

**Summary of the South Carolina Life and Accident and Health
Insurance Guaranty Association Act and
Notice Concerning Coverage Limitations and Exclusions**

Residents of South Carolina who hold life insurance, annuities, or health insurance policies should know that the insurance companies and health maintenance organizations (HMOs) licensed in this state to write these types of insurance are required by law to be members of the South Carolina Life and Accident and Health Insurance Guaranty Association (SCLAHIGA). The purpose of SCLAHIGA is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this happens, SCLAHIGA will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. However, the valuable extra protection provided by these insurers through SCLAHIGA is limited. Consumers should shop around for insurance coverage and exercise care and diligence when selecting insurance coverage.

Disclaimer

Under South Carolina law, the South Carolina Life and Accident and Health Insurance Guaranty Association (SCLAHIGA) may provide coverage of certain direct life insurance policies, accident and health insurance policies, annuity contracts and contracts supplemental to life, accident and health insurance policies and annuity contract claims (covered claims) if the insurer becomes impaired or insolvent. South Carolina law does not require the SCLAHIGA to provide coverage for every policy.
COVERAGE MAY NOT BE AVAILABLE FOR YOUR POLICY.

Coverage is generally conditioned upon residence in this state. Other conditions that may preclude or exclude coverage are described in this notice. Even if coverage is provided, there are significant limits and exclusions. Please read the entire notice for further details on limitations and exclusions.

Insurance companies and insurance agents are prohibited by law from using the existence of the SCLAHIGA or its coverage to sell you an insurance policy. You should not rely on the availability of coverage under SCLAHIGA when selecting an insurer. The South Carolina Life and Accident and Health Insurance Guaranty Association or the Department of Insurance will respond to any questions you may have which are not answered by this document.

If you think the law has been violated, you may file a written complaint with the SCLAHIGA or the South Carolina Department of Insurance at the addresses listed below:

This safety-net coverage is provided for in the South Carolina Life and Accident and Health Insurance Guaranty Association Act (the Act). The following summary of the Act's coverages, exclusions and limits does not cover all provisions of the Act; nor does it in any way change any person's rights or obligations under the Act or the rights or obligations of the SCLAHIGA.

COVERAGE

Generally, individuals will be protected by the SCLAHIGA if they live in this state and hold a covered life, accident, health or annuity policy, plan or contract issued by an insurer (including a health maintenance organization) authorized to conduct business in South Carolina. The beneficiaries, payees or assignees of insured persons may also be protected if they live in another state unless circumstances described under the Act exclude coverage.

EXCLUSIONS FROM COVERAGE

Persons who hold a covered life, accident, health or annuity policy, plan or contract are not protected by SCLAHIGA if:

- They are eligible for protection under the laws of another state (This may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state.);
- The insurer was not authorized to do business in this state; or
- They acquired rights to receive payments through a structured settlement factoring agreement.

SCLAHIGA also does not provide coverage for:

- A portion of a policy or contract or part thereof not guaranteed by the member insurer, or under which the risk is borne by the policy or contract owner;
- A policy or contract of reinsurance, unless assumption certificates have been issued;
- Interest rate or crediting rate yields or similar factors employed in calculating value changes that exceed an average rate;
- Any policy or contract issued by assessment mutuals, fraternal, and nonprofit hospital and medical service plans;
- Benefits payable by an employer, association or other person under: (a) a multiple employer welfare arrangement; (b) a minimum premium group insurance plan; (c) a stop-loss group insurance plan; or (d) an administrative services contract;
- A portion of a policy or contract to the extent that it provides for (a) dividends or experience rating credits; (b) voting rights; or (c) payment of any fees or allowances to any person, including the policy or contract owner, in connection with the service to or administration of the policy or contract;
- A portion of a policy or contract to the extent that the assessments required by Section 38-29-80 with respect to the policy or contract are preempted by federal or state law;
- An obligation that does not arise under the express written terms of the policy or contract issued by the member insurer to the enrollee, certificate holder, contract owner or policy owner, including without limitation: (a) Claims based on marketing materials; (b) Claims based on side letters, riders or other documents that were issued by the member insurer without meeting applicable policy or contract form filing or approval requirements; (c) Misrepresentations of or regarding policy or contract benefits; (d) Extra-contractual claims; or (e) A claim for penalties or consequential or incidental damages;
- An unallocated annuity contract;
- A policy or contract providing any hospital, medical, prescription drug or other health care benefits pursuant to Medicare Part C or D or Medicaid; or
- Interest or other changes in value to be determined by the use of an index or other external references but which have not been credited to the policy or contract or as to which the policy or contract owner's rights are subject to forfeiture, as of the date the member insurer becomes an impaired or insolvent insurer, whichever is earlier.

LIMITS ON AMOUNTS OF COVERAGE

The South Carolina Life and Accident and Health Insurance Guaranty Association Act also limits the amount that SCLAHIGA is obligated to pay for covered claims. The benefits for which SCLAHIGA may become liable shall in no event exceed the lesser of the following:

- (i) With respect to one life, regardless of the number of policies or contracts:
 - \$300,000 in life insurance death benefits, or not more than \$300,000 in net cash surrender and net cash withdrawal values for life insurance;
 - For health insurance benefits: (a) \$300,000 for coverages not defined as disability income insurance or health benefit plans or long-term care insurance, including any net cash surrender and net cash withdrawal values; (b) \$300,000 for disability income insurance; (c) \$300,000 for long-term care insurance; (d) \$500,000 for health benefit plans; or
 - \$300,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values;
- (ii) With respect to each payee of a structured settlement annuity or beneficiary if the payee is deceased, \$300,000 in present value annuity benefits, in the aggregate, including net cash surrender and net cash withdrawal values, if any,
- (iii) The association is not obligated to cover more than an aggregate of \$300,000 in benefits with respect to any one life except with respect to benefits for health benefit plans, in which case the aggregate liability of the association shall not exceed \$500,000 with respect to any one individual or with respect to one owner of multiple nongroup policies of life insurance, whether the policy or contract owner is an individual, firm, corporation, or other person, and whether the persons insured are officers, managers, employees, or other persons, more than \$5,000,000 in benefits, regardless of the number of policies and contracts held by the owner;
- (iv) The limitations on the benefits for which the association is obligated before taking into account either its subrogation and assignment rights or the extent to which those benefits could be provided out of the assets of the impaired or insolvent insurer attributable to covered policies. The costs of the association's obligations may be met by the use of assets attributable to covered policies or reimbursed to the association pursuant to its subrogation and assignment rights;
- (v) Benefits provided by a long-term care rider to a life insurance policy or annuity contract are considered the same type of benefits as the base life insurance policy or annuity contract to which it relates.

You are a Member if you are:

1. A regular employee of the Employer;
2. Actively At Work at least 30 hours each week (for purposes of the Member definition, Actively At Work will include regularly scheduled days off, holidays, or vacation days, so long as you are capable of Active Work on those days); and

(VAR MBR DEF) ST.BI.OT.1

WHEN YOUR INSURANCE BECOMES EFFECTIVE

A. When Insurance Becomes Effective

Subject to the **Active Work Provisions**, your insurance becomes effective as follows:

The **Coverage Features** states insurance is Contributory.

a. Contributory Insurance

You must apply in writing for Contributory insurance and agree to pay premiums. Contributory insurance becomes effective on:

- i. The date you become eligible if you apply on or before that date; or
- ii. The date you apply if you apply within 31 days after you become eligible.

Late application: The Preexisting Condition shown in the **Disabilities Excluded From Coverage** will apply if you apply for coverage more than 31 days after you become eligible.

b. Changes in Insurance During your Employers Enrollment Period

- i. If you were eligible but not insured for Contributory insurance under the Group Policy on the effective date, the Preexisting Condition will be waived for you if you apply during your Employer's 2025 One Time Open Enrollment Period.
- ii. If you were eligible but not insured for Contributory Insurance under the Group Policy, you may only apply for Contributory insurance during your Employer's Annual Enrollment Period.
- iii. If you are insured for Contributory insurance and elect to increase your elected benefit amount during Annual Enrollment, The Preexisting Condition will not apply for increases up to \$800 of elected monthly increments.

- iv. You may elect to change your Benefit Waiting Period and Maximum Benefit Period between Option 1 and Option 2. The Preexisting Condition will not apply.
- v. Annual Enrollment Period means the period designated each year by your Employer when you may change insurance elections.

Changes made during your Annual Enrollment Period will become effective at the beginning of the next plan year.

B. Takeover Provisions

- 1. If you were insured under the Prior Plan on the day before the effective date of your Employer's coverage under the Group Policy, your Eligibility Waiting Period is waived on the effective date of your Employer's coverage under the Group Policy.
- 2. The Preexisting Condition will apply to become insured if you were eligible for insurance under the Prior Plan for more than 31 days but were not insured.

(VAR EOI_NO 60 DAY PD) ST.EF.OT.1X

ACTIVE WORK PROVISIONS

A. Active Work Requirement

You must be capable of Active Work on the day before the scheduled effective date of your insurance or your insurance will not become effective as scheduled. If you are incapable of Active Work because of Physical Disease, Injury, Pregnancy or Mental Disorder on the day before the scheduled effective date of your insurance, your insurance will not become effective until the day after you complete one full day of Active Work as an eligible Member.

Active Work and Actively At Work mean performing with reasonable continuity the Material Duties of your Own Occupation at your Employer's usual place of business.

B. Changes In Insurance

This Active Work requirement also applies to any increase in your insurance.

ST.AW.OT.1

CONTINUITY OF COVERAGE

If your Disability is subject to the Preexisting Condition limitation, the limitation will not apply to your STD Benefits if all of the following are true:

- 1. You were insured under the Prior Plan on the day before the effective date of your Employer's coverage under the Group Policy;
- 2. You became insured under the Group Policy when your insurance under the Prior Plan ceased;
- 3. You were continuously insured under the Group Policy from the effective date of your insurance under the Group Policy through the date you became Disabled from the Preexisting Condition; and
- 4. Your Disability would not have been subject to any preexisting condition limitation or exclusion of the Prior Plan, if it had remained in force.

For such a Disability, the amount of your STD Benefit (before reduction by Deductible Income) will be the lesser of:

- a. The weekly benefit that would have been payable under the terms of the Prior Plan if it had remained in force; or
- b. The STD Benefit payable under the terms of the Group Policy, but without application of the Preexisting Condition limitation.

Your STD Benefits for such a Disability will end on the earlier of the following dates:

- a. The date benefits would have ended under the terms of the Prior Plan if it had remained in force; or
- b. The date STD Benefits end under the terms of the Group Policy, but without application of the Preexisting Condition limitation.

(PREEX) ST.CC.OT.1

WHEN YOUR INSURANCE ENDS

Your insurance ends automatically on the earliest of:

1. The date the last period ends for which a premium contribution was made for your insurance.
2. The date the Group Policy terminates.
3. The date your employment terminates.
4. The date you cease to be a Member. However, your insurance will be continued during the following periods when you are absent from Active Work, unless it ends under any of the above.
 - a. During the first 90 days of a temporary or indefinite administrative or involuntary leave of absence or sick leave, provided your Employer is paying you at least the same Predisability Earnings paid to you immediately before you ceased to be a Member. A period when you are absent from Active Work as part of a severance or other employment termination agreement is not a leave of absence, even if you are receiving the same Predisability Earnings.
 - b. During a leave of absence if continuation of your insurance under the Group Policy is required by a state-mandated family or medical leave act or law.
 - c. During any other temporary leave of absence approved by your Employer in advance and in writing and scheduled to last 30 days or less. A period of Disability is not a leave of absence.
 - d. During the Benefit Waiting Period and while STD Benefits are payable.

ST.EN.OT.1

REINSTATEMENT OF INSURANCE

If your insurance ends, you may become insured again as a new Member. However, the following will apply:

1. If you cease to be a Member because of a Disability that is not covered solely because of the exclusion for work related Disabilities, your insurance will end. However, if you become a Member again immediately after workers' compensation temporary benefits end, the Eligibility Waiting Period will be waived and the Preexisting Condition limitation will be applied as if your insurance had remained in effect during that period of Disability.
2. If you cease to be a Member because of a military leave of absence, your insurance will end; however, if you become a Member again within 12 months of the date you return from a military leave the Eligibility Waiting Period will be waived. With respect to the Preexisting Condition Exclusion or Preexisting Condition Limitation, the exclusion period will be reduced by any continuous period as an insured Member under the Group Policy prior to the date your insurance ended.
3. If your insurance ends because you are on a federal or state-mandated family or medical leave of absence, and you become a Member again immediately following the period allowed, your insurance will be reinstated pursuant to the federal or state-mandated family or medical leave act or law.

4. The Preexisting Condition limitation will be applied as if insurance had remained in effect in the following instances:
 - a. If you become insured again within 90 days.
 - b. If required by federal or state-mandated family or medical leave act or law and you become insured again immediately following the period allowed under the family or medical leave act or law.
5. In no event will insurance be retroactive.

(NONOCC_PREEX) ST.RE.OT.4X

DEFINITION OF DISABILITY

You are Disabled if you meet the following Own Occupation definition of Disability:

You are required to be Disabled only from your Own Occupation. You are Disabled from your Own Occupation if, as a result of Physical Disease, Injury, Pregnancy or Mental Disorder:

1. You are unable to perform with reasonable continuity the Material Duties of your Own Occupation; and
2. You suffer a loss of at least 20% in your Predisability Earnings when working in your Own Occupation for your Employer.

You may work in another occupation while you meet the Own Occupation definition of Disability. However, you will no longer be Disabled when your Work Earnings from another occupation exceed 80% of your Predisability Earnings.

Your Work Earnings may be Deductible Income. See **Return To Work Provisions** and **Deductible Income**.

Own Occupation means the job you are regularly performing for your Employer when Disability begins.

Material Duties means the usual duties you perform in your regular job with your Employer, that cannot be reasonably modified or omitted. In no event will we consider working more than 8 hours per day or an average of more than 40 hours per week to be a Material Duty.

(OWN_JOB_DEF_WITH_40_WITH_PARTL) ST.DD.SC.2

RETURN TO WORK PROVISIONS

A. Return To Work Responsibility

No STD Benefits will be paid for any period of Disability when you are able to work in your Own Occupation and able to earn at least 20% of your Predisability Earnings, but you elect not to work.

B. Return To Work Incentive

You may serve your Benefit Waiting Period while working if you meet the Own Occupation definition of Disability.

You are eligible for the Return To Work Incentive on the first day you work after the Benefit Waiting Period if STD Benefits are payable on that date.

Your Work Earnings will be Deductible Income as determined in 1., 2. and 3.

1. Determine the amount of your STD Benefit as if there were no Deductible Income, and add your Work Earnings to that amount.
2. Determine 100% of your Predisability Earnings.

3. If 1. is greater than 2., the difference will be Deductible Income.

C. Work Earnings Definition

Work Earnings means your gross weekly earnings from work you perform while Disabled, plus the earnings you could receive if you worked as much as you are able to, considering your Disability, in work that is reasonably available in your Own Occupation. Work Earnings includes sick pay, vacation pay, annual or personal leave pay or other salary continuation earned or accrued while working.

Earnings from work you perform will be included in Work Earnings when you have the right to receive them. If you are paid in a lump sum or on a basis other than weekly, we will prorate your Work Earnings over the period of time to which they apply. If no period of time is stated, we will use a reasonable one.

In determining your Work Earnings we:

1. Will use the financial accounting method you use for income tax purposes, if you use that method on a consistent basis.
2. Will not be limited to the taxable income you report to the Internal Revenue Service.
3. May ignore expenses under section 179 of the IRC as a deduction from your gross earnings.
4. May ignore depreciation as a deduction from your gross earnings.
5. May adjust the financial information you give us in order to clearly reflect your Work Earnings.

If we determine that your earnings vary substantially from week to week, we may determine your Work Earnings by averaging your earnings over the most recent four-week period. You will no longer be Disabled when your average Work Earnings over the last four weeks exceed 80% of your Predisability Earnings.

(RTW RESP) ST.RW.OT.2

REASONABLE ACCOMMODATION EXPENSE BENEFIT

If you return to work in any occupation for any employer, not including self-employment, as a result of a reasonable accommodation made by such employer, we will pay that employer a Reasonable Accommodation Expense Benefit in an amount agreed to by us, but not to exceed the expenses incurred.

The Reasonable Accommodation Expense Benefit is payable only if the reasonable accommodation is approved by us in writing prior to its implementation.

ST.RA.OT.1

TEMPORARY RECOVERY

You may temporarily recover from your Disability during the Maximum Benefit Period, and then become Disabled again from the same cause or causes, without having to serve a new Benefit Waiting Period. Temporary Recovery means you cease to be Disabled for no longer than the applicable allowable period. See **Definition Of Disability**.

A. Allowable Period

The allowable period of recovery during the Maximum Benefit Period is: a total of 90 days of recovery.

B. Effect Of Temporary Recovery

If your Temporary Recovery does not exceed the Allowable Period, the following will apply.

1. The Predisability Earnings used to determine your STD Benefit will not change.
2. The period of Temporary Recovery will not count toward your Maximum Benefit Period.
3. No STD Benefits will be payable for the period of Temporary Recovery.
4. No STD Benefits will be payable after benefits become payable to you under any other disability insurance plan under which you become insured during your period of recovery.
5. Except as stated above, the provisions of the Group Policy will be applied as if there had been no interruption of your Disability.

ST.TR.OT.2

WHEN STD BENEFITS END

Your STD Benefits end automatically on the earliest of:

1. The date you are no longer Disabled.
2. The date your Maximum Benefit Period ends.
3. The date you die.
4. The date long term disability benefits become payable to you under a group long term disability policy, even if that occurs before the end of the Maximum Benefit Period.
5. The date benefits become payable to you under any other disability insurance plan under which you become insured through employment during a period of Temporary Recovery.
6. The date you fail to provide proof of continued Disability and entitlement to STD Benefits.

(REV LTD LIM) ST.BE.OT.3

PREDISABILITY EARNINGS

Your Predisability Earnings will be based on your earnings in effect on your last full day of Active Work. Any subsequent change in your earnings will not affect your Predisability Earnings.

Predisability Earnings means your weekly rate of earnings from your Employer, including:

1. Contributions you make through a salary reduction agreement with your Employer to:
 - a. An Internal Revenue Code (IRC) Section 401(k), 403(b), 408(k), 408(p), or 457 deferred compensation arrangement; or
 - b. An executive nonqualified deferred compensation arrangement.
2. Commissions averaged over the prior 52 weeks or over the period of your employment if less than 52 weeks.
3. Bonuses averaged over the prior 156 weeks or over the period of your employment if less than 156 weeks.
4. Shift differential pay.
5. Amounts contributed to your fringe benefits according to a salary reduction agreement under an IRC Section 125 plan.

Predisability Earnings does not include:

1. Overtime pay.

2. Stock options or stock bonuses.
3. Your Employer's contributions on your behalf to any deferred compensation arrangement or pension plan.
4. Any other extra compensation.

If you are paid on an annual contract basis, your weekly rate of earnings is one fifty-second (1/52nd) of your annual contract salary.

If you are paid hourly, your weekly rate of earnings is based on your hourly pay rate multiplied by the number of hours you are regularly scheduled to work per week, but not more than 40 hours. If you do not have regular work hours, your weekly rate of earnings is based on the average number of hours you worked per week during the preceding 52 weeks (or during your period of employment if less than 52 weeks), but not more than 40 hours.

(REG WITH COM_BON_NO STOCK) ST.PD.OT.1

DEDUCTIBLE INCOME

Subject to **Exceptions To Deductible Income**, Deductible Income means:

1. Your Work Earnings, as described in the **Return To Work Provisions**.
2. Any amount you receive or are eligible to receive because of your disability under a state disability income benefit law or similar law.
3. Any amount you receive or are eligible to receive because of your disability under another group insurance coverage.
4. Any disability or retirement benefits you receive or are eligible to receive under your Employer's retirement plan, including a public employee retirement system, a state teacher retirement system, and a plan arranged and maintained by a union or employee association for the benefit of its members. You and your Employer's contributions will be considered as distributed simultaneously throughout your lifetime, regardless of how funds are distributed from the retirement plan.

If any of these plans has two or more payment options, the option which comes closest to providing you a monthly income for life with no survivors benefit will be Deductible Income, even if you choose a different option.

5. Any amount you receive or are eligible to receive under any unemployment compensation law or similar act or law.
6. Any amount you receive or are eligible to receive from or on behalf of a third party because of your disability, whether by judgment, settlement or other method. If you notify us before filing suit or settling your claim against such third party, the amount used as Deductible Income will be reduced by a pro rata share of your costs of recovery, including reasonable attorney fees.
7. Any amount you receive by compromise, settlement, or other method as a result of a claim for any of the above, whether disputed or undisputed.

(PUB_NONOCC_WITH RTW_NO OTHR OFFST_WITH 3RD) ST.DI.OT.1X

EXCEPTIONS TO DEDUCTIBLE INCOME

Deductible Income does not include:

1. Any cost of living increase in any Deductible Income other than Work Earnings, if the increase becomes effective while you are Disabled and while you are eligible for the Deductible Income.
2. Reimbursement for hospital, medical, or surgical expense.

3. Reasonable attorneys fees incurred in connection with a claim for Deductible Income.
4. Benefits from any individual disability insurance policy.
5. Group credit or mortgage disability insurance benefits.
6. Accelerated death benefits paid under a life insurance policy.
7. Benefits from the following:
 - a. Profit sharing plan.
 - b. Thrift or savings plan.
 - c. Deferred compensation plan.
 - d. Plan under IRC Section 401(k), 408(k), 408(p), or 457.
 - e. Individual Retirement Account (IRA).
 - f. Tax Sheltered Annuity (TSA) under IRC Section 403(b).
 - g. Stock ownership plan.
 - h. Keogh (HR-10) plan.

(PUB_NO OTHR OFFST) ST.ED.OT.1

RULES FOR DEDUCTIBLE INCOME

A. Weekly Equivalents

Each week we will determine your STD Benefit using the Deductible Income for the same weekly period, even if you actually receive the Deductible Income in another week.

If you are paid Deductible Income in a lump sum or by a method other than weekly, we will determine your STD Benefit using a prorated amount. We will use the period of time to which the Deductible Income applies. If no period of time is stated, we will use a reasonable one.

B. Your Duty To Pursue Deductible Income

You must pursue Deductible Income for which you may be eligible. We may ask for written documentation of your pursuit of Deductible Income. You must provide it within 60 days after we mail you our request. Otherwise, we may reduce your STD Benefits by the amount we estimate you would be eligible to receive upon proper pursuit of the Deductible Income.

C. Pending Deductible Income

We will not deduct pending Deductible Income until it becomes payable. You must notify us of the amount of the Deductible Income when it is approved. You must repay us for the resulting overpayment of your claim.

D. Overpayment Of Claim

We will notify you of the amount of any overpayment of your claim under any group disability insurance policy issued by us. You must immediately repay us. You will not receive any STD Benefits until we have been repaid in full. In the meantime, any STD Benefits paid, including the Minimum STD Benefit, will be applied to reduce the amount of the overpayment. We may charge you interest at the legal rate for any overpayment which is not repaid within 30 days after we first mail you notice of the amount of the overpayment.

ST.RU.OT.1

SUBROGATION

If STD Benefits are paid or payable to you under the Group Policy as the result of any act or omission of a third party, we will be subrogated to all rights of recovery you may have in respect to such act or omission. You must execute and deliver to us such instruments and papers as may be required and do whatever else is needed to secure such rights. You must avoid doing anything that would prejudice our rights of subrogation.

If you notify us before filing suit or settling your claim against such third party, the amount to which we are subrogated will be reduced by a pro rata share of your costs of recovery, including reasonable attorney fees. If suit or action is filed, we may record a notice of payments of STD Benefits, and such notice shall constitute a lien on any judgment recovered.

If you or your legal representative fail to bring suit or action promptly against such third party, we may institute such suit or action in our name or in your name. We are entitled to retain from any judgment recovered the amount of STD Benefits paid or to be paid to you or on your behalf, together with our costs of recovery, including attorney fees. The remainder of such recovery, if any, shall be paid to you or as the court may direct.

There will be no charge for such copies. You may request the names of medical or vocational experts who provided advice to us about your claim.

The person conducting the review will be someone other than the person who denied the claim and will not be subordinate to that person. The person conducting the review will not give deference to the initial denial decision. If the denial was based on a medical judgment, the person conducting the review will consult with a qualified health care professional. This health care professional will be someone other than the person who made the original medical judgment and will not be subordinate to that person. Our review will include any written comments or other items you submit to support your claim.

We will review your claim promptly after we receive your request. Within 45 days after we receive your request for review we will send you: (a) a written decision on review; or (b) a notice that we are extending the review period for 45 days. If the extension is due to your failure to provide information necessary to decide the claim on review, the extended time period for review of your claim will not begin until you provide the information or otherwise respond.

If we extend the review period, we will notify you of the following: (a) the reasons for the extension; (b) when we expect to decide your claim on review; and (c) any additional information we need to decide your claim.

If we request additional information, you will have 45 days to provide the information. If you do not provide the requested information within 45 days, we may conclude our review of your claim based on the information we have received.

No misrepresentation will be used to reduce or deny a claim or contest the validity of insurance unless:

1. The insurance would not have been approved if we had known the truth; and
2. We have given you or any person claiming benefits a copy of the signed written instrument which contains your misrepresentation.

2. The difference between the amount paid and the amount which would have been paid if the age had been correctly stated.

ST.CE.OT.1

TERMINATION OR AMENDMENT OF THE GROUP POLICY

The Group Policy may be terminated by us or the Policyholder according to its terms. It will terminate automatically for nonpayment of premium. The Policyholder may terminate the Group Policy in whole, and may terminate insurance for any class or group of Members, at any time by giving us written notice.

Benefits under the Group Policy are limited to its terms, including any valid amendment. No change or amendment will be valid unless it is approved in writing by one of our executive officers and given to the Policyholder for attachment to the Group Policy. If the terms of the certificate differ from the Group Policy, the terms stated in the Group Policy will govern. The Policyholder, your Employer, and their respective employees or representatives have no right or authority to change or amend the Group Policy or to waive any of its terms or provisions without our signed written approval.

We may change the Group Policy in whole or in part when any change or clarification in law or governmental regulation affects our obligations under the Group Policy, or with the Policyholder's consent.
