Know your options

Sheldon ISD provides a wide array of valuable benefits, from medical coverage to life insurance, dental plans and wellness programs.

Take your time. Study your options.

Everyone has different needs, health challenges, budgets, and goals. By choosing your options carefully, you and your family can get the coverage that fits your needs.

FREQUENTLY ASKED QUESTIONS

WHAT IS GUARANTEE ISSUE (GI)?

Also referred to as Guaranteed Acceptance, GA, means that you can't be turned down for health reasons. Guaranteed Issue is typically offered during initial enrollment for benefits.

WHAT IS A "PRE-EXISTING CONDITION"?

A pre-existing condition is a disease or physical condition for which symptoms existed or medical advice or treatment was recommended or received prior to the effective date of coverage.

WHAT IS A DEDUCTIBLE?

A deductible is what you must pay for your health care before your insurance pays its part. Most plans have deductibles, which start over when you "PLAN YEAR" starts over. For example, if your plan has a \$1000 deductible and you have surgery that costs \$5,000, you'll pay \$1,000 before your insurer helps you cover your bills.

WHAT IS A CO-PAY OR CO-INSURANCE?

A copay is a small, fixed amount -often \$10 or \$30- that you pay for covered services like a prescription or a doctor's visit. Some health plans also apply coinsurance to certain services. With it, you pay a percentage of the total cost of care. For example, if you have a 20% coinsurance, and your doctor's appointment costs \$300, you will pay \$60, if you have met your deductible.

WHAT DOES OUT-OF-POCKET MAXIMUM MEAN?

Your out-of-pocket maximum is the most you must pay each year toward your medical services or prescription drugs before your insurance pays for all of your care. This amount does not include what you pay in premiums. The Affordable Care Act limits the out-of-pocket maximums.

WHAT DOES EOB MEAN?

After you've visited your doctor or had a procedure in a hospital, you'll receive an Explanation of Benefits (EOB) form explaining how much of the charges your insurance will pay. The EOB isn't a bill itself, but it can tell you what your doctor may charge you. Look for the words "due from patient" to see how much you may owe after your insurance pays.

BEFORE YOU GET CERTAIN TESTS OR PROCEDURES, DO YOU NEED PERMISSION FROM YOUR HEALTH INSURANCE PLAN?

If your doctor says you need a test or procedure, your health plan may have to give permission if it is to be covered by insurance. Giving that permission is called preauthorization or referral. Your plan's overview of benefits lists what care needs to be preauthorized. If you don't get the preauthorization when it's required, your health plan will not pay its part of the costs.

SECTION 125 PLANS

SECTION 125 PLAN INFORMATION AND RULES

A Section 125 Plan provides a tax-saving way to pay for eligible medical or dependent care expenses. The funds are automatically deducted from your paycheck on a pre-tax basis.

HERE'S HOW IT WORKS

A Section 125 Plan reduces your taxes and increases your spendable income by allowing you to deduct the cost of eligible benefits from your earnings before tax. Plus, the plan is available to you at no cost, and you're already eligible – all you must do is enroll.

IS IT RIGHT FOR ME?

The savings you may experience with a Section 125 Plan are outlined in the example below. For instance, you could potentially take home about \$70 more each month if you participated in your employer's Section 125 Plan – that's a savings of \$840 a year!

You cannot change your benefit elections for the plan year unless the benefits office receives notification in writing within 31 days of the status change. If the benefits office is not notified within 31 days of the status change, no benefit change can be made until the next annual open enrollment.

IRS specified changes in family status include:

- Change in legal married status
- Change in number of dependents
- Termination or commencement of employment
- Dependent satisfies or ceases to satisfy dependent eligibility requirements
- Change in residence or worksite that affects eligibility for coverage

Ameritas Dental Network

- The Ameritas Dental Network is one of the nation's largest. Contracted network providers have agreed to charge 25-50% less than their regular rates which helps benefit dollars go further.
- Members can visit any dentist, in- or out-of-network. And family members do not need to visit the same provider. Members can even visit dental providers in Mexico and still receive coverage.

Passive MAC

- Lower rates are achieved in part by limiting what is paid per procedure on non-network claims to the same amount that contracted providers have agreed to charge (called the Maximum Allowable Charge, or MAC).
- Members who use a contracted provider are guaranteed their dental fees will be at or under MAC limits.
- MAC may vary based on dental office ZIP Code and are reviewed annually.

Flex 6 - Flat Maximum

- Lets plan members pay for their dental plan with pretax dollars.
- Allows groups with low participation to enroll in a dental plan with guaranteed coinsurance, deductible and maximums.

Rx Savings - Extra value for Ameritas plan members

- It's no secret that prescription medications can be one of the biggest - and most important - health care expenditures a person, family or organization faces. Not to mention, when a person requires long-term maintenance medications, it can become a serious budgeting issue.
- Our valued plan members and their covered dependents can save on prescription medications at over 60,000 pharmacies across the nation including CVS, Walgreens, Rite Aid and Walmart. This Rx discount is offered at no additional cost, and it is not insurance.

- To receive the Rx discount, Ameritas plan members just need to visit us at ameritas.com and sign into (or create) a secure member account. That's where they can access and print an online-only Rx discount savings ID card.

MEDICAL FSA

A Medical Flexible Spending Account (Medical FSA) is an IRS-approved program to help you save taxes and pay for out-of-pocket medical expenses not covered under your medical plan. If your plan includes a grace period option, you have additional time to incur and claim against unused funds in the new plan year. Keep in mind that remaining balances after the grace period is exhausted will be forfeited under the use-it-or-lose-it rule.

Your maximum contribution amount for 2024 is \$3,200.

HIGHLIGHTS

- Contributions are automatically deducted from your paycheck on a pre-tax basis, which helps reduce your taxable income and increase your spendable income.
- Your full election will be available to you at the beginning of the plan year.
- Be conservative – any money left in your account at the end of the plan year will be forfeited.
- Use your benefits card to pay for qualified expenses upfront without spending money out of pocket.
- Keep all receipts in case you need to substantiate a claim for tax purposes.

NOTE: The IRS requires proof that all expenses are eligible. Keep all receipts in case you need to substantiate a claim for tax purposes. Your receipt must include the date of purchase or service, amount you were required to pay after insurance, description of the product or service, merchant or provider name, and the patient's name.

DEPENDENT CARE FSA

With a Dependent Care Flexible Spending Account, you can set aside part of your pay on a pre-tax basis to pay for eligible dependent care expenses like childcare, babysitters, and adult day care.

You may allocate up to \$5,000 per tax year for reimbursement of dependent care services.
If you are married and file a separate tax return, the limit is \$2,500.

HIGHLIGHTS

- Eligible dependents must be claimed as an exemption on your tax return.
- Eligible dependents must be children under age 13 or an adult dependent incapable of self-care.
- Funds become available as contributions are made to your account.
- Keep all receipts in case you need to substantiate a claim for tax purposes.
- Balances will be forfeited at the end of the runoff or grace period.

☰ Additional Feature

Accelerated Death Benefit

If you become terminally ill, you may be eligible to receive up to 80 percent of your combined Basic and Additional Life benefit to a maximum of \$500,000.

How Much Life Insurance Do You Need?

After a death in the family, there are many unexpected expenses. Your benefits could help your family pay for:

- Outstanding debt
- Burial expenses
- Medical bills
- Your children's education
- Daily expenses

To estimate your insurance needs, you'll need to consider your unique circumstances. Use our online calculator at www.standard.com/life/needs.

How Much Your Coverage Costs

Your Basic Life insurance is paid for by Sheldon Independent School District. If you choose to purchase Additional Life coverage, you'll have access to competitive group rates, which may be more affordable than those available through individual insurance. You'll also have the convenience of having your premium deducted directly from your paycheck. How much your premium costs depends on a number of factors, such as your age and the benefit amount.

Use this formula to calculate your premium payment:

If you buy coverage for your spouse, your monthly rate is shown in the table below. Use the same formula to calculate the premium that you used for yourself, but use your age and your spouse's rate.

If you buy Dependent Life coverage for your child(ren), your monthly rate is \$0.10 per \$1,000, no matter how many children you're covering.

Age (as of September 1)	Your Rate (Per \$1,000 of Total Coverage)	Your Spouse's Rate (Per \$1,000 of Total Coverage)
<25	\$0.08	\$0.08
25–29	\$0.09	\$0.09
30–34	\$0.11	\$0.11
35–39	\$0.13	\$0.13
40–44	\$0.18	\$0.18
45–49	\$0.28	\$0.28
50–54	\$0.44	\$0.44
55–59	\$0.70	\$0.70
60–64	\$0.87	\$0.87
65–69	\$1.49	\$1.49
70–74	\$2.37	\$2.37
75+	\$3.64	\$3.64

You may have a different effective date for Life coverage below and above the guarantee issue amount.

If your dependent is confined to a hospital or nursing home on the scheduled effective date of your dependent's insurance, your dependent's insurance will not become effective until the day the dependent is released.

Conversion

If your insurance reduces or ends, you may be eligible to convert your existing Life insurance to an individual life insurance policy without submitting proof of good health.

Exclusions

Subject to state variations, you and your spouse are not covered for death resulting from suicide or other intentionally self-inflicted injury, while sane or insane. The amount payable will exclude amounts that have not been continuously in effect for at least two years on the date of death.

When Your Insurance Ends

Your insurance ends automatically when any of the following occur:

- The date the last period ends for which a premium was paid
- The date your employment terminates
- The date you cease to meet the eligibility requirements (insurance may continue for limited periods under certain circumstances)
- The date the group policy, or your employer's coverage under the group policy, terminates
- For each elective insurance coverage, the date that coverage terminates under the group policy

In addition to the above requirements, your Dependent Life coverage ends automatically on the date your dependent ceases to meet the eligibility requirements for a dependent.

For more details on when your insurance ends, contact your human resources representative or plan administrator.

Group Insurance Certificate

If coverage becomes effective and you become insured, you may receive a group insurance certificate containing a detailed description of the insurance coverage, including the definitions, exclusions, limitations, reductions and terminating events. The controlling provisions will be in the group policy. The information present in this summary does not modify the group policy, certificate or the insurance coverage in any way.

ADDITIONAL POLICY BENEFITS

Accelerated Death Benefit Due to Chronic Illness Rider

Included with the life contract for employees and their spouses at an additional cost, this valuable living benefit can help offset the unplanned expense of care should the insured be faced with a qualifying disabling chronic illness or severe cognitive impairment.

Here's how it works:

- If you're no longer able to perform any two of the six Activities of Daily Living or if you suffer severe cognitive impairment, you can receive a living benefit.⁴
 - Example: You own a \$100,000 Texas Life insurance policy with the Chronic Illness rider. A medical professional certifies that you can no longer perform two of the six Activities of Daily Living or have suffered serious cognitive impairment. You can apply for a lump sum of \$92,000 minus a \$150 processing fee.⁵
- The money is yours to do with as you choose: you do not have to go to a nursing home, convalescent center or receive home health care to receive the cash.
- The cost to add this valuable living benefit to your life insurance policy is minimal – just 10% of the policy's base premium.

*A death benefit for your family,
or a living benefit should you need it.*

PureLife-plus is a Flexible Premium Adjustable Life Insurance to Age 121. As with most life insurance products, it is not available in all states. Please contact a Texas Life representative or see the PureLife-plus brochure for complete details. Not available in California, Florida, New York, and Puerto Rico. Not available in all states except New York, Puerto Rico, and the District of Columbia. Not available in California, Florida, New York, and Puerto Rico. ICC18-PRFN state but New York.

- 4 Six Activities of Daily Living include: bathing, continence, dressing, eating, toileting, and transferring. Severe Cognitive Impairment means a deterioration or loss in intellectual capacity that: (1) places the Insured in jeopardy of harming him/herself or others and, therefore, the Insured requires Substantial Supervision by another individual; and (2) is measured by clinical evidence and standardized tests which reliably measure impairment in: (a) short or long-term memory; (b) orientation to people, places or time; and (c) deductive or abstract reasoning.
- 5 The Accelerated Death Benefit Rider for Chronic Illness pays 92% of the insurance proceeds less a \$150 administration fee (\$100 in FL) in lieu of the benefit payable at death. Any outstanding loans will reduce the cash value and death benefit. Contract form series ULABR-CI-15 or ICC15-ULABR-CI-15. Payment of this rider terminates the contract and any obligations under other riders, endorsements and supplemental benefits as if the insured had died.

Accidental Death Benefit Rider

Included in the contract at the option of your employer, the Accidental Death Benefit Rider covers all employees and spouses between the ages of 17-59.⁶ This rider costs \$0.08 per thousand of face amount per month and pays the insured's beneficiary double the death benefit⁷ if the insured dies within 180 days of an accident from injuries incurred in that accident (90 days in FL, ND, and SD)⁸. The benefit is payable through the insured's age 65. Maximum in-force limits and exclusions apply. See the complete list of exceptions to coverage on the following page.

According to the Centers for Disease Control, accidents continue to be a leading cause of death in the U.S.⁹

You can qualify by answering just 3 questions¹⁰ – no exams or needles.

During the last six months, has the proposed insured:

1. Been actively at work on a full time basis, performing usual duties?
2. Been absent from work due to illness or medical treatment for a period of more than 5 consecutive working days?
3. Been disabled or received tests, treatment or care of any kind in a hospital or nursing home or received chemotherapy, hormonal therapy for cancer, radiation, dialysis treatment, or treatment for alcohol or drug abuse?

⁶ Available to children at issue age 17-26, and grandchildren ages 17-18.

⁷ The accidental death benefit is paid in addition to and for the same amount as the contract's death benefit.

⁸ Rider details may vary by state. Conditions apply. See contract for complete coverage description. Form ICC 07-ULCL-ADB-07 or Form Series ULCL-ADB-07.

LIFE INSURANCE HIGHLIGHTS

For the employee

PURELIFE-PLUS

Voluntary permanent life insurance can be an ideal complement to the group term and optional term life insurance your employer might provide. This voluntary permanent universal life product is yours to keep, even when you change jobs or retire, as long as you pay the necessary premium. Group and voluntary term life insurance may be portable if you change jobs, but even if you can keep them after you retire, they usually cost more and decline in death benefit.

The contract, PURELIFE-PLUS, is underwritten by Texas Life Insurance Company, and it has the following features:

- **High Death Benefit.** Written on a minimal cash-value Universal Life frame, PURELIFE-PLUS features one of the highest death benefits per payroll-deducted dollar offered at the worksite.¹
- **Refund of Premium.** Unique in the workplace, PURELIFE-PLUS offers you a refund of 10 years' premium, should you surrender the contract if initial specified premium paid for ever increases. *(Conditions apply.)*
- **Accelerated Death Benefit Due to Terminal Illness Rider.** Should you be diagnosed as terminally ill with the expectation of death within 12 months, you will have the option to receive 92% of the death benefit, minus a \$150 (\$100 in Florida) administrative fee. Included with your contract at no additional cost, this valuable living benefit helps give you peace of mind knowing that, should you need it, you can take the large majority of your death benefit while still alive. *(Conditions apply.) (Form ICCo7-ULABR-07 or Form Series ULABR-07)*
- **Accelerated Death Benefit for Chronic Illness Rider.** Optional on employee contracts at an additional cost, this rider will be triggered by the loss of two out of six Activities of Daily Living² or severe cognitive impairment for a period of 90 days. It pays the insured up to 92% of the death benefit minus a small administrative fee, should the insured decide to exercise it. This valuable living benefit can help offset the cost of either in-home care or care in a resident facility. *(Conditions apply; see the following pages for additional details. HOSPITAL INDEMNITY INSURANCE

Aetna | www.myaetnasupplemental.com | 1.800.607.3366

Hospital stays are costly. If you or a family member find yourself in the hospital due to a sudden accident or illness, you may struggle financially, even if you have a good medical plan. With a hospital indemnity plan, you can rest assured those extra expenses won't be a financial burden.

Unlike medical plans, there are no deductibles to meet with a hospital indemnity plan. As soon as you incur a qualified event, you can file a claim and start receiving benefits.

The plan pays a lump sum benefit in a previously specified amount. The money can be used for medical costs, insurance deductibles, groceries, transportation, childcare – the choice is up to you!

Aetna Hospital Indemnity Plan

Be prepared for what lies ahead

Maybe you're expecting to have a hospital stay — or maybe not. Either way, you can plan ahead to give yourself an extra financial cushion.

What is the Hospital Indemnity Plan?

The insurance plan pays benefits when you have a planned, or unplanned hospital stay for an illness, injury, surgery or having a baby. The plan pays a lump-sum benefit for admission and a daily benefit for a covered hospital stay. You can use the benefits to help pay out-of-pocket medical costs or personal expenses.

How is this different from a major medical plan?

Medical plans help pay providers for services and treatment. But, they don't cover unexpected costs that might come with a stay in the hospital.

The Aetna Hospital Indemnity Plan pays benefits directly to **you**, giving you extra cash when you need it most. It can help fill in the gaps, making it a great companion to your major medical plan.

The Aetna Hospital Indemnity Plan is underwritten by Aetna Life Insurance Company (Aetna).

How can you use the cash benefits?

It's completely up to you. You can use the money any way you want, like:

- Deductibles or copays
- Mortgage or rent
- Groceries or utility bills

...or for anything else you choose.

Easy to use

Online tools make it easy to manage your plan. File a claim in about 90 seconds or less if you have a covered stay in a hospital. And, benefits get paid directly to you by check or direct deposit.

Because it happens

More than 35 million Americans were hospitalized in 2016¹. The average hospital stay in the U.S. costs \$10,700².

Ready...or not

Carter* is a hard worker, so he doesn't always slow down to listen to his body. Before he knew it, a little cough turned into pneumonia — and a hospital stay.

Good thing he had the Aetna Hospital Indemnity Plan. He filed his claim and the benefits were deposited right into his bank account.

That money helped make up for the time he missed while recovering, and paid some of his deductible. Now, he can focus more on his health.

A Simplified Claims Experience™

Filing a claim is easy! Click "Report New Claim", answer a few quick questions, and upload or take a picture of your medical bill. You can also print and mail a paper claim form to Aetna Voluntary Plans.

*This is a fictional example of how the plan could work.

THIS PLAN DOES NOT COUNT AS MINIMUM ESSENTIAL COVERAGE UNDER THE AFFORDABLE CARE ACT. THIS IS A SUPPLEMENT TO HEALTH INSURANCE AND IS NOT A SUBSTITUTE FOR MAJOR MEDICAL COVERAGE.

The Aetna Hospital Indemnity Plan is a hospital confinement indemnity plan. This insurance plan provides limited benefits. It pays fixed dollar benefits for covered services without regard to the health care provider's actual charges. The benefits payments are not intended to cover the full cost of medical care. BENEFIT SUMMARY

Aetna Hospital Indemnity

Insurance plans are underwritten by Aetna Life Insurance Company.

Here's how the plan works:

You have an unexpected event and have to go to the hospital.

You are admitted into the hospital and spend two days there.

You submit your hospital claim to Aetna.

Aetna pays benefits directly to you.

Unless otherwise indicated, all benefits and limitations are per covered person.

The Aetna Hospital Indemnity Plan is a hospital confinement indemnity plan with other fixed indemnity benefits. THESE PLANS DO NOT COUNT AS MINIMUM ESSENTIAL COVERAGE UNDER THE AFFORDABLE CARE ACT. THESE PLANS ARE A SUPPLEMENT TO HEALTH INSURANCE AND ARE NOT A SUBSTITUTE FOR MAJOR MEDICAL COVERAGE. These plans provide limited benefits. They pay fixed dollar benefits for covered services without regard to the health care provider's actual charges. These benefit payments are not intended to cover the full cost of medical care. You are responsible for making sure the provider's bills get paid. These benefits are paid in addition to any other health coverage you may have.

THIS IS NOT A MEDICARE SUPPLEMENT (MEDIGAP) PLAN. If you are or will become eligible for Medicare, review the free Guide to Health Insurance for People with Medicare available at www.medicare.gov.

This policy, alone, does not meet Massachusetts Minimum Creditable Coverage standards.

DISABILITY INSURANCE

AFA | www.americanfidelity.com | 1.800.662.1113

Have you ever wondered what would happen to your income if you had an accidental injury, sickness, or pregnancy? That is why you need disability coverage. It replaces a portion of income for the period of time you are unable to work due to those reasons.

*There are two plans available. You are able to choose the **benefit amount**, which is the amount of your income to replace, and the "**waiting period**" that you begin receiving payments. Please choose carefully. Contact your representative to identify the plan differences and what is not covered or excluded.*

How do you decide if you need disability insurance? Consider these questions when making your decision:

- How much employer leave do you have?
- Do you have savings?
- Do you have other income you can rely on, such as from your spouse or from child support?
- How close are you to retirement?
- Could you go on Social Security Disability or take a Disability Retirement?
- What are your other sources of income?

To File a Claim Online, visit www.americanfidelity.com, use the AFMobile app, or call AFA at 1-800-662-1113

Pre-Existing Conditions

This provision will not apply if you have: gone treatment-free; incurred no expense; taken no medication; and received no diagnosis or advice from a physician, for 12 consecutive months for such condition(s). This limitation will not apply to a Disability resulting from a Pre-Existing Condition that begins after you have been continuously covered under the policy for 12 months. Any increase in benefits will be subject to this Pre-Existing Condition limitation.

Actively at work

If you are not actively at work when coverage is scheduled to become effective, your coverage does not take effect until you complete your first day at work.

When Coverage Begins

Certificates will become effective on the requested effective date following the date we approve the application, provided you are on active employment and premium has been paid.

Hospital Confinement Benefit

A Hospital Confinement Benefit will be paid each day you are confined as a patient in a Hospital due to an Injury or Sickness, for up to 60 days. The amount payable is 1 times the Disability Benefit which will be pro-rated on a daily basis. This benefit will not be reduced by Deductible Sources of Income. The Hospital confinement must be at least 18 continuous hours in duration.

Plans IV-VI: This benefit will begin after you've met your elimination period.

Plans I-III: This benefit will begin on your first day of Hospital confinement. The remainder of your elimination period will be waived. If you are Hospital confined due to a covered Injury or Sickness, your Hospital Confinement Benefit will be paid for any days of that confinement occurring before the day your Monthly Disability Benefit would otherwise begin.

Survivor Benefit

A lump sum benefit equal to 3 times the Disability payment will be paid if on the date of your death your Disability had continued for 90 or more consecutive days and you were receiving or entitled to receive Disability payments. The Survivor Benefit may be paid earlier if you have a terminal illness.

Waiver of Premium

No premium payments are required while you are receiving payments under the plan after Disability payments have been received for 90 consecutive days. We will require proof annually that you remain Disabled during that time.

Donor Benefit

If you are Disabled as a result of being an organ or tissue donor, we will pay your benefit as any other Sickness under the terms of the plan.

Offsets With Other Sources of Income

- United States Social Security Act or similar plan or act, including any amounts due your dependent(s) on account of your Disability.
- State Disability.
- Unemployment compensation.
- Sick leave or other salary or wage continuance plans provided by the employer which extend beyond 365 calendar days from the date of Disability.

We reserve the right to estimate these Deductible Sources of Income that you may receive as defined in your certificate.

Minimum Disability Benefit

The Minimum Disability Benefit is 10% of the Monthly Disability Benefit or \$100.00, whichever is greater.

If You Are Disabled Due to a Covered Disability and Not Working

For the first 12 months you are disabled due to a covered disability and not working, we will pay the disability benefit described in the benefit schedule. After 12 months, your disability payment will be the disability benefit described in the benefit schedule less any deductible sources of income you receive or are entitled to receive. No disability payment will be provided for any period in which you are not under the regular and appropriate care of a physician.

Return To Work Incentives: Disabled and Working

Plan Benefit Highlights

Only loss for Cancer Unless otherwise indicated, benefits are payable only for loss resulting from definitive Cancer diagnosis or treatment, including direct extension, metastatic spread, or recurrence. Proof must be submitted to support each claim. The Policy also covers other conditions or diseases directly caused by Cancer or the treatment of Cancer. The Policy does not cover any other disease, sickness or incapacity, even though after contracting Cancer it may have been aggravated or affected by Cancer or the treatment of Cancer except for conditions specifically covered under the Dread Disease Benefit; Hospital Intensive Care Unit Benefit; or Heart Attack or Stroke Diagnosis Benefit, if included.

Cancer means a disease that is manifested by autonomous growth (malignancy) in which there is uncontrolled growth, function or spread (local or distant) of cells in any part of the body. This includes Cancer in situ and malignant melanoma. It does not include other conditions which may be considered precancerous or have malignant potential such as leukoplakia; hyperplasia; acquired immune deficiency syndrome (AIDS); polycythemia; actinic keratosis; aplastic anemia; atypia; non-malignant monoclonal gammopathy; or pre-malignant lesions, benign tumors or polyps.

Such Cancer must be positively diagnosed by a legally licensed doctor of medicine certified by the American Board of Pathology or American Board of Osteopathic Pathology. Pathologic interpretation of the histology of skin lesions will be accepted by dermatologists certified by the American Board of Dermatopathology. Diagnosis must be made based on a microscopic examination of fixed tissue or preparations from the hemic system (either during life or post-mortem). The pathologist establishing the diagnosis shall base his judgment solely on the criteria of malignancy as accepted by the American Board of Pathology or the Osteopathic Board of Pathology after a study of the histocytologic architecture or pattern of the suspect tumor, tissue and/or specimen.

Radiation Therapy, Chemotherapy or Immunotherapy Benefit

If Proof of Loss regarding actual charges for treatment is not submitted, we will pay the daily amount shown in your certificate for each day treatment is received, up to the actual charge's maximum per 12-month period. Upon receipt of actual charges Proof of Loss, we will pay the difference, up to the maximum per 12-month period. Actual charges are the amount paid by or on behalf of the Covered Person and accepted by the provider for services provided.

This benefit does not cover other related procedures such as treatment planning, treatment management or consultation, design and construction of treatment devices, radiation dosimetry calculation, lab tests, x-rays, scans, medical supplies, and equipment used in administration (IV solutions, needles, dressings, pumps, catheters, etc.).

Blood, Plasma and Platelets Benefit Laboratory processes are not included. Colony-stimulating factors are not covered. Benefits for blood, plasma, and platelets are only provided under this benefit.

Medical Imaging Benefit Payable for a Covered Person who has been diagnosed with Cancer who receives either an MRI, CT scan, CAT scan, PET scan, or RAIU (thyroid) test requested by a Physician.

Surgical Benefit Payable when a surgical operation is performed for covered diagnosed Cancer, Skin Cancer, or reconstructive surgery due to Cancer. Benefits are calculated up to a maximum benefit by multiplying the surgical unit value assigned to the procedure, as shown in the most current Physician's Relative Value Table, by the unit dollar amount shown in your certificate schedule. Two or more surgical procedures performed through the same incision will be considered one operation and benefits will be limited to the most expensive procedure. Diagnostic surgeries that result in a negative diagnosis of Cancer are not covered under this benefit. Bone marrow surgeries, surgeries to implant a permanent prosthetic device, surgeries required for administration of Radiation Therapy, Chemotherapy or Immunotherapy are not covered under this benefit.

Anesthesia Benefit Services of an anesthesiologist for Skin Cancer or surgical prosthesis implantation are not covered.

Prosthetic-related supplies such as special bras or ostomy pouches and supplies are not covered. Benefits for a hair prosthesis will only be covered under the Hair Prosthesis Benefit.

Covered benefits under this provision are limited to the most appropriate model of Prosthetic Device or Orthotic Device that adequately meets the medical needs of the covered person as determined by the covered person's treating physician or podiatrist and prosthetist or orthotist, as applicable. The Prosthesis Benefit will include repair and replacement of a Prosthetic Device or Orthotic Device, unless the repair or replacement is necessitated by misuse by the covered person. "Orthotic Device" means a custom-fitted or custom-fabricated medical device that is applied to a part of the human body to correct a deformity, improve function, or relieve symptoms of a disease. "Prosthetic Device" means an artificial device designed to replace, wholly or partly, an arm or leg.

This benefit will be paid in lieu of most benefits listed on the schedule.

Accident Insurance

Nobody plans to have an accident - and most people don't budget for one, either. Accident insurance helps your employees pay for out-of-pocket expenses medical insurance won't cover. If an employee's covered child gets injured while participating in an organized sport, we'll pay an additional 25 percent of the total benefit owed. It's an affordable way for employees to make sure they can keep their financial lives moving in the right direction.

Voluntary Retirement Plans

Research shows that Americans are living longer and their number of years in retirement is increasing. While your TRS pension may be enough to cover expenses during your initial retirement years, the reduced monthly income may not be sufficient for costly factors such as medical bills, taxes, and your desired standard of living. Contributing to a retirement savings plan can help supplement your pension during retirement. Most plans allow you to make adjustments to your contribution amount at any time.

EMPLOYEE ASSISTANCE PROGRAM

The Standard | www.standard.com | 1.866.851.2429

Life pulls us in many different directions. Between kids, personal relationships, extracurricular activities, and family time, it seems like we don't have enough time in day to fit it all in. When life gets you stressed, call the employee assistance line provided by your employer. It offers 24/7 access to professionals who can help you successfully face emotional issues.

An employee assistance program, or EAP, is a free, voluntary program offered by your employer. With one phone call, you will have access to short-term counseling and confidential assessments whenever you have a personal or work-related problem.

Employee assistance programs address a wide range of issues including mental and emotional well-being, substance abuse and grief. Counselors are held to the highest ethical standard and are trained to keep your situation confidential. They work with you to determine the best way to address your needs and move you in a positive direction.

Visit the Employee Benefits Center and view policy for more details.

A helping hand when you need it.

Rely on the support, guidance and resources of your Employee Assistance Program.

There are times in life when you might need a little help coping or figuring out what to do. Take advantage of the Employee Assistance Program,¹ which includes WorkLife Services and is available to you and your family in connection with your group insurance from Standard Insurance Company (The Standard). It's confidential – information will be released only with your permission or as required by law.

Connection to Resources, Support and Guidance

You, your dependents (including children to age 26)² and all household members can contact the program's master's-level counselors 24/7. Reach out through the mobile EAP app or by phone, online, live chat, and email. You can get referrals to support groups, a network counselor, community resources or your health plan. If necessary, you'll be connected to emergency services.

Your program includes up to six counseling sessions per issue. Sessions can be done in person, on the phone or through video.

EAP services can help with:

-  Depression, grief, loss and emotional well-being
-  Family, marital and other relationship issues
-  Life improvement and goal-setting
-  Addictions such as alcohol and drug abuse
-  Stress or anxiety with work or family
-  Financial and legal concerns
-  Identity theft and fraud resolution
-  Online will preparation and other legal documents

COBRA

First Financial Administrators, Inc. | www.ffga.com | 1.800.523.8422, option 4

Life is full of unexpected events that may impact your health insurance coverage. Under the Consolidated Omnibus Budget Reconciliation Act, better known as COBRA, you have the right to continue your group health coverage such as medical, dental, vision insurance and flexible spending accounts for a limited period of time.

HIGHLIGHTS

- Temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work, divorce, death or a child no longer qualifying as a dependent. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.
- Either you or your family member are responsible for notifying your employer of a divorce, legal separation or child losing dependent status within 60 days of the event. In the case of termination, death or reduction in hours, your employer will be responsible for letting the provider know that you have the right to continue coverage under COBRA.
- Benefits will remain identical to what you had while employed. However, you will be responsible for paying the full premium, plus any applicable fees.
