Payment of Benefits

Benefits are payable for a Covered Person's Positive Diagnosis, subject to the Pre-Existing Condition Limitation, unless coverage replaces a prior plan of similar coverage that was in force when the Policy was issued.

Pre-Existing Condition Limitation

No benefits will be provided during the first 12 months of the policy for cancer diagnosed before the 30th day after the effective date shown in the policy schedule. During the first 12 months of a Covered Person's insurance, losses incurred for Pre-Existing Conditions are not covered. During the first 12 months following the date a Covered Person makes a change in coverage that increases his or her benefits, the increase will not be paid for Pre-Existing Conditions. After this 12 month period, however, benefits for such conditions will be payable unless specifically excluded from coverage. This 12 month period is measured from the Certificate Effective Date for each Covered Person.

Pre-Existing Condition means Cancer or a Specified Disease, for which a Covered Person has received medical consultation, treatment, care, services, or for which diagnostic test(s) have been recommended or for which medication has been prescribed during the 12 months immediately preceding the Certificate Effective Date of coverage for each Covered Person.

1. any other disease or sickness;
2. injuries;
3. any disease, condition, or incapacity that has been caused, complicated, worsened, or affected by:

Benefits

Your benefits start the first day you go into ICU. The benefit is payable for up to 45 days per ICU stay.

Hospital Intensive Care Confinement Benefit

You may choose a benefit ranging from \$325 to \$825 per day. It is reduced by one-half at age 75.

We will also double the benefit for an injury that results from: being struck by an automobile, bus, truck, motorcycle, train, or airplane; or being involved in an accident in which the named insured was the operator or was a passenger in such vehicle. ICU confinement must occur within 48 hours of the accident.

Except as provided in Step Down Unit and Emergency Hospitalization and Subsequent Transfer to an ICU, coverage does not provide benefits for: surgical recovery rooms; progressive care; intermediate care; private monitored rooms; observation units; telemetry units; or other facilities which do not meet the standards for a Hospital Intensive Care Unit. Benefits are not payable: if you go into an ICU before the Certificate Effective Date; if you go into an ICU for intentionally self-inflicted injury or suicide attempts; if you go into an ICU due to being intoxicated or under the influence of alcohol, drugs or any narcotics, unless administered on the advice of a Physician and taken according to the Physician's instructions. The term "intoxicated" refers to that condition as defined by law in the jurisdiction where the accident or cause of loss occurred.

This is not a Medicare Supplement Policy. If you are eligible for Medicare, see the Medicare Supplement Buyer's Guide available from the Company.

This policy only covers cancer and the diseases specified above, unless the hospital intensive care rider is selected.

LIFE INSURANCE HIGHLIGHTS

For the employee

PURELIFE-PLUS

Voluntary permanent life insurance can be an ideal complement to the group term and optional term life insurance your employer might provide. This voluntary universal life product is yours to keep, even when you change jobs or retire, as long as you pay the necessary premium. Group and voluntary term life insurance may be portable if you change jobs, but even if you can keep them after you retire, they usually cost more and decline in death benefit.

The contract, PURELIFE-PLUS, is underwritten by Texas Life Insurance Company, and it has the following features:

- **High Death Benefit.** With one of the highest death benefits available at the worksite,¹ PURELIFE-PLUS gives your loved ones peace of mind, knowing there will be life insurance in force when you die.
- **Refund of Premium.** Unique in the marketplace, PURELIFE-PLUS offers you a refund of 10 years' premium, should you surrender the contract if the premium you pay when you buy the contract ever increases. *(Conditions apply.)*
- **Accelerated Death Benefit Due to Terminal Illness Rider.** Should you be diagnosed as terminally ill with the expectation of death within 12 months, you will have the option to receive 92% of the death benefit, minus a \$150 (\$100 in Florida) administrative fee. This valuable living benefit gives you peace of mind knowing that, should you need it, you can take the large majority of your death benefit while still alive. *(Conditions apply.) (Form ICC07-ULABR-07 or Form Series ULABR-07)*
- **Accelerated Death Benefit for Chronic Illness Rider.**² Included for employees at a small extra cost, this rider will be triggered by the loss of two activities of daily living³ or permanent cognitive impairment. It pays the insured 92% of the death benefit minus a small administrative fee, should the insured decide to exercise it. This valuable living benefit can help offset the cost of either in-home care or care in a resident facility. *(Conditions apply.) (Form ICC15-ULABR-CI-15 or Form Series ULABR-CI-15)*

- **Long Guarantees.** Enjoy the assurance of a contract that has a guaranteed death benefit to age 121 and level premium that guarantees coverage for a significant period of time (after the guaranteed period, premiums may go down, stay the same, or go up).⁴
