

HOW TO USE YOUR HEALTH SCREENING BENEFIT.

WHAT IS A HEALTH SCREENING BENEFIT?

A health screening benefit is a cash benefit you can use to pay for a health screening for preventative care.

A health screening is a routine test done to find a problem or condition before signs show up. Screenings can help you maintain your health and prevent serious illness.

This benefit is available to you through **Princeton Independent School District** since you have the following coverage:

- ☒ Accident insurance, which we call Accidental Injury Benefits
- ☒ Critical Illness* insurance, which we call Critical Illness Benefits
- ☒ Hospital Indemnity insurance, which we call Hospital Cash Benefits

Check out the chart below to find out if your health screening is eligible.
