Why Term Life Insurance

Life insurance is an important piece of a strong financial plan. While there is no complete replacement for the loss of a loved one, American Fidelity Assurance Company's Term Life Insurance can help protect your family in your absence. It provides short-term coverage at a competitive price. For those on a limited budget, Term Life Insurance can help fill temporary needs.

62% of adults in the United States have no individual life insurance.

Did You Know?

Almost **2 out of 3** people say the life insurance they receive from their employer is not enough.²

Life insurance provided by your employer is a important benefit. However, it may not be enough protection to provide for your loved ones.

A term life policy may help supplement your existing coverage and may assist in meeting financial demands, should you need it. Plus, this is an individual policy which means you own it and can take it with you to a different job or in retirement.

Financial Protection for You

American Fidelity Assurance Company's Term Life Insurance is a great option for your working and earning years when expenses are usually at their highest.

With our Term Life Insurance, premiums will remain the same for the initial term period selected.³ The death benefit will not change for the life of the policy, and death benefits are generally paid tax free.

Why You Need Life Insurance

Consider the following expenses when choosing the right life insurance plan for you.

This interim coverage for death will remain in force until the earlier of: 1) the date a policy becomes effective; 2) the date we decline the application; or 3) the date we notify the proposed insured that they are ineligible for interim coverage and/or spouse must remain actively at work during the interim coverage period. If the death of the proposed insured occurs during the interim coverage period, the first month's premium will be subtracted from the policy proceeds. Interim coverage is only for death benefits under the base policy, Children's Term Rider and Spouse Term Rider. No interim coverage benefits are available under any Waiver of Premium Rider, Accidental Death and Dismemberment Rider, or Accelerated Benefit Rider for Long Term Illness.

Prior to the payment of any Accelerated Benefit, the following conditions must be met:

- The minimum Accelerated Benefit available is \$5,000.
 The maximums vary by policy/rider (see specific information below) and shall not exceed the Benefit Amount for the policy shown on the Policy Schedule.
- Only one Accelerated Benefit election will be made under the policy and/or each rider even if the Owner does not elect the full acceleration amount.
- If two or more Accelerated Benefits are payable on behalf of the Insured/Covered Person under the policy or any attached riders for the same or related sickness, injury or loss, benefits will be paid in the following order:
 - 1) Accelerated Benefit for Critical Illness, if this optional rider is attached to the policy;

Prior to the payment of any Accelerated Benefit, the Insured/ Covered Person must have a Terminal Condition, defined as an imminent death expected as a result of a non-correctable medical condition that with reasonable medical certainty will result in a drastically limited life span of the Insured/Covered Person of 12 months or less. The maximum payable is the lesser of: 50% of the eligible proceeds as defined in the policy/rider, or \$100,000. There is no premium associated with this provision.

Payment of an Accelerated Benefit, if elected, will have the following effect on your contract:

 Upon payment of the Accelerated Benefit, the policy/rider will remain in force. If you are currently exercising the Automatic Premium Loan option,

- any premiums will continue to be paid under this option, until such time as this option is exhausted or discontinued.
- Policy proceeds which are payable on the death of the Insured/Covered Person will be reduced by the amount of the Accelerated Benefit, any outstanding policy loans, and any premiums paid by us on your behalf.
- Cash values, if any, will continue to accumulate as specified in your policy or rider. Access to the policy cash value may be restricted to the excess of the cash value over the sum of the amount accelerated and any premiums paid by us and any other outstanding policy loans.
- Any outstanding loan, including interest will not be deducted from the Accelerated Benefit payment.
- This Accelerated Benefit will be treated as a lien against the death benefit and applied at time of death.

Accelerated Benefit for Long Term Illness (optional rider)

Prior to the payment of any Accelerated Benefit, the Insured must have a Long Term Illness, which means the Insured has been certified within the last 12 months by a Licensed Health Care Practitioner as permanently unable to perform, without Substantial Assistance from another individual, at least two out of five Activities of Daily Living for a period of at least 90 days due to a loss of functional capacity; or requiring Substantial Supervision due to permanent Severe Cognitive Impairment. Premium is required to keep this rider in force.

Payment of an Accelerated Benefit for Long Term Illness, if elected and/or Critical Illness, if elected, will have the following effect on your contract:

- Upon payment of the Accelerated Benefit, the rider will terminate and no additional benefits will be due under the rider, even for recurrence. The policy will remain in force and premiums will continue to be billed and payable as due.
- Policy proceeds which are payable on the death of the Insured will be reduced by the amount of the Accelerated Benefit.
- Cash values, if any, will continue to accumulate as specified in your policy or rider. The cash values will be adjusted proportionally by the percent accelerated.
- Any outstanding policy loan, including interest, will be proportionally reduced by the percent accelerated and will be deducted from the Accelerated Benefit payment.
