Section 125 Plans

Section 125 Plan Information & Rules

A Section 125 Plan provides a tax-saving way to pay for eligible medical or dependent care expenses. The funds are automatically deducted from your paycheck on a pre-tax basis.

Here’s How It Works

A Section 125 Plan reduces your taxes and increases your spendable income by allowing you to deduct the cost of eligible benefits from your earnings before tax. Plus, the plan is available to you at no cost, and you’re already eligible – all you must do is enroll.

Is It Right For Me?

The savings you may experience with a Section 125 Plan are outlined in the example below. For instance, you could potentially take home about \$70 more each month if you participated in your employer’s Section 125 Plan – that’s a savings of \$840 a year!

You cannot change your benefit elections for the plan year unless the benefits office receives notification in writing within 31 days of the status change. If the benefits office is not notified within 31 days of the status change, no benefit change can be made until the next annual open enrollment.

- IRS specified changes in family status include:
- Change in legal married status
 - Change in number of dependents
 - Termination or commencement of employment
 - Dependent satisfies or ceases to satisfy dependent eligibility requirements
 - Change in residence or worksite that affects eligibility for coverage

Section 125 Plan Sample Paycheck		
	Without S125	With S125
Monthly Salary	\$2,000	\$2,000
Less Medical Deductions	-N/A	-\$250
Tax Gross Income	\$2,000	\$1,750
Less Taxes (Fed/State at 20%)	-\$400	-\$350
Less Estimated FICA (7.65%)	-\$153	-\$133
Less Medical Deductions	-\$250	-N/A
Take Home Pay	\$1,197	\$1,267

You could save \$70 per month in taxes by paying for your benefits on a pre-tax basis!

Flexible Spending Accounts

First Financial Administrators, Inc. | www.ffga.com
1.866.853.3539 P.O. Box 161968 | Altamonte Springs, FL 32716

Medical FSA

A Medical Flexible Spending Account (Medical FSA) is an IRS-approved program to help you save taxes and pay for out-of-pocket medical expenses not covered under your medical plan. If your plan includes a grace period option, you have additional time to incur and claim against unused funds in the new plan year. Keep in mind that remaining balances after the grace period is exhausted will be forfeited under the use-it-or-lose-it rule.

Your maximum contribution amount for 2025 is \$3,300.

Medical FSA Highlights

- Contributions are automatically deducted from your paycheck on a pre-tax basis, which helps reduce your taxable income and increase your spendable income.
- Your full election will be available to you at the beginning of the plan year.
- Be conservative – any money left in your account at the end of the plan year will be forfeited.
- Use your benefits card to pay for qualified expenses upfront without spending money out of pocket.
- Keep all receipts in case you need to substantiate a claim for tax purposes.

NOTE: The IRS requires proof that all expenses are eligible. Keep all receipts in case you need to substantiate a claim for tax purposes. Your receipt must include the date of purchase or service, amount you were required to pay after insurance, description of the product or service, merchant or provider name, and the patient's name.

- Eligible dependents must be children under age 13 or an adult dependent incapable of self-care.
- Funds become available as contributions are made to your account.
- Keep all receipts in case you need to substantiate a claim for tax purposes.
- Balances will be forfeited at the end of the runoff or grace period.

Health Savings Account

First Financial Administrators, Inc. | www.ffga.com | 1.866.853.3539
P.O. Box 161968 | Altamonte Springs, FL 32716

A Health Savings Account (HSA) is a great way to help you control your healthcare costs. It works in conjunction with a qualified High Deductible Health Plan (HDHP) to combine tax-free savings earmarked for qualified medical expenses. An HSA allows you to set aside money to pay for higher deductibles associated with a lower monthly premium HDHP. The money you save in monthly insurance premiums is reserved for eligible medical expenses you incur in the future. Eligible expenses include things like co-pays and deductibles, prescriptions, vision expenses, dental care, therapy and medical supplies.

Health Savings Account Highlights

- Balances roll over from year to year and earn interest along the way.
- Portable – you keep it even after you leave employment.
- Tax advantages – invest money in mutual funds to grow your tax savings for either future healthcare costs or retirement.
- Pay for expenses with a benefits debit card that gives you immediate access to your money at the time of purchase.
- Expenses also can be reimbursed through our online portal, online bill pay directly to your provider or submitting a distribution request form.
- Receipts are not required for reimbursement but be sure to save them for tax purposes.

Who Can Participate in an HSA?

- You must be enrolled in a qualified High Deductible Health Plan (HDHP).
- You cannot be enrolled in Tricare or Medicare or covered under your spouse’s traditional (non-HDHP) health care plan.
- You cannot participate in a general purpose Flexible Spending Account (FSA) or Health Reimbursement Arrangement.
- Limited Purpose Flexible Spending Accounts are permitted (dental and vision expenses only).
- You cannot participate if your spouse has a general purpose FSA or HRA at their place of employment.
- You cannot participate if you are being claimed as a dependent on another person’s tax return.

Employer-Paid Term Life & AD&D Insurance

Life insurance protects your loved ones. It pays a benefit so they can afford to pay for funeral expenses, pay off debt and maintain their current standard of living. It is one of the best ways to show you care. Your employer provides all eligible employees a \$20,000 policy. The cost of this policy is paid for 100% by your employer. This is a term life policy that is in effect while you are employed.

Voluntary Term Life Insurance

Voluntary life insurance is term life coverage you can purchase in addition to the basic life plan provided by your employer. It will cover you for a specific period of time while you are employed. Plan amounts are offered in tiers so you can choose the amount of coverage that works best for you and your family. Because it's a group plan, premiums are typically lower, so it's more affordable to gain the peace of mind that life insurance provides. Limitations apply, please see policy for details. Why Do I Need Disability Insurance?

Have you ever wondered what would happen to your income if you had an accidental injury, sickness, or pregnancy? That is why you need disability coverage. It replaces a portion of income for the period you are unable to work due to those reasons. You can choose the benefit amount, which is the amount of your income to replace, and the waiting period that you begin receiving payments.

How do you decide if you need disability insurance? Consider these questions when making your decision:

- How much employer leave do you have?
- Do you have savings?
- Do you have other income you can rely on, such as from your spouse or from child support?
- How close are you to retirement?
- Could you go on Social Security Disability or take a Disability Retirement?
- What are your other sources of income?

Social Security Filing Assistance

If you are a candidate for social security Disability benefits, we can assist you with the application and appeal process.

When Coverage Begins

Certificates will become effective on the requested effective date following the date we approve the application, provided you are on active employment and premium has been paid.

Waiver of Premium

No premium payments are required while you are receiving payments under the plan after Disability payments have been received for 180 consecutive days. We will require proof annually that you remain Disabled during that time.

Donor Benefit

If you are Disabled as a result of being an organ or tissue donor, we will pay your benefit as any other Sickness under the terms of the plan.

Offsets With Other Sources of Income

Deductible Sources of Income include:

- Other group Disability income.
- Governmental or other retirement system, whether due to Disability, normal retirement or voluntary election of retirement benefits.
- United States Social Security Act or similar plan or act, including any amounts due your dependent(s) on account of your Disability.
- State Disability.
- Unemployment compensation.
- Sick leave or other salary or wage continuance plans provided by the employer which extend beyond 30 (Plans I, & II), 60 (Plan III), 90 (Plan IV), and 150 (Plan V) calendar days from the date of Disability.

We reserve the right to estimate these Deductible Sources of Income that you may receive as defined in your certificate.

If You Are Disabled Due to a Covered Disability and Not Working

Your Disability payment will be the Disability Benefit described in the benefit schedule less any Deductible Sources of Income you receive or are entitled to receive. No Disability payment will be provided for any period in which you are not under the regular and appropriate care of a physician.

Return To Work Incentives: Disabled and Working

If you are Disabled and working, you may be eligible to continue to receive a percentage of your Disability payment in addition to your Disability earnings. If your Disability earnings exceed 80% of your monthly compensation, payments will stop and your claim will end.

Examples include: headaches, pain, fatigue, stiffness, soreness, ringing in ears, dizziness, numbness, or loss of energy.

Social Security Filing Assistance

If you are a candidate for social security Disability benefits, we can assist you with the application and appeal process.

When Coverage Begins

Certificates will become effective on the requested effective date following the date we approve the application, provided you are on active employment and premium has been paid.

Physician Expense Benefit

Injury - \$150.00 per Injury
Sickness - \$50.00

If you need personal treatment by a physician due to an Injury or Sickness, we will pay the amount shown above provided no other claim has been paid under the policy. This benefit will be paid for Sickness only if the treatment is received during one full day of Disability during which you missed one full day of work. To be eligible for more than one payment for the same or related condition due to Sickness, you must have returned to work for at least 14 consecutive scheduled workdays. You are not required to miss one full day of work in order to receive the Injury Benefit.

Accidental Death Benefit

A lump sum of \$20,000 will be paid to your designated beneficiary if you die as the direct result of an Injury within 90 days after the Injury.

Hospital Confinement Benefit

A Hospital Confinement Benefit will be paid each day you are confined as a patient in a Hospital due to an Injury or Sickness, for up to 60 days. The amount payable is 1 times the Disability Benefit which will be pro-rated on a daily basis. This benefit will not be reduced by Deductible Sources of Income. The Hospital confinement must be at least 18 continuous hours in duration. This benefit will begin after you've met your elimination period.

Waiver of Premium

No premium payments are required while you are receiving payments under the plan after Disability payments have been received for 180 consecutive days. We will require proof annually that you remain Disabled during that time.

Donor Benefit

If you are Disabled as a result of being an organ or tissue donor, we will pay your benefit as any other Sickness under the terms of the plan.

Offsets With Other Sources of Income

Deductible Sources of Income include:

- Other group Disability income.
- Governmental or other retirement system, whether due to Disability, normal retirement or voluntary election of retirement benefits.
- United States Social Security Act or similar plan or act, including any amounts due your dependent(s) on account of your Disability.
- State Disability.
- Unemployment compensation.
- Sick leave or other salary or wage continuance plans provided by the employer which extend beyond 60 (Plans I, II, III, & IV), 90 (Plan V) and 150 (Plan VI) calendar days from the date of Disability.

We reserve the right to estimate these Deductible Sources of Income that you may receive as defined in your certificate.

Minimum Disability Benefit

The Minimum Disability Benefit is 10% of the Monthly Disability Benefit or \$100.00, whichever is greater.

If You Are Disabled Due to a Covered Disability and Not Working

Your Disability payment will be the Disability Benefit described in the benefit schedule less any Deductible Sources of Income you receive or are entitled to receive. No Disability payment will be provided for any period in which you are not under the regular and appropriate care of a physician.

Return To Work Incentives: Disabled and Working

If you are Disabled and working, you may be eligible to continue to receive a percentage of your Disability payment in addition to your Disability earnings. If your Disability earnings exceed 80% of your monthly compensation, payments will stop and your claim will end.

• Family Care Benefit

If you are Disabled and working and have one or more eligible family members, you may be eligible for a Family Care Benefit. This benefit is for expenses incurred up to 25% of your Monthly Disability Benefit. Your Disability earnings, gross Disability Benefit, and Family Care Benefit cannot exceed 100% of your monthly compensation. Payment of this benefit ends when you cease to be eligible for benefits under the Disabled and working provision of the policy.

• Worksite Accommodation

As a part of our claims evaluation process, if worksite modifications may assist your return to work, we will evaluate your claim for appropriate action.

Mental Illness Limited Benefit

If you are Disabled due to a mental illness, benefits will be provided for up to 2 years, not to exceed the maximum Disability period.

Alcoholism and Drug Addiction Limited Benefit

If you are Disabled due to alcoholism or drug addiction, a limited benefit of up to 15 days for each Disability will be paid. Benefits will not be paid beyond the maximum benefit period. If drug addiction is sustained at the hands of, or while under the regular and appropriate care of a physician in the course of treatment for Injury or Sickness, it will be covered the same as any other Sickness.

Special Conditions Limited Benefit

If you are Disabled due to Special Conditions and under the regular and appropriate care of a physician, benefits will be provided for up to 2 years. Special Conditions means: chronic fatigue syndrome; fibromyalgia; any disease, disorder, accident or Injury of the neck or back not resulting in hemiplegia, paraplegia, or quadriplegia; environmental allergic illness including, but not limited to sick building syndrome and multiple chemical sensitivity; and Self-Reported Symptoms. Self-Reported Symptoms are symptoms that the insured tells their physician that are not verifiable using tests, procedures or clinical examinations. Examples include: headaches, pain, fatigue, stiffness, soreness, ringing in ears, dizziness, numbness, or loss of energy.

Pre-Existing Condition Limitation

A limited benefit up to 1 month's Disability Benefit will be payable for Disability due to a Pre-Existing Condition. This provision will not apply if you have: gone treatment-free; incurred no expense; taken no medication; and received no diagnosis or advice from a physician, for 12 consecutive months for such condition(s).

This limitation will not apply to a Disability resulting from a Pre-Existing Condition that begins after you have been continuously covered under the policy for 24 months.

Any increase in benefits will be subject to this Pre-Existing Condition limitation. A new Pre-Existing Condition period must be met with respect to any increase applied for and approved by us.

Pre-Existing Condition means a disease, Injury, Sickness, physical condition or mental illness for which you: had treatment; incurred expense; took medication; received care or services including diagnostic testing or related measures; or received a diagnosis or advice from a physician, during the 12 month period immediately before your effective date of coverage. Hospital Indemnity Insurance

Aflac | www.aflacgroupinsurance.com | 800-433.3036

Hospital stays are costly. If you or a family member find yourself in the hospital due to a sudden accident or illness, you may struggle financially, even if you have a good medical plan. With a hospital indemnity plan, you can rest assured those extra expenses won't be a financial burden.

Unlike medical plans, there are no deductibles to meet with a hospital indemnity plan. As soon as you incur a qualified event, you can file a claim and start receiving benefits.

The plan pays a lump sum benefit in a previously specified amount. The money can be used for medical costs, insurance deductibles, groceries, transportation, childcare – the choice is up to you!

AFLAC GROUP HOSPITAL INDEMNITY

Policy Series C80000

The plan that can help with expenses and protect your savings.

Does your major medical insurance cover all of your bills?

Even a minor trip to the hospital can present you with unexpected expenses and medical bills. And even with major medical insurance, your plan may only pay a portion of your entire stay.

That's how the Aflac Group Hospital Indemnity plan can help.

It provides financial assistance to enhance your current coverage. So you may be able to avoid dipping into savings or having to borrow to address out-of-pocket-expenses major medical insurance was never intended to cover. Like transportation and meals for family members, help with child care, or time away from work, for instance.

The Aflac Group Hospital Indemnity plan benefits include the following:

- Hospital Confinement Benefit
- Hospital Admission Benefit
- Hospital Intensive Care Benefit and more

How it works

Amount payable was generated based on benefit amounts for: Hospital Admission (\$2,000) and Hospital Confinement (\$200 per day).

The plan has limitations and exclusions that may affect benefits payable. This brochure is for illustrative purposes only. Refer to your certificate for complete details, definitions, limitations, and exclusions.

403(b) Retirement Plans

First Financial Administrators, Inc. | www.ffga.com
800-523-8422, option 2 | retirement@ffga.com

The 403(b) can be an excellent way to save money for retirement. It can serve as a supplement to a traditional pension plan or other retirement plan(s), or as a stand-alone plan. The 403(b) is a tax deferred retirement plan available to employees of educational institutions and certain non-profit organizations as determined by section 501(c)(3) of the Internal Revenue Code. Contributions and investment earnings in a 403(b) grow tax deferred until withdrawal (assumed to be retirement), at which time they are taxed as ordinary income. The 403(b) is named after the section of the IRS code governing it.

How a 403(b) Works

Employees enroll and participate through their employer. Contributions to a 403(b) are made on a pre-tax basis through a Salary Reduction Agreement. This is an arrangement where the participating employee agrees to take a reduction in salary. The amount by which the salary is reduced is directed to investments offered through the employer and selected by the employee. These contributions are called elective deferrals and are excluded from the employee’s taxable income. Contributions grow tax-deferred until the time of retirement when withdrawals are taxed as ordinary income.

Benefits

- Tax deferred growth: no annual taxation on earnings
- Investment options: fixed annuities, variable annuities, or mutual funds
- Competitive interest rates
- Flexibility: start, stop, and adjust your contributions as allowed by your employer’s plan.
- Receive periodic account statements

Contribution Limits
