# Benefit Eligibility & Coverage

## Employee Coverage

### Eligibility

Eligible employees must be actively at work on the plan effective date for new benefits to be effective.

### New Employees

You have 31 days from your actively-at-work date to make benefit elections. Insurance coverage becomes effective on the first day of the month that follows a waiting period of 30 calendar days.

### Existing Employees

When it's time to enroll in your benefits, your FFGA Account Representative will be available to assist you with making your elections. Your elections can be made anytime during annual enrollment online from your work or home computer. Before enrollment, take time to educate yourself on the available benefits and what options would work best for you and your family by visiting the Employee Benefits Center.

**NOTE:** If you choose not to use a FFGA representative and self-enroll during open enrollment, you must notify us of any errors and have them corrected by August 16th. Any benefits that are self-enrolled that have not been corrected by August 16th will remain in effect until August 31, 2025, which is the end of the plan year.

### Mid-year Benefit Changes

You may add or cancel coverage during the plan year if you have a Qualifying Life Event (QLE). You must notify the benefits department within 31 days of the event for instructions and forms.

### Qualifying Life Events Include:

- Changes in household, including marriage, divorce, legal separation, annulment, death of a spouse, birth, adoption, placement for adoption or death of a dependent child
- Loss of health coverage, attributable to your spouse's employment, losing existing health coverage including job-based, individual and student plans, losing eligibility for Medicare, Medicaid, or CHIP, turning 26 and losing coverage through a parent's plan

### Declining Coverage

If you are eligible for benefits, but wish to DECLINE coverage, please complete the online enrollment either on your work or home computer. Under each option, you will need to select "waive." **You must still complete the beneficiary information.**

**Important:** If you or your family members are covered by more than one health care plan, you may not be able to collect benefits from both plans. Each plan may require you to follow its rules or use specific doctors and hospitals, and it may be impossible to comply with both plans at the same time. Before you enroll in this plan, read all of the rules very carefully and compare them with the rules of any other plan that covers you or your family.

Savings from enrolling in a MetLife Vision Plan will depend on various factors, including plan premiums, number of visits to an eye care professional by your family per year and the cost of services and materials received. Be sure to review the Schedule of Benefits for your plan's specific benefits and other important details.

MetLife Vision benefits are underwritten by Metropolitan Life Insurance Company, New York, NY. Certain claims and network administration services are provided through Superior Vision, Inc. ("Superior Vision"), a New York corporation. Superior Vision is part of the MetLife family of companies.

Like most group benefit programs, benefit programs offered by MetLife and its affiliates contain certain exclusions, exceptions, reductions, limitations, waiting periods, and terms for keeping them in force. Please contact MetLife or your plan administrator for costs and complete details.

# Flexible Spending Accounts

First Financial Administrators, Inc. | [www.ffga.com](http://www.ffga.com)  
1.866.853.3539 P.O. Box 161968 | Altamonte Springs, FL 32716

## Medical FSA

A Medical Flexible Spending Account (Medical FSA) is an IRS-approved program to help you save taxes and pay for out-of-pocket medical expenses not covered under your medical plan. If your plan includes a grace period option, you have additional time to incur and claim against unused funds in the new plan year. Keep in mind that remaining balances after the grace period is exhausted will be forfeited under the use-it-or-lose-it rule.

**Your maximum contribution amount for 2024 is \$3,200.**

### Medical FSA Highlights

- Contributions are automatically deducted from your paycheck on a pre-tax basis, which helps reduce your taxable income and increase your spendable income.
- Your full election will be available to you at the beginning of the plan year.
- Be conservative – any money left in your account at the end of the plan year will be forfeited.
- Use your benefits card to pay for qualified expenses upfront without spending money out of pocket.
- Keep all receipts in case you need to substantiate a claim for tax purposes.

**NOTE: The IRS requires proof that all expenses are eligible. Keep all receipts in case you need to substantiate a claim for tax purposes. Your receipt must include the date of purchase or service, amount you were required to pay after insurance, description of the product or service, merchant or provider name, and the patient's name.**

## Dependent Care FSA

With a Dependent Care Flexible Spending Account, you can set aside part of your pay on a pre-tax basis to pay for eligible dependent care expenses like childcare, babysitters, and adult day care.

**You may allocate up to \$5,000 per tax year for reimbursement of dependent care services.**

**If you are married and file a separate tax return, the limit is \$2,500.**

### Dependent Care FSA Highlights

- Eligible dependents must be claimed as an exemption on your tax return.
- Eligible dependents must be children under age 13 or an adult dependent incapable of self-care.
- Funds become available as contributions are made to your account.
- Keep all receipts in case you need to substantiate a claim for tax purposes.
- Balances will be forfeited at the end of the runoff or grace period.

# Health Savings Account

First Financial Administrators, Inc. | [www.ffga.com](http://www.ffga.com) | 1.866.853.3539  
P.O. Box 161968 | Altamonte Springs, FL 32716

A Health Savings Account (HSA) is a great way to help you control your healthcare costs. It works in conjunction with a qualified High Deductible Health Plan (HDHP) to combine tax-free savings earmarked for qualified medical expenses. An HSA allows you to set aside money to pay for higher deductibles associated with a lower monthly premium HDHP. The money you save in monthly insurance premiums is reserved for eligible medical expenses you incur in the future. Eligible expenses include things like co-pays and deductibles, prescriptions, vision expenses, dental care, therapy and medical supplies.

## Health Savings Account Highlights

- Balances roll over from year to year and earn interest along the way.
- Portable – you keep it even after you leave employment.
- Tax advantages – invest money in mutual funds to grow your tax savings for either future healthcare costs or retirement.
- Pay for expenses with a benefits debit card that gives you immediate access to your money at the time of purchase.
- Expenses also can be reimbursed through our online portal, online bill pay directly to your provider or submitting a distribution request form.
- Receipts are not required for reimbursement but be sure to save them for tax purposes.
- Funds will be deposited after each payroll is processed.

## Who Can Participate in an HSA?

- You must be enrolled in a qualified High Deductible Health Plan (HDHP).
- You cannot be enrolled in Tricare or Medicare or covered under your spouse's traditional (non-HDHP) health care plan.
- You cannot participate in a general purpose Flexible Spending Account (FSA) or Health Reimbursement Arrangement.
- Limited Purpose Flexible Spending Accounts are permitted (dental and vision expenses only).
- You cannot participate if your spouse has a general purpose FSA or HRA at their place of employment.
- You cannot participate if you are being claimed as a dependent on another person's tax return.

## Why Do I Need Disability Insurance?

Have you ever wondered what would happen to your income if you had an accidental injury, sickness, or pregnancy? That is why you need disability coverage. It replaces a portion of income for the period you are unable to work due to those reasons. You can choose the benefit amount, which is the amount of your income to replace, and the waiting period that you begin receiving payments.

How do you decide if you need disability insurance? Consider these questions when making your decision:

- How much employer leave do you have?
- Do you have savings?
- Do you have other income you can rely on, such as from your spouse or from child support?
- How close are you to retirement?
- Could you go on Social Security Disability or take a Disability Retirement?
- What are your other sources of income?

Thousands of Americans are diagnosed with cancer each day. No doubt, the news is devastating, both personally and financially. It’s impossible to anticipate a cancer diagnosis, but it is possible to prepare for it with a cancer insurance plan.

It is likely that your major medical coverage will not cover all the costs associated with a cancer diagnosis. Supplementing your major medical with cancer insurance may help you pay for related expenses, such as copays and deductibles, specialists, experimental treatment, specialty hospitals, travel expenses, in-home care and more.

Premiums are paid through convenient payroll deduction to ensure your policy remains in force if you should need it. Benefits are paid directly to you, so you can choose how to spend the money. Visit the Employee Benefits Center and view policy for more details.

The Aetna Critical Illness Plan pays benefits directly to **you**, giving you extra cash when you need it most. It can help fill in the gaps, making it a great companion to your major medical plan.

\*Refer to your plan documents to see all covered illnesses under the plan.

He submitted his claim easily online and his benefits were deposited directly into his bank account.

He was able to use the money to help pay his out-of-pocket medical costs and other bills such as his children's daycare tuition.

## Aetna Hospital Indemnity Plan

### Be prepared for what lies ahead

Maybe you're expecting to have a hospital stay — or maybe not. Either way, you can plan ahead to give yourself an extra financial cushion.

### What is the Hospital Indemnity Plan?

The plan pays benefits when you have a planned, or unplanned hospital stay for an illness, injury, surgery or delivering a baby. It also pays a lump-sum benefit for admission and a daily benefit for a covered hospital stay. You can use the benefits to help pay out-of-pocket medical costs or personal expenses.

### How is this different from a major medical plan?

Medical plans help pay providers for services and treatment. But, they don't cover unexpected costs that might come with a stay in the hospital.

The Aetna Hospital Indemnity Plan pays benefits directly to **you**, giving you extra cash when you need it most. It can help fill in the gaps, making it a great companion to your major medical plan.

**The Aetna Hospital Indemnity Plan is underwritten by Aetna Life Insurance Company (Aetna).**

### How can you use the cash benefits?

It's completely up to you. You can use the money any way you want, like paying for:

- Deductibles or copays
- Mortgage or rent
- Groceries or utility bills

...or for anything else **you** choose.

### Easy to use

Online tools make it easy to manage your plan. File a claim in about 90 seconds or less if you have a covered stay in a hospital. And, benefits get paid directly to you by check or direct deposit.

## Because it happens

**\$1.24 trillion** was spent on hospital services in 2020. **60%-65%** of all bankruptcies are related to medical expenses<sup>1</sup>.

### Ready...or not

Carter\* is a hard worker, so he doesn't always slow down to listen to his body. Before he knew it, a little cough turned into pneumonia — and a hospital stay.

Good thing he had the Aetna Hospital Indemnity Plan. He filed his claim and the benefits were deposited right into his bank account.

That money helped make up for the time he missed while recovering, and paid some of his deductible. Now, he can focus more on his health.

## A Simplified Claims Experience™

Register on the **My Aetna Supplemental** app or on the member portal at **Myaetnasupplemental.com** to view plan documents, submit and track claims, and sign up for direct deposit.

Filing a claim is easy! Click "Report New Claim", answer a few quick questions, and upload or take a picture of your medical bill. You can also print and mail a paper claim form to Aetna Voluntary Plans.

## **THIS PLAN DOES NOT COUNT AS MINIMUM ESSENTIAL COVERAGE UNDER THE AFFORDABLE CARE ACT. THIS IS A SUPPLEMENT TO HEALTH INSURANCE AND IS NOT A SUBSTITUTE FOR MAJOR MEDICAL COVERAGE.**

The Aetna Hospital Indemnity Plan is a hospital confinement indemnity plan. This insurance plan provides limited benefits. It pays fixed dollar benefits for covered services without regard to the health care provider's actual charges. The benefits payments are not intended to cover the full cost of medical care. You are responsible for making sure the provider's bills get paid. These benefits are paid in addition to any other health coverage you may have. This material is for information only. Insurance plans contain exclusions and limitations. Not all health services are covered, and coverage is subject to applicable laws and regulations, including economic and trade sanctions. # Group Accident Insurance

Keep your finances on track when an accident happens.

## Here's How Accident Insurance Works

### 1 You have an accident.

Your health insurance covers some costs, after you meet your deductible. But you still may have copays and a lot of out-of-pocket expenses.

### 2 We send you a check.

The Standard will send a check directly to you — not to your medical providers — upon approval of your claim. You decide how you spend the money.

### 3 You focus on getting better.

With The Standard helping you handle the unexpected expenses, you get to pay attention to what matters most — your health.

### Here's what it does:

- **Pays you directly**, so you can choose how to spend the money.
- **Pays you for what happens**, regardless of your other coverage.
- **Goes with you** if you leave your employer.
- **Provides coverage without answering any medical questions.**
- Gives you the option to **cover your spouse and children.**
- **Pays an additional 25 percent benefit** if your child, 18 or under, is injured playing organized sports.
- **You pay the same premium** for as long as you have your coverage.
- Provides the convenience of having your **premium payments deducted directly from your paycheck.**

---

**This coverage from Standard Insurance Company (The Standard) can help you stress less about unexpected medical bills.**

# Medical Transport

MASA | [www.masamts.com](http://www.masamts.com) | 954-334-8261

Americans today suffer from a false sense of security that their medical coverage will pay for all costs associated with emergency or critical care transport. The reality is that a majority of Americans are only partially covered for these high costs.

Most medical plans will only pay a portion of costs leaving you with the remainder of the bill. There is also the possibility of your medical provider denying your claim altogether, which means you would be responsible for paying the entire bill.

With medical transport protection, you will have zero out-of-pocket expenses for any emergent air or ground transport from anywhere in the United States, regardless of who transports you. You will receive medical emergency transportation solutions to help cover your out-of-pocket medical transport costs when your insurance falls short.

\$14/month

## 403(b) Retirement Plan

Research shows that Americans are living well past retirement years. Are you saving enough to be able to enjoy those years? A 403(b) plan can help you get there.

It's an IRS-approved retirement plan that allows you to set aside money on a pre-tax basis for your retirement. Contributions are conveniently made through payroll deduction, so money is moved from your paycheck into the account automatically. Plus, your employer may even match your contributions based on how much you put into the plan. Now is the time to take full advantage of this opportunity to maximize your retirement savings!

## 457(b) Retirement Plan

The 457(b) plan is an employer-sponsored voluntary retirement savings plan that allows you to save money for retirement on a tax-deferred or ROTH basis. One significant way the 457(b) differs from the 403(b) is that distributions are never subject to the 10 percent tax for early withdrawal.

### Contribution Limits

2023	2024
\$22,500	\$23,000

Participants aged 50 and older at any time during the calendar year are permitted to contribute an additional \$7,500.

# Hospital Indemnity Insurance

Aetna | [www.myaetnasupplemental.com](http://www.myaetnasupplemental.com) | 800-607-3366

Hospital stays are costly. If you or a family member find yourself in the hospital due to a sudden accident or illness, you may struggle financially, even if you have a good medical plan. With a hospital indemnity plan, you can rest assured those extra expenses won't be a financial burden.

Unlike medical plans, there are no deductibles to meet with a hospital indemnity plan. As soon as you incur a qualified event, you can file a claim and start receiving benefits.

The plan pays a lump sum benefit in a previously specified amount. The money can be used for medical costs, insurance deductibles, groceries, transportation, childcare – the choice is up to you!

# COBRA

First Financial Administrators, Inc. | [www.ffga.com](http://www.ffga.com) | 800-523-8422, option 4

Life is full of unexpected events that may impact your health insurance coverage. Under the Consolidated Omnibus Budget Reconciliation Act, better known as COBRA, you have the right to continue your group health coverage such as medical, dental, vision insurance and flexible spending accounts for a limited period of time.

## COBRA Highlights

- Temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work, divorce, death or a child no longer qualifying as a dependent. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.
- Either you or your family member are responsible for notifying your employer of a divorce, legal separation or child losing dependent status within 60 days of the event. In the case of termination, death or reduction in hours, your employer will be responsible for letting the provider know that you have the right to continue coverage under COBRA.
- Benefits will remain identical to what you had while employed. However, you will be responsible for paying the full premium, plus any applicable fees.

First Financial Administrators, Inc. provides COBRA administration services for the following plans:
