

Screening benefit with Guardian Cancer Insurance

Get money back for taking care of yourself

Every year, more and more people are being diagnosed with cancer and the number of new cancer cases is expected to rise to 23.6 million worldwide within the next two decades.¹ Guardian Cancer Insurance provides a lump-sum payment for diagnosis, certain procedures, screenings and treatment. Payments are made directly to you, regardless of medical insurance, and can be used for both medical and non-medical expenses, such as transportation to treatment facilities, medical plan deductibles, out-of-pocket costs, and everyday expenses like rent or mortgage payments.

And with Guardian Cancer Insurance, you have a Screening Benefit that gives you money back.

If you or a covered individual complete any of the following cancer screening procedures, you'll receive a benefit payment once a year as part of your insurance plan²:

- Bone marrow testing
- BRCA testing
- Breast ultrasound
- Breast MRI
- CA 15-3 (blood test for breast cancer)
- CA125 (blood test for ovarian cancer)
- CEA (blood test for colon cancer)
- Chest x-ray
- Colonoscopy/Virtual Colonoscopy
- CT scans /MRI scans
- Flexible sigmoidoscopy
- Hemocult stool analysis
- Mammography
- Pap smear /ThinPrep pap test
- PSA (blood test for prostate cancer)
- Serum protein electrophoresis (blood test for myeloma)
- Testicular ultrasound
- Thermography

Did you know?

Early detection of cancer through screening has been determined to reduce mortality from cancers of the colon and rectum, breast, uterine cervix, prostate, and lung.³

Submitting your wellness benefit claim is easy

- Log on to guardianlife.com and select "Login & Register" to register or access your account
- Under My Claims, click "Submit a claim," select Wellness and "Submit your Wellness claim online"
