Learn the terms.

- **Premium:** The monthly amount you pay for health care coverage.
- **Deductible:** The annual amount for medical expenses you're responsible to pay before your plan begins to pay its portion.
- **Copay:** The set amount you pay for a covered service at the time you receive it. The amount can vary by the type of service.
- **Coinsurance:** The portion you're required to pay for services after you meet your deductible. It's often a specified percentage of the costs; i.e. you pay 20% while the health care plan pays 80%.
- **Out-of-Pocket Maximum:** The maximum amount you pay each year for medical costs. After reaching the out-of-pocket maximum, the plan pays 100% of allowable charges for covered services.

Limitations

Alternate Benefits: Where two or more professionally acceptable dental treatments for a dental condition exist, payment is based on the least costly treatment alternative. If you and your dentist have agreed on a treatment that is more costly than the treatment upon which the plan benefit is based, you will be responsible for any additional payment responsibility. To avoid any misunderstandings, we suggest you discuss treatment options with your dentist before services are rendered, and obtain a pre-treatment estimate of benefits prior to receiving certain high cost services such as crowns, bridges or dentures. You and your dentist will each receive an Explanation of Benefits (EOB) outlining the services provided, your plan's payment for those services, and your out-of-pocket expense. Actual payments may vary from the pretreatment estimate depending upon annual maximums, plan frequency limits, deductibles and other limits applicable at time of payment.

Cancellation/Termination of Benefits: Coverage is provided under a group insurance Policy form GPNP99 issued by Metropolitan Life Insurance Company (MetLife). Coverage terminates when your participation ceases, when your dental contributions cease or upon termination of the group policy by the Policyholder or MetLife. The group policy terminates for non-payment of premium and may terminate if participation requirements are not met or if the Policyholder fails to perform any obligations under the policy. The following services that are in progress while coverage is in effect will be paid after the coverage ends, if the applicable installment or the treatment is finished within 31 days after individual termination of coverage: Completion of a prosthetic device, crown or root canal therapy.

Group dental insurance policies featuring the Preferred Dentist Program are underwritten by Metropolitan Life Insurance Company, New York, NY 10166.

Questions & Answers

Q. Who is a participating dentist?

A. A participating dentist is a general dentist or specialist who has agreed to accept negotiated fees as payment in full for covered services provided to plan members. Negotiated fees typically range from 30% – 45% below the average fees charged in a dentist's community for the same or substantially similar services.†

Q. How do I find a participating dentist?

A. There are thousands of general dentists and specialists to choose from nationwide --so you are sure to find one that meets your needs. You can receive a list of these participating PDP Plus dentists online at www.metlife.com or call 1-800-942-0854 to have a list faxed or mailed to you.

Q. What services are covered under this plan?

A. The Plan documents set forth the services covered by your plan. The List of Primary Covered Services & Limitations herein contains a summary of covered services. In the event of a conflict between the Plan documents and this summary, the terms of the Plan documents shall govern.

Q. May I choose a non-participating dentist?

A. Yes. You are always free to select the dentist of your choice. However, if you choose a non-participating dentist your out-of-pocket costs may be higher.

Q. Can my dentist apply for participation in the network?

A. Yes. If your current dentist does not participate in the network and you would like to encourage him/her to apply, ask your dentist to visit www.metdental.com, or call 1-866-PDP-NTWK for an application.†† The website and phone number are for use by dental professionals only.

Q. What are incentive provisions?

A. These features could increase your annual maximum and or increase your plan coinsurance percentages and or decrease your plan deductible based on claims behavior or utilization. You must meet the criteria to receive the incentive. The criteria is based on your plan design.

Q. What is Connected Benefits?

A. Connected Benefits would apply for people with certain medical conditions that have been found to be associated with an increased risk for dental disease. Your dental plan offers this program and it may reimburse your out-of-pocket costs for specific services used to treat dental disease.

Q. How are claims processed?

A. Dentists may submit your claims for you which means you have little or no paperwork. You can track your claims online and even receive email alerts when a claim has been processed. If you need a claim form, visit www.metlife.com/mybenefits or request one by calling 1-800-942-0854.

Q. Can I get an estimate of what my out-of-pocket expenses will be before receiving a service?

A. Yes. You can ask for a pretreatment estimate. Your general dentist or specialist usually sends MetLife a plan for your care and requests an estimate of benefits. The estimate helps you prepare for the cost of dental services. We recommend that you request a pre-treatment estimate for services in excess of \$300. Simply have your dentist submit a request online at www.metdental.com or call 1-877-MET-DDS9. You and your dentist will receive a benefit estimate for most procedures while you are still in the office. Actual payments may vary depending upon plan maximums, deductibles, frequency limits and other conditions at time of payment.

Q. Can MetLife help me find a dentist outside of the U.S. if I am traveling?

A. Yes. Through international dental travel assistance services* you can obtain a referral to a local dentist by calling +1-312-356-5970 (collect) when outside the U.S. to receive immediate care until you can see your dentist. Coverage will be considered under your out-of-network benefits.** Please remember to hold on to all receipts to submit a dental claim.

Q. How does MetLife coordinate benefits with other insurance plans?

A. Coordination of benefits provisions in dental benefits plans are a set of rules that are followed when a patient is covered by more than one dental benefits plan. These rules determine the order in which the plans will pay benefits. If the MetLife dental benefit plan is primary, MetLife will pay the full amount of benefits that would normally be available under the plan, subject to applicable law. If the MetLife dental benefit plan is secondary, most coordination of benefits provisions require MetLife to determine benefits after benefits have been determined under the primary plan. The amount of benefits payable by MetLife may be reduced due to the benefits paid under the primary plan, subject to applicable law.

Q. Do I need an ID card?

A. No. You do not need to present an ID card to confirm that you are eligible. You should notify your dentist that you are enrolled in the MetLife Preferred Dentist Program. Your dentist can easily verify information about your coverage through a toll-free automated Computer Voice Response system.

No disability payment will be provided for any period in which you are not under the regular and appropriate care of a physician.

Disability or disabled for the first 24 months of disability means that you are unable to perform the material and substantial duties of your regular occupation. After that, disability means you are unable to perform the material and substantial duties of any gainful occupation for wage or profit for which you are reasonably qualified by training, education, or experience.

Return To Work Incentives: Disabled and Working

If you are disabled and working, you may be eligible to continue to receive a percentage of your disability payment in addition to your disability earnings. If your disability earnings exceed 80% of your monthly compensation, payments will stop and your claim will end.

• Family Care Benefit

If you are disabled and working and have one or more eligible family members, you may be eligible for a family care benefit. This benefit is for expenses incurred up to 25% of your monthly disability benefit. Your disability earnings, gross disability benefit, and family care benefit cannot exceed 100% of your monthly compensation. Payment of this benefit ends when you cease to be eligible for benefits under the Disabled and Working provision of the policy.

• Worksite Accommodation

As a part of our claims evaluation process, if worksite modifications may assist your return to work, we will evaluate your claim for appropriate action.

Mental Illness Limited Benefit

If you are disabled due to a mental illness, benefits will be provided for up to 2 years, not to exceed the maximum disability period.

Alcoholism and Drug Addiction Limited Benefit

If you are disabled due to alcoholism or drug addiction, a limited benefit of up to 15 days for each disability will be paid. Benefits will not be paid beyond the maximum benefit period. If drug addiction is sustained at the hands of, or while under the regular and appropriate care of a physician in the course of treatment for injury or sickness, it will be covered the same as any other sickness.

Special Conditions Limited Benefit

If you are disabled due to special conditions and under the regular and appropriate care of a physician, benefits will be provided for up to 2 years. Special conditions mean: chronic fatigue syndrome; fibromyalgia; any disease, disorder, accident or injury of the neck or back not resulting in hemiplegia, paraplegia, or quadriplegia; environmental allergic illness including, but not limited to sick building syndrome and multiple chemical sensitivity; and self-reported symptoms. Self-reported symptoms are symptoms that the insured tells their physician that are not verifiable using tests, procedures or clinical examinations. Examples include: headaches, pain, fatigue, stiffness, soreness, ringing in ears, dizziness, numbness, or loss of energy.

Pre-Existing Condition Limitation

If Disability is caused by or resulting from a Pre-Existing Condition and begins before you have been continuously covered under the Policy for 12 months, no disability benefit will be payable.

Pre-existing condition means a disease, Injury, Sickness, physical condition or mental illness for which you: had treatment; incurred expense; took medication; received care or services including diagnostic testing or related measures; or received a diagnosis or advice from a physician, during the 3-month period immediately before your effective date of coverage. The term pre-existing condition will also include conditions which are related to such disease, injury, sickness, physical condition, or mental illness.

Exclusions

The Policy does not cover any loss, fatal or non-fatal, resulting from:

- Intentionally self-inflicted injury while sane or insane.
- An act of war, declared or undeclared.
- Injury sustained or Sickness contracted while in the service of the armed forces of any country.
- Committing a felony.
- Penal incarceration. We will not pay benefits for Disability or any other loss during any period for which you are incarcerated in a penal or correctional institution for a period of 30 consecutive days or longer.
- Injury or Sickness arising out of and in the course of any occupation for wage or profit or for which you are entitled to Workers' Compensation.

The term "entitled to Workers' Compensation" shall also include Workers' Compensation claim settlements that occur via compromise and release. Further, no benefits will be paid under this Policy for any period during which you are entitled to Workers' Compensation benefits.

Your coverage may be continued for up to 1 year during a leave of absence approved in writing by your employer. Coverage will continue as long as the group policy remains in force, the premiums are paid and you remain eligible for the coverage under the policy. Your coverage will end when you no longer qualify as an insured, you retire, you are not on active employment, or your employment terminates. Your coverage can be terminated or premiums may be increased on any premium due date with 31 days advance notice.

LIFE INSURANCE HIGHLIGHTS

For the employee

PURELIFE-PLUS

Voluntary permanent life insurance can be an ideal complement to the group term and optional term life insurance your employer might provide. This voluntary universal life product is yours to keep, even when you change jobs or retire, as long as you pay the necessary premium. Group and voluntary term may be portable if you change jobs, but even if you can keep them after you retire, they usually cost more and decline in death benefit.

The policy, PURELIFE-PLUS, is underwritten by Texas Life Insurance Company, and it has the following features:

- **High Death Benefit.** With one of the highest death benefits available at the worksite,¹ PURELIFE-PLUS gives your loved ones peace of mind, knowing there will be life insurance in force when you die.
- **Refund of Premium.** Unique in the marketplace, PURELIFE-PLUS offers you a refund of 10 years' premium, should you surrender the policy if the premium you pay when you buy the policy ever increases. *(Conditions apply.)*
- **Accelerated Death Benefit Due to Terminal Illness Rider.** Should you be diagnosed as terminally ill with the expectation of death within 12 months, you will have the option to receive 92% of the death benefit, minus a \$150 (\$100 in Florida) administrative fee. This valuable living benefit gives you peace of mind knowing that, should you need it, you can take the large majority of your death benefit while still alive. *(Conditions apply.) (Form ICC07-ULABR-07 or Form Series ULABR-07)*
- **Accelerated Death Benefit for Chronic Illness Rider.**² Included for employees at a small extra cost, this rider will be triggered by the loss of two activities of daily living³ or permanent cognitive impairment. It pays the insured 92% of the death benefit minus a small administrative fee, should the insured decide to exercise it. This valuable living benefit can help offset the cost of either in-home care or care in a resident facility. *(Conditions apply.) (Form ICC15-ULABR-CI-15 or Form Series ULABR-CI-15)*

Additional Features

- **Minimal Cash Value.** Designed to provide a high death benefit at a reasonable premium, PURELIFE-PLUS provides peace of mind for you and your beneficiaries while freeing investment dollars to be directed toward such tax-favored retirement plans as 403(b), 457 and 401(k).
- **Long Guarantees.** Enjoy the assurance of a policy that has a guaranteed death benefit to age 121 and level premium that guarantees coverage for a significant period of time (after the guaranteed period, premiums may go down, stay the same, or go up).

You may apply for this permanent coverage, not only for yourself, but also for your spouse, children and grandchildren.⁴

BENEFIT PAYMENT

Your **Initial Benefit** provides a lump-sum payment upon the first diagnosis of a Covered Condition. Your plan pays a Recurrence Benefit⁴ for the following Covered Conditions: Heart Attack, Stroke, Coronary Artery Bypass Graft, Full Benefit Cancer and Partial Benefit Cancer. A Recurrence Benefit is only available if an Initial Benefit has been paid for the Covered Condition. There is a Benefit Suspension Period between Recurrences.

The maximum amount that you can receive through your Critical Illness Insurance plan is called the **Total Benefit** and is 3 times the amount of your Initial Benefit. This means that you can receive multiple Initial Benefit and Recurrence Benefit payments until you reach the maximum of 300% or \$15,000 or \$150,000.

Please refer to the table below for the percentage benefit amount for each Covered Condition.

Covered Conditions	Initial Benefit	Recurrence Benefit
Full Benefit Cancer ⁵	100% of Initial Benefit	50% of Initial Benefit
Partial Benefit Cancer ⁵	25% of Initial Benefit	12.5% of Initial Benefit
Heart Attack	100% of Initial Benefit	50% of Initial Benefit
Stroke ⁶	100% of Initial Benefit	50% of Initial Benefit
Coronary Artery Bypass Graft ⁷	100% of Initial Benefit	50% of Initial Benefit
Kidney Failure	100% of Initial Benefit	Not applicable
Alzheimer's Disease ⁸	100% of Initial Benefit	Not applicable
Major Organ Transplant Benefit	100% of Initial Benefit	Not applicable
22 Listed Conditions	25% of Initial Benefit	Not applicable

22 Listed Conditions

MetLife Critical Illness Insurance will pay 25% of the Initial Benefit Amount when a covered person is diagnosed with one of the 22 Listed Conditions. A Covered Person may only receive one benefit payment for one Listed Condition in his/her lifetime. The Listed Conditions are Addison's disease (adrenal hypofunction); amyotrophic lateral sclerosis (Lou Gehrig's disease); cerebrospinal meningitis (bacterial); cerebral palsy; cystic fibrosis; diphtheria; encephalitis; Huntington's disease (Huntington's chorea); Legionnaire's disease; malaria; multiple sclerosis (definitive diagnosis); muscular dystrophy; myasthenia gravis; necrotizing fasciitis; osteomyelitis; poliomyelitis; rabies; sickle cell anemia (excluding sickle cell trait); systemic lupus erythematosus (SLE); systemic sclerosis (scleroderma); tetanus; and tuberculosis.

Example of Initial & Recurrence Benefit Payments

The example below illustrates an employee who elected an Initial Benefit of \$50,000 and has a Total Benefit of 3 times the Initial Benefit Amount or \$150,000.

Illness – Covered Condition	Payment	Total Benefit Remaining
Heart Attack – first diagnosis	Initial Benefit payment of \$50,000 or 100%	\$100,000
Heart Attack – second diagnosis, two years later	Recurrence Benefit payment of \$25,000 or 50%	\$75,000
Kidney Failure – first diagnosis, three years later	Initial Benefit payment of \$50,000 or 100%	\$25,000

In most states there is a preexisting condition limitation. If advice, treatment or care was sought, recommended, prescribed or received during the three months prior to the effective date of coverage, we will not pay benefits if the covered condition occurs during the first six months of coverage. The preexisting condition limitation does not apply to heart attack or stroke.

BENEFIT PAYMENT EXAMPLE

Kathy's daughter, Molly, plays soccer on the varsity high school team. During a recent game, she collided with an opposing player, was knocked unconscious and taken to the local emergency room by ambulance for treatment. The ER doctor diagnosed a concussion and a broken tooth. He ordered a CT scan to check for facial fractures too, since Molly's face was very swollen. Molly was released to her primary care physician for follow-up treatment, and her dentist repaired her broken tooth with a crown. Depending on her health insurance, Kathy's out-of-pocket costs could run into hundreds of dollars to cover expenses like insurance co-payments and deductibles. MetLife Group Accident Insurance payments can be used to help cover these unexpected costs.

Aetna Hospital Indemnity Plan

Be prepared for what lies ahead

Maybe you're expecting to have a hospital stay — or maybe not. Either way, you can plan ahead to give yourself an extra financial cushion.

What is the Hospital Indemnity Plan?

The plan pays benefits when you have a planned, or unplanned hospital stay for an illness, injury, surgery or having a baby. The plan pays a lump-sum benefit for admission and a daily benefit for a covered hospital stay. You can use the benefits to help pay out-of-pocket medical costs or personal expenses.

How is this different from a major medical plan?

Medical plans help pay providers for services and treatment. But, they don't cover unexpected costs that might come with a stay in the hospital.

The Aetna Hospital Indemnity Plan pays benefits directly to **you**, giving you extra cash when you need it most. It can help fill in the gaps, making it a great companion to your major medical plan.

How can you use the cash benefits?

It's completely up to you. You can use the money any way you want, like:

- deductibles or copays
- mortgage or rent
- groceries or utility bills

...or for anything else you choose.

Rest assured

Enrollment is easy. And, you get benefits paid directly to you by check or direct deposit.

Ready...or not

Carter* is a hard worker, so he doesn't always slow down to listen to his body. Before he knew it, a little cough turned into pneumonia — and a hospital stay.

Good thing he had the Aetna Hospital Indemnity Plan. He filed his claim and the benefits were deposited right into his bank account.

That money helped make up for the time he missed while recovering, and paid some of his deductible. Now, he can focus more on his health.

Flexible Spending Accounts

First Financial Administrators, Inc. | www.ffga.com | 1.866.853.3539
P.O. Box 161968 | Altamonte Springs, FL 32716

HEALTHCARE FSA

A Health Flexible Spending Account (Health FSA) is an IRS-approved program to help you save taxes and pay for out-of-pocket medical expenses not covered under your medical plan. If your plan includes a grace period option, you have additional time to incur and claim against unused funds in the new plan year. Keep in mind that remaining balances after the grace period is exhausted will be forfeited under the use-it-or-lose-it rule.

Your maximum contribution amount for 2022 is \$2,850.

HIGHLIGHTS

- Contributions are automatically deducted from your paycheck on a pre-tax basis, which helps reduce your taxable income and increase your spendable income.
- Your full election will be available to you at the beginning of the plan year.
- Be conservative – any money left in your account at the end of the plan year will be forfeited.
- Use your benefits card to pay for qualified expenses upfront so you don't have to spend money out of pocket.
- Keep all receipts in case you need to substantiate a claim for tax purposes.

NOTE: The IRS requires proof that all expenses are eligible. Keep all receipts in case you need to substantiate a claim for tax purposes. Your receipt must include: Date of purchase or service, amount you were required to pay after insurance, description of the product or service, merchant or provider name, and the patient name.

DEPENDENT CARE FSA

With a Dependent Care Flexible Spending Account, you can set aside part of your pay on a pre-tax basis to pay for eligible dependent care expenses like child care, babysitters and adult day care.

You may allocate up to \$5,000 per tax year for reimbursement of dependent care services. If you are married and file a separate tax return, the limit is \$2,500.

HIGHLIGHTS

- Eligible dependents must be claimed as an exemption on your tax return.

FLEXIBLE SPENDING ACCOUNTS CONTINUED

- Eligible dependents must be children under age 13 or an adult dependent incapable of self-care.
- Contributions are not loaded upfront. Funds become available as contributions are made to your account.
- Keep all receipts in case you need to substantiate a claim for tax purposes.
- Balances will be forfeited at the end of the runoff or grace period.

Families First Coronavirus Response Act (FFCRA) and the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) are laws passed which include requiring group health coverage to cover the costs of over-the counter (OTC) COVID-19 diagnostic tests (up to \$12.00). HEALTH SAVINGS ACCOUNTS

A Health Savings Account (HSA) is a great way to help you control your healthcare costs. It works in conjunction with a qualified High Deductible Health Plan (HDHP) to combine tax-free savings earmarked for qualified medical expenses. Eligible expenses include things like co-pays and deductibles, prescriptions, vision expenses, dental care, therapy and medical supplies.

- Portable – you keep it even after you leave employment.
- Tax advantages – invest money in mutual funds to grow your tax savings for either future healthcare costs or retirement.
- Pay for expenses with a benefits debit card that gives you immediate access to your money at the time of purchase.
- Expenses also can be reimbursed through our online portal, online bill pay directly to your provider or submitting a distribution request form.

403(b) Retirement Plans

U S Omni | www.omni403b.com | 1.877.544.6664

The 403(b) can be an excellent way to save money for retirement. It can serve as a supplement to a traditional pension plan or other retirement plan(s), or as a stand-alone plan. The 403(b) is a tax deferred retirement plan available to employees of educational institutions and certain non-profit organizations as determined by section 501(c)(3) of the Internal Revenue Code. Contributions and investment earnings in a 403(b) grow tax deferred until withdrawal (assumed to be retirement), at which time they are taxed as ordinary income. The 403(b) is named after the section of the IRS code governing it.

HOW A 403(b) WORKS

Employees enroll and participate through their employer. Contributions to a 403(b) are made on a pre-tax basis through a Salary Reduction Agreement. This is an arrangement where the participating employee agrees to take a reduction in salary. The amount by which the salary is reduced is directed to investments offered through the employer and selected by the employee. These contributions are called elective deferrals and are excluded from the employee's taxable income. Contributions grow tax-deferred until the time of retirement, when withdrawals are taxed as ordinary income.

BENEFITS

- Tax deferred growth: no annual taxation on earnings
- Investment options: fixed annuities, variable annuities, or mutual funds
- Competitive interest rates
- Flexibility: start, stop, and adjust your contributions as allowed by your employer's plan.
- Receive periodic account statements

457(b) Retirement Plans

U S Omni | www.omni403b.com | 1.877.544.6664

A 457(b) plan is a Tax Deferred Retirement Plan available to employees of state and local governmental agencies, including public school employees. They are similar to 401k plans because they allow you to place a percentage of your salary into an employer-sponsored plan that helps you save for retirement. You will not have to pay taxes on what you contribute or earnings made until you withdraw the money.

BENEFITS

- Investment options: fixed annuities, variable annuities, or mutual funds
- Flexibility: start, stop, and adjust your contributions as allowed by your employer's plan
- Receive periodic account statements
- No 10% federal penalty on interest or earnings for early withdrawal
- No current federal income taxes on the money you put into the plan until it is time to take withdrawals

CONTRIBUTION LIMITS FOR THE 403b AND 457b

Participants may contribute up to \$19,500 for year 2020. Participants age 50 and older at any time during the calendar year are permitted to contribute an additional \$6,500 for 2020, for a total of \$26,000.
