PROTECT YOURSELF AGAINST ONE OF THE FASTEST GROWING CRIMES

Your identity is your most important asset. It defines who you are, determines how much you can borrow, and can be a deciding factor in employment. For these reasons, your identity is a target for online criminals. iLOCK360's identity protection solution provides multiple layers of defense to ensure the integrity of your identity.

In 2015, identity fraud affected 13.1 million consumers costing a total of \$15 billion. Last year, 20% of all fraud losses were due to new account fraud—meaning that fraudsters were opening new accounts under stolen identities, going beyond the usual credit card fraud many consumers anticipate. Keep your identity protected 24/7/365 with iLOCK360's comprehensive identity theft protection.
