Orthodontic Services

Orthodontic Services Orthodontic Diagnostic Procedures and Treatment Lifetime Maximum per Participant	Not Covered
--	-------------

Dental implants are not covered.

The above is a listing of common services available through your network of Contracting Dentists.

The Member's share of the cost is determined by whether care is received from a Contracting or Non-Contracting Dentist.

All benefits are based upon the Allowable Amount, which is the amount determined by BCBSTX as the maximum amount eligible for payment of benefits. A Contracting Dentist cannot balance bill for charges in excess of the Allowable Amount. Benefits for covered services provided by a Non-Contracting Dentist will be based upon the same Allowable Amount, and it is likely that the Non-Contracting Dentist will balance bill for amounts above this, resulting in higher out-of-pocket expenses.

This plan includes BlueCare Dental Enhanced BenefitSM. The Enhanced Benefit provides additional dental benefits, such as an extra cleaning for members with specific health issues. Please refer to your Dental Benefit Booklet for additional benefit information.
