†Negotiated fees refer to the fees that in-network dentists have agreed to accept as payment in full for certain services, subject to any co-payments, deductibles, cost sharing and benefits maximums. Negotiated fees are subject to change. Negotiated fees do not apply to non-covered services in states that prohibit limitations for services not covered under a plan. Participating providers in these states may charge their non-negotiated fees for non-covered services.

Savings from enrolling in a dental benefits plan [featuring the MetLife Preferred Dentist Program] will depend on various factors, including the cost of the plan, how often participants visit a dentist, and the cost of services rendered.

††Due to contractual requirements, MetLife is prevented from soliciting certain providers.
