

We ask for detailed information about your beneficiary(ies). This information will help us identify and pay the appropriate beneficiary(ies) at the death of the insured, which may be many years after you make this designation. To ensure we satisfy our claims obligations, we sometimes use social security number(s) and birthday(s) to identify and locate each beneficiary to whom we owe payments. Listed in the boxes below are the key pieces of information we need in each section of the Change of Beneficiary Form.

Please help us ensure we pay your beneficiary(ies) quickly and accurately by providing as much of the requested information as you can. Thank you for your time.
