WHAT INFORMATION IS REQUIRED TO COMPLETE MY CLAIM?

- Employee statement
- Attending physician statement
- Employer statement
- Signed authorization form for release of ongoing medical information

What else does Unum need from me? Follow-up with your physician's office is sometimes encouraged to ensure that his or her office responds to Unum's request for information.

HOW DOES UNUM ASSESS MY CLAIM?

Your claim will be assigned to a disability benefits specialist who is an experienced claims professional. Your disability benefits specialist will:

- Communicate with you and keep you informed
- Review your eligibility under the insurance contract
- Provide information on how benefits are paid
- Conduct periodic reviews of your disability claim
- Assist with return-to-work planning (if applicable)

Professionals such as physicians, nurses, case managers and vocational rehabilitation consultants may assist the disability benefits specialist with claim reviews.

ONGOING COMMUNICATION

Your claim status is available 24/7 through unum.com/claims or by the mobile app.

Additionally your disability specialist will provide written updates on your claim status at least every 30 days until a benefit determination is made.

Unum may require additional medical information to better understand your claim. The timing of the decision depends on how quickly the information is received. Unum will partner with you to gather all required information for the duration of your claim.

TIME FRAME FOR THE CLAIM PROCESS

Unum typically will make a benefit decision on your claim within these policy guidelines:

Ready to go back to work?

Unum offers return-to-work support, because most disabilities are not permanent in nature. When needed, Unum may offer to partner with you and/or your employer on:

- Transitional work schedules
- Modification of workspace
- Additional training
- Obtaining expertise from a vocational rehabilitation consultant

Is your claim lasting longer than expected?

Unum may, under certain circumstances, refer you to someone who can help you apply for benefits that may be available through the Social Security Disability Income program. **Please note that if you are approved for Social Security Disability Income benefits, your Unum benefits may be reduced.*
