

Viewing your dental plan just got easier

MetLife's mobile app puts convenience in the palm of your hands. You can quickly access and manage your dental benefit information — anytime, anywhere.

You can:

- Find a dentist
- View your plan summary with quick links to important information on deductibles and Plan Maximums as well as Covered Services
- View detailed coverage information such as benefit sharing percentage and Frequency Limits
- View your claims
- Track your brushing and flossing
- Access and save ID card to photo library or mobile app

It's easy to get the MetLife US Mobile app!

Search "MetLife" in the App Store® or Google Play® and download the MetLife US Mobile App, or scan these QR codes. Search our network of thousands of dentists and specialists to find a provider near you, or log-in to MyBenefits to access your plan information.¹

It's available 24 hours a day, seven days a week.

¹ To use the MetLife mobile app, employees can choose to register at metlife.com/mybenefits from a computer or directly through the app. Certain features of the MetLife Mobile App are not available for all MetLife Dental Plans.

Like most group benefits programs, benefit programs offered by MetLife and its affiliates contain certain exclusions, exceptions, waiting periods, reductions, limitations and terms for keeping them in force. You may be financially responsible for copayments, deductibles, or any other amounts in excess of those MetLife is required to pay for covered services as described in your dental certificate and/or policy. Ask your MetLife representative for costs and complete details.

A Step-by-step Guide to MyBenefits Registration

Pre-Registration

1. Upon navigation to www.metlife.com/mybenefits, you'll see the screen on the right. Enter the name of your employer or organization into the field in the upper-right corner. A dropdown menu of organizations may appear with options to choose from (if more than one match is found, select the organization you want to register and click "Next").
2. You'll be taken to a screen that asks you to select whether you would like to login or register. The interface may vary.
3. Regardless of the interface, select "Create a New Account" or "Register Now." If you believe you have selected the wrong organization, click on the link that reads "Looking for a different Employer or association." This link will take you back to the screen where you can choose a different organization.

Registration

From here, you'll be taken to Step 1 of the registration process.

1. Enter your personal information: first name, last name, email address. Select the type of phone number you have (mobile or landline) and enter your US based phone number, DOB, zip code and state.
2. After entering all this information, you may be prompted to enter information specific to your employer or organization, depending on how your organization has set up its registration process. For example, you may be asked to enter your Employee ID or SSN. Upon entering the information, click "Next".

Registration Continued

3. If your identifying information does not match publicly available information about your identity, you may be prevented from creating an account.

Next, you'll be asked to verify your identity via a **verification code** on the screen below. Select whether you'd like to receive the code via text message or voice message, and sometimes an email if that information is already available to MetLife.

4. You'll be taken to the 2nd screen on the right. Retrieve the code, then enter it in the text field. The code will expire after 15 minutes, in which case you will need to generate another code. Click **"Next"**.

5. Your email address will be a suggested username in the first text field. We recommend using this as your username, but you may change it. Enter and confirm your desired password in the next two text fields.

If you'd like MetLife to remember your device, so that you don't have to verify your identity every time you login to your online account, select the **"Remember this Device"** checkbox. Your device will be remembered for a maximum of six months.

6. Decide whether you'd like to receive documents electronically by selecting one of the radio buttons at the bottom of the page. You may view the relevant links. Click **"Submit"**. Upon successful submission, you should receive a congratulatory confirmation message.

7. Finally, select **"Go to Dashboard"** and you will be taken to your Dashboard.

3 To ensure account privacy and security, complete your **Identity Verification**

Personal Information

Identity Verification

Username & Password

MetLife will send you a verification code. How would you like to receive the code?
