MEDICAL FSA

A Medical Flexible Spending Account (Medical FSA) is an IRS-approved program to help you save taxes and reimburse yourself for out-of-pocket medical expenses not covered under your medical plan. Starting with the 2022 – 2023 plan year your plan has the \$570 carryover option for your Medical FSA plan. This allows you the opportunity to carry over up to \$570 of unclaimed Medical FSA funds into the following plan year. Keep in mind that balances more than \$570 will be forfeited under the use-it-or-lose-it rule.

Your maximum contribution amount for 2022 is \$2,850.

HIGHLIGHTS

- Contributions are automatically deducted from your paycheck on a pre-tax basis, which helps reduce your taxable income
- Your full election will be available to you on September 1st.
- Use your benefits card to pay for qualified expenses upfront without spending money out of pocket.
- Keep all receipts in case you need to substantiate a claim for tax purposes.

NOTE: The IRS requires proof that all expenses are eligible. Keep all receipts in case you need to substantiate a claim for tax purposes. Your receipt must include the date of purchase or service, amount you were required to pay after insurance, description of the product or service, merchant or provider name, and the patient's name.

DEPENDENT CARE FSA

With a Dependent Care Flexible Spending Account, you can set aside part of your pay on a pre-tax basis to pay for eligible dependent care expenses like childcare, babysitters, and adult day care.

You may allocate up to \$5,000 per tax year for reimbursement of dependent care services. If you are married and file a separate tax return, the limit is \$2,500.

HIGHLIGHTS

- Eligible dependents must be claimed as an exemption on your tax return.
- Eligible dependents must be children under age 13 or an adult dependent incapable of self-care.
- Funds become available as contributions are made to your account.
- Keep all receipts in case you need to substantiate a claim for tax purposes.
- Balances will be forfeited at the end of the runoff or grace period.

HOSPITAL INDEMNITY INSURANCE

Aetna | www.aetna.com | 1-888-772-9682

You may think major medical insurance is enough to cover your needs, but the reality is that many plans may only cover a portion of your overall expenses. It's important to protect yourself in the event of a sudden hospitalization. A Hospital Indemnity Insurance plan pays benefits directly to you and is designed to help cover the gap between what your traditional medical plan will cover and the out-of-pocket expenses you will pay. The plan includes benefits you can use to help pay for inpatient hospital stays and/or if you are held for observation.

ADDITIONAL POLICY BENEFITS

Accelerated Death Benefit Due to Chronic Illness Rider

Here's how it works:

- If you're no longer able to perform any two of the six activities of daily living (eating, bathing, dressing, toileting, transferring, maintaining continence) or if you suffer serious cognitive impairment, you can receive a living benefit.⁴
 - Example: You own a \$100,000 Texas Life insurance policy with the Chronic Illness rider. A medical professional certifies that you can no longer perform 2 of the 6 activities or have suffered serious cognitive impairment, you can receive \$92,000 minus a \$150 processing fee.³
- The money is yours to do with as you choose: you do not have to go to a nursing home, convalescent center or receive home health care to receive the cash.
- The cost to add this valuable living benefit to your life insurance policy is minimal – just 10% of the policy's base premium.

For pennies a day, you can get both a living benefit, should you need it, and a death benefit if you don't.

¹ Coverage not available on children in WA or on grandchildren in WA or MD. In MD, children must reside with the applicant to be eligible for coverage.

² Conditions apply. See rider for details. Form ICC07-ULABR-07 or Form Series ULABR-07.

³ The Accelerated Death Benefit Rider for Chronic Illness is available for an additional cost for employees only. This rider pays 92% of the insurance proceeds less a \$150 administration fee (\$100 in FL) in lieu of the benefit payable at death. Conditions apply. Any outstanding loans will reduce the cash value and death benefit. Contract Form ICC15-ULABR-CI-15 or Form Series ULABR-CI-15.

⁴ Six Activities of Daily Living include: bathing, continence, dressing, eating, toileting, and transferring. Severe Cognitive Impairment means a deterioration or loss in intellectual capacity that: (1) places the Insured in jeopardy of harming him/herself or others and, therefore, the Insured requires Substantial Supervision by another individual; and (2) is measured by clinical evidence and standardized tests which reliably measure impairment in: (a) short or long-term memory; (b) orientation to people, places or time; and (c) deductive or abstract reasoning.

GEORGETOWN ISD

Long-Term Disability Income Insurance

Plan Benefit Highlights

Eligibility

All permanent employees in covered group working 20 hours or more per week. Regarding your eligibility, we may require proof of good health and will rely on answers given on your application to determine if coverage can be issued. Regardless of your health at the time of application, if coverage is approved and issued, claims incurred while coverage is in force will be subject to all terms of the Policy including any Pre-Existing Condition limitation.

Benefits are Payable

Benefits are payable up to age 65 for a covered Injury or Sickness. After age 65, the benefit period will be extended to the greater of 12 months or your Social Security Normal Retirement Age.

Disability Benefit

Monthly amounts of the Disability Benefits are available from \$200 to \$10,000 in \$100 increments based on 66^{2/3}% of your Monthly Compensation and will not exceed the amount for which premium is being paid. If applicable, the insured's Disability Benefit will be reduced by Deductible Sources of Income.

Step 1: Calculate the disability Benefit you qualify for based upon your salary.

$$\frac{\text{Annual Salary}}{12} = \text{Monthly Salary} \times 0.66^{2/3} = \text{Monthly Disability Benefit}$$

(Rounded down to nearest \$100)

Step 2: Calculate your Monthly Premium based upon your plan selection.

PLAN	BENEFITS BEGIN	MONTHLY PREMIUM
Plan 1	On the 8th day of Disability due to a covered injury or Sickness.	*\$3.74
Plan 2	On the 15th day of Disability due to a covered injury or Sickness.	*\$3.18
Plan 3	On the 31st day of Disability due to a covered injury or Sickness.	*\$2.26
Plan 4	On the 61st day of Disability due to a covered injury or Sickness.	*\$1.62
Plan 5	On the 91st day of Disability due to a covered injury or Sickness.	*\$1.20
Plan 6	On the 151st day of Disability due to a covered injury or Sickness.	*\$0.78

$$\frac{\text{Monthly Benefit}}{100} = \text{Rate from Above} \times \text{Monthly Premium Cost}$$

Example Calculation:

Making \$42,000 per year (\$3,500 month), you would qualify for \$2,300 per month:

$$\$42,000 / 12 = \$3,500 \times 0.66^{2/3} = \$2,300 \text{ Monthly Disability Benefit}$$

$$\$2,300 / 100 = 23 \times \$0.50 = \$11.50 \text{ per month}$$

*Per \$100 Covered Monthly Benefit Rates Based on 12 Deductions per Year

Physician Expense Benefit

Injury - \$150.00 per Injury

If you need personal treatment by a Physician due to an Injury, we will pay the amount shown above provided no other claim has been paid under the Policy. You are not required to miss one full day of work in order to receive the Injury benefit.

Hospital Confinement Benefit

A Hospital Confinement Benefit will be paid each day you are confined as a patient in a Hospital due to an Injury or Sickness, for up to 60 days. The amount payable is 1 times the Disability Benefit which will be pro-rated on a daily basis. This benefit will not be reduced by Deductible Sources of Income. The Hospital confinement must be at least 18 continuous hours in duration. This benefit will begin on your first day of Hospital confinement.

Hospital means the term "Hospital" shall not include an institution used by you as a place for rehabilitation; a place for rest or for the aged; a nursing or convalescent home; a long-term nursing unit or geriatrics ward; or an extended care facility for the care of convalescent, rehabilitative, or ambulatory patients.

Waiver of Premium

No premium payments are required while you are receiving payments under the plan after disability payments have been received for 90 consecutive days. We will require proof annually that you remain disabled during that time.

Donor Benefit

If you are disabled as a result of being an organ or tissue donor, we will pay your benefit as any other sickness under the terms of the plan.

Offsets With Other Sources of Income

Deductible Sources of Income include, Other group disability income, Governmental or other retirement system, whether due to disability, normal retirement or voluntary election of retirement benefits, United States Social Security Act or similar plan or act, including any amounts due your dependent(s) on account of your disability, State Disability, Unemployment compensation, Sick leave or other salary or wage continuance plans provided by the Employer which extend beyond 365 calendar days from the date of disability. We reserve the right to estimate these Deductible Sources of Income that you may receive as defined in your Certificate.

Minimum Disability Benefit

The minimum Monthly Disability Benefit is 10% of the Monthly Disability Benefit or \$100.00, whichever is greater.

If You Are Disabled Due to a Covered Disability and Not Working

For the first 12 months you are disabled due to a covered disability and not working, we will pay the disability benefit described in the schedule. After 12 months, your disability payment will be the disability benefit less any deductible sources of income you receive or are entitled to receive. No disability payment will be provided for any period in which you are not under the regular and appropriate care of a physician.

Disability or disabled for the first 24 months of disability means that you are unable to perform the material and substantial duties of your regular occupation. After that, disability means you are unable to perform the material and substantial duties of any gainful occupation for wage or profit for which you are reasonably qualified by training, education, or experience.

Return To Work Incentives: Disabled and Working

If you are disabled and working, you may be eligible to continue to receive a percentage of your disability payment in addition to your disability earnings. If your disability earnings exceed 80% of your monthly compensation, payments will stop and your claim will end.

- Family Care Benefit**

If you are disabled and working and have one or more eligible family members, you may be eligible for a family care benefit. This benefit is for expenses incurred up to 25% of your monthly disability benefit. Your disability earnings, gross disability benefit, and family care benefit cannot exceed 100% of your monthly compensation. Payment of this benefit ends when you cease to be eligible for benefits under the Disabled and Working provision of the policy.

- Worksite Accommodation**

As a part of our claims evaluation process, if worksite modifications may assist your return to work, we will evaluate your claim for appropriate action.

Mental Illness Limited Benefit

If you are disabled due to a mental illness, benefits will be provided for up to 2 years, not to exceed the maximum disability period.

Alcoholism and Drug Addiction Limited Benefit

If you are disabled due to alcoholism or drug addiction, a limited benefit of up to 15 days for each disability will be paid. Benefits will not be paid beyond the maximum benefit period. If drug addiction is sustained at the hands of, or while under the regular and appropriate care of a physician in the course of treatment for injury or sickness, it will be covered the same as any other sickness.

Special Conditions Limited Benefit

If you are disabled due to special conditions and under the regular and appropriate care of a physician, benefits will be provided for up to 2 years. Special conditions means: chronic fatigue syndrome; fibromyalgia; any disease, disorder, accident or injury of the neck or back not resulting in hemiplegia, paraplegia, or quadriplegia; environmental allergic illness including, but not limited to sick building syndrome and multiple chemical sensitivity; and self-reported symptoms. Self-reported symptoms are symptoms that the insured tells their physician that are not verifiable using tests, procedures or clinical examinations. Examples include: headaches, pain, fatigue, stiffness, soreness, ringing in ears, dizziness, numbness, or loss of energy.

Pre-Existing Condition Limitation

If Disability is caused by or resulting from a Pre-Existing Condition and begins before you have been continuously covered under the Policy for 12 months, no disability benefit will be payable. Any increase in benefits will be subject to this pre-existing condition limitation. A new pre-existing condition period must be satisfied with respect to any increase applied for and approved by us.

Pre-existing condition means a disease, Injury, Sickness, physical condition or mental illness for which you: had treatment; incurred expense; took medication; received care or services including diagnostic testing or related measures; or received a diagnosis or advice from a physician, during the 3-month period immediately before your effective date of coverage. The term pre-existing condition will also include conditions which are related to such disease, injury, sickness, physical condition, or mental illness.

Exclusions

The Policy does not cover any loss, fatal or non-fatal, resulting from:

- Intentionally self-inflicted injury while sane or insane.
- An act of war, declared or undeclared.
- Injury sustained or Sickness contracted while in the service of the armed forces of any country.
- Committing a felony.
- Penal incarceration. We will not pay benefits for Disability or any other loss during any period for which you are incarcerated in a penal or correctional institution for a period of 30 consecutive days or longer.
- Injury or Sickness arising out of and in the course of any occupation for wage or profit or for which you are entitled to Workers' Compensation.

The term "entitled to Workers' Compensation" shall also include Workers' Compensation claim settlements that occur via compromise and release. Further, no benefits will be paid under this Policy for any period during which you are entitled to Workers' Compensation benefits.

Your coverage may be continued for up to 1 year during a leave of absence approved in writing by your employer. Coverage will continue as long as the group policy remains in force, the premiums are paid and you remain eligible for the coverage under the policy. Your coverage will end when you no longer qualify as an insured, you retire, you are not on active employment, or your employment terminates. Your coverage can be terminated or premiums may be increased on any premium due date with 31 days advance notice.

Your maximum benefit amount is based upon 66^{2/3}% of your gross monthly compensation. Benefit amounts start at \$200 and go up to a Maximum Monthly Disability Benefit of \$10,000. The benefit will not exceed the amount for which premium has been paid.

Aetna Hospital Indemnity Plan

BENEFIT SUMMARY

Georgetown ISD
802604

Aetna Hospital Indemnity

Insurance plans are underwritten by Aetna Life Insurance Company.

Here's how the plan works:

Unless otherwise indicated, all benefits and limitations are per covered person.

The Aetna Hospital Indemnity Plan is a hospital confinement indemnity plan with other fixed indemnity benefits. THESE PLANS DO NOT COUNT AS MINIMUM ESSENTIAL COVERAGE UNDER THE AFFORDABLE CARE ACT. THESE PLANS ARE A SUPPLEMENT TO HEALTH INSURANCE AND ARE NOT A SUBSTITUTE FOR MAJOR MEDICAL COVERAGE. LACK OF MAJOR MEDICAL COVERAGE (OR OTHER MINIMUM ESSENTIAL COVERAGE) MAY RESULT IN AN ADDITIONAL PAYMENT WITH YOUR TAXES. These plans provide limited benefits. They pay fixed dollar benefits for covered services without regard to the health care provider's actual charges. These benefit payments are not intended to cover the full cost of medical care. You are responsible for making sure the provider's bills get paid. These benefits are paid in addition to any other health coverage you may have.

THIS IS NOT A MEDICARE SUPPLEMENT (MEDIGAP) PLAN. If you are or will become eligible for Medicare, review the free Guide to Health Insurance for People with Medicare available at www.medicare.gov.

This policy, alone, does not meet Massachusetts Minimum Creditable Coverage standards.
