- Tay-Sachs Disease
- Tetanus
- Toxic Epidermal Necrolysis
- Tuberculosis
- Tularemia
- Typhoid Fever
- Undulant Fever
- Whipple's Disease

Payment of Benefits

Benefits are payable for a Covered Person's Positive Diagnosis of a Cancer or Specified Disease that begins after the Certificate Effective Date and while this Certificate has remained in force.

Pre-Existing Condition Limitation

During the first 12 months of a Covered Person's insurance, losses incurred for Pre-Existing Conditions are not covered. During the first 12 months following the date a Covered Person makes a change in coverage that increases his or her benefits, the increase will not be paid for Pre-Existing Conditions. After this 12 month period, however, benefits for such conditions will be payable unless specifically excluded from coverage. This 12 month period is measured from the Certificate Effective Date for each Covered Person.

Pre-Existing Condition means Cancer or a Specified Disease, for which a Covered Person has received treatment, care, services, or for which diagnostic test(s) have been recommended or for which medication has been prescribed during the 12 months immediately preceding the Certificate Effective Date of coverage for each Covered Person.

Exceptions and Other Limitations

The Policy pays benefits only for diagnoses resulting from Cancer or Specified Diseases, as defined in the Policy. It does not cover:

1. any other disease or sickness;
2. injuries;
3. any disease, condition, or incapacity that has been caused, complicated, worsened, or affected by:
 - a. Specified Disease or Specified Disease treatment; or
 - b. Cancer or Cancer treatment, or unless otherwise defined in the Policy
4. care and treatment received outside the United States or its territories;
5. treatment not approved by a Physician as medically necessary;
6. care and treatment by You or any person related to You by blood or marriage; and
7. Experimental Treatment by any program that does not qualify as Experimental Treatment as defined in the Policy.

Termination of Coverage

A Covered Person's insurance under the Policy will automatically terminate on the earliest of the following dates:

1. the date that the Policy terminates.
2. the date of termination of any section or part of the Policy with respect to insurance under such section or part.
3. the last day of the grace period.
4. the premium due date coinciding with or next following the date the Covered Person ceases to be a member of an eligible class.
5. the date the Policyholder no longer meets participation requirements.

Portability

On the date the Named Insured ceases to be a member of an eligible class have been continuously covered by the Policy for at least 6 months, are less than age 70, and not Totally Disabled, Named Insureds and their covered dependents will be eligible to exercise the portability privilege. Portability coverage may continue subject to the timely payment of premiums. Portability coverage will be effective on the day after insurance under the Policy terminates.

Subject to the Changes to Amount of Ported Coverage provision, insurance provided will be that which was in effect on the day prior to the Effective Date of Ported insurance with the exception that the Radiation Therapy, Radioactive Isotopes Therapy, Chemotherapy or Immunotherapy Benefit will be reduced by 50%. The terms and conditions of the portability coverage will be the same as those provided under the Policy when the insurance terminated. The initial portability premium rate is the rate in effect under the Policy for active employees who have the same coverage. The premium rate for portability coverage may change for the class of Covered Persons on portability on any premium due date.

Covered Persons

Covered Person means any of the following:

- a. the Named Insured; or
- b. any eligible Spouse or Child, as defined and as indicated on the Certificate Schedule whose coverage has become effective;
- c. any eligible Spouse or Child, as defined and added to this Certificate by endorsement after the Certificate Effective Date whose coverage has become effective; or
- d. a newborn child (as described in the Eligibility Section).

Child (Children)

Child - means the Named Insured's unmarried Child, including a natural Child from the moment of birth, stepchild, foster or legally adopted Child (including a Child while the Named Insured is a party to a proceeding in which the adoption of such Child by the Named Insured is sought); a Child for whom the Named Insured is required by a court order to provide medical support, and grandchildren who are dependent on the Named Insured for federal income tax purposes at the time of application who is not yet age 26.

Option to Add Additional Benefits Hospital Intensive Care Insurance Rider Form Number M-BBR01

In consideration of additional premium, this coverage will provide you with benefits if you go into a Hospital Intensive Care Unit (ICU).

Benefits

Your benefits start the first day you go into ICU. The benefit is payable for up to 45 days per ICU stay.

Hospital Intensive Care Confinement Benefit

You may choose a benefit ranging from \$325 to \$825 per day. It is reduced by one-half at age 75.

Double Benefits

We will double the daily benefits for each day you are in an ICU as a result of Cancer or a Specified Disease. We will also double the benefit for a Common Carrier injury. ICU confinement must occur within 48 hours of the Common Carrier injury.

Emergency Hospitalization and Subsequent Transfer to an ICU

We will pay the benefit selected by you for the highest level of care in a hospital that does not have an ICU, if you are admitted on an emergency basis, and you are transferred within 48 hours to the ICU of another Hospital.

Step Down Unit

We will pay a benefit equal to one half the chosen daily benefit for confinement in a Step Down Unit.

Exceptions and Other Limitations

Except as provided in Step Down Unit and Emergency Hospitalization and Subsequent Transfer to an ICU, coverage does not provide benefits for: surgical recovery rooms; progressive care; intermediate care; private monitored rooms; observation units; telemetry units; or other facilities which do not meet the standards for a Hospital Intensive Care Unit. Benefits are not payable: if you go into an ICU before the Certificate Effective Date; if you go into an ICU for intentionally self-inflicted bodily injury or suicide attempts; if you go into an ICU due to being intoxicated or under the influence of alcohol, drugs or any narcotics, unless administered on the advice of a Physician and taken according to the Physician's instructions. The term "intoxicated" refers to that condition as defined by law in the jurisdiction where the accident or cause of loss occurred.

This is not a Medicare Supplement Policy. If you are eligible for Medicare, see the Medicare Supplement Buyer's Guide available from the Company.

This policy only covers cancer and the diseases specified above, unless the hospital intensive care rider is selected.

This sales brochure is not a contract. It is intended only as a brief description of the policy provisions in the planning of your program. The benefits are determined by the terms and conditions of the policy and certificate alone.
