Section 125 Plans

Section 125 Plan Information & Rules

A Section 125 Plan provides a tax-saving way to pay for eligible medical or dependent care expenses. The funds are automatically deducted from your paycheck on a pre-tax basis.

Here's How It Works

A Section 125 Plan reduces your taxes and increases your spendable income by allowing you to deduct the cost of eligible benefits from your earnings before tax. Plus, the plan is available to you at no cost, and you're already eligible – all you must do is enroll.

Is It Right For Me?

The savings you may experience with a Section 125 Plan are outlined in the example below. For instance, you could potentially take home about $70 more each month if you participated in your employer's Section 125 Plan – that's a savings of $840 a year!

You cannot change your benefit elections for the plan year unless the benefits office receives notification in writing within 31 days of the status change. If the benefits office is not notified within 31 days of the status change, no benefit change can be made until the next annual open enrollment.

IRS specified changes in family status include:

- Change in legal married status
- Change in number of dependents
- Termination or commencement of employment
- Dependent satisfies or ceases to satisfy dependent eligibility requirements
- Change in residence or worksite that affects eligibility for coverage

Section 125 Plan Sample Paycheck		
	Without S125	With S125
Monthly Salary	$2,000	$2,000
Less Medical Deductions	-N/A	-$250
Tax Gross Income	$2,000	$1,750

Less Estimated FICA (7.65%)	-$153	-$133
Less Medical Deductions	-$250	-N/A
Take Home Pay	$1,197	$1,267

You could save $70 per month in taxes by paying for your benefits on a pre-tax basis!

Flexible Spending Accounts

First Financial Administrators, Inc. | www.ffga.com | 1-866-853-3539
P.O. Box 161968 | Altamonte Springs, F.L. 32716

Medical FSA

A Medical Flexible Spending Account (Medical FSA) is an IRS-approved program to help you save taxes and pay for out-of-pocket medical expenses not covered under your medical plan. If your plan includes a grace period option, you have additional time to incur and claim against unused funds in the new plan year. Keep in mind that remaining balances after the grace period is exhausted will be forfeited under the use-it-or-lose-it rule.

Your maximum contribution amount for 2026 is $3,400.

Medical FSA Highlights

- Contributions are automatically deducted from your paycheck on a pre-tax basis, which helps reduce your taxable income and increase your spendable income.
- Your full election will be available to you at the beginning of the plan year.
- Be conservative – any money left in your account at the end of the plan year will be forfeited.
- Use your benefits card to pay for qualified expenses upfront without spending money out of pocket.
- Keep all receipts in case you need to substantiate a claim for tax purposes.

NOTE: The IRS requires proof that all expenses are eligible. Keep all receipts in case you need to substantiate a claim for tax purposes. Your receipt must include the date of purchase or service, amount you were required to pay after insurance, description of the product or service, merchant or provider name, and the patient's name.

Dependent Care FSA

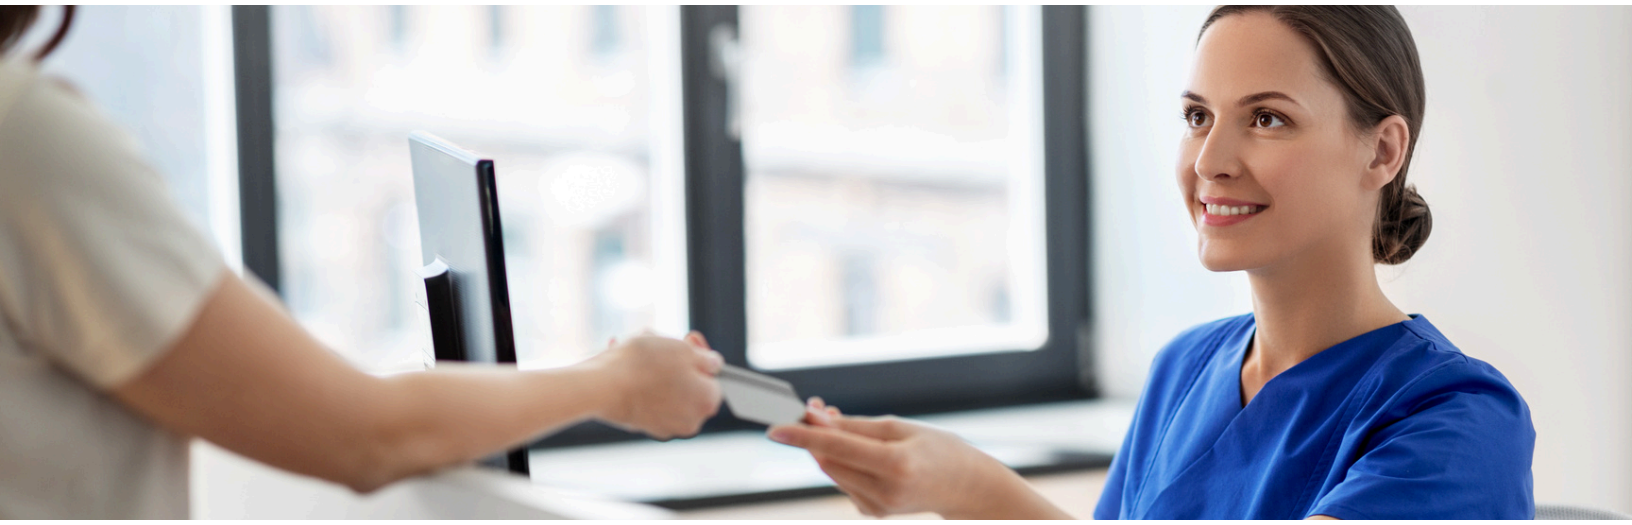

With a Dependent Care Flexible Spending Account, you can set aside part of your pay on a pre-tax basis to pay for eligible dependent care expenses like childcare, babysitters, and adult day care.

You may allocate up to $7,500 per tax year for reimbursement of dependent care services.
If you are married and file a separate tax return, the limit is $3,750.

Dependent Care FSA Highlights

- Eligible dependents must be claimed as an exemption on your tax return.
- Eligible dependents must be children under age 13 or an adult dependent incapable of self-care.
- Funds become available as contributions are made to your account.
- Keep all receipts in case you need to substantiate a claim for tax purposes.
- Balances will be forfeited at the end of the runoff or grace period.

Limited Purpose FSA

First Financial Administrators, Inc. | www.ffga.com | 1-866-853-3539
P.O. Box 161968 | Altamonte Springs, F.L. 32716

A Limited Purpose Flexible Spending Account (LPFSA) works together with a Health Savings Account (HSA) for you to further optimize your tax savings. By establishing an LPFSA, you can save money on taxes by using the account for eligible dental and vision expenses while preserving your HSA funds for other purposes, including simply saving those funds for the future.

Your maximum contribution amount for 2026 is $3,400.

Limited Purpose FSA Highlights

- Only certain dental and vision expense are eligible such as eye exams, contact lenses and eyeglasses.
- Funds can be accessed by submitting a claim or paying for expenses upfront with a benefits debit card.
- Purchases may need to be verified during the claims process, so be sure to save your receipts.
- If the carryover provision is elected by your employer, balances may be carried over to the following plan year.

Health Savings Account

First Financial Administrators, Inc. | www.ffga.com | 1-866-853-3539
P.O. Box 161968 | Altamonte Springs, F.L. 32716

A Health Savings Account (HSA) is a great way to help you control your healthcare costs. It works in conjunction with a qualified High Deductible Health Plan (HDHP) to combine tax-free savings earmarked for qualified medical expenses. An HSA allows you to set aside money to pay for higher deductibles associated with a lower monthly premium HDHP. The money you save in monthly insurance premiums is reserved for eligible medical expenses you incur in the future. Eligible expenses include things like co-pays and deductibles, prescriptions, vision expenses, dental care, therapy and medical supplies.

Health Savings Account Highlights

- Balances roll over from year to year and earn interest along the way.
- Portable – you keep it even after you leave employment.
- Tax advantages – invest money in mutual funds to grow your tax savings for either future healthcare costs or retirement.
- Pay for expenses with a benefits debit card that gives you immediate access to your money at the time of purchase.
- Expenses also can be reimbursed through our online portal, online bill pay directly to your provider or submitting a distribution request form.
- Receipts are not required for reimbursement but be sure to save them for tax purposes.

Who Can Participate in an HSA?

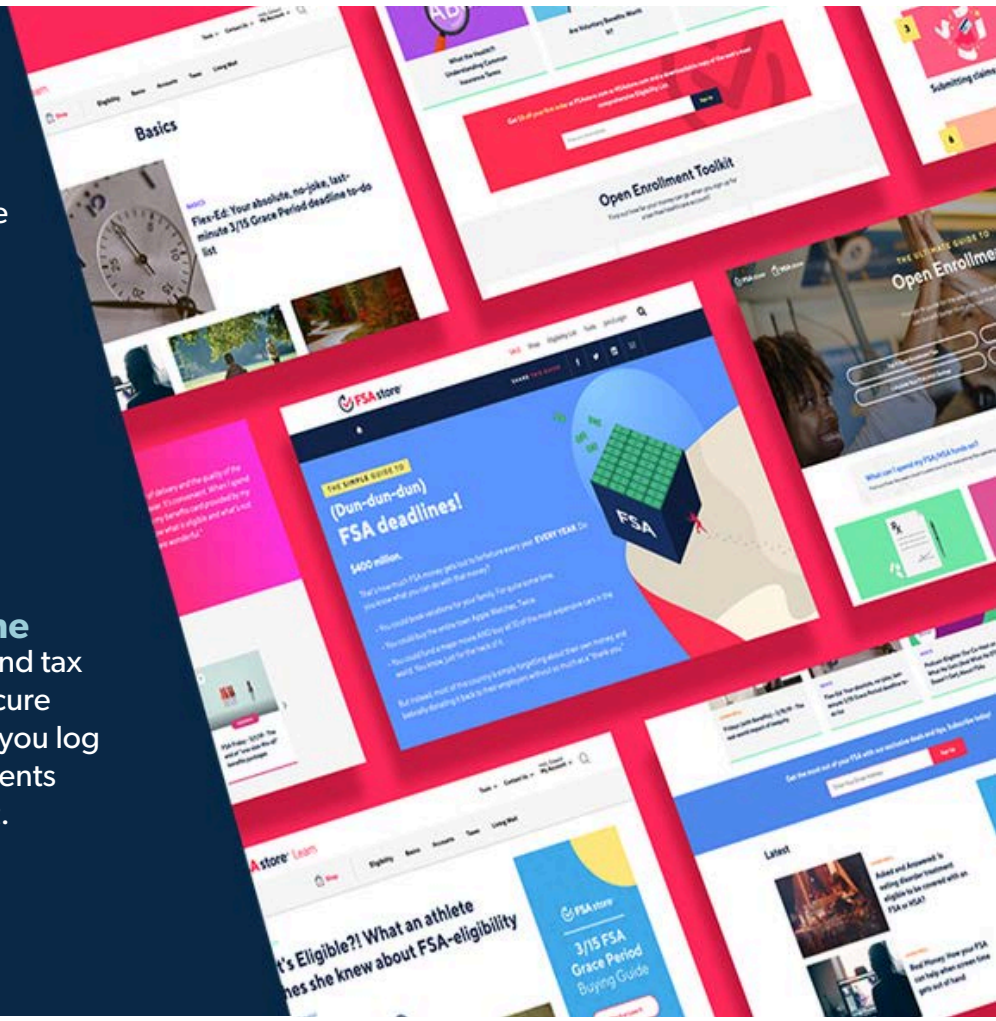

- You must be enrolled in a qualified High Deductible Health Plan (HDHP).
- You cannot be enrolled in Tricare or Medicare or covered under your spouse's traditional (non-HDHP) health care plan.
- You cannot participate in a general purpose Flexible Spending Account (FSA) or Health Reimbursement Arrangement.
- Limited Purpose Flexible Spending Accounts are permitted (dental and vision expenses only).
- You cannot participate if your spouse has a general purpose FSA or HRA at their place of employment.
- You cannot participate if you are being claimed as a dependent on another person's tax return.

Life & AD&D Insurance

American Fidelity | www.americanfidelity.com | 800-654-8489

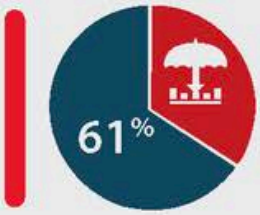

Life is precious. We take steps to insure our cars and homes but tend to fall short when it comes to insuring ourselves. A life insurance policy, combined with accidental death and dismemberment coverage, or AD&D, gives you comprehensive coverage so that you have peace of mind knowing your loved ones will be taken care of in the event of your death.

Life & AD&D Highlights

- Offers protection in the event you should die due to either natural causes or an accident.
- Benefits will be paid to the beneficiaries declared on your application.
- Covers a specific term for a predetermined benefit amount.
- Coverage would cease should employment end. However, you may be able to convert your plan to an individual policy within a certain number of days within you leaving employment.

Strengthen Your Family's Financial Plan

Life insurance is an essential piece of a robust financial plan. While there is no replacement for losing a loved one, **Term Life Insurance** can help protect your family in your absence. It supplies short-term coverage at a competitive price. Term Life Insurance can help fill temporary needs for those on a limited budget.

61% of adults in the United States have no individual life insurance.[1]

Life insurance provided by your employer is a significant benefit. However, it may not be enough protection to provide for your loved ones.

A term life policy can help supplement your existing coverage. Plus, you own this policy, meaning you can take it to a different job or retirement.

More than **100 million** individuals in the United States don't have sufficient coverage to provide their families with financial security in case of a tragedy.[2]

Why You Need Life Insurance

Consider the following expenses when choosing the right life insurance plan for you.

Final Expenses
Funeral Costs • Unpaid Medical Bills

Income Replacement
Mortgage/Rent • Other Loans

Nest Egg
Estate Planning • Retirement Goals

Term Life Insurance is a great option for your working and earning years when costs are usually at their highest.

Premiums will remain the same for the initial term period selected.[3] The death benefit will not change for the life of the policy, and death benefits are generally paid tax free.

Three Easy Steps to Get Covered

1 Select a Term Period
Choose from a 10, 20, or 30 year term.

2 Answer Three Health Questions[4]
Only three health questions are required to issue coverage. You do not have to take part in any invasive medical exams.

3 Get Death Benefit Coverage Immediately[5]
Your death benefit coverage starts when you sign the application.

[3]Rates will be adjusted on each renewed term period. [4]Issuance of the policy may depend on the answer to these questions. [5]Interim coverage for death will be in force from the date your application is signed if, on such date, the proposed insured is insurable per our underwriting guidelines for the requested coverage per the terms of the policy. This interim coverage for death will remain in force until the earlier of 1) the date a policy becomes effective, 2) the date we decline the application, or 3) the date we notify the proposed insured that they are ineligible for interim coverage. The employee and/or spouse must remain actively at work during the interim coverage period. If the death of the proposed insured occurs during the interim coverage period, the first month's premium will be subtracted from the policy proceeds. Interim coverage is only for death benefits under the base policy, Children's Term Rider and Spouse Term Rider. No interim coverage benefits are available under any Waiver of Premium Rider, Accidental Death and Dismemberment Rider, or Accelerated Benefit Rider for Long Term Illness. [6]Example is based on a 20-year term, monthly, non-tobacco, base policy with no attached riders. See your American Fidelity account manager for specific ages, rates, term periods or face amounts. [7]Premiums remain level for the initial term period selected. If you choose the 10 or 20-Year Term Life Plan, the renewal date will be every 10 or 20 years until the policy anniversary following age 70 or 60, respectively. Thereafter, premiums are renewable annually. The 30-Year Term Life Plan is renewable annually after the initial term period. All term plans expire on the policy anniversary following age 90. Rates will be adjusted on each renewed term period.

Enhance Your Plan

Waiver of Premium Rider

This rider waives the premium if the base insured becomes totally disabled, as defined in the rider, for at least six consecutive months. Premiums are waived for the base policy and any attached riders. The issue age is 17-60. The rider terminates at age 65.

Accidental Death and Dismemberment Rider

This rider provides coverage upon death, dismemberment, or paralysis of the base insured before age 70 if such death, dismemberment, or paralysis results from accidental causes, as defined in the rider. This rider also provides an additional 10% seat belt benefit if the police accident report certifies the base insured was wearing a properly fastened seat belt at the time of death. Benefits are payable once per covered accident.

Spouse Term Rider

This rider provides Term Life Insurance coverage for your spouse. The premiums for this rider are based on the spouse's age and tobacco usage. Coverage may be renewed for each additional renewal period up to the spouse's age of 90 while the base policy is active. Premiums are guaranteed to remain the same during the initial term period. [7]Premiums adjust upon renewal. The face amount must be equal to or less than the base policy.

Children's Term Rider

This rider provides Term Life Insurance protection for all eligible children between the ages of one month through 19. Three benefit levels are available: $10,000, $20,000, and $30,000. Coverage remains on each child until age 26 or the child's marriage before age 26. Your covered child may also convert this rider for up to five times the amount of coverage (subject to a $100,000 limit) to any form of permanent insurance offered by American Fidelity. One premium covers all eligible children.

Accelerated Benefit Rider for Long Term Illness

(Available with 30-Year Term Life Only)

This rider provides for two equal advances of a portion of the base policy's death benefit due to a Long Term Illness if we receive satisfactory proof of Long Term Illness before each annual payment. Coverage is available on the base insured only.

PURELIFE-PLUS

The Ideal Complement

Our voluntary permanent life insurance product can be an ideal complement to the group term and optional term life insurance your employer might provide. This voluntary permanent universal life product is yours to keep, even when you change jobs or retire, as long as you pay the necessary premium. Group and voluntary term life insurance may be portable if you change jobs, but even if you can keep them after you retire, they usually cost more and decline in death benefit.

No Exams Or Needles!

You can qualify by answering just 3 quick questions.[2]

> During the last six months, has the proposed insured:
>
> 1. Been actively at work on a full time basis, performing usual duties?
> 2. Been absent from work due to illness or medical treatment for a period of more than 5 consecutive working days?
> 3. Been disabled or received tests, treatment or care of any kind in a hospital or nursing home or received chemotherapy, hormonal therapy for cancer, radiation, dialysis treatment, or treatment for alcohol or drug abuse?

Product Features

- **High Death Benefit.** Written on a minimal cash-value Universal Life frame, PURELIFE-PLUS features one of the highest death benefits per payroll-deducted dollar offered at the worksite.[6]
- **Refund of Premium.** Unique in the workplace, PURELIFE-PLUS offers you a refund of 10 years' premium, should you surrender the contract if initial specified premium paid for ever increases. *(Conditions apply.)*
- **Minimal Cash Value.** Designed to provide a high death benefit at a reasonable premium, PURELIFE-PLUS helps provide peace of mind for you and your beneficiaries while freeing investment dollars to be directed toward such tax-favored retirement plans as 403(b), 457 and 401(k).
- **Long Guarantees.** Enjoy the assurance of a contract that has a guaranteed death benefit to age 121 and level premium for a significant period of time (after the premium guaranteed period, premiums may go down, stay the same, or go up).[7]

Additional Benefits

Accidental Death Benefit Rider

Included in the contract at the option of your employer, the Accidental Death Benefit Rider covers all employees and spouses between the ages of 17-59.[9] This rider costs $0.08 per $1,000 of the contract's face amount per month and pays the insured's beneficiary double the death benefit[10] if the insured dies within 180 days of an accident from injuries incurred in that accident.[11] The benefit is payable through the insured's age 65. See the complete list of exceptions to coverage on the back page.

Accelerated Death Benefit Due to Terminal Illness Rider[4]

Should you be diagnosed as terminally ill with the expectation of death within 12 months, you will have the option to receive 92% of the death benefit, minus a $150 administrative fee. Included with your contract at no additional cost, this valuable living benefit helps give you peace of mind knowing that, should you need it, you can take the large majority of your death benefit while still alive.

Accelerated Death Benefit Due To Chronic Illness Rider

This valuable living benefit will be included upon approval in the life contract for employees and their spouses at an additional cost.[5] This rider can help offset the unplanned expense of care should the insured be faced with a qualifying disabling chronic illness or Severe Cognitive Impairment. Here's how it works:

- If, for a period of 90 days, you're no longer able to perform any two of the six Activities of Daily Living or if you suffer Severe Cognitive Impairment, you can receive a living benefit.[12]
  - Example: You own a $100,000 Texas Life insurance policy with the Chronic Illness rider. A medical professional certifies that you can no longer perform two of the six Activities of Daily Living or have suffered Severe Cognitive Impairment. You can apply for a lump sum of $92,000 minus a $150 administrative fee.[13]
- The money is yours to do with as you choose: you do not have to go to a nursing home, convalescent center or receive home health care to receive the cash.
- The cost to add this valuable living benefit to your life insurance policy is minimal – just 10% of the policy's base premium.

According to the Center for Disease Control, accidents continue to be a leading cause of death in the U.S.[8]

Why Do I Need Disability Insurance?

Have you ever wondered what would happen to your income if you had an accidental injury, sickness, or pregnancy? That is why you need disability coverage. It replaces a portion of income for the period you are unable to work due to those reasons. You can choose the benefit amount, which is the amount of your income to replace, and the waiting period that you begin receiving payments.

How do you decide if you need disability insurance? Consider these questions when making your decision:

- How much employer leave do you have?
- Do you have savings?
- Do you have other income you can rely on, such as from your spouse or from child support?
- How close are you to retirement?
- Could you go on Social Security Disability or take a Disability Retirement?
- What are your other sources of income?

Cancer: A disease which is manifested by autonomous growth (malignancy) in which there is uncontrolled growth, function, or spread (local or distant) of cells in any part of the body. This includes Cancer in situ and malignant melanoma. It does not include other conditions which may be considered precancerous or having malignant potential such as: leukoplakia; hyperplasia; polycythemia; actinic keratosis; myelodysplastic and non–malignant myeloproliferative disorders; aplastic anemia; atypia; non–malignant monoclonal gammopathy; carcinoid; or pre–malignant lesions, benign tumors or polyps.

Diagnostic, Prevention and Cancer Screening Benefit: Pays for a generally medically recognized internal Cancer screening test when a charge is incurred for the test. Tests include but are not limited to mammogram, thinprep pap test, prostate-specific antigen blood test (PSA), colonoscopy and chest x-ray. Refer to the policy for more examples. Screening tests payable under this benefit will ONLY be paid under this benefit and does not include any test payable under the medical imaging benefit. Benefits will only be paid for tests performed after the 30-day period following the covered person's effective date of coverage. This benefit is available without a diagnosis of Cancer.

Cancer Screening Follow-Up Benefit: Payable for one invasive follow-up screening test needed due to an abnormal result from a covered screening test. Diagnostic surgeries which result in a positive diagnosis of Cancer will be paid under the surgical benefit.

Radiation/Chemotherapy/Immunotherapy Benefit: Pays the Actual Charges up to the maximum amount shown when radiation therapy, chemotherapy or immunotherapy is received as defined in the policy, per 12-month period. The 12-month period begins on the first day the covered radiation therapy, chemotherapy or immunotherapy is received. This benefit does not cover other procedures related to radiation/chemotherapy/immunotherapy. This benefit is not payable for outpatient treatment.

Drugs and Medicine Benefit: Pays for anti-nausea and pain medication prescribed by a physician and administered while also receiving radiation therapy/chemotherapy/immunotherapy, a covered surgery or a bone marrow/stem cell transplant. It does not include associated administrative processes or drugs or medicines covered under the radiation therapy/chemotherapy/immunotherapy benefit or the hormone therapy benefit.

Attending Physician Benefit: Pays for one physician's visit per day when the services of a physician, other than a surgeon, are required while confined in a Hospital.

U.S. Government/Charity Hospital/HMO Benefit: Payable when an itemized list of services is not available due to confinement in a charity Hospital or a Hospital owned or operated by the U.S. government or covered under an HMO or diagnostic-related group where no charges are made for treatment of Cancer or a covered dread disease. This benefit will be paid in lieu of most benefits covered under this policy.

Ambulance Benefit: If air and ground ambulance services are both required on the same day, we will only pay the higher benefit amount. The covered person must be admitted as an inpatient and Hospital-confined for at least 18 consecutive hours.

Transportation and Lodging Benefits: Pays a benefit for transportation by scheduled bus, plane or train, or by car and outpatient/family lodging to receive radiation therapy, chemotherapy or immunotherapy treatment, bone marrow or stem cell transplant, or surgery in a Hospital not available locally and at least 50 miles from the covered person's residence. Payable for the covered person and one adult family member. If traveling in the same car or lodging in the same room, the benefit is payable only for the covered person. If covered person receives treatment while hospital confined lodging and travel paid once per confinement. Travel must be within the United States or its territories. Pays for one mode of transportation per round trip.

Surgical Benefit: Payable when a surgical operation is performed for covered diagnosed Cancer, skin Cancer, or reconstructive surgery due to Cancer. Benefits are calculated up to a maximum benefit by multiplying the surgical unit value assigned to the procedure, as shown in the most current physician's relative value table, by the unit dollar amount shown in the policy. Two or more surgical procedures performed through the same incision will be considered one operation and benefits will be limited to the most expensive procedure. Diagnostic surgeries that result in a negative diagnosis of Cancer are not covered under this benefit. 403(b) Retirement Plans

First Financial Administrators, Inc. | www.ffga.com |
800-523-8422, option 2 | retirement@ffga.com

The 403(b) can be an excellent way to save money for retirement. It can serve as a supplement to a traditional pension plan or other retirement plan(s), or as a stand-alone plan. The 403(b) is a tax deferred retirement plan available to employees of educational institutions and certain non-profit organizations as determined by section 501(c)(3) of the Internal Revenue Code. Contributions and investment earnings in a 403(b) grow tax deferred until withdrawal (assumed to be retirement), at which time they are taxed as ordinary income. The 403(b) is named after the section of the IRS code governing it.

How a 403(b) Works

Employees enroll and participate through their employer. Contributions to a 403(b) are made on a pre-tax basis through a Salary Reduction Agreement. This is an arrangement where the participating employee agrees to take a reduction in salary. The amount by which the salary is reduced is directed to investments offered through the employer and selected by the employee. These contributions are called elective deferrals and are excluded from the employee's taxable income. Contributions grow tax-deferred until the time of retirement when withdrawals are taxed as ordinary income.

Benefits

- Tax deferred growth: no annual taxation on earnings
- Investment options: fixed annuities, variable annuities, or mutual funds
- Competitive interest rates
- Flexibility: start, stop, and adjust your contributions as allowed by your employer's plan.
- Receive periodic account statements

Contribution Limits
2026
$24,500
Participants aged 50 and older at any time during the calendar year are permitted to contribute an additional $8,000.

All investing involves risk. Past performance is not a guarantee of future returns.

COBRA

First Financial Administrators, Inc. | www.ffga.com | 800-523-8422, option 4

Life is full of unexpected events that may impact your health insurance coverage. Under the Consolidated Omnibus Budget Reconciliation Act, better known as COBRA, you have the right to continue your group health coverage such as medical, dental, vision insurance and flexible spending accounts for a limited period of time.

COBRA Highlights

- Temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work, divorce, death or a child no longer qualifying as a dependent. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.
- Either you or your family member are responsible for notifying your employer of a divorce, legal separation or child losing dependent status within 60 days of the event. In the case of termination, death or reduction in hours, your employer will be responsible for letting the provider know that you have the right to continue coverage under COBRA.
- Benefits will remain identical to what you had while employed. However, you will be responsible for paying the full premium, plus any applicable fees.

First Financial Administrators, Inc. provides COBRA administration services for the following plans:
