Provider Flexibility and Network Savings

Members aren't limited to one particular dentist, or a small group of providers, who may or may not be taking new patients. Each plan member is free to visit any provider they choose, including your current dentist, regardless if they are in- or out-of-network. And family members do not have to see the same dentist. When yo visit an in-network dentist there are no claim forms to complete. For a list of network dentists in your area, go to Find A Provider at Ameritas.com.
