LIFE INSURANCE HIGHLIGHTS

For the employee

PURELIFE-PLUS

Voluntary permanent life insurance can be an ideal complement to the group term and optional term life insurance your employer might provide. This voluntary permanent universal life product is yours to keep, even when you change jobs or retire, as long as you pay the necessary premium. Group and voluntary term life insurance may be portable if you change jobs, but even if you can keep them after you retire, they usually cost more and decline in death benefit.

The contract, PURELIFE-PLUS, is underwritten by Texas Life Insurance Company, and it has the following features:

- **High Death Benefit.** Written on a minimal cash-value Universal Life frame, PURELIFE-PLUS features one of the highest death benefits per payroll-deducted dollar offered at the worksite.¹
- **Refund of Premium.** Unique in the workplace, PURELIFE-PLUS offers you a refund of 10 years' premium, should you surrender the contract if initial specified premium paid for ever increases. *(Conditions apply.)*
- **Accelerated Death Benefit Due to Terminal Illness Rider.** Should you be diagnosed as terminally ill with the expectation of death within 12 months, you will have the option to receive 92% of the death benefit, minus a \$150 (\$100 in Florida) administrative fee. Included with your contract at no additional cost, this valuable living benefit helps give you peace of mind knowing that, should you need it, you can take the large majority of your death benefit while still alive. *(Conditions apply.) (Form ICCo7-ULABR-07 or Form Series ULABR-07)*
- **Accelerated Death Benefit for Chronic Illness Rider.** Optional on employee contracts at an additional cost, this rider will be triggered by the loss of two out of six Activities of Daily Living² or severe cognitive impairment for a period of 90 days. It pays the insured up to 92% of the death benefit minus a small administrative fee, should the insured decide to exercise it. This valuable living benefit can help offset the cost of either in-home care or care in a resident facility. *(Conditions apply; see the following pages for additional details. Form Series CA-ULABR-CI-18)*

Additional Features

- **Minimal Cash Value.** Designed to provide a high death benefit at a reasonable premium, PURELIFE-PLUS helps provide peace of mind for you and your beneficiaries while freeing investment dollars to be directed toward such tax-favored retirement plans as 403(b), 457 and 401(k).
- **Long Guarantees.** Enjoy the assurance of a contract that has a guaranteed death benefit to age 121 and level premium that guarantees coverage for a significant period of time (after the guaranteed period, premiums may go down, stay the same, or go up).³

You may apply for this permanent coverage, not only for yourself, but also for your spouse, children and grandchildren.⁴

ADDITIONAL POLICY BENEFITS

Accelerated Death Benefit Due to Chronic Illness Rider

Included with the life contract for employees and their spouses at an additional cost, this valuable living benefit can help offset the unplanned expense of care should the insured be faced with a qualifying disabling chronic illness or severe cognitive impairment.

Here's how it works:

- If you're no longer able to perform any two of the six Activities of Daily Living or if you suffer severe cognitive impairment, you can receive a living benefit.⁴
 - Example: You own a \$100,000 Texas Life insurance policy with the Chronic Illness rider. A medical professional certifies that you can no longer perform two of the six Activities of Daily Living or have suffered serious cognitive impairment. You can apply for a lump sum of \$92,000 minus a \$150 processing fee.⁵
- The money is yours to do with as you choose: you do not have to go to a nursing home, convalescent center or receive home health care to receive the cash.
- The cost to add this valuable living benefit to your life insurance policy is minimal – just 10% of the policy's base premium.

*A death benefit for your family,
or a living benefit should you need it.*

PureLife-plus is a Flexible Premium Adjustable Life Insurance to Age 121. As with most life insurance products, Texas Life contracts are in force. Please contact a Texas Life representative or see the PureLife-plus brochure for costs and complete details. Form ICC18-PRFM state but New York.

- 4 Six Activities of Daily Living include: bathing, continence, dressing, eating, toileting, and transferring. Severe Cognitive Impairment means a deterioration or loss in intellectual capacity that: (1) places the Insured in jeopardy of harming him/herself or others and, therefore, the Insured requires Substantial Supervision by another individual; and (2) is measured by clinical evidence and standardized tests which reliably measure impairment in: (a) short or long-term memory; (b) orientation to people, places or time; and (c) deductive or abstract reasoning.
- 5 The Accelerated Death Benefit Rider for Chronic Illness pays 92% of the insurance proceeds less a \$150 administration fee (\$100 in FL) in lieu of the benefit payable at death. Any outstanding loans will reduce the cash value and death benefit. Contract form series ULABR-CI-15 or ICC15-ULABR-CI-15. Payment of this rider terminates the contract and any obligations under other riders, endorsements and supplemental benefits as if the insured had died.

Accidental Death Benefit Rider

Included in the contract at the option of your employer, the Accidental Death Benefit Rider covers all employees and spouses between the ages of 17-59.⁶ This rider costs \$0.08 per thousand of face amount per month and pays the insured's beneficiary double the death benefit⁷ if the insured dies within 180 days of an accident from injuries incurred in that accident (90 days in FL, ND, and SD)⁸. The benefit is payable through the insured's age 65. Maximum in-force limits and exclusions apply. See the complete list of exceptions to coverage on the following page.

According to the Centers for Disease Control, accidents continue to be a leading cause of death in the U.S.⁹
