SECTION 125 PLANS

SECTION 125 PLAN INFORMATION AND RULES

A Section 125 Plan provides a tax-saving way to pay for eligible medical or dependent care expenses. The funds are automatically deducted from your paycheck on a pre-tax basis.

HERE'S HOW IT WORKS

A Section 125 Plan reduces your taxes and increases your spendable income by allowing you to deduct the cost of eligible benefits from your earnings before tax. Plus, the plan is available to you at no cost, and you're already eligible – all you must do is enroll.

IS IT RIGHT FOR ME?

The savings you may experience with a Section 125 Plan are outlined in the example below. For instance, you could potentially take home about \$70 more each month if you participated in your employer's Section 125 Plan – that's a savings of \$840 a year!

You cannot change your benefit elections for the plan year unless the benefits office receives notification in writing within 31 days of the status change. If the benefits office is not notified within 31 days of the status change, no benefit change can be made until the next annual open enrollment.

IRS specified changes in family status include:

- Change in legal married status
- Change in number of dependents
- Termination or commencement of employment
- Dependent satisfies or ceases to satisfy dependent eligibility requirements
- Change in residence or worksite that affects eligibility for coverage

SECTION 125 PLAN SAMPLE PAYCHECK		
	WITHOUT S125	WITH S125

YOU COULD SAVE \$70 PER MONTH IN TAXES BY PAYING FOR YOUR BENEFITS ON A PRE-TAX BASIS!

HOSPITAL INDEMNITY INSURANCE

Aetna | www.myaetnasupplemental.com | 1.800.607.3366

Hospital stays are costly. If you or a family member find yourself in the hospital due to a sudden accident or illness, you may struggle financially, even if you have a good medical plan. With a hospital indemnity plan, you can rest assured those extra expenses won't be a financial burden.

Unlike medical plans, there are no deductibles to meet with a hospital indemnity plan. As soon as you incur a qualified event, you can file a claim and start receiving benefits.

The plan pays a lump sum benefit in a previously specified amount. The money can be used for medical costs, insurance deductibles, groceries, transportation, childcare – the choice is up to you!

Aetna Hospital Indemnity Plan

Be prepared for what lies ahead

Maybe you're expecting to have a hospital stay — or maybe not. Either way, you can plan ahead to give yourself an extra financial cushion.

What is the Hospital Indemnity Plan?

The insurance plan pays benefits when you have a planned, or unplanned hospital stay for an illness, injury, surgery or having a baby. The plan pays a lump-sum benefit for admission and a daily benefit for a covered hospital stay. You can use the benefits to help pay out-of-pocket medical costs or personal expenses.

How is this different from a major medical plan?

Medical plans help pay providers for services and treatment. But, they don't cover unexpected costs that might come with a stay in the hospital.

The Aetna Hospital Indemnity Plan pays benefits directly to **you**, giving you extra cash when you need it most. It can help fill in the gaps, making it a great companion to your major medical plan.

The Aetna Hospital Indemnity Plan is underwritten by Aetna Life Insurance Company (Aetna).

[Aetna.com](https://www.aetna.com)

57.03.509.1 (02/21)

How can you use the cash benefits?

It's completely up to you. You can use the money any way you want, like:

- Deductibles or copays
- Mortgage or rent
- Groceries or utility bills

...or for anything else you choose.

Easy to use

Online tools make it easy to manage your plan. File a claim in about 90 seconds or less if you have a covered stay in a hospital. And, benefits get paid directly to you by check or direct deposit.

Because it happens

More than 35 million Americans were hospitalized in 2016¹. The average hospital stay in the U.S. costs \$10,700².

Ready...or not

Carter* is a hard worker, so he doesn't always slow down to listen to his body. Before he knew it, a little cough turned into pneumonia — and a hospital stay.

Good thing he had the Aetna Hospital Indemnity Plan. He filed his claim and the benefits were deposited right into his bank account.

That money helped make up for the time he missed while recovering, and paid some of his deductible. Now, he can focus more on his health.

A Simplified Claims Experience™

MEDICAL FSA

A Medical Flexible Spending Account (Medical FSA) is an IRS-approved program to help you save taxes and reimburse yourself for out-of-pocket medical expenses not covered under your medical plan. Your employer has chosen the \$570 carryover option for your Medical FSA plan. This option allows you the opportunity to carry over up to \$570 of unclaimed Medical FSA funds into the following plan year. Keep in mind that balances more than \$570 will be forfeited under the use-it-or-lose-it rule.

Your maximum contribution amount for 2022 is \$2,850.

HIGHLIGHTS

- Contributions are automatically deducted from your paycheck on a pre-tax basis, which helps reduce your taxable income and increase your spendable income.
- Your full election will be available to you at the beginning of the plan year.
- Be conservative – any money left in your account at the end of the plan year will be forfeited.
- Use your benefits card to pay for qualified expenses upfront without spending money out of pocket.
- Keep all receipts in case you need to substantiate a claim for tax purposes.
- Requires a minimum annual contribution amount of \$300.

NOTE: The IRS requires proof that all expenses are eligible. Keep all receipts in case you need to substantiate a claim for tax purposes. Your receipt must include the date of purchase or service, amount you were required to pay after insurance, description of the product or service, merchant or provider name, and the patient's name.

DEPENDENT CARE FSA

With a Dependent Care Flexible Spending Account, you can set aside part of your pay on a pre-tax basis to pay for eligible dependent care expenses like childcare, babysitters, and adult day care.

**You may allocate up to \$5,000 per tax year for reimbursement of dependent care services.
If you are married and file a separate tax return, the limit is \$2,500.**

HIGHLIGHTS

- Eligible dependents must be claimed as an exemption on your tax return.
- Eligible dependents must be children under age 13 or an adult dependent incapable of self-care.
- Funds become available as contributions are made to your account.
- Keep all receipts in case you need to substantiate a claim for tax purposes.
- Balances will be forfeited at the end of the runoff or grace period.
- Requires a minimum annual contribution amount of \$300.

HEALTH SAVINGS ACCOUNTS

A Health Savings Account (HSA) is a great way to help you control your healthcare costs. It works in conjunction with a qualified High Deductible Health Plan (HDHP) to combine tax-free savings earmarked for qualified medical expenses. An HSA allows you to set aside money to pay for higher deductibles associated with a lower monthly premium HDHP. The money you save in monthly insurance premiums is reserved for eligible medical expenses you incur in the future. Eligible expenses include things like co-pays and deductibles, prescriptions, vision expenses, dental care, therapy, and medical supplies.

Understanding Your Dental Benefits Plan

The Preferred Dentist Program is designed to provide the dental coverage you need with the features you want. Like the freedom to visit the dentist of your choice – in or out of the network. .

If you receive in-network services, you will be responsible for any applicable deductibles, cost sharing, negotiated charges after benefit maximums are met, and costs for non-covered services. If you receive out-of-network services, you will be responsible for any applicable deductibles, cost sharing, charges in excess of the benefit maximum, charges in excess of the negotiated fee schedule amount or R&C Fee, and charges for non-covered services.

- Plan benefits for in-network covered services are based on a percentage of the Negotiated fee – the Fee that participating dentists have agreed to accept as payment in full for covered services, subject to any deductibles, copayments, cost sharing and benefit maximums. Negotiated fees are subject to change.
- Plan benefits for out-of-network services are based on a percentage of the Reasonable and Customary (R&C) charge. If you choose a dentist who does not participate in the network, your out-of-pocket expenses may be greater.

It is one of the best ways to show you care. During this year's open enrollment, you can increase your life insurance protection with a Term Life plan offered by your employer.

- Term life insurance is term life coverage you can purchase in addition to Permanent life insurance. It will cover you for the term life of the policy even if you leave the district.
- Plan amounts are offered in tiers so you can choose the amount of coverage that works best for you and your family.
- You can cover your dependents.
- Because it's a group plan, premiums are typically lower, so it's more affordable to gain the peace of mind that life insurance provides.
- You have the option to add riders to your policy, such as Accidental Death and Dismemberment Rider and Accelerated Benefit Rider for Long Term Care Illness.

Strengthen Your Family's Financial Plan

Life insurance is an important piece of a strong financial plan. While there is no replacement for the loss of a loved one, AF™ **Term Life Insurance** can help protect your family in your absence. It supplies short-term coverage at a competitive price. For those on a limited budget, Term Life Insurance can help fill temporary needs.

Life insurance provided by your employer is an important benefit. However, it may not be enough protection to provide for your loved ones.

A term life policy can help supplement your existing coverage should you need it. Plus, this is an individual policy which means you own it and can take it with you to a different job or in retirement.

AF™ **Term Life Insurance** is a great option for your working and earning years when costs are usually at their highest.

Premiums will remain the same for the initial term period selected.² The death benefit will not change for the life of the policy, and death benefits are generally paid tax free.

Why You Need Life Insurance

Consider the following expenses when choosing the right life insurance plan for you.

Three Easy Steps to Get Covered

- 1 Select a Term Period**
Choose from a 10, 20, or 30 year term.
- 2 Answer Three Health Questions⁴**
Only three health questions are required to issue coverage, and you don't have to participate in any invasive medical exams.
- 3 Get Death Benefit Coverage Immediately⁵**
Your death benefit coverage starts when you sign the application.

¹LIMRA: 2019 Insurance Barometer Study; March 29, 2019, p25. ²Rates will be adjusted on each renewed term period. ³LIMRA: The Facts of Life and Annuities - 2019 Update; January 7, 2020, p5. ⁴Issuance of the policy may depend on the answer to these questions. ⁵Interim coverage for death will be in force from the date your application is signed if on such date the proposed insured is insurable per our underwriting guidelines for the requested coverage in accordance with the terms of the policy. This interim coverage for death will remain in force until the earlier of: 1) the date a policy becomes effective; 2) the date we decline the application; or 3) the date we notify the proposed insured that they are ineligible for interim coverage. The employee and/or spouse must remain actively at work during the interim coverage period. If the death of the proposed insured occurs during the interim coverage period, the first month's premium will be subtracted from the policy proceeds. Interim coverage is only for death benefits under the base policy, Children's Term Rider and Spouse Term Rider. No interim coverage benefits are available under any Waiver of Premium Rider, Accidental Death and Dismemberment Rider, or Accelerated Benefit Rider for Long Term Illness. ⁶Example is based on a 20-year term, monthly, non-tobacco, base policy with no attached riders. For specific ages, rates, term periods or face amounts, see your American Fidelity account manager. ⁷Premiums remain level for the initial term period selected. If you choose the 10 or 20 Year Term Life Plan, the renewal date will be every 10 or 20 years until the policy anniversary following age 70 or 60 respectively. Thereafter, premiums are renewable annually. The 30 Year Term Life Plan is renewable annually after the initial term period. All term plans expire on the policy anniversary following age 90. Rates will be adjusted on each renewed term period.

Accelerated Benefit Summary and Disclosure Notice

THIS DOCUMENT SERVES ONLY AS A SUMMARY AND A DISCLOSURE NOTICE. PLEASE REFER TO YOUR POLICY OR RIDER FOR ACTUAL CONTRACT PROVISIONS.

THE POLICY/RIDER PROVIDES AN ACCELERATED BENEFIT OPTION. YOU SHOULD CONSULT WITH A PERSONAL TAX ADVISOR IF YOU ARE CONSIDERING ELECTING PAYMENT UNDER AN ACCELERATED BENEFIT PROVISION. BENEFITS AS SPECIFIED IN THE POLICY/RIDER WILL BE REDUCED UPON RECEIPT OF AN ACCELERATED BENEFIT PAYMENT. RECEIPT OF ACCELERATED BENEFIT PAYMENTS: 1) MAY BE TAXABLE; 2) MAY AFFECT YOUR ELIGIBILITY FOR BENEFITS UNDER STATE OR FEDERAL LAW; AND, 3) DO NOT AND ARE NOT INTENDED TO QUALIFY AS LONG-TERM CARE INSURANCE.

The policy and/or rider you are applying for has an Accelerated Benefit provision. The provision allows a portion of the death benefits to be advanced if certain conditions are met. Please see policy/rider for conditions and definitions, as applicable.

Prior to the payment of any Accelerated Benefit, the following conditions must be met:

- The maximum Accelerated Benefit varies by policy/rider (see specific information below) and shall not exceed the Benefit Amount for the policy shown on the Policy Schedule.
- Only one Accelerated Benefit election will be made under the policy and/or each rider even if the Owner does not elect the full acceleration amount.
- If two or more Accelerated Benefits are payable on behalf of the Insured/Covered Person under the policy or any attached riders for the same or related sickness, injury or loss, benefits will be paid in the following order:
 - 1) Accelerated Benefit for Long Term Illness, if this optional rider is attached to the policy; and
 - 2) Accelerated Benefit for Terminal Condition.
- Additional limitations and exclusions may apply, please read your policy/rider carefully.

Upon request to accelerate the policy/rider proceeds, and upon the payment of the accelerated benefit, the Owner and any irrevocable beneficiary shall be given a statement demonstrating the effect of the acceleration on the payment of policy proceeds, cash value, death benefit, premium, and policy loans, as applicable.

Accelerated Benefit for Terminal Condition

Prior to the payment of any Accelerated Benefit, the Insured/Covered Person must have a Terminal Condition, defined as an imminent death expected as a result of a non-correctable medical condition that with reasonable medical certainty will result in a drastically limited life span of the Insured/Covered Person of 12 months or less. The maximum payable is the lesser of: 50% of the eligible proceeds as defined in the policy/rider, or \$100,000. There is no premium associated with this provision.

Payment of an Accelerated Benefit, if elected, will have the following effect on your contract:

- Upon payment of the Accelerated Benefit, the policy/rider will remain in force. Any premiums due to keep the policy/rider in force will be paid by us, and will be deducted from the policy proceeds upon death, unless you are currently exercising the Automatic Premium Loan option. If you are currently exercising the Automatic Premium Loan option, any premiums will continue to be paid under this option, until such time as this option is exhausted or discontinued.
- Policy proceeds which are payable on the death of the Insured/Covered Person will be reduced by the amount of the Accelerated Benefit, any outstanding policy loans, and any premiums paid by us on your behalf.
- Cash values, if any, will continue to accumulate as specified in your policy or rider. Access to the policy cash value may be restricted to the excess of the cash value over the sum of the amount accelerated and any premiums paid by us and any other outstanding policy loans.

- Any outstanding loan, including interest will not be deducted from the Accelerated Benefit payment.
- This Accelerated Benefit will be treated as a lien against the death benefit and applied at time of death.

Accelerated Benefit for Long Term Illness (optional rider)

Prior to the payment of any Accelerated Benefit, the Insured must have a Long Term Illness, which means the Insured has been certified within the last 12 months by a Licensed Health Care Practitioner as permanently unable to perform, without Substantial Assistance from another individual, at least two out of five Activities of Daily Living for a period of at least 90 days due to a loss of functional capacity; or requiring Substantial Supervision due to permanent Severe Cognitive Impairment. The maximum payable is the lesser of 50% of the Eligible Proceeds available at the time of claim payable in two equal annual payments up to a maximum of 25% of the Eligible Proceeds per year for two consecutive years; or \$100,000 payable in two equal annual payments up to a maximum of \$50,000 per year for two consecutive years. Premium is required to keep this rider in force.

Payment of an Accelerated Benefit for Long Term Illness, if elected, will have the following effect on your contract:

- Upon payment of the Accelerated Benefit, the rider will terminate and no additional benefits will be due under the rider, even for recurrence. The policy will remain in force and premiums will continue to be billed and payable as due.
- Policy proceeds which are payable on the death of the Insured will be reduced by the amount of the Accelerated Benefit.
- Cash values, if any, will continue to accumulate as specified in your policy or rider. The cash values will be adjusted proportionally by the percent accelerated.
- Any outstanding policy loan, including interest, will be proportionally reduced by the percent accelerated and will be deducted from the Accelerated Benefit payment.
- The Accelerated Benefit will reduce the Benefit Amount and will be applied immediately upon acceleration.

You are advised to consult with a qualified tax advisor and with social service agencies concerning how receipt of such a payment will affect you, your spouse and your family's eligibility for public assistance.

Additional Policy Benefits

Accelerated Death Benefit Due to Chronic Illness Rider

Here's how it works:

- If you're no longer able to perform any two of the six activities of daily living (eating, bathing, dressing, toileting, transferring, maintaining continence) or if you suffer serious cognitive impairment, you can receive a living benefit.¹
 - Example: You own a \$100,000 Texas Life insurance policy with the Chronic Illness rider. A medical professional certifies that you can no longer perform 2 of the 6 activities or have suffered serious cognitive impairment, you can receive \$92,000 minus a \$150 processing fee.²
- The money is yours to do with as you choose: you do not have to go to a nursing home, convalescent center or receive home health care to receive the cash.
- The cost to add this valuable living benefit to your life insurance policy is minimal – just 10% of the policy's base premium.

For pennies a day, you can get both a living benefit, should you need it, and a death benefit if you don't.

- ¹ Six Activities of Daily Living include: bathing, continence, dressing, eating, toileting, and transferring. Severe Cognitive Impairment means a deterioration or loss in intellectual capacity that: (1) places the Insured in jeopardy of harming him/herself or others and, therefore, the Insured requires Substantial Supervision by another individual; and (2) is measured by clinical evidence and standardized tests which reliably measure impairment in: (a) short or long-term memory; (b) orientation to people, places or time; and (c) deductive or abstract reasoning.
- ² The Accelerated Death Benefit Rider for Chronic Illness pays 92% of the insurance proceeds less a \$150 administration fee (\$100 in FL) in lieu of the benefit payable at death. Conditions apply. Any outstanding loans will reduce the cash value and death benefit. This rider is not available in CA. Policy form series ULABR-CI-15 or ICC15-ULABR-CI-15.

DISABILITY INSURANCE

American Fidelity | www.americanfidelity.com | 1.800.654.8489

Have you ever wondered what would happen to your income if you had an accidental injury, sickness, or pregnancy? That is why you need disability coverage. It replaces a portion of income for the period you are unable to work due to those reasons. You can choose the benefit amount, which is the amount of your income to replace, and the waiting period that you begin receiving payments.

How do you decide if you need disability insurance? Consider these questions when making your decision:

- How much employer leave do you have?
- Do you have savings?
- Do you have other income you can rely on, such as from your spouse or from child support?
- How close are you to retirement?
- Could you go on Social Security Disability or take a Disability Retirement?
- What are your other sources of income?

ACCIDENT INSURANCE

Metlife | Group # 5929273 | www.metlife.com | 1.800.275.4638

BENEFIT PAYMENT EXAMPLE

Kathy's daughter, Molly, plays soccer on the varsity high school team. During a recent game, she collided with an opposing player, was knocked unconscious and taken to the local emergency room by ambulance for treatment. The ER doctor diagnosed a concussion and a broken tooth. He ordered a CT scan to check for facial fractures too, since Molly's face was very swollen. Molly was released to her primary care physician for follow-up treatment, and her dentist repaired her broken tooth with a crown. Depending on her health insurance, Kathy's out-of-pocket costs could run into hundreds of dollars to cover expenses like insurance co-payments and deductibles. MetLife Group Accident Insurance payments can be used to help cover these unexpected costs.

Aflac Group Critical Illness

INSURANCE – PLAN INCLUDES BENEFITS
FOR CANCER AND HEALTH SCREENING

We help take care of your
expenses while you take
care of yourself.

Aflac can help ease the financial stress of surviving a critical illness.

Chances are you may know someone who's been diagnosed with a critical illness. You can't help notice the difference in the person's life—both physically and emotionally. What's not so obvious is the impact a critical illness may have on someone's personal finances.

That's because while a major medical plan may pay for a good portion of the costs associated with a critical illness, there are a lot of expenses that may not be covered. And, during recovery, having to worry about out-of-pocket expenses is the last thing anyone needs.

That's the benefit of an Aflac Group Critical Illness plan.

It can help with the treatment costs of covered critical illnesses, such as a heart attack or stroke.

More importantly, the plan helps you focus on recuperation instead of the distraction of out-of-pocket costs. With the Critical Illness plan, you receive cash benefits directly (unless otherwise assigned)—giving you the flexibility to help pay bills related to treatment or to help with everyday living expenses.

What you need, when you need it.

Group critical illness insurance pays cash benefits that you can use any way you see fit.

Here's why the Aflac Group Critical Illness plan may be right for you.

The 403(b) can be an excellent way to save money for retirement. It can serve as a supplement to a traditional pension plan or other retirement plan(s), or as a stand-alone plan. The 403(b) is a tax deferred retirement plan available to employees of educational institutions and certain non-profit organizations as determined by section 501(c)(3) of the Internal Revenue Code. Contributions and investment earnings in a 403(b)-grow tax deferred until withdrawal (assumed to be retirement), at which time they are taxed as ordinary income. The 403(b) is named after the section of the IRS code governing it.

HOW A 403(B) WORKS

Employees enroll and participate through their employer. Contributions to a 403(b) are made on a pre-tax basis through a Salary Reduction Agreement. This is an arrangement where the participating employee agrees to take a reduction in salary. The amount by which the salary is reduced is directed to investments offered through the employer and selected by the employee. These contributions are called elective deferrals and are excluded from the employee's taxable income. Contributions grow tax-deferred until the time of retirement when withdrawals are taxed as ordinary income.

BENEFITS

- Tax deferred growth: no annual taxation on earnings
- Investment options: fixed annuities, variable annuities, or mutual funds
- Competitive interest rates
- Flexibility: start, stop, and adjust your contributions as allowed by your employer's plan.
- Receive periodic account statements

CONTRIBUTION LIMITS

Participants may contribute up to \$20,500 for year 2022. Participants aged 50 and older at any time during the calendar year are permitted to contribute an additional \$6,500 in 2022, for a total of \$27,000.

FFINVEST- 457(b)

You will not have to pay taxes on what you contribute, or your earnings made until you withdraw the money.
