

Take Advantage of Savings with Blue Preferred EPOSM

Are you looking for an option that gives you similar benefits, quality and services as a PPO plan, but at a more affordable cost? If so, choosing our new Blue Preferred EPO plan may be the best choice for you.

Our Blue Preferred EPO plan offers an exclusive statewide network of providers but at a lower cost when compared to the larger PPO network. With Blue Preferred EPO you select a primary care physician (PCP) to partner with for your health care needs. Having your care coordinated by one doctor may offer several advantages. They get to know you and your health history, allowing them to recognize changes in your health, as well as overseeing your routine care. With Blue Preferred EPO, referrals are not needed to see a specialist but your PCP can help you identify specialists.

As a Blue Preferred EPO member, you will only have access to providers that participate in the Blue PreferredSM network, including contracted doctors, hospitals and other health care professionals in New Mexico. Services from an out-of-network provider are not covered under this plan.
