### **6 EAP Visits Per Year**

# Section 125 Plans

## Section 125 Plan Information & Rules

A Section 125 Plan provides a tax-saving way to pay for eligible medical or dependent care expenses. The funds are automatically deducted from your paycheck on a pre-tax basis.

### Here's How It Works

A Section 125 Plan reduces your taxes and increases your spendable income by allowing you to deduct the cost of eligible benefits from your earnings before tax. Plus, the plan is available to you at no cost, and you're already eligible – all you must do is enroll.

### Is It Right For Me?

The savings you may experience with a Section 125 Plan are outlined in the example below. For instance, you could potentially take home about \$70 more each month if you participated in your employer's Section 125 Plan – that's a savings of \$840 a year!

You cannot change your benefit elections for the plan year unless the benefits office receives notification in writing within 31 days of the status change. If the benefits office is not notified within 31 days of the status change, no benefit change can be made until the next annual open enrollment.

IRS specified changes in family status include:

- Change in legal married status
- Change in number of dependents
- Termination or commencement of employment
- Dependent satisfies or ceases to satisfy dependent eligibility requirements
- Change in residence or worksite that affects eligibility for coverage

Section 125 Plan Sample Paycheck		
	Without S125	With S125
Monthly Salary	\$2,000	\$2,000

# Flexible Spending Accounts

First Financial Administrators, Inc. | [www.ffga.com](http://www.ffga.com)

## Medical FSA

A Medical Flexible Spending Account (Medical FSA) is an IRS-approved program to help you save taxes and pay for out-of-pocket medical expenses not covered under your medical plan. If your plan includes a grace period option, you have additional time to incur and claim against unused funds in the new plan year. Keep in mind that remaining balances after the grace period is exhausted will be forfeited under the use-it-or-lose-it rule.

That FSA benefit with Mesquite ISD is a full coverage healthcare flexible spending account; therefore, your spouse cannot be enrolled in an HSA (health savings account) either through his/her employer or his/her own bank institution. MISD has a runoff period of 60 days to claim funds for services included in the plan year.

**Your maximum contribution amount for 2024 is \$3,200.**

### Medical FSA Highlights

- Contributions are automatically deducted from your paycheck on a pre-tax basis, which helps reduce your taxable income and increase your spendable income.
- Your full election will be available to you at the beginning of the plan year.
- Be conservative – any money left in your account at the end of the plan year will be forfeited.
- Use your benefits card to pay for qualified expenses upfront without spending money out of pocket.
- Keep all receipts in case you need to substantiate a claim for tax purposes.

**NOTE: The IRS requires proof that all expenses are eligible. Keep all receipts in case you need to substantiate a claim for tax purposes. Your receipt must include the date of purchase or service, amount you were required to pay after insurance, description of the product or service, merchant or provider name, and the patient's name.**

## Dependent Care FSA

With a Dependent Care Flexible Spending Account, you can set aside part of your pay on a pre-tax basis to pay for eligible dependent care expenses like childcare, babysitters, and adult day care.

**You may allocate up to \$5,000 per tax year for reimbursement of dependent care services.**

**If you are married and file a separate tax return, the limit is \$2,500.**

### Dependent Care FSA Highlights

- Eligible dependents must be claimed as an exemption on your tax return.
- Eligible dependents must be children under age 13 or an adult dependent incapable of self-care.
- Funds become available as contributions are made to your account.
- Keep all receipts in case you need to substantiate a claim for tax purposes.
- Balances will be forfeited at the end of the runoff or grace period.

# Health Savings Account

EECU | [www.eecu.org](http://www.eecu.org) | 817-882-0800

A Health Savings Account (HSA) is a great way to help you control your healthcare costs. It works in conjunction with a qualified High Deductible Health Plan (HDHP) to combine tax-free savings earmarked for qualified medical expenses. An HSA allows you to set aside money to pay for higher deductibles associated with a lower monthly premium HDHP. The money you save in monthly insurance premiums is reserved for eligible medical expenses you incur in the future. Eligible expenses include things like co-pays and deductibles, prescriptions, vision expenses, dental care, therapy and medical supplies.

## Health Savings Account Highlights

- Balances roll over from year to year and earn interest along the way.
- Portable – you keep it even after you leave employment.
- Tax advantages – invest money in mutual funds to grow your tax savings for either future healthcare costs or retirement.
- Pay for expenses with a benefits debit card that gives you immediate access to your money at the time of purchase.
- Expenses also can be reimbursed through our online portal, online bill pay directly to your provider or submitting a distribution request form.
- Receipts are not required for reimbursement but be sure to save them for tax purposes.

## Who Can Participate in an HSA?

- You must be enrolled in a qualified High Deductible Health Plan (HDHP).
- You cannot be enrolled in Tricare or Medicare or covered under your spouse's traditional (non-HDHP) health care plan.
- You cannot participate in a general purpose Flexible Spending Account (FSA) or Health Reimbursement Arrangement.
- Limited Purpose Flexible Spending Accounts are permitted (dental and vision expenses only).
- You cannot participate if your spouse has a general purpose FSA or HRA at their place of employment.
- You cannot participate if you are being claimed as a dependent on another person's tax return.

# District Paid Term Life & AD&D

The Standard | [www.standard.com](http://www.standard.com) | 800-628-8600

## District Paid Term Life & AD&D Insurance

Life insurance protects your loved ones. It pays a benefit so they can afford to pay for funeral expenses, pay off debt and maintain their current standard of living. It is one of the best ways to show you care. Your district provides all eligible employees a \$20,000 group life/AD&D insurance policy for all full-time, part-time employees actively working 18.75 hours or more per week and working retirees. The cost of this policy is paid for 100% by your district. This is a term life policy that is in effect while you are employed.

# Texas Life

## Permanent Life

### **Texas Life - Permanent Life Highlights**

- The policy remains in force until you die or up to age 121 if you pay the necessary premium on time.
- It is a permanent, universal life policy which means you can rest easy knowing your loved ones will be well taken care of when you're gone.

# Voluntary Term Life & AD&D

The Standard | [www.standard.com](http://www.standard.com) | 800-628-8600

Life is precious. We take steps to insure our cars and homes but tend to fall short when it comes to insuring ourselves. A life insurance policy, combined with accidental death and dismemberment coverage, or AD&D, gives you comprehensive coverage so that you have peace of mind knowing your loved ones will be taken care of in the event of your death.

A common misconception is that Accidental Death and Dismemberment insurance, or AD&D, is the same as life insurance. But that's not the case. The difference is that AD&D insurance covers you in the event you were to die due to an accident. It would also pay a benefit if you were severely injured due to an accident.

## Life & AD&D Highlights

- Offers protection in the event you should die due to either natural causes or an accident.
- Benefits will be paid to the beneficiaries declared on your application.
- Covers a specific term for a predetermined benefit amount.
- Coverage would cease should employment end. However, you may be able to convert your plan to an individual policy within a certain number of days within you leaving employment.

# Hospital Indemnity Insurance

Aetna | [www.aetna.com](http://www.aetna.com) | 800-800-8121

Hospital stays are costly. If you or a family member find yourself in the hospital due to a sudden accident or illness, you may struggle financially, even if you have a good medical plan. With a hospital indemnity plan, you can rest assured those extra expenses won't be a financial burden.

Unlike medical plans, there are no deductibles to meet with a hospital indemnity plan. As soon as you incur a qualified event, you can file a claim and start receiving benefits.

The plan pays a lump sum benefit in a previously specified amount. The money can be used for medical costs, insurance deductibles, groceries, transportation, childcare – the choice is up to you!

**NEW! Mesquite ISD will provide low plan \$500 admission benefit for all eligible employees.** You will have the option to "Buy up" to the High plan for richer benefits and a **\$50 wellness benefit** (pays once per member per plan year for covered preventive tests). Wellness benefit is not available on the district paid option. See plan summary for more details.

# Accident Insurance

Aetna | [www.aetna.com](http://www.aetna.com) | 800-800-8121

The costs associated with an injury can add up. Between hospital visits, exams and treatment, out-of-pocket costs could put you in a financial hardship. An accident plan pays benefits directly to you so you can determine where to spend the money. It's comforting to know that an accident insurance policy can be there through all stages of your care, from initial treatment to follow-up care.

NEW! Mesquite ISD will provide low plan for all eligible employees. You will have the option to "Buy up" to the High plan for richer benefits and a **\$100 Wellness benefit** (pays once per member per plan year for covered preventive tests). Wellness benefit is not available on the district paid option. Below are just a few of the benefits associated with these plans: Accident coverage is available to you through payroll deduction and may provide a benefit for costs associated with:

- Concussions
- Lacerations
- Broken teeth
- Emergency room visits
- Ambulance, ground or air
- Intensive care unit

# Cancer Insurance

American Fidelity | [www.americanfidelity.com](http://www.americanfidelity.com) | 800-654-8489

Thousands of Americans are diagnosed with cancer each day. No doubt, the news is devastating, both personally and financially. It's impossible to anticipate a cancer diagnosis, but it is possible to prepare for it with a cancer insurance plan.

It is likely that your major medical coverage will not cover all the costs associated with a cancer diagnosis. Supplementing your major medical with cancer insurance may help you pay for related expenses, such as copays and deductibles, specialists, experimental treatment, specialty hospitals, travel expenses, in-home care and more.

Premiums are paid through convenient payroll deduction to ensure your policy remains in force if you should need it. Benefits are paid directly to you, so you can choose how to spend the money. Visit the [Employee Benefits Center](#) and view policy for more details.

## Why Do I Need Disability Insurance?

Have you ever wondered what would happen to your income if you had an accidental injury, sickness, or pregnancy? That is why you need disability coverage. It replaces a portion of income for the period you are unable to work due to those reasons. You can choose the benefit amount, which is the amount of your income to replace, and the waiting period that you begin receiving payments.

How do you decide if you need disability insurance? Consider these questions when making your decision:

- How much employer leave do you have?
- Do you have savings?
- Do you have other income you can rely on, such as from your spouse or from child support?
- How close are you to retirement?
- Could you go on Social Security Disability or take a Disability Retirement?
- What are your other sources of income?

# Identity Theft Protection

Allstate Identity Protection | [www.myaip.com](http://www.myaip.com) | 800-789-2720

Millions of Americans report having their identity stolen each year. People are online and mobile more than any time in history, so it's no surprise that identity theft is on the rise. And it goes far beyond simply having your credit card number stolen. While credit card fraud is one of the highest reported types of identity theft, it also includes bank, loan, phone and tax-related fraud.

Identity theft insurance won't prevent your identity from being stolen. But it will be there to alert you if any suspicious activity is noticed under your name. The plan includes credit bureau monitoring, social security number usage and lost wallet protection. Accounts are monitored daily so you can rest easy knowing your identity is being protected even while you sleep. The sooner you can take action to close your accounts, the quicker you can recover your identity.

It takes years to establish a good reputation with credit lenders and employers. Make sure it remains yours by taking advantage of the identity theft insurance offered through your employer.

# Medical Transport

MASA | [www.masamts.com](http://www.masamts.com) | 954-334-8261

Americans today suffer from a false sense of security that their medical coverage will pay for all costs associated with emergency or critical care transport. The reality is that a majority of Americans are only partially covered for these high costs.

Most medical plans will only pay a portion of costs leaving you with the remainder of the bill. There is also the possibility of your medical provider denying your claim altogether, which means you would be responsible for paying the entire bill.

With medical transport protection, you will have zero out-of-pocket expenses for any emergent air or ground transport from anywhere in the United States, regardless of who transports you. You will receive medical emergency transportation solutions to help cover your out-of-pocket medical transport costs when your insurance falls short.
