

Interested in continuing to offer College Tuition Benefits?

As previously announced, after assessing the alignment of our products and services with our purpose and strategy, Guardian's Group Benefits will discontinue the College Tuition Benefit program as of December 31, 2022.

However, SAGE is pleased to provide employers who previously participated in Guardian's College Tuition Benefit (CTB) program with an option to continue to offer employees a way to save on higher education — with the direct purchase option — College Tuition Benefit Select. In addition to earning rewards to help pay for tuition at select SAGE network colleges and universities, participating members will receive useful college planning tools and guidance.

SAGE's College Tuition Benefit Select offering includes:

- **Tuition Rewards:** points that can be redeemed for guaranteed discounts on college undergraduate tuition, starting with the freshman year, at over 430 participating private colleges & universities.
- **Ready Set College:** web-based college planning tool for students in grades 8–12.
- **SAGE Prime:** a minimum discount of 10% at a separate network of schools.
- **SAGE Scholarship Program:** provides eligibility for a targeted cash scholarship and more.
