Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	Tier 1 St. Peter's Family Providers: \$2,000 individual/\$4,000 family, Tier 2 Friendly Providers: \$3,000 individual/\$6,000 family, Tier 3 Allegiance Network: \$7,500 individual/\$15,000 family, Tier 4 Non-Network: \$9,100 individual/\$18,200 family.	Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> (embedded) until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes. <a href="#">Preventive care</a> is not subject to <a href="#">deductible</a> .	This <a href="#">plan</a> covers some items and services even if you haven't met the <a href="#">deductible</a> amount, but a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="http://www.healthcare.gov/coverage/preventive-care-benefits">http://www.healthcare.gov/coverage/preventive-care-benefits</a> .
Are there other <a href="#">deductibles</a> for specific services?	No. There are no other specific <a href="#">deductibles</a> .	You don't have to meet <a href="#">deductibles</a> for specific services.
What is the <a href="#">out-of-pocket</a> limit for this <a href="#">plan</a> ?	Tier 1 St. Peter's Family Providers: \$4,000 individual/\$8,000 family, Tier 2 Friendly Providers: \$6,000 individual/\$12,000 family, Tier 3 Allegiance Network: \$9,000 individual/\$18,000 family, Tier 4 Non-Network: Unlimited, medical and pharmacy combined.	The <a href="#">out-of-pocket-limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket-limits</a> (embedded) until the overall family <a href="#">out-of-pocket-limit</a> has been met.
What is not included in the <a href="#">out-of-pocket limit</a> ?	<a href="#">Premiums</a> , <a href="#">balance billing</a> charges (unless <a href="#">balanced billing</a> is prohibited), and health care this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://www.askallegiance.com/sph">www.askallegiance.com/sph</a> or call 1-855-999-4293 for a list of <a href="#">network providers</a> .	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You pay the least if you use a <a href="#">provider</a> in Tier 1, St. Peter's Family Health. You pay more if you use a <a href="#">provider</a> in Tier 2 Friendly Provider and Tier 3 Allegiance Network. You will pay the most if you use an <a href="#">out-of-network-provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network-provider</a> for some services (such as lab work). Check with your <a href="#">plan</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No	You can see the <a href="#">specialist</a> you choose without a referral.
