However, if you are participating in Unum's Rehabilitation and Return to Work Assistance program, the total benefit payable to you on a monthly basis (including all benefits provided under this plan) will not exceed 110% of your monthly earnings (unless the excess amount is payable as a Cost of Living Adjustment).

PRE-EXISTING CONDITION LIMITATION

A limited benefit up to 1 month's Disability Benefit will be payable for Disability caused by or resulting from a Pre-Existing Condition. This provision will not apply if you have:

- » gone treatment-free;
- » incurred no expense;
- » taken no medication; and
- » received no diagnosis or advice from a Physician, for 12 consecutive months for such condition(s).

This limitation will not apply to a Disability resulting from a Pre-Existing Condition that begins after you have been continuously covered under the Policy for 24 months.

Any increase in benefits will be subject to this Pre-Existing Condition limitation. A new Pre-Existing Condition period must be satisfied with respect to any increase applied for and approved by us.

Federal Income Taxation

You may wonder if your disability benefit amount will be taxed. It depends on how your premium — the price of your coverage — is paid.

If your premium is paid with:

- **Pre-Tax Dollars**,* your benefit amount **will** be taxed
- **Post-Tax Dollars**,** your benefit amount **will not** be taxed
- **Both Pre-Tax and Post-Tax Dollars**, a portion of your benefit amount will be taxed

The disability benefit amounts you receive will be reported annually on a W-2. It will show any taxable and non-taxable portions separately.

**Pre-Tax Dollars are dollars paid by your employer toward premium that are not reported as earnings on your annual W-2. They are also dollars you pay toward premium through a cafeteria plan.*

***Post-Tax Dollars are dollars paid through payroll deductions after taxes and withholdings have been subtracted from your earnings. They are also dollars paid by your employer toward premium that are reported as earnings on your annual W-2 and taxed accordingly.*

Additional Benefits

Work/Life Balance Employee Assistance Program¹

Work-life balance is a comprehensive resource providing access to professional assistance for a wide range of personal and work-related issues. The service is available to you and your family members twenty-four hours a day, 365 days a year, and provides resources to help employees find solutions to everyday issues such as financing a car or selecting child care, as well as more serious problems such as alcohol or drug addiction, divorce, or relationship problems.

Services include: toll-free phone access to master's-level consultants, up to three face-to-face sessions to help with more serious issues; and online resources. There is no additional charge for utilizing the program. Participation is confidential and strictly voluntary, and employees do not have to have filed a disability claim or be receiving benefits to use the program.

However, if you become disabled and are receiving benefits, Unum's On Claim Support can provide additional resources including: coaching on how to communicate effectively with medical personnel, conducting consumer research for medical equipment and supplies, assessing emotional needs and locating counseling resources.

Return to Work/ Work Incentive Benefit

Unum supports efforts that enable a disabled employee to remain on the job or return to work as soon as possible. If you are disabled but working part time with monthly disability earnings of 20% or more of your indexed monthly earnings, during the first 12 months, the monthly benefit will not be reduced by any earnings until the gross disability payment plus your disability earnings, exceeds 100% of your indexed monthly earnings. The monthly benefit will then be reduced by that amount.

Rehabilitation and Return to Work Assistance

Unum has a vocational Rehabilitation and Return to Work Assistance program available to assist you in returning to work. We will make the final determination of your eligibility for participation in the program, and will provide you with a written Rehabilitation and Return to Work Assistance plan developed specifically for you. This program may include, but is not limited to the following benefits:

-
- coordination with your Employer to assist your return to work;
 - adaptive equipment or job accommodations to allow you to work;
 - vocational evaluation to determine how your disability may impact your employment options;
 - job placement services;
 - resume preparation;
 - job seeking skills training; or
 - education and retraining expenses for a new occupation.

If you are participating in a Rehabilitation and Return to Work Assistance program, we will also pay an additional disability benefit of 10% of your gross disability payment to a maximum of \$1,000 per month. In addition, we will make monthly payments to you for 3 months following the date your disability ends, if we determine you are no longer disabled while:

- you are participating in a Rehabilitation and Return to Work Assistance program; and
- you are not able to find employment.

(This benefit is not allowed in New Jersey.)

Worksite Modification

If a worksite modification will enable you to remain at work or return to work, a designated Unum professional will assist in identifying what's needed. A written agreement must be signed by you, your employer and Unum, and we will reimburse your employer for the greater of \$1,000 or the equivalent of two months of your disability benefit.

Waiver of Premium

After you have received disability payments under the plan for 90 consecutive days, from that point forward you will not be required to pay premiums as long as you are receiving disability benefits.

Survivor Benefit

Unum will pay your eligible survivor a lump sum benefit equal to 3 months of your gross disability payment.

This benefit will be paid if, on the date of your death, your disability had continued for 180 or more consecutive days, and you were receiving or were entitled to receive payments under the plan. If you have no eligible survivors, payment will be made to your estate, unless there is none. In that case, no payment will be made. However, we will first apply the survivor benefit to any overpayment which may exist on your claim.

You may receive your survivor benefit prior to your death if you are receiving monthly payments and your physician certifies in writing that you have been diagnosed as terminally ill and your life expectancy has been reduced to less than 12 months. This benefit is only payable once and if you elect to receive this benefit, no survivor benefit will be payable to your eligible survivor upon your death. (Note this "Accelerated Survivor Benefit" is not available in Connecticut.)

Dependent Care Expense Benefit

If you are disabled and participating in Unum's Rehabilitation and Return to Work Assistance program, Unum will pay a Dependent Care Expense Benefit when you are disabled and you provide satisfactory proof that you:

- are incurring expenses to provide care for a child under the age of 15;
- and/or start incurring expenses to provide care for a child age 15 or older or a family member who needs personal care assistance.

The payment will be \$350 per month per dependent, to a maximum of \$1,000 per month for all dependent care expenses combined.

Emergency travel assistance is available to you when you travel to any foreign country, including neighboring Canada or Mexico. However, spouses traveling on business for their employer are not covered by this program.

**Other Important
Provisions**

***Pre-existing Condition
Exclusion***

Benefits will not be paid for disabilities caused by, contributed to by, or resulting from a pre-existing condition. You have a pre-existing condition if:

- you received medical treatment, consultation, care or services including diagnostic measures, or took prescribed drugs or medicines in the 3 months just prior to your effective date of coverage; and the disability begins in the first 12 months after your effective date of coverage.

Definition of Disability

You are disabled when Unum determines that:

- you are limited from performing the material and substantial duties of your regular occupation; and
- you have a 20% or more loss in indexed monthly earnings due to the same sickness or injury.
- After benefits have been paid for 12 months, you are disabled when Unum determines that due to the same sickness or injury, you are unable to perform the duties of any gainful occupation for which you are reasonably fitted by education, training or experience.

You must be under the regular care of a physician in order to be considered disabled.

Gainful Occupation

Gainful occupation means an occupation that is or can be expected to provide you with an income within 12 months of your return to work, that exceeds 80% of your indexed monthly earnings if you are working or 60% of your indexed monthly earnings if you are not working.

Benefit Integration

Your disability benefit will be reduced by deductible sources of income and any earnings you have while disabled. Your gross disability payment will be reduced by such items as disability income or other amounts you receive or are entitled to receive from sabbatical or assault leave plans; the amount of earnings you receive from an extended sick leave plan as described in Louisiana Revised Statutes or any other act or law with similar intent; state compulsory benefit laws; automobile liability insurance; legal judgments and settlements; certain retirement plans; salary continuation or sick leave plans; other group or association disability programs or insurance; and amounts you or your family receive or are entitled to receive from Social Security or similar governmental programs.

Mental Illness/Self-Reported Symptoms

Regardless of deductible sources of income, an employee who qualifies for disability benefits is guaranteed to receive a minimum benefit amount of the greater of \$100 or 10% of the gross disability payment.

The lifetime cumulative maximum benefit period for all disabilities due to mental illness and disabilities based primarily on self-reported symptoms is 24 months. Only 24 months of benefits will be paid for any combination of such disabilities even if the disabilities are not continuous and/or are not related. Payments would continue beyond 24 months only if you are confined to a hospital or institution as a result of the disability.

Instances When Benefits Would Not Be Paid

Benefits will not be paid for disabilities caused by, contributed to by, or resulting from:

- intentionally self-inflicted injuries;
- active participation in a riot;
- commission of a crime for which you have been convicted;
- loss of professional license, occupational license or certification;
- pre-existing conditions (see definition).
- an **occupational injury or sickness** (this will not apply to a partner or sole proprietor who cannot be covered by law under Workers' Compensation or any similar law);

Unum will not cover a disability due to war, declared or undeclared, or any act of war.

Unum will not pay a benefit for any period of disability during which you are incarcerated.

Termination of Coverage

Your coverage under the policy ends on the earliest of the following:

- The date the policy or plan is cancelled;
- The date you no longer are in an eligible group;
- The date your eligible group is no longer covered;
- The last day of the period for which you made any required contributions;
- The later of the last day you are in active employment except as provided under the covered layoff or leave of absence provision; or if applicable, the last day of your contract with your Employer but not beyond the end of your Employer's current school contract year.

Unum will provide coverage for a payable claim which occurs while you are covered under the policy or plan.
