The screenshot displays the 'Employer View' web application. The top navigation bar includes 'Manage Users', 'My Profile', 'Contact Us', 'Help', and 'Log Out'. The main menu has 'Home', 'Billing', 'Employees', 'Claims', 'Reports', 'Documents', and 'Administration'. The 'Claims' dropdown menu is open, showing 'Claim Search', 'Life Claim', and 'Report a Claim'. Two callout boxes are present:

- Manage Life Claims:** Manage all submitted Life claims, access robust reporting capabilities and a comprehensive dashboard. This callout points to the 'Manage Life Claims' section of the interface, which includes a 'Life Claim Search' bar, filters for 'Not Yet Submitted (5)', 'Submitted (20)', and 'Withdrawn (2)', and a 'Sort by' dropdown set to 'Oldest to Recent'.
- Submit a Life Claim:** Once you have the necessary information to get started, creating a new claim is simple and intuitive. This callout points to the 'Creating A Life Claim' form, which includes a 'Before you get started' section with a list of required information (Name, Social Security Number, Date of birth, Contact information on file, Type of claim, Who the claim is for, Available coverages, Date of death, Last day of work) and a 'Your Employee/Insured' section with input fields for 'First name', 'Last name', 'Social Security Number', and 'Date of birth'.
