PURELIFE-PLUS

Accelerated Death Benefit Due to Chronic Illness Rider

Optional for employees at an additional cost, this valuable living benefit can help offset the unplanned expense of care should the insured be faced with a disabling chronic illness or serious cognitive impairment.

Here's how it works:

- If you're no longer able to perform any two of the six activities of daily living (eating, bathing, dressing, toileting, transferring, maintaining continence) or if you suffer serious cognitive impairment, you can receive a living benefit.¹
 - Example: You own a \$100,000 Texas Life insurance policy with the Chronic Illness rider. A medical professional certifies that you can no longer perform 2 of the 6 activities or have suffered serious cognitive impairment, you can receive \$92,000 minus a \$150 processing fee.²
- The money is yours to do with as you choose: you do not have to go to a nursing home, convalescent center or receive home health care to receive the cash.
- The cost to add this valuable living benefit to your life insurance policy is minimal – just 10% of the policy's base premium.

¹ Six Activities of Daily Living include: bathing, continence, dressing, eating, toileting, and transferring. Severe Cognitive Impairment means a deterioration or loss in intellectual capacity that: (1) places the Insured in jeopardy of harming him/herself or others and, therefore, the Insured requires Substantial Supervision by another individual; and (2) is measured by clinical evidence and standardized tests which reliably measure impairment in: (a) short or long-term memory; (b) orientation to people, places or time; and (c) deductive or abstract reasoning.

² The Accelerated Death Benefit Rider for Chronic Illness pays 92% of the insurance proceeds less a \$150 administration fee (\$100 in FL) in lieu of the benefit payable at death. Conditions apply. Any outstanding loans will reduce the cash value and death benefit. Contract form series ULABR-CI-15 or ICC15-ULABR-CI-15.
