monthly Benefit payments.

SECTION 8 - INSURING PROVISIONS

RESIDUAL BENEFIT: If the residual benefit is elected by the Policyholder, then the Elimination Period can be met using Total Disability, Partial Disability, or a combination of both.

RECURRENT DISABILITY: If, after a period of Disability for which benefits are payable, the Person resumes his Regular Occupation as a Full-Time Employee and performs each Material and Substantial Duty of that Occupation for a continuous period of 6 months or more of full-time work, any Recurrent Disability will be part of a new period of Disability and a new Elimination Period must be completed before any further Monthly Benefits are payable.

If the Person resumes his Regular Occupation as a Full-Time Employee and performs each Material and Substantial Duty of that Occupation for less than 6 months of full-time work, a Recurrent Disability will be part of the same period of Disability. The Recurrent Disability must be the direct result of the Injury or Sickness that caused the prior Disability. The Person will not have to complete a new Elimination Period. Benefit payments will be subject to the terms of the policy for the prior Disability. The benefit will be based on the amount of Monthly Benefit in effect immediately prior to the original Elimination Period.

In order to prevent over-insurance because of duplication of benefits, benefits payable under the Recurrent Disability provision will cease if benefits are payable to the Person under any other group long term disability policy.

The Recurrent Disability provision in this Section is only applicable as long as the Policyholder's coverage remains in force with AUL.

SECTION 8 - INSURING PROVISIONS

PRESUMPTIVE DISABILITY: When a Person is Partially Disabled and his Current Monthly Income is 20% or less than his Indexed Pre-Disability Earnings, AUL will not reduce the Monthly Benefit by Current Monthly Income.

BENEFITS WHILE PARTIALLY DISABLED: When proof is received that a Person is Partially Disabled, then the Return to Work and Partial Disability Benefits apply. Benefits are payable following completion of the Elimination Period. The Partial Disability must be the direct result of the Injury or Sickness that caused the Disability immediately preceding it.

RETURN TO WORK BENEFIT: While Partial Disability continues, this benefit will apply until the end of a 12 month period following return to work beginning on the first day that the Monthly Benefit is payable for Partial Disability.

Under this Return to Work Benefit, Current Monthly Income will not reduce the Monthly Benefit, unless the Current Monthly Income, combined with income from all other sources including the Monthly Benefit, exceeds 100% of the Pre-Disability Earnings. If the combined income exceeds this amount, the Monthly Benefit will be reduced by any amount that is in excess of 100% of the Pre-Disability Earnings.

SECTION 8 - INSURING PROVISIONS

PARTIAL DISABILITY BENEFIT: Upon completion of the Return to Work Benefit period, the benefit for Partial Disability will be calculated as $a \times b \times 70\%$ where:

- a = Basic Monthly Earnings less Other Income Benefits a Person receives while he is Partially Disabled; and
- b = Gross Monthly Benefit divided by the benefit percentage stated on the Schedule of Benefits divided by the Basic Monthly Earnings.

Benefits for Return to Work and Partial Disability will never exceed the Person's Maximum Monthly Benefit as shown on the Schedule of Benefits. The Return to Work Benefit and the Partial Disability Benefit will continue as shown above until the EARLIEST of the date:

- 1) the Person ceases to be Partially Disabled;
- 2) the Person dies;
- 3) the Maximum Benefit Duration, as shown on the Schedule of Benefits, is completed;
- 4) the Person fails to give AUL required proof of Disability or information required by AUL to determine if any benefits are owed under the policy;
- 5) the Person refuses to allow an examination requested by AUL;
- 6) the Person is no longer under the Regular Attendance and care of a Physician;
- 7) the Person refuses to provide any evidence required by AUL to verify the Person's Current Monthly Income; or
- 8) the Person leaves the United States or Canada and establishes his residence in another country. A Person will be considered to reside outside these countries when the Person has been outside the United States or Canada for a total period of 6 months or more during any 12 consecutive months of benefits.

For purposes of the Return to Work Benefit and the Partial Disability Benefit provisions, Pre-Disability Earnings will be increased annually using the Consumer Price Index. The increase will be effective on the July 1st following the first 12 consecutive calendar months of Disability and on each subsequent July 1st. The annual increase is only to determine eligibility and will not increase the Return to Work Benefit or Partial Disability Benefit.

AUL may require any evidence needed to verify the Person's earnings and proof of continuing Disability.

SECTION 8 - INSURING PROVISIONS

SURVIVOR BENEFIT: AUL will pay a lump sum benefit to the Eligible Survivor when proof acceptable to AUL, is received that the Person died:

- 1) after Disability had continued for 180 or more consecutive days; and
- 2) while the Person was receiving a Monthly Benefit.

The lump sum benefit will be an amount equal to 3 times the Person's last Gross Monthly Benefit.

If payment of a lump sum benefit becomes due to the Person's Child(ren) as an Eligible Survivor, payment will be made to the Child(ren) or to a Person entitled to receive payments on behalf of the Child(ren) under applicable law. Payment to such Person will be valid and effective against all claims of others representing or claiming to represent the Child(ren).

If there are no Eligible Survivors, then no lump sum benefit will be paid.

SECTION 8 - INSURING PROVISIONS

ORGAN TRANSPLANT PROCEDURE means the surgical removal of any one or more of a Person's organs for the purpose of transplanting to another individual.

ORGAN DONOR TRANSPLANT BENEFIT: AUL will pay a Monthly Benefit if a Person becomes Disabled as a result of an Organ Transplant Procedure while insured under the policy. Proof of the Disability must be received by AUL for review. Payment of this benefit will not be subject to satisfaction of the Pre-Existing Condition exclusion or limitation period.

TERMINATION: The Organ Donor Transplant Benefit will terminate the EARLIER of:

- 1) the date Current Monthly Income equals or exceeds 80% of the Indexed Pre-disability Earnings;
- 2) the date that the Person ceases to be Disabled;
- 3) the date the Person dies;
- 4) the date the Maximum Benefit Duration stated in the Schedule of Benefits is completed;
- 5) the date the Person fails to give AUL required proof of Disability or information required by AUL to determine if any benefits are owed under the policy;
- 6) the date the Person refuses to allow an examination requested by AUL;
- 7) the date the Person is no longer under the Regular Attendance and care of a Physician;
- 8) the date the Person refuses to provide any evidence required by AUL to verify the Person's Current Monthly Income; or
- 9) the date the Person leaves the United States or Canada and establishes his residence in any other country. A Person will be considered to reside outside these countries when the Person has been outside the United States or Canada for a total period of 6 months or more during any 12 consecutive Monthly Benefit payments.

SECTION 9 - EXCLUSIONS

GENERAL EXCLUSIONS: The policy does not cover any Disability caused by, contributed to by, or resulting from:

- 1) participation in war or any act of war, declared or undeclared;
- 2) active participation in a riot;
- 3) attempted suicide, regardless of mental capacity;
- 4) attempted or actual intentionally self-inflicted bodily injury or self destruction, including but not limited to the voluntary inhaling or taking of:

 - c) non-prescription medicine in a manner other than as indicated in the printed instructions;
 - d) poison; and
 - e) toxic fumes;
- 5) commission of or attempt to commit a criminal act under relevant state law;
- 6) Cosmetic Surgery. However, Cosmetic Surgery will be covered when it is due to:
 - a) reconstructive surgery incidental to, or follows surgery resulting from, trauma, infection or other diseases of the involved part; or
 - b) congenital disease or anomaly that has resulted in a functional defect;
- 7) a Person being legally intoxicated as defined by the law of the jurisdiction in which the incident occurs;
- 8) any event that occurs while a Person is incarcerated in a penal or correctional institution;
- 9) participation in any self asphyxiation method;
- 10) Surgery that is not Medically Necessary to treat a Sickness or Injury;
- 11) traveling or flying on any aircraft operated by or under authority of military or any aircraft being used for experimental purposes; or
- 12) engaging in any illegal or fraudulent occupation, work, or employment.

SECTION 9 - EXCLUSIONS

PRE-EXISTING CONDITION LIMITATION:

A limited benefit will be paid if the Person's Disability begins in the first 12 months following the Person's Individual Effective Date of Insurance; and the Person's Disability is caused by, contributed to by, or the result of a condition for which the Person received medical advice or treatment in the 3 months just prior to the Person's Individual Effective Date of Insurance.

The monthly amount payable under this provision will be the lesser of:

- 1) the Person's Monthly Benefit payable if the Person did not have a Pre-Existing Condition; or
- 2) the Person's Gross Monthly Benefit multiplied by 100%.

Benefits under this provision are payable for no more than 1 month during any one period of Disability. In no event will benefits be paid beyond the Maximum Benefit Duration.

SECTION 9 - EXCLUSIONS

PRE-EXISTING CONDITION EXCLUSION ON AN INCREASED MONTHLY BENEFIT: This provision applies to an increase in the Monthly Benefit that occurs after the Policyholder's Effective Date.

The policy will not cover the amount of the increase in the Monthly Benefit if the Person's Disability begins in the first 12 months following the effective date of the increase in coverage; and the Person's Disability is caused by, contributed to by, or the result of a condition for which the Person received medical advice or treatment in the 3 months just prior to his effective date of increase in amount of insurance.

PRE-EXISTING CONDITION EXCLUSION ON AN INCREASED BENEFIT WHEN CHANGING CARRIERS: This provision applies to an increase in the Maximum Monthly Benefit when:

- 1) coverage under the policy replaces a Prior Plan; and
- 2) coverage under the policy has a Maximum Monthly Benefit that is in excess of the Prior Plan.

The policy will not cover the amount of the increase in Maximum Monthly Benefit if the Person's Disability begins in the first 12 months following the Policyholder's Effective Date; and the Person's Disability is caused by, contributed to by, or the result of a condition for which the Person received medical advice or treatment in the 3 months just prior to his effective date of increase in amount of insurance.

PRE-EXISTING CONDITION EXCLUSION FOR A CHANGE IN OPTIONS: This provision applies when a Person changes Options resulting in an increase in coverage after the Policyholder's Effective Date.

The policy will not cover the Person under the new Option if the Person's Disability begins in the first 12 months following the Effective Date of Change in Options; and the Person's Disability is caused by, contributed to by, or the result of a condition for which the Person received medical advice or treatment in the 3 months just prior to the Effective Date of Change in Options.

A Person will receive benefits based on the Option he was previously insured under if eligible for such benefits according to the provisions applicable to that Option.

SECTION 10 - DRUG AND ALCOHOL ABUSE LIMITATION

DRUG AND ALCOHOL ABUSE LIMITATION: Monthly Benefits for Disability due to drug and alcohol abuse, whether or not benefits were originally sought because of the condition, will not be payable beyond the Maximum Benefit Duration. In addition, if the Maximum Benefit Duration is longer than 24 months, benefits for Disability due to drug and alcohol abuse will not exceed 24 months of Monthly Benefit payments. Benefit payments for Disabilities due to drug and alcohol abuse are cumulative for the lifetime of the contract.

The Monthly Benefit may be paid beyond 24 months if:

- 1) the Person is in a hospital or institution at the end of the 24 month period; and
- 2) confinement begins:
 - a) during the Elimination Period; or
 - b) during the 24 months next following the Elimination Period; and
- 3) confinement is for at least 14 consecutive calendar days.

The Monthly Benefit will be payable until the Person is discharged. If Disability continues after discharge, the Monthly Benefit will be payable for a recovery period not to exceed 90 days.

If the Person is re-confined in a hospital or institution for the same Sickness or Injury which caused the Disability, the Monthly Benefit will be payable during the re-confinement if:

- 1) it begins during the recovery period; and
- 2) it is for at least 14 consecutive calendar days.

If Disability continues after the Person is discharged from such a re-confinement, the Monthly Benefit will be payable for a final recovery period not to exceed 90 days.

For any period of confinement beyond those stated above, the Monthly Benefit will continue to be payable:

- 1) only if confinement is for at least 14 consecutive calendar days;
- 2) only until the Person is discharged; and
- 3) only if the Person is continuously Totally Disabled.

To be covered, confinement must be in a facility licensed to provide care and treatment for the disabling condition due to drug or alcohol abuse.

SECTION 12 - MENTAL ILLNESS LIMITATION

MENTAL ILLNESS LIMITATION: Monthly Benefits for Disability due to Mental Illness, whether or not benefits were originally sought because of the condition, will not be payable beyond the Maximum Benefit Duration. In addition, if the Maximum Benefit Duration is longer than 24 months, benefits for Disability due to Mental Illness will not exceed 24 months of Monthly Benefit payments. Benefit payments for Disabilities due to Mental Illness are cumulative for the lifetime of the contract.

The Monthly Benefit may be paid beyond such period if:

- 1) the Person is in a hospital or institution at the end of the 24 month period; and
- 2) confinement begins:
 - a) during the Elimination Period; or
 - b) during the 24 months next following the Elimination Period; and
- 3) confinement is for at least 14 consecutive calendar days.

The Monthly Benefit will be payable until the Person is discharged. If Disability continues after discharge, the Monthly Benefit will be payable for a recovery period not to exceed 90 days.

If the Person is re-confined in a hospital or institution for the same Sickness or Injury which caused the Disability, the Monthly Benefit will be payable during the re-confinement if:

- 1) it begins during the recovery period; and
- 2) it is for at least 14 consecutive calendar days.

If Disability continues after the Person is discharged from this re-confinement, the Monthly Benefit will be payable for a final recovery period not to exceed 90 days.

For any period of confinement beyond those stated above, the Monthly Benefit will continue to be payable

- 1) only if confinement is for at least 14 consecutive calendar days;
- 2) only until the Person is discharged; and
- 3) only if the Person is continuously Totally Disabled.

To be covered, confinement must be in a facility licensed to provide care and treatment for the disabling condition due to Mental Illness.

AUL will not apply the Mental Illness Limitation to a Disability due to dementia if it is a result of:

- 1) stroke;
- 2) trauma;
- 3) viral infection; or
- 4) Alzheimer's disease.

SECTION 13 - CONTINUITY OF COVERAGE

WHEN REPLACING NON-FRANCHISE COVERAGE: This provision applies when coverage under the policy replaces a Policyholder's Prior Plan of non-Franchise Coverage that terminated on the day before the Policyholder's original Effective Date of coverage under the policy. This Section will apply only to Persons insured under the Policyholder's Prior Plan on its termination date.

Unless replacing a Prior Plan of AUL coverage with short or long term coverage, a Prior Plan must be replaced with:

- 1) a plan of long term coverage for long term coverage;
- 2) a plan of short term coverage for short term coverage; or
- 3) a plan that contains a short Elimination Period and a long term Maximum Benefit Duration.

Continuity of Coverage will apply to a Person who would not get coverage under the policy because of the following situations:

- 1) failure of a Person to be Actively at Work due to Disability, an approved Leave of Absence or temporary layoff on the Policyholder's Effective Date; or
- 2) a Pre-Existing Condition limitation or exclusion of the policy.

BENEFITS FOR A PERSON WHO FAILS TO BE ACTIVELY AT WORK DUE TO DISABILITY: The policy will insure, subject to proper premium payments, a Person who:

- 1) was insured under the Prior Plan on its termination date; and
- 2) is not Actively at Work due to Disability, an approved Leave of Absence or temporary layoff on the Policyholder's Effective Date.

Coverage under this provision will begin on the Policyholder's Effective Date and will continue until the EARLIEST of:

- 1) the date the Person returns to Active Work; or
- 2) the end of any period of coverage provided under the Prior Plan; or
- 3) the date coverage would otherwise end, according to the provisions of the AUL policy.

The benefits payable will be as follows:

- 1) when replacing prior carrier coverage, the same as the Prior Plan would have paid had coverage remained in force, less any amount for which the Prior Plan is liable; or
- 2) when replacing a Prior Plan of AUL coverage, the Person will be paid the benefits of the lesser coverage.

This Section of the Continuity of Coverage provision does not establish eligibility for coverage of a Person under the policy. Eligibility can only be met when the Person returns to full-time, Active Work as described in the Eligibility and Individual Effective Date of Insurance Section.

BENEFITS PAYABLE FOR A DISABILITY DUE TO A PRE-EXISTING CONDITION: Benefits may be payable for a Disability due to a Pre-Existing Condition for a Person who:

- 1) was insured by the Prior Plan on its termination date; and
- 2) has been continuously covered under the AUL policy from the Effective Date of the Policyholder's coverage under the policy through the date the Person's Disability began.

The benefit payable will be determined by applying the policy's Pre-Existing Condition Limitation. If the Injury or Sickness that caused the Person's Disability is not subject to the Pre-Existing Condition Limitation of the policy, as elected by the Policyholder, then the Person will be paid the benefits of the policy as elected by the Policyholder.

SECTION 13 - CONTINUITY OF COVERAGE

If the Injury or Sickness that causes the Person's Disability is subject to the Pre-Existing Condition Limitation of the policy, and such Injury or Sickness is not excluded under the Prior Plan's Pre-Existing Condition exclusion or limitation, giving consideration for continuous time the Person is covered under both plans, the Person will be paid the lesser of:

- 1) the benefits of the policy determined without application of the Pre-Existing Condition Limitation; or
- 2) the benefits of the Prior Plan.

If the benefits of the policy determined without application of the Pre-Existing Condition Limitation is more than the benefits of the Prior Plan, the Person will also be paid an amount for 1 month equal to 100% of the difference between the Monthly Benefit of AUL's Plan and the Monthly Benefit of the Prior Plan.

If the Injury or Sickness is excluded under the Prior Plan's Pre-Existing Condition exclusion or limitation, giving consideration for continuous time the Person is covered under both the Prior Plan and the policy, no benefit will be paid.

SECTION 16 - MANDATORY REHABILITATION PROGRAM

MANDATORY REHABILITATION PROGRAM: AUL's Rehabilitation Program is designed to assist a Person in returning to work. A Person's claim is reviewed and medical and vocational information is analyzed to determine if rehabilitation services might assist in this process.

AUL's Rehabilitation Program specialists, who coordinate with the Person's Physician and other specialists, complete an initial review. After this review, AUL may elect to offer and pay for a reasonable and necessary Rehabilitation Program. The Person must receive written approval from AUL before beginning any Program in order to be eligible for benefits under this Section. AUL will not reimburse unapproved or unnecessary rehabilitation expenses.

AUL's Rehabilitation Program may include coordination with other parties to:

- 1) assist in the Person's return to work;
- 2) evaluate adaptive equipment to allow the Person to work;
- 3) provide child care assistance during the Person's participation in a rehabilitation program;
- 4) provide vocational evaluation;
- 5) provide job placement services;
- 6) provide resume preparation;
- 7) provide job-seeking skills training;
- 8) provide retraining for a new occupation;
- 9) provide alternative treatment plans such as:
 - a) support groups;
 - b) physical therapy;
 - c) occupational therapy;
 - d) speech therapy;
 - e) exercise programs;
 - f) mental health programs; or
 - g) other medical rehabilitation programs.

If at any time the Person declines to take part or cooperate in a rehabilitation evaluation or program, that has been designed for him and has been approved by his Physician, AUL may discontinue paying the Person a Monthly Benefit for Disability.

SECTION 17 - WORKPLACE MODIFICATION BENEFIT

WORKPLACE MODIFICATION means reasonable and necessary changes to a Person's work environment or to the way a Person's job is performed that enables the Person to return to full or part-time work for the Policyholder.

WORKPLACE MODIFICATION BENEFIT: AUL may pay the expense for any reasonable and necessary modification to a Person's workplace to accommodate the Person's Disability and enable him to return to Active Work for the Policyholder. The amount AUL may pay will not exceed the lesser of:

- 1) 2 times the Person's last Monthly Benefit payment; or
- 2) \$2,000.

To qualify for this Benefit:

- 1) a Person must be receiving a Monthly Benefit under the policy;
- 2) the Policyholder must agree to make reasonable and necessary modifications to the workplace that reasonably accommodates and enables a Person's return to full or part-time employment with the Policyholder; and
- 3) all proposed modifications and costs must be approved by AUL in advance and in writing prior to making any modification.

AUL may evaluate the appropriateness of a proposed modification.

AUL reserves the right, at its expense, to have a Person examined and evaluated by a Physician or other health care professional and a vocational expert or rehabilitation specialist of its choice, as frequently as it deems necessary.

If the Policyholder incurs reasonable and necessary costs for AUL approved modifications, the Policyholder will be reimbursed after:

- 1) proposed modifications made on the Person's behalf are completed;
- 2) written proof of incurred expenses for all modifications have been provided to and approved by AUL; and
- 3) the Person has returned to full or part-time employment with the Policyholder.

This Benefit will not be payable if:

- 1) expenses were not incurred in making the actual modification;
- 2) AUL did not provide written approval for the modification or its cost prior to the expense;
- 3) the Person becomes self-employed or returns to work for an employer other than the Policyholder;
- 4) the Person or Policyholder is able to apply or receives reimbursement for any costs under any other governmental program, grant, insurance policy, law or settlement; or
- 5) the Person ceases to be Disabled before or during the Workplace Modification.

This benefit is available on a one-time basis, per Person.

SECTION 18 - FAMILY CARE BENEFIT

FAMILY CARE BENEFIT: If the Person is receiving a Return to Work Benefit and participating in AUL's Mandatory Rehabilitation Program a Person may be eligible to receive a Family Care Benefit.

FAMILY CARE means:

- 1) care or supervision of the Person's Child(ren) under age 13;
- 2) care or supervision of a individual who can be claimed as a dependent for federal income tax purposes of a Person's household for whom supervision is required or necessary; and
- 3) care is given by a licensed child-care center or a licensed caregiver who is not related to the Person by blood or marriage. The care must be documented by receipts that include the name, address, phone number and taxpayer identification number of the entity or Person providing the care.

FAMILY CARE BENEFIT: The maximum monthly Family Care Benefit allowed for each qualifying child(ren) or legal dependent of the Person's household is \$350 during the first 12 months of receiving the Return to Work Benefit. The Family Care Benefit will be reduced proportionally for periods of less than a month. The Family Care Benefit is limited to a combined monthly maximum of \$2,500 and is only available in conjunction with and during the Return to Work Benefit period.

AUL will, for the purpose of calculating the Return to Work Benefit, deduct the cost of Family Care from the Person's Current Monthly Income.

TERMINATION: The Family Care Benefit will terminate the earlier of:

- 1) the date the Person is no longer receiving a Return to Work Benefit and participating in AUL's Mandatory Rehabilitation Program;
- 2) the care or supervision no longer meets the definition of Family Care;
- 3) the date the Person's Current Monthly Income, before the deduction of the Family Care Benefit, equals or exceeds 80% of his Indexed Pre-Disability Earnings;
- 4) the date the maximum Family Care Benefit has been satisfied; or
- 5) the date the Person is no longer incurring an expense for Family Care.

How you're protected if your life or health insurance company fails

The Texas Life and Health Insurance Guaranty Association protects you by paying your covered claims if your life or health insurance company is insolvent (can't pay its debts). **This notice summarizes your protections.**

The Association will pay your claims, with some exceptions required by law, if your company is licensed in Texas and a court has declared it insolvent. You must live in Texas when your company fails. If you don't live in Texas, you may still have some protections.

For each insolvent company, the Association will pay a person's claims only up to these dollar limits set by law:

Accident, accident and health, or health insurance (including HMOs):

- o Up to \$500,000 for health benefit plans, with some exceptions.
- o Up to \$300,000 for disability income benefits.

- o Up to \$300,000 in death benefits.

Individual annuities: Up to \$250,000 in the present value of benefits, including cash surrender and net cash withdrawal values.

Other policy types: Limits for group policies, retirement plans and structured settlement annuities are in Chapter 463 of the Texas Insurance Code.

Individual aggregate limit: Up to \$300,000 per person, regardless of the number of policies or contracts. A limit of \$500,000 may apply for people with health benefit plans.

Parts of some policies might not be protected: For example, there is no protection for parts of a policy or contract that the insurance company doesn't guarantee, such as some additions to the value of variable life or annuity policies.

These protections apply to insolvencies that occur on or after September 1, 2019. **There may be other exceptions that aren't included in this notice.** When choosing an insurance company, you should not rely on the Association's coverage.
