

457(b) Retirement Savings Plan

A Section 457(b) plan is a special type of employer-sponsored retirement plan that certain governmental employers, and other tax-exempt organizations can establish for their employees.

Your employer offers the **RAMS 457(b)** plan as a way to help you save for life beyond your full-time working years. Contributing regularly to a 457(b) can help give you the power and confidence to retire with more in your pocket to cover housing, health care, vacations, bills, and other expenses upon retirement.

2024 Contribution Limits

You can contribute 100% of your compensation up to \$23,000, whichever is less. If you are age 50 or older, you can contribute up to an additional \$7,500 for a total of \$30,500. You can contribute to both 403(b) and 457(b) plans simultaneously.
