# Section 125 Plans

## Section 125 Plan Information & Rules

A Section 125 Plan provides a tax-saving way to pay for eligible medical or dependent care expenses. The funds are automatically deducted from your paycheck on a pre-tax basis.

### Here's How It Works

A Section 125 Plan reduces your taxes and increases your spendable income by allowing you to deduct the cost of eligible benefits from your earnings before tax. Plus, the plan is available to you at no cost, and you're already eligible – all you must do is enroll.

### Is It Right For Me?

The savings you may experience with a Section 125 Plan are outlined in the example below. For instance, you could potentially take home about \$70 more each month if you participated in your employer's Section 125 Plan – that's a savings of \$840 a year!

You cannot change your benefit elections for the plan year unless the benefits office receives notification in writing within 31 days of the status change. If the benefits office is not notified within 31 days of the status change, no benefit change can be made until the next annual open enrollment.

IRS specified changes in family status include:

- Change in legal married status
- Change in number of dependents
- Termination or commencement of employment
- Dependent satisfies or ceases to satisfy dependent eligibility requirements
- Change in residence or worksite that affects eligibility for coverage

Section 125 Plan Sample Paycheck		
	Without S125	With S125
Monthly Salary	\$2,000	\$2,000
Less Medical Deductions	-N/A	-\$250
Tax Gross Income	\$2,000	\$1,750
Less Taxes (Fed/State at 20%)	-\$400	-\$350
Less Estimated FICA (7.65%)	-\$153	-\$133
Less Medical Deductions	-\$250	-N/A
Take Home Pay	\$1,197	\$1,267

**You could save \$70 per month in taxes by paying for your benefits on a pre-tax basis!**

### Ameritas Information

Our customer relations associates will be pleased to assist you 7 a.m. to midnight (Central Time) Monday through Thursday, and 7 a.m. to 6:30 p.m. on Friday. You can speak to them by calling toll-free: 800-487-5553. For plan information any time, access our automated voice response system or go online to [ameritas.com](http://ameritas.com).

### Rx Savings

Our valued plan members and their covered dependents can save on prescription medications at over 60,000 pharmacies across the nation including CVS, Walgreens, Rite Aid and Walmart. This Rx discount is offered at no additional cost, and it is not insurance. To receive this Rx discount, Ameritas plan members just need to visit us at [ameritas.com](http://ameritas.com) and sign into (or create) a secure member account where they can access and print an online-only Rx discount savings ID card.

### Eyewear Savings

Ameritas plan members may receive up to 15% off eyewear frames and lenses purchased at any Walmart Vision Center nationwide. Members may also bring in their current vision prescription from any vision care provider and purchase eyewear at Walmart. This savings arrangement is not insurance: it is available to members at no additional cost to their plan premium. To receive the eyewear savings identification card, Ameritas plan members can visit [ameritas.com](http://ameritas.com) and sign-in (or create) a secure member account. Members must present the Ameritas Eyewear Savings Card at time of purchase to receive the discount.

### Dental Rewards®

This dental plan includes a valuable feature that allows qualifying plan members to carry over part of their unused annual maximum. A member earns dental rewards by submitting at least one claim for dental expenses incurred during the benefit year, while staying at or under the threshold amount for benefits received for that year. Employees and their covered dependents may accumulate rewards up to the stated maximum carryover amount and then use those rewards for any covered dental procedures subject to applicable coinsurance and plan provisions. If a plan member doesn't submit a dental claim during a benefit year, all accumulated rewards are lost. But he or she can begin earning rewards again the very next year.

Benefit Threshold	\$500	Dental benefits received for the year cannot exceed this amount
Annual Carryover Amount	\$250	Dental Rewards amount is added to the following year's maximum
Maximum Carryover	\$1,000	Maximum possible accumulation for Dental Rewards

### Dental Network Information

To find a provider, visit [ameritas.com](http://ameritas.com) and select **FIND A PROVIDER**, then **DENTAL**. Enter your criteria to search by location or for a specific dentist or practice. California Residents: When prompted to select your network, choose the Ameritas Network found on your ID Card or contact Customer Connections at 800-487-5553.

### Pretreatment

While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance covers and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.

### Open Enrollment

If a member does not elect to participate when initially eligible, the member may elect to participate at the policyholder's next enrollment period. This enrollment period will be held each year and those who elect to participate in this policy at that time will have their insurance become effective on February 1.

### Late Entrant Provision

We strongly encourage you to sign up for coverage when you are initially eligible. If you choose not to sign up during this initial enrollment period, you will become a late entrant. Late entrants will be eligible for only exams, cleaning, and fluoride applications for the first 12 months they are covered.

### Section 125

This plan is provided as part of the Policyholder's Section 125 Plan. Each employee has the option under the Section 125 Plan of participating or not participating in this plan. If an employee does not elect to participate when initially eligible, he/she may elect to participate at the Policyholder's next Annual Election Period.

### Dental Cost Estimator

Ever wonder what a dental procedure usually costs? The answer can be found using the Ameritas group division's Dental Cost Estimator tool located in our Secure Member Account portal. Members can search by ZIP Code for a specific dental procedure and see fee range estimates for out-of-network general dentists in that area. Of course, we always suggest that members partner with their dentists, so they know what's involved in any recommended treatment plan. The estimator tool is powered by Go2Dental and uses FAIR Health data that is updated annually. Please note, cost estimates do not reflect discounted rates available through provider networks, and the estimator does not include orthodontic estimates at this time.

### Worldwide Support

Through AXA Assistance, Ameritas offers its dental and vision plan members 24-hour access to dental or vision provider referrals when traveling outside the U.S. Immediately after a call is made to AXA, an assistance coordinator assesses the situation, provides credible provider referrals and can even assist with making the appointment. Within 48 hours following the appointment, the coordinator calls the member to find out if additional assistance is needed. If all is well, the case is closed. Then, the plan member may submit a claim to Ameritas for reimbursement consideration based on applicable plan benefits. Contact AXA Assistance USA toll free by calling 866-662-2731 or call collect from anywhere in the world by dialing 1-312-935-3727.

### Language Services

We recognize the importance of communicating with our growing number of multilingual customers. That is why we offer a language assistance program that gives you access to: Spanish-speaking claims contact center representatives, telephone interpretation services in a wide range of languages, online dental network provider search in Spanish and a variety of Spanish documents such as enrollment forms, claim forms and certificates of insurance.

# Flexible Spending Accounts

First Financial Administrators, Inc. | [www.ffga.com](http://www.ffga.com)

## Medical FSA

A Medical Flexible Spending Account (Medical FSA) is an IRS-approved program to help you save taxes and pay for out-of-pocket medical expenses not covered under your medical plan. If your plan includes a grace period option, you have additional time to incur and claim against unused funds in the new plan year. Keep in mind that remaining balances after the grace period is exhausted will be forfeited under the use-it-or-lose-it rule.

**Your maximum contribution amount for 2026 is \$3,400.**

### Medical FSA Highlights

- Contributions are automatically deducted from your paycheck on a pre-tax basis, which helps reduce your taxable income and increase your spendable income.
- Your full election will be available to you at the beginning of the plan year.
- Be conservative – any money left in your account at the end of the plan year will be forfeited.
- Use your benefits card to pay for qualified expenses upfront without spending money out of pocket.
- Keep all receipts in case you need to substantiate a claim for tax purposes.

**NOTE: The IRS requires proof that all expenses are eligible. Keep all receipts in case you need to substantiate a claim for tax purposes. Your receipt must include the date of purchase or service, amount you were required to pay after insurance, description of the product or service, merchant or provider name, and the patient's name.**

## Dependent Care FSA

With a Dependent Care Flexible Spending Account, you can set aside part of your pay on a pre-tax basis to pay for eligible dependent care expenses like childcare, babysitters, and adult day care.

**You may allocate up to \$7,500 per tax year for reimbursement of dependent care services.**

**If you are married and file a separate tax return, the limit is \$3,750.**

### Dependent Care FSA Highlights

- Eligible dependents must be claimed as an exemption on your tax return.
- Eligible dependents must be children under age 13 or an adult dependent incapable of self-care.
- Funds become available as contributions are made to your account.
- Keep all receipts in case you need to substantiate a claim for tax purposes.
- Balances will be forfeited at the end of the runoff or grace period.

# Health Savings Account

First Financial Administrators, Inc. | [www.ffga.com](http://www.ffga.com) | 1.866.853.3539  
P.O. Box 161968 | Altamonte Springs, FL 32716

A Health Savings Account (HSA) is a great way to help you control your healthcare costs. It works in conjunction with a qualified High Deductible Health Plan (HDHP) to combine tax-free savings earmarked for qualified medical expenses. An HSA allows you to set aside money to pay for higher deductibles associated with a lower monthly premium HDHP. The money you save in monthly insurance premiums is reserved for eligible medical expenses you incur in the future. Eligible expenses include things like co-pays and deductibles, prescriptions, vision expenses, dental care, therapy and medical supplies.

## Health Savings Account Highlights

- Balances roll over from year to year and earn interest along the way.
- Portable – you keep it even after you leave employment.
- Tax advantages – invest money in mutual funds to grow your tax savings for either future healthcare costs or retirement.
- Pay for expenses with a benefits debit card that gives you immediate access to your money at the time of purchase.
- Expenses also can be reimbursed through our online portal, online bill pay directly to your provider or submitting a distribution request form.
- Receipts are not required for reimbursement but be sure to save them for tax purposes.

## Who Can Participate in an HSA?

- You must be enrolled in a qualified High Deductible Health Plan (HDHP).
- You cannot be enrolled in Tricare or Medicare or covered under your spouse's traditional (non-HDHP) health care plan.
- You cannot participate in a general purpose Flexible Spending Account (FSA) or Health Reimbursement Arrangement.

## Why Do I Need Disability Insurance?

Have you ever wondered what would happen to your income if you had an accidental injury, sickness, or pregnancy? That is why you need disability coverage. It replaces a portion of income for the period you are unable to work due to those reasons. You can choose the benefit amount, which is the amount of your income to replace, and the waiting period that you begin receiving payments.

How do you decide if you need disability insurance? Consider these questions when making your decision:

- How much employer leave do you have?
- Do you have savings?
- Do you have other income you can rely on, such as from your spouse or from child support?
- How close are you to retirement?
- Could you go on Social Security Disability or take a Disability Retirement?
- What are your other sources of income?

## Focus on Recovery, Not Expenses

How would you cover your everyday expenses if you experienced an Injury or Sickness and couldn't work for a period of time? AF™ **Long-Term Disability Income Insurance** provides a steady benefit to cover everyday expenses while you are unable to work due to a covered Disability.

### Plan Highlights

#### Benefits are Payable Directly to You

You have the freedom to use the funds for your daily expenses such as: groceries, mortgage, daycare, etc.

#### Customized to Meet Your Individual Needs

You can select a benefit amount and elimination period that best meets your financial needs.

#### Return-to-Work Benefit

Employees may receive a partial benefit for going back to work part-time while still on Disability.

### Choose the Right Plan for You

**BENEFITS BEGIN** on the day of Disability due to a covered Injury or Sickness.

Plan I	On the 1st/4th day	Plan IV	On the 61st day
Plan II	On the 15th day	Plan V	On the 91st day
Plan III	On the 31st day	Plan VI	On the 151st day

**Injury** means physical harm or damage to the body you sustained which results directly from an accidental bodily Injury, is independent of disease or bodily infirmity; and takes place while your coverage is active.

**Sickness** means a disease or illness (including pregnancy). Disability must begin while your coverage is active.

**Hospital** - the term "Hospital" shall not include an institution used by you as a place for rehabilitation; a place for rest or for the aged; a nursing or convalescent home; a long-term nursing unit or geriatrics ward; or an extended care facility for the care of convalescent, rehabilitative, or ambulatory patients.

**Disability** or disabled for the first 12 months of Disability means that you are unable to perform the material and substantial duties of your regular occupation. After that, Disability means you are unable to perform the material and substantial duties of any gainful occupation for wage or profit for which you are reasonably qualified by training, education, or experience.

## Social Security Filing Assistance

If you are a candidate for social security Disability benefits, we can assist you with the application and appeal process.

## When Coverage Begins

Certificates will become effective on the requested effective date following the date we approve the application, provided you are on active employment and premium has been paid.

## Physician Expense Benefit

Injury - \$150.00 per Injury  
Sickness - \$50.00

If you need personal treatment by a physician due to an Injury or Sickness, we will pay the amount shown above provided no other claim has been paid under the policy. This benefit will be paid for Sickness only if the treatment is received during one full day of Disability during which you missed one full day of work. To be eligible for more than one payment for the same or related condition due to Sickness, you must have returned to work for at least 14 consecutive scheduled workdays. You are not required to miss one full day of work in order to receive the Injury Benefit.

## Accidental Death Benefit

A lump sum of \$20,000 will be paid to your designated beneficiary if you die as the direct result of an Injury within 90 days after the Injury.

## Hospital Confinement Benefit

A Hospital Confinement Benefit will be paid each day you are confined as a patient in a Hospital due to an Injury or Sickness, for up to 60 days. The amount payable is 1 times the Disability Benefit which will be pro-rated on a daily basis. This benefit will not be reduced by Deductible Sources of Income. The Hospital confinement must be at least 18 continuous hours in duration. This benefit will begin after you've met your elimination period.

## Waiver of Premium

No premium payments are required while you are receiving payments under the plan after Disability payments have been received for 180 consecutive days. We will require proof annually that you remain Disabled during that time.

## Donor Benefit

If you are Disabled as a result of being an organ or tissue donor, we will pay your benefit as any other Sickness under the terms of the plan.

## Offsets With Other Sources of Income

Deductible Sources of Income include:

- Other group Disability income.
- Governmental or other retirement system, whether due to Disability, normal retirement or voluntary election of retirement benefits.
- United States Social Security Act or similar plan or act, including any amounts due your dependent(s) on account of your Disability.
- State Disability.
- Unemployment compensation.
- Sick leave or other salary or wage continuance plans provided by the employer which extend beyond 60 (Plans I, II, III, & IV), 90 (Plan V) and 150 (Plan VI) calendar days from the date of Disability.

We reserve the right to estimate these Deductible Sources of Income that you may receive as defined in your certificate.

## Minimum Disability Benefit

The Minimum Disability Benefit is 10% of the Monthly Disability Benefit or \$100.00, whichever is greater.

## If You Are Disabled Due to a Covered Disability and Not Working

Your Disability payment will be the Disability Benefit described in the benefit schedule less any Deductible Sources of Income you receive or are entitled to receive. No Disability payment will be provided for any period in which you are not under the regular and appropriate care of a physician.

## Return To Work Incentives: Disabled and Working

If you are Disabled and working, you may be eligible to continue to receive a percentage of your Disability payment in addition to your Disability earnings. If your Disability earnings exceed 80% of your monthly compensation, payments will stop and your claim will end.

### • Family Care Benefit

If you are Disabled and working and have one or more eligible family members, you may be eligible for a Family Care Benefit. This benefit is for expenses incurred up to 25% of your Monthly Disability Benefit. Your Disability earnings, gross Disability Benefit, and Family Care Benefit cannot exceed 100% of your monthly compensation. Payment of this benefit ends when you cease to be eligible for benefits under the Disabled and working provision of the policy.

### • Worksite Accommodation

As a part of our claims evaluation process, if worksite modifications may assist your return to work, we will evaluate your claim for appropriate action.

## Mental Illness Limited Benefit

If you are Disabled due to a mental illness, benefits will be provided for up to 2 years, not to exceed the maximum Disability period.

## Alcoholism and Drug Addiction Limited Benefit

If you are Disabled due to alcoholism or drug addiction, a limited benefit of up to 15 days for each Disability will be paid. Benefits will not be paid beyond the maximum benefit period. If drug addiction is sustained at the hands of, or while under the regular and appropriate care of a physician in the course of treatment for Injury or Sickness, it will be covered the same as any other Sickness.

## Special Conditions Limited Benefit

If you are Disabled due to Special Conditions and under the regular and appropriate care of a physician, benefits will be provided for up to 2 years. Special Conditions means: chronic fatigue syndrome; fibromyalgia; any disease, disorder, accident or Injury of the neck or back not resulting in hemiplegia, paraplegia, or quadriplegia; environmental allergic illness including, but not limited to sick building syndrome and multiple chemical sensitivity; and Self-Reported Symptoms. Self-Reported Symptoms are symptoms that the insured tells their physician that are not verifiable using tests, procedures or clinical examinations. Examples include: headaches, pain, fatigue, stiffness, soreness, ringing in ears, dizziness, numbness, or loss of energy.

## Pre-Existing Condition Limitation

A limited benefit up to 1 month's Disability Benefit will be payable for Disability due to a Pre-Existing Condition. This provision will not apply if you have: gone treatment-free; incurred no expense; taken no medication; and received no diagnosis or advice from a physician, for 12 consecutive months for such condition(s).

This limitation will not apply to a Disability resulting from a Pre-Existing Condition that begins after you have been continuously covered under the policy for 24 months.

Any increase in benefits will be subject to this Pre-Existing Condition limitation. A new Pre-Existing Condition period must be met with respect to any increase applied for and approved by us.

**Pre-Existing Condition** means a disease, Injury, Sickness, physical condition or mental illness for which you: had treatment; incurred expense; took medication; received care or services including diagnostic testing or related measures; or received a diagnosis or advice from a physician, during the 12 month period immediately before your effective date of coverage. care of yourself.

## Aflac can help ease the financial stress of surviving a critical illness.

Chances are you may know someone who's been diagnosed with a critical illness. You can't help but notice the difference in the person's life—both physically and emotionally. What's not so obvious is the impact a critical illness may have on someone's personal finances.

That's because while a major medical plan may pay for a good portion of the costs associated with a critical illness, there are a lot of expenses that may not be covered. And, during recovery, having to worry about out-of-pocket expenses is the last thing anyone needs.

### That's the benefit of an Aflac Group Critical Illness plan.

It can help with the treatment costs of covered critical illnesses, such as a heart attack or stroke.

More importantly, the plan helps you focus on recuperation instead of the distraction of out-of-pocket costs. With the Critical Illness plan, you receive cash benefits directly (unless otherwise assigned)—giving you the flexibility to help pay bills related to treatment or to help with everyday living expenses.

# Accident Insurance

American Fidelity | [www.americanfidelity.com](http://www.americanfidelity.com) | 800-654-8486

The costs associated with an injury can add up. Between hospital visits, exams and treatment, out-of-pocket costs could put you in a financial hardship. An accident plan pays benefits directly to you so you can determine where to spend the money. It's comforting to know that an accident insurance policy can be there through all stages of your care, from initial treatment to follow-up care. Accident coverage is available to you through payroll deduction and may provide a benefit for costs associated with:

- Concussions
- Lacerations
- Broken teeth
- Emergency room visits
- Ambulance, ground or air
- Intensive care unit

## Limited Benefit Accident Only Insurance

THIS IS NOT A POLICY OF WORKERS' COMPENSATION INSURANCE. THE EMPLOYER DOES NOT BECOME A SUBSCRIBER TO THE WORKERS' COMPENSATION SYSTEM BY PURCHASING THIS POLICY AND IF THE EMPLOYER IS A NON-SUBSCRIBER, THE EMPLOYER LOSES THOSE BENEFITS WHICH WOULD OTHERWISE ACCRUE UNDER THE WORKERS' COMPENSATION LAWS. THE EMPLOYER MUST COMPLY WITH THE WORKERS' COMPENSATION LAW AS IT PERTAINS TO NON-SUBSCRIBERS AND THE REQUIRED NOTIFICATIONS THAT MUST BE FILED AND POSTED.

## Prepare for the unexpected.

Accidents\* can happen to anyone. And even though you can't plan for an accident, you can help prepare for unexpected medical costs. **Limited Benefit Accident Only Insurance** provides coverage to help with unforeseen accident expenses.

# 403(b) Retirement Plans

First Financial Administrators, Inc. | [www.ffga.com](http://www.ffga.com) |  
800-523-8422, option 2 | [retirement@ffga.com](mailto:retirement@ffga.com)

The 403(b) can be an excellent way to save money for retirement. It can serve as a supplement to a traditional pension plan or other retirement plan(s), or as a stand-alone plan. The 403(b) is a tax deferred retirement plan available to employees of educational institutions and certain non-profit organizations as determined by section 501(c)(3) of the Internal Revenue Code. Contributions and investment earnings in a 403(b) grow tax deferred until withdrawal (assumed to be retirement), at which time they are taxed as ordinary income. The 403(b) is named after the section of the IRS code governing it.

## How a 403(b) Works

Employees enroll and participate through their employer. Contributions to a 403(b) are made on a pre-tax basis through a Salary Reduction Agreement. This is an arrangement where the participating employee agrees to take a reduction in salary. The amount by which the salary is reduced is directed to investments offered through the employer and selected by the employee. These contributions are called elective deferrals and are excluded from the employee's taxable income. Contributions grow tax-deferred until the time of retirement when withdrawals are taxed as ordinary income.

## Benefits

- Tax deferred growth: no annual taxation on earnings
- Investment options: fixed annuities, variable annuities, or mutual funds
- Competitive interest rates
- Flexibility: start, stop, and adjust your contributions as allowed by your employer's plan.
- Receive periodic account statements

Contribution Limits	
2025	2026
\$23,500	\$24,500

Participants aged 50 and older at any time during the calendar year are permitted to contribute an additional \$7,500.

*All investing involves risk. Past performance is not a guarantee of future returns.*

# Hospital Indemnity Insurance

Aflac | [www.aflac.com](http://www.aflac.com) | 800-433-3036

Hospital stays are costly. If you or a family member find yourself in the hospital due to a sudden accident or illness, you may struggle financially, even if you have a good medical plan. With a hospital indemnity plan, you can rest assured those extra expenses won't be a financial burden.

Unlike medical plans, there are no deductibles to meet with a hospital indemnity plan. As soon as you incur a qualified event, you can file a claim and start receiving benefits.

The plan pays a lump sum benefit in a previously specified amount. The money can be used for medical costs, insurance deductibles, groceries, transportation, childcare – the choice is up to you!

# Aflac Group Hospital Indemnity

## INSURANCE

Even a small trip to the hospital can have a major impact on your finances.

Here's a way to help make your visit a little more affordable.

Aflac®

# AFLAC GROUP HOSPITAL INDEMNITY

Policy Series C80000

## The plan that can help with expenses and protect your savings.

Does your major medical insurance cover all of your bills?

Even a minor trip to the hospital can present you with unexpected expenses and medical bills. And even with major medical insurance, your plan may only pay a portion of your entire stay.

### That's how the Aflac Group Hospital Indemnity plan can help.

It provides financial assistance to enhance your current coverage. It may help avoid dipping into savings or having to borrow to address out-of-pocket-expenses major medical insurance was never intended to cover. Like transportation and meals for family members, help with child care, or time away from work, for instance.

### The Aflac Group Hospital Indemnity plan benefits include the following:

- Hospital Confinement Benefit
- Hospital Admission Benefit
- Hospital Intensive Care Benefit
- Successor Insured Benefit

### How it works

Amount payable was generated based on benefit amounts for: Hospital Admission (\$2,000) and Hospital Confinement (\$200 per day).

The plan has limitations and exclusions that may affect benefits payable. This brochure is for illustrative purposes only. Refer to your certificate for complete details, definitions, limitations, and exclusions.

## Benefits Overview

## BENEFIT AMOUNT

**HOSPITAL ADMISSION BENEFIT per confinement** (once per covered sickness or accident per calendar year for each insured)

Payable when an insured is admitted to a hospital and confined as an inpatient because of a covered accidental injury or covered sickness. We will not pay benefits for confinement to an observation unit, or for emergency room treatment or outpatient treatment.

\$2,000

We will not pay benefits for admission of a newborn child following his birth; however, we will pay for a newborn's admission to a Hospital Intensive Care Unit if, following birth, he is confined as an inpatient as a result of a covered accidental injury or covered sickness (including congenital defects, birth abnormalities, and/or premature birth).

**HOSPITAL CONFINEMENT per day** (maximum of 31 days per confinement for each covered sickness or accident for each insured)

Payable for each day that an insured is confined to a hospital as an inpatient as the result of a covered accidental injury or covered sickness. If we pay benefits for confinement and the insured becomes confined again within six months because of the same or related condition, we will treat this confinement as the same period of confinement. This benefit is payable for only one hospital confinement at a time even if caused by more than one covered accidental injury, more than one covered sickness, or a covered accidental injury and a covered sickness.

\$200

**HOSPITAL INTENSIVE CARE BENEFIT per day** (maximum of 10 days per confinement for each covered sickness or accident for each insured)

Payable for each day when an insured is confined in a Hospital Intensive Care Unit because of a covered accidental injury or covered sickness. We will pay benefits for only one confinement in a Hospital's Intensive Care Unit at a time. Once benefits are paid, if an insured becomes confined to a Hospital's Intensive Care Unit again within six months because of the same or related condition, we will treat this confinement as the same period of confinement.

\$400

**This benefit is payable in addition to the Hospital Confinement Benefit.**

### SUCCESSOR INSURED BENEFIT

If spouse coverage is in force at the time of the employee's death, the surviving spouse may elect to continue coverage. Coverage would continue according to the existing plan and would also include any dependent child coverage in force at the time.

In order to receive benefits for accidental injuries due to a covered accident, an insured must be admitted within six months of the date of the covered accident (in Washington, twelve months).

## TERMS YOU NEED TO KNOW

A Covered Accident is an accident that occurs on or after an insured's effective date while coverage is in force, and that is not specifically excluded by the plan.

Dependent means your spouse or dependent children, as defined in the applicable rider, who have been accepted for coverage. Spouse is your legal wife, husband, or partner in a legally recognized union. Refer to your certificate for details.

Dependent Children are your or your spouse's natural children, step-children, grandchildren who are in your legal custody and residing with you, foster children, children subject to legal guardianship, legally adopted children (in Texas, adopted children), or children placed for adoption. (In Florida, coverage may be provided for the children of custodial and non-custodial parents.) Newborn children are automatically covered from the moment of birth for 60 days. Newly adopted children (and foster children in North Carolina) are automatically covered for 60 days also. See certificate for details. Dependent children must be younger than age 26 (In Arizona, on the effective date of coverage and in Louisiana and Illinois, unmarried). See certificate for details.

Doctor is a person who is duly qualified as a practitioner of the healing arts acting within the scope of his license, and: is licensed to practice medicine; prescribe and administer drugs; or to perform surgery, or is a duly qualified medical practitioner according to the laws and regulations in the state in which treatment is made.

In Montana: For purposes of treatment, the insured has full freedom of choice in the selection of any licensed physician, physician assistant, dentist, osteopath, chiropractor, optometrist, podiatrist, licensed social worker, psychologist, licensed professional counselor, acupuncturist, naturopathic physician, physical therapist, or advanced practice registered nurse.

A Doctor does not include you or any of your Family Members. For the purposes of this definition, Family Member includes your spouse as well as the following members of your immediate family: son, daughter, mother, father, sister, or brother. In Arizona, however, a doctor who is your family member may treat you. In South Dakota, however, a doctor who is your family member may treat you if that doctor is the only doctor in the area and acts within the scope of his or her practice.

A Hospital is not a nursing home; an extended care facility; a skilled nursing facility; a rest home or home for the aged; a rehabilitation facility; a facility for the treatment of alcoholism or drug addiction (except in Vermont); an assisted living facility; or any facility not meeting the definition of a Hospital as defined in the certificate.

A Hospital Intensive Care Unit is not any of the following step-down units: a progressive care unit; a sub-acute intensive care unit; an intermediate care unit; a private monitored room; a surgical recovery room; an observation unit; or any facility not meeting the definition of a Hospital Intensive Care Unit as defined in the certificate

Sickness means an illness, infection, disease, or any other abnormal physical condition or pregnancy that is not caused solely by, or the result of, any injury (In Maine, illness or disease of an insured). A Covered Sickness is one that is not excluded by name, specific description, or any other provision in this plan. For a benefit to be payable, loss arising from the covered sickness must occur while the applicable insured's coverage is in force (except in Montana).

Treatment is the consultation, care, or services provided by a doctor. This includes receiving any diagnostic measures and taking prescribed drugs and medicines. Treatment does not include telemedicine services (except in Kansas).

You May Continue Your Coverage

Your coverage may be continued with certain stipulations. See certificate for details.

Termination of Coverage

Your insurance may terminate when the plan is terminated; the 31st day after the premium due date if the premium has not been paid; or the date you no longer belong to an eligible class. If your coverage terminates, we will provide benefits for valid claims that arose while your coverage was in force. See certificate for details.
