

Term Life Insurance

How does it work?

You choose the amount of coverage that’s right for you, and you keep coverage for a set period of time, or “term.” If you die during that term, the money can help your family pay for basic living expenses, final arrangements, tuition and more. AD&D Insurance is also available, which pays a benefit if you survive an accident but have certain serious injuries. It pays an additional amount if you die from a covered accident.

Garland Independent School District provides the following Term Life and AD&D coverage for you:

You:	Your employer is paying for base Life and AD&D coverage of \$15,000.
-------------	--

Additional coverage available to purchase:

If you are actively at work at least 20 hours per week, you may apply for additional coverage for:

You:	You can purchase additional Life coverage for yourself from \$10,000 to \$500,000 in \$10,000 increments, up to 7 times your earnings. You can qualify for up to the lesser of 4 times your earnings or \$250,000 of Life coverage with no medical underwriting.
Your spouse:	You can purchase Life insurance for your spouse from \$10,000 to \$50,000 in \$10,000 increments with no medical underwriting, if eligible (see delayed effective date). You must purchase coverage for yourself in order to purchase coverage for your spouse. Spouse coverage must not exceed 100% of the coverage you purchase for yourself.
Your children:	Choose \$5,000 or \$10,000 of Life coverage for your children, if eligible (see delayed effective date). One policy covers all of your dependent children from live birth until age 26.

No medical underwriting is required for AD&D coverage.

In order to purchase coverage for your dependents, you must buy coverage for yourself. Coverage amounts cannot exceed 100% of your coverage amounts.

A 'Living' Benefit — If you are diagnosed with a terminal illness with less than 12 months to live, you can request 80% of your life insurance benefit (up to \$500,000) while you are still living. This amount will be taken out of the death benefit, and may be taxable. **These benefit payments may adversely affect the recipient's eligibility for Medicaid or other government benefits or entitlements, and may be taxable.** Recipients should consult their tax attorney or advisor before utilizing living benefit payments.

Waiver of premium — Your cost may be waived if you are totally disabled for a period of time.

Portability — You may be able to keep coverage if you leave the company, retire or change the number of hours you work.

Employee Assistance Program — Get access to professional help for a range of personal and work-related issues, including counselor referrals, financial planning and legal support.

Employees or dependents who have a sickness or injury having a material effect on life expectancy at the time their group coverage ends are not eligible for portability.
