Important Questions	Answers	Why This Matters:
What is the overall deductible?	<p>Tier 1 St. Peter's Family Providers: \$2,700 individual/\$4,400 individual within family//\$4,400 family, Tier 2 Friendly Providers: \$4,400 individual/\$4,400 individual within family/\$8,800 family, Tier 3 Allegiance Network: \$7,500 individual/\$7,500 individual within family/\$15,000 family, Tier 4 Non-Network: \$9,000 individual/\$9,000 individual within family/\$18,000 family, medical and pharmacy combined.</p>	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible (embedded) until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there services covered before you meet your deductible?	Yes. Preventive care is not subject to deductible .	This plan covers some items and services even if you haven't met the deductible amount, but a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at http://www.healthcare.gov/coverage/preventive-care-benefits .
Are there other deductibles for specific services?	No. There are no other specific deductibles .	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	<p>Tier 1 St. Peter's Family Providers: \$5,400 individual/\$5,400 individual within family/\$8,800 family, Tier 2 Friendlies: \$8,800 individual/\$8,800 individual within family/\$16,000 family, Tier 3 Allegiance Network: \$9,100 individual/\$9,100 individual within family/\$18,200 family, Tier 4 Non-Network: Unlimited, medical and pharmacy combined.</p>	The out-of-pocket-limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket-limits (embedded) until the overall family out-of-pocket-limit has been met.
What is not included in the out-of-pocket limit?	Premiums , balance billing charges (unless balanced billing is prohibited), and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider?	Yes. See www.askallegiance.com/sph or call 1-855-999-4293 for a list of network providers .	This plan uses a provider network . You pay less if you use a provider in the plan's network . You pay the least if you use a provider in Tier 1, St. Peter's Family Health. You pay more if you use a provider in Tier 2 Friendly Provider and Tier 3 Allegiance Network. You will pay the most if you use an out-of-network-provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network-provider for some services (such as lab work). Check with your plan before you get services.
Do you need a referral to see a specialist?	No	You can see the specialist you choose without a referral.
