

MedsYourWay[®] Connects You with Prescription Discounts

MedsYourWay¹ is a new prescription drug discount program that works with your Blue Cross and Blue Shield of Texas (BCBSTX) pharmacy benefit. We're saving you time by finding lower prices for you.

How it Works

1. Fill your prescription at a participating in-network retail pharmacy.
2. When you pick up your prescription, show your BCBSTX member ID card to your pharmacist.
3. MedsYourWay automatically compares prices from participating drug discount cards to your cost-share amount under your BCBSTX pharmacy benefits.
4. You pay the drug discount card price or your member cost-share, whichever is lower, for an eligible medicine.
5. Plus, what you pay will count toward your plan deductible and/or yearly out-of-pocket maximum amount if you have one.

All you need is your BCBSTX member ID card.

It's Part of Your Benefit Plan

There's nothing you need to do to start using the MedsYourWay program. It's part of your benefit plan, and there's no sign-up. We're making it easy to help keep your family healthy and your out-of-pocket costs low.

You can find in-network pharmacies and review your estimated drug costs by logging in to your Blue Access for MembersSM (BAMSM) account or MyPrime.com account.

1. MedsYourWay is not insurance. It is a drug discount card program that compares the drug discount card price for an eligible medication (up to a 90-day retail supply based on plan benefits) at select in-network retail pharmacies to the member's benefit plan cost share amount and then applies the lower available price. Eligible medications are subject to change and prescription prices may vary by location. Not all retail pharmacies may participate with MedsYourWay. MedsYourWay is administered by Prime Therapeutics, LLC, a separate pharmacy benefit management company contracted by BCBSTX to provide pharmacy benefit management and related other services. In addition, contracting pharmacies are contracted through Prime Therapeutics. The relationship between BCBSTX and contracting pharmacies is that of independent contractors. BCBSTX, as well as several independent Blue Cross and Blue Shield Plans, has an ownership interest in Prime Therapeutics. MyPrime.com is an online resource offered by Prime Therapeutics LLC.
