ELIGIBILITY

ELIGIBILITY

Eligible employees must be actively at work on the plan effective date for new benefits to be effective.

NEW EMPLOYEES

You have 31 days from your actively-at-work date to make benefit elections. Your New Hire Enrollment elections will be made at the <insert location>.

EXISTING EMPLOYEES

When it's time to enroll in your benefits, your First Financial Account Representative will be available to assist you with making your elections. Your elections can be made anytime during annual enrollment online from your work or home computer. Before enrollment, take time to educate yourself on the available benefits and what options would work best for you and your family by visiting the Employee Benefits Center.

MID-YEAR BENEFIT CHANGES

You may add or cancel coverage during the plan year if you have a change in family status. You must notify the benefits department within 31 days of the change.

QUALIFYING LIFE EVENTS INCLUDE:

- Changes in household, including marriage, divorce, legal separation, annulment, death of a spouse, birth, adoption, placement for adoption, or death of a dependent child

SECTION 125 PLANS

SECTION 125 PLAN INFORMATION AND RULES

A Section 125 Plan provides a tax-saving way to pay for eligible medical or dependent care expenses. The funds are automatically deducted from your paycheck on a pre-tax basis.

HERE'S HOW IT WORKS

A Section 125 Plan reduces your taxes and increases your spendable income by allowing you to deduct the cost of eligible benefits from your earnings before tax. Plus, the plan is available to you at no cost, and you're already eligible – all you must do is enroll.

IS IT RIGHT FOR ME?

The savings you may experience with a Section 125 Plan are outlined in the example below. For instance, you could potentially take home about \$70 more each month if you participated in your employer's Section 125 Plan – that's a savings of \$840 a year!

You cannot change your benefit elections for the plan year unless the benefits office receives notification in writing within 31 days of the status change. If the benefits office is not notified within 31 days of the status change, no benefit change can be made until the next annual open enrollment.

IRS specified changes in family status include:

- Change in legal married status
- Change in number of dependents
- Termination or commencement of employment
- Dependent satisfies or ceases to satisfy dependent eligibility requirements
- Change in residence or worksite that affects eligibility for coverage

SECTION 125 PLAN SAMPLE PAYCHECK		
	WITHOUT S125	WITH S125
Monthly Salary	\$2,000	\$2,000
Less Medical Deductions	-N/A	-\$250
Taxable Gross Income	\$2,000	\$1,750
Less Taxes (Fed/State at 20%)	-\$400	-\$350
Less Estimated FICA (7.65%)	-\$153	-\$133
Less Medical Deductions	-\$250	-N/A
Take Home Pay	\$1,197	\$1,267

YOU COULD SAVE \$70 PER MONTH IN TAXES BY PAYING FOR YOUR BENEFITS ON A PRE-TAX BASIS!

MEDICAL FSA

[grace period option:]

A Medical Flexible Spending Account (Medical FSA) is an IRS-approved program to help you save taxes and pay for out-of-pocket medical expenses not covered under your medical plan. If your plan includes a grace period option, you have additional time to incur and claim against unused funds in the new plan year. Keep in mind that remaining balances after the grace period is exhausted will be forfeited under the use-it-or-lose-it rule.

[carryover option:]

<A Medical Flexible Spending Account (Medical FSA) is an IRS-approved program to help you save taxes and reimburse yourself for out-of-pocket medical expenses not covered under your medical plan. Your employer has chosen the \$570 carryover option for your Medical FSA plan. This option allows you the opportunity to carry over up to \$570 of unclaimed Medical FSA funds into the following plan year. Keep in mind that balances more than \$570 will be forfeited under the use-it-or-lose-it rule.>

Your maximum contribution amount for 2023 is \$3,050.

HIGHLIGHTS

- Contributions are automatically deducted from your paycheck on a pre-tax basis, which helps reduce your taxable income and increase your spendable income.
- Your full election will be available to you at the beginning of the plan year.
- Be conservative – any money left in your account at the end of the plan year will be forfeited.
- Use your benefits card to pay for qualified expenses upfront without spending money out of pocket.
- Keep all receipts in case you need to substantiate a claim for tax purposes.

NOTE: The IRS requires proof that all expenses are eligible. Keep all receipts in case you need to substantiate a claim for tax purposes. Your receipt must include the date of purchase or service, amount you were required to pay after insurance, description of the product or service, merchant or provider name, and the patient's name.

DEPENDENT CARE FSA

With a Dependent Care Flexible Spending Account, you can set aside part of your pay on a pre-tax basis to pay for eligible dependent care expenses like childcare, babysitters, and adult day care.

You may allocate up to \$5,000 per tax year for reimbursement of dependent care services.

If you are married and file a separate tax return, the limit is \$2,500.

HIGHLIGHTS

- Eligible dependents must be claimed as an exemption on your tax return.
- Eligible dependents must be children under age 13 or an adult dependent incapable of self-care.
- Funds become available as contributions are made to your account.
- Keep all receipts in case you need to substantiate a claim for tax purposes.
- Balances will be forfeited at the end of the runoff or grace period.

Based on your individual need, there are various elimination periods for you to choose from. The plan pays a percentage of your gross monthly income once you have satisfied the elimination period.
- **Benefit Payments Made Directly to You**
Your monthly benefit payments may be deposited directly into your bank account. This gives you the freedom to pay your living expenses and make other purchases as you see fit.

Choose the Right Plan for You

Benefits Begin

- Plan I -** On the 1st day of Disability due to a covered Injury and on the 8th day of Disability due to a covered Sickness.
- Plan II -** On the 15th day of Disability due to a covered Injury or Sickness.
- Plan III -** On the 31st day of Disability due to a covered Injury or Sickness.

Injury means physical harm or damage to the body you sustained which results directly from an accidental bodily injury, is independent of disease or bodily infirmity; and takes place while your coverage is in force.

Sickness means a disease or illness. Sickness includes pregnancy and any complications of pregnancy, including but not limited to an emergency non-elective cesarean section. Disability must begin while your coverage is in force.

Hospital- the term "Hospital" shall not include an institution used by you as a place for rehabilitation; a place for rest or for the aged; a nursing or convalescent home; a long-term nursing unit or geriatrics ward; or an extended care facility for the care of convalescent, rehabilitative, or ambulatory patients.

In 2015, 77% of injuries requiring medical attention suffered by workers occurred off the job.

National Safety Council, Injury Facts, 2017 Edition, p. 63.

Benefits Are Payable

Benefits are payable up to 14 months for a covered Injury or Sickness.

Policy Provisions and Plan Features

Eligibility

All permanent employees in subscribing group working 20 hours or more per week. Regarding your eligibility, we may require proof of good health and will rely on answers given on your application to determine if coverage can be issued. Regardless of your health at the time of application, if coverage is approved and issued, claims incurred while coverage is in force will be subject to all terms of the Policy including any Pre-Existing Condition limitation.

When Coverage Begins

Certificates will become effective on the requested effective date following the date we approve the application, provided you are on active employment and premium has been paid.

Physician Expense Benefit

Injury - \$250.00 per Injury
Sickness - \$50.00

If you need personal treatment by a Physician due to an Injury or Sickness, we will pay the amount shown above provided no other claim has been paid under the Policy. This benefit will be paid for Sickness only if the treatment is received during one full day of Disability during which you missed one full day of work. To be eligible for more than one payment for the same or related condition due to Sickness, you must have returned to work for at least 14 consecutive scheduled workdays. You are not required to miss one full day of work in order to receive the Injury benefit. This benefit will be limited to 6 payments per calendar year.

Accidental Death and Dismemberment Benefit

A lump sum of \$25,000 will be paid if you die as the direct result of an injury within 90 days after the injury. If you lose one or more members which include hands, feet, and eyes you will receive a percentage of the benefit amount.

Waiver of Premium

No premium payments are required while you are receiving payments under the plan after disability payments have been received for 90 consecutive days. We will require proof annually that you remain disabled during that time.

Donor Benefit

If you are disabled as a result of being an organ or tissue donor, we will pay your benefit as any other sickness under the terms of the plan.

Offsets With Other Sources of Income

Deductible Sources of Income include:

- Other group disability income.
- Governmental or other retirement system, whether due to disability, normal retirement or voluntary election of retirement benefits.
- United States Social Security Act or similar plan or act, including any amounts due your dependent(s) on account of your disability.
- State Disability.
- Unemployment compensation.
- Workers' Compensation law, occupational disease law or any similar act or law.

We reserve the right to estimate these Deductible Sources of Income that you may receive as defined in your Certificate.

Minimum Disability Benefit

The Minimum Disability Benefit is 50% of the Monthly Disability Benefit or \$100.00, whichever is greater.

If You Are Disabled Due to a Covered Disability and Not Working

Your disability payment will be the disability benefit described in the benefit schedule less any deductible sources of income you receive or are entitled to receive. No disability payment will be provided for any period in which you are not under the regular and appropriate care of a physician.

Disability or disabled means that you are unable to perform the material and substantial duties of your regular occupation.

Return To Work Incentives: Disabled and Working

If you are disabled and working, you may be eligible to continue to receive a percentage of your disability payment in addition to your disability earnings. If your disability earnings exceed 80% of your monthly compensation, payments will stop and your claim will end.

- **Worksite Accommodation**

As a part of our claims evaluation process, if worksite modifications may assist your return to work, we will evaluate your claim for appropriate action.

Aflac Group Critical Illness

**INSURANCE – PLAN INCLUDES BENEFITS
FOR CANCER AND HEALTH SCREENING**

We help take care of your
expenses while you take
care of yourself.

THIS IS NOT A MEDICARE SUPPLEMENT PLAN.
If you are eligible for Medicare, review the Guide to Health
Insurance for People with Medicare, which is available from
the company.

Aflac can help ease the financial stress of surviving a critical illness.

Chances are you may know someone who's been diagnosed with a critical illness. You can't help notice the difference in the person's life—both physically and emotionally. What's not so obvious is the impact a critical illness may have on someone's personal finances.

That's because while a major medical plan may pay for a good portion of the costs associated with a critical illness, there are a lot of expenses that may not be covered. And, during recovery, having to worry about out-of-pocket expenses is the last thing anyone needs.

That's the benefit of an Aflac Group Critical Illness plan.

It can help with the treatment costs of covered critical illnesses, such as a heart attack or stroke.

More importantly, the plan helps you focus on recuperation instead of the distraction of out-of-pocket costs. With the Critical Illness plan, you receive cash benefits directly (unless otherwise assigned)—giving you the flexibility to help pay bills related to treatment or to help with everyday living expenses.

What you need, when you need it.

Group critical illness insurance pays cash benefits that you can use any way you see fit.

Here's why the Aflac Group Critical Illness plan may be right for you.

For more than 60 years, Aflac has been dedicated to helping provide individuals and families peace of mind and financial security when they've needed it most. The Aflac Group Critical Illness plan is just another innovative way to help make sure you're well protected.

But it doesn't stop there. Having group critical illness insurance from Aflac means that you may have added financial resources to help with medical costs or ongoing living expenses.

The Aflac Group Critical Illness plan benefits include:

- Critical Illness Benefit payable for:
 - Cancer
 - Heart Attack (Myocardial Infarction)

 - Sudden Cardiac Arrest
 - Coronary Artery Bypass Surgery
 - Non-Invasive Cancer

Critical Illness is a disease or a sickness as defined in the plan that first manifests while your coverage is in force.

Date of Diagnosis is defined as follows:

- Bone Marrow Transplant (Stem Cell Transplant): The date the surgery occurs. consecutive days.
- Cancer: The day tissue, specimens, biopsy, culture, blood samples, or titer(s) are taken upon which the positive medical diagnosis is the date the diagnosis is communicated to the insured. (Diagnosis of cancer and/or carcinoma in situ is based on such specimens.)

Dependent means your spouse or your dependent child. Spouse is your legal wife or husband, who is listed on your application. Dependent children are your or your spouse's natural children, foster children, step-children, legally adopted children, or children placed for adoption, who are younger than age 26. Newborn, adopted and foster children are equally considered under this plan. A newborn child will be covered from the moment of birth, if the birth occurs while the plan is in force. Foster children and adopted children will be treated the same as newborn infants and are eligible for coverage on the same basis upon placement in the foster home or placement for adoption.

There is an exception to the age-26 limit listed above. This limit will not apply to any dependent child who is incapable of self-sustaining employment due to mental or physical handicap and is dependent on a parent for support. The employee or the employee's spouse must provide the company with proof of this incapacity and dependency to the company within 31 days following the dependent child's 26th birthday, but not more frequently than annually.

If a parent is required by a court or administrative order to provide insurance for a child, and the parent is eligible for family insurance coverage, we:

- Will allow the parent to enroll, under the family coverage, a child who is otherwise eligible for the coverage without regard to any enrollment season restrictions.
- Will enroll the child under family coverage upon application of the child's other parent or the Department of Health and Human Services in connection with its administration of the Medical Assistance or Child Support Enforcement Program if the parent is enrolled but fails to make application to obtain coverage for the child.
- Will not disenroll or eliminate coverage of the child unless we are provided satisfactory written evidence that: a. The court or administrative order is no longer in effect; or b. The child is or will be enrolled in comparable health benefit plan coverage through another health insurer, which coverage will take effect no later than the effective date of disenrollment.

We will not decline enrollment of a child on the grounds the child was born out of wedlock, the child was not claimed as dependent on the parent's federal tax return, or the child does not reside with the parent or in the insurer's service area.

Heart Attack (Myocardial Infarction) is the death of a portion of the heart muscle (myocardium) caused by a blockage of one or more coronary arteries due to coronary artery disease or acute coronary syndrome.

Heart Attack (Myocardial Infarction) does not include:

- Any other disease or injury involving the cardiovascular system.
- Cardiac arrest not caused by a heart attack (myocardial infarction).

Diagnosis of a Heart Attack (Myocardial Infarction) must include the following:

- New and serial electrocardiographic (ECG) findings consistent with heart attack (myocardial infarction), and

Confirmatory imaging studies, such as thallium scans, MUGA scans, or stress echocardiograms may also be used.

Kidney Failure (End-Stage Renal Failure) means end-stage renal failure caused by end-stage renal disease, which results in the chronic, irreversible failure of both kidneys to function.

Kidney Failure (End-Stage Renal Failure) is covered only under the following conditions:

- A doctor advises that regular renal dialysis, hemo-dialysis, or peritoneal dialysis (at least weekly) is necessary to treat the kidney failure (end-stage renal failure); or
- The kidney failure (end-stage renal failure) results in kidney transplantation.

Maintenance Drug Therapy is a course of systemic medication given to a patient after a cancer goes into complete remission because of primary treatment. Maintenance Drug Therapy includes ongoing hormonal therapy,

immunotherapy, or chemo-prevention therapy. Maintenance Drug Therapy is meant to decrease the risk of cancer recurrence; it is not meant to treat a cancer that is still present.

A Major Organ Transplant benefit is not payable if the major organ transplant results from a covered critical illness for which a benefit has been paid.

Signs and/or symptoms are the evidence of disease or physical disturbance observed by a doctor or other medical professional. The doctor (or other medical professional) must observe these signs while acting within the scope of his license.

Stroke means apoplexy due to rupture or acute occlusion of a cerebral artery. The apoplexy must cause complete or partial loss of function involving the motion or sensation of a part of the body and must last more than 24 hours. Stroke must be either:

- Ischemic: Due to advanced arteriosclerosis or arteriosclerosis of the arteries of the neck or brain, or vascular embolism, or
- Hemorrhagic: Due to uncontrolled hypertension, malignant hypertension, brain aneurysm, or arteriovenous malformation.

The stroke must be positively diagnosed by a doctor based upon documented neurological deficits and confirmatory neuroimaging studies.

Stroke does not include:

- Transient Ischemic Attacks (TIAs)
- Head injury
- Chronic cerebrovascular insufficiency
- Reversible ischemic neurological deficits unless brain tissue damage is confirmed by neurological imaging

Stroke will be covered only if the Insured submits evidence of the neurological damage by providing:

- Computed Axial Tomography (CAT scan) images, or
- Magnetic Resonance Imaging (MRI).

Sudden Cardiac Arrest is the sudden, unexpected loss of heart function in which the heart, abruptly and without warning, stops working as a result of an internal electrical system heart malfunction due to coronary artery disease, cardiomyopathy, or hypertension.

Sudden Cardiac Arrest is not a heart attack (myocardial infarction). A sudden cardiac arrest benefit is not payable if the sudden cardiac arrest is caused by or contributed to by a heart attack (myocardial infarction).

Total Disability or Totally Disabled means you are:

- Not working at any job for pay or benefits,
- Under the care of a doctor for the treatment of a covered critical illness, and
- Unable to Work, which means either:
 - During the first 365 days of total disability, you are unable to work at the occupation you were performing when your total disability began; or
 - After the first 365 days of total disability, you are unable to work at any gainful occupation for which you are suited by education, training, or experience.

Treatment or Medical Treatment is the consultation, care, or services provided by a doctor. This includes receiving any diagnostic measures and taking prescribed drugs and medicines.

Treatment-Free From Cancer refers to the period of time without the consultation, care, or services provided by a doctor. This includes receiving diagnostic measures and taking prescribed drugs and medicines.

Treatment does not include maintenance drug therapy or routine follow-up visits to verify whether cancer or carcinoma in situ has returned.

OPTIONAL BENEFITS RIDER

Date of Diagnosis is defined as follows:

- Advanced Alzheimer's Disease: The date a doctor diagnoses the insured as incapacitated due to Alzheimer's disease.
- Advanced Parkinson's Disease: The date a doctor diagnoses the insured as incapacitated due to Parkinson's disease.
- Benign Brain Tumor: The date a doctor determines a benign brain tumor is present based on examination of tissue (biopsy or surgical excision) or specific neuroradiological examination.

Optional Benefit is one of the illnesses defined below and shown in the rider schedule:

Advanced Alzheimer's Disease means Alzheimer's Disease that causes the insured to be incapacitated. Alzheimer's Disease is a progressive degenerative disease of the brain that is diagnosed by a psychiatrist or neurologist as Alzheimer's Disease.

To be incapacitated due to Alzheimer's Disease, the insured must:

- Exhibit the loss of intellectual capacity involving impairment of memory and judgment, resulting in a significant reduction in mental and social functioning, and
- Require substantial physical assistance from another adult to perform at least three ADLs.

Advanced Parkinson's Disease means Parkinson's Disease that causes the insured to be incapacitated. Parkinson's Disease is a brain disorder that is diagnosed by a psychiatrist or neurologist as Parkinson's Disease. To be incapacitated due to Parkinson's Disease, the insured must:

- Exhibit at least two of the following clinical manifestations:
 - Muscle rigidity
 - Tremor
 - Bradykinesia (abnormal slowness of movement, sluggishness of physical and mental responses), and
- Require substantial physical assistance from another adult to perform at least three ADLs.

40 Benign Brain Tumor is a mass or growth of abnormal, noncancerous cells

in the brain. The tumor is composed of similar cells that do not follow normal cell division and growth patterns and develop into a mass of cells that microscopically do not have the characteristic appearance of a Cancer. Benign Brain Tumor must be caused by Multiple Endocrine Neoplasia, Neurofibromatosis, or Von Hippel-Lindau Syndrome.

- Multiple Endocrine Neoplasia is a genetic disease in which one or more of the endocrine glands are overactive or form a tumor.
- Neurofibromatosis is a genetic disease in which the nerve tissue grows tumors that may be benign and may cause serious damage by compressing nerves and other tissue.
- Von Hippel-Lindau Syndrome is a genetic disease that predisposes a person to have benign or malignant tumors.

Activities of Daily Living (ADLs) are activities used in measuring levels of personal functioning capacity. These activities are normally performed without assistance, allowing personal independence in everyday living. For the purposes of this plan, ADLs include the following:

- Bathing – the ability to wash oneself in a tub, shower, or by sponge bath. This includes the ability to get into and out of the tub or shower with or without the assistance of equipment;
- Dressing – the ability to put on, take off, and secure all necessary and appropriate items of clothing and any necessary braces or artificial limbs;
- Toileting – the ability to get to and from the toilet, get on and off the toilet, and perform associated personal hygiene with or without the assistance of equipment;
- Transferring – the ability to move in and out of a bed, chair, or wheelchair with or without the assistance of equipment;
- Mobility – the ability to walk or wheel on a level surface from one room to another with or without the assistance of equipment;
- Eating – the ability to get nourishment into the body by any means once it has been prepared and made available with or without the assistance of equipment; and
- Continence – the ability to voluntarily maintain control of bowel and/or bladder function. In the event of incontinence, the ability to maintain a reasonable level of personal hygiene.

PROGRESSIVE DISEASES RIDER

Date of Diagnosis is defined for each specified critical illness as follows:

- Amyotrophic Lateral Sclerosis (ALS or Lou Gehrig's Disease): The date a Doctor Diagnoses an Insured as having ALS and where such Diagnosis is supported by medical records.

- Sustained Multiple Sclerosis: The date a Doctor Diagnoses an Insured as having Multiple Sclerosis and where such Diagnosis is supported by medical records.

Amyotrophic Lateral Sclerosis (ALS or Lou Gehrig's Disease) means a chronic, progressive motor neuron disease occurring when nerve cells in the brain and spinal cord that control voluntary movement degenerate, causing muscle weakness and atrophy, eventually leading to paralysis.

Sustained Multiple Sclerosis means a chronic degenerative disease of the central nervous system in which gradual destruction of myelin occurs in the brain or spinal cord or both, interfering with the nerve pathways. Sustained Multiple Sclerosis results in one of the following symptoms for at least 90 consecutive days:

- Muscular weakness,
- Loss of coordination,
- Speech disturbances, or
- Visual disturbances.

LIFE INSURANCE HIGHLIGHTS

For the employee

PURELIFE-PLUS

Voluntary permanent life insurance can be an ideal complement to the group term and optional term life insurance your employer might provide. This voluntary universal life product is yours to keep, even when you change jobs or retire, as long as you pay the necessary premium. Group and voluntary term life insurance may be portable if you change jobs, but even if you can keep them after you retire, they usually cost more and decline in death benefit.

The contract, PURELIFE-PLUS, is underwritten by Texas Life Insurance Company, and it has the following features:

- **High Death Benefit.** With one of the highest death benefits available at the worksite,¹ PURELIFE-PLUS gives your loved ones peace of mind, knowing there will be life insurance in force when you die.
- **Refund of Premium.** Unique in the marketplace, PURELIFE-PLUS offers you a refund of 10 years' premium, should you surrender the contract if the premium you pay when you buy the contract ever increases. *(Conditions apply.)*
- **Accelerated Death Benefit Due to Terminal Illness Rider.** Should you be diagnosed as terminally ill with the expectation of death within 12 months, you will have the option to receive 92% of the death benefit, minus a \$150 (\$100 in Florida) administrative fee. This valuable living benefit gives you peace of mind knowing that, should you need it, you can take the large majority of your death benefit while still alive. *(Conditions apply.) (Form ICC07-ULABR-07 or Form Series ULABR-07)*
- **Accelerated Death Benefit for Chronic Illness Rider.**² Included for employees at a small extra cost, this rider will be triggered by the loss of two activities of daily living³ or permanent cognitive impairment. It pays the insured 92% of the death benefit minus a small administrative fee, should the insured decide to exercise it. This valuable living benefit can help offset the cost of either in-home care or care in a resident facility. *(Conditions apply.) (Form ICC15-ULABR-CI-15 or Form Series ULABR-CI-15)*

- **Long Guarantees.** Enjoy the assurance of a contract that has a guaranteed death benefit to age 121 and level premium that guarantees coverage for a significant period of time (after the guaranteed period, premiums may go down, stay the same, or go up).⁴

You may apply for this permanent coverage, not only for yourself, but also for your spouse, children and grandchildren.⁵

Why Term Life Insurance

Life insurance is an important piece of a strong financial plan. While there is no complete replacement for the loss of a loved one, American Fidelity Assurance Company's Term Life Insurance can help protect your family in your absence. It provides short-term coverage at a competitive price. For those on a limited budget, Term Life Insurance can help fill temporary needs.

62% of adults in the United States have no individual life insurance.¹

Did You Know?

Almost **2 out of 3** people say the life insurance they receive from their employer is not enough.²

Life insurance provided by your employer is an important benefit. However, it may not be enough protection to provide for your loved ones.

A term life policy may help supplement your existing coverage and may assist in meeting financial demands, should you need it. Plus, this is an individual policy which means you own it and can take it with you to a different job or in retirement.

Financial Protection for You

American Fidelity Assurance Company's Term Life Insurance is a great option for your working and earning years when expenses are usually at their highest.

With our Term Life Insurance, premiums will remain the same for the initial term period selected.³ The death benefit will not change for the life of the policy, and death benefits are generally paid tax free.

Why You Need Life Insurance

Consider the following expenses when choosing the right life insurance plan for you.

Final Expenses

Funeral Costs
Unpaid Medical Bills

Self Time

Time to Grieve
Housing Decision

Income Replacement

Mortgage/Rent
Other Loans

Nest Egg

Three Easy Steps to Get Covered

1

Select a Term Period

Choose from a 10, 20, or 30 year term.

2

Answer Three Health Questions⁴

Only three health questions are required to issue coverage, and you don't have to participate in any invasive medical exams.

3

Get Death Benefit Coverage Immediately⁵

Your death benefit coverage starts when you sign the application.

¹LIMRA: 2015 Insurance Barometer Study; April 2015. ²LIMRA: 2014 Insurance Barometer Study April 2014. ³Premiums are subject to increase upon renewal. ⁴Issuance of the policy may depend on the answer to these questions. ⁵Interim coverage for death will be in force from the date your application is signed if on such date the proposed insured is insurable per our underwriting guidelines for the requested coverage in accordance with the terms of the policy. This interim coverage for death will remain in force until the earlier of: 1) the date a policy becomes effective; 2) the date we decline the application; or 3) the date we notify the proposed insured that they are ineligible for interim coverage. The employee and/or spouse must remain actively at work during the interim coverage period. If the death of the proposed insured occurs during the interim coverage period, the first month's premium will be subtracted from the policy proceeds. Interim coverage is only for death benefits under the base policy, Children's Term Rider and Spouse Term Rider. No interim coverage benefits are available under any Waiver of Premium Rider, Accidental Death and Dismemberment Rider, or Accelerated Benefit Rider for Long Term Illness.

This rider also provides an additional 10% seatbelt benefit, if the police accident report certifies the base Insured was wearing a properly fastened seatbelt at time of death. Benefits are payable once per Covered Accident.

Prior to the payment of any Accelerated Benefit, the following conditions must be met:

- The minimum Accelerated Benefit available is \$5,000. The maximums vary by policy/rider (see specific information below) and shall not exceed the Benefit Amount for the policy shown on the Policy Schedule.
- Only one Accelerated Benefit election will be made under the policy and/or each rider even if the Owner does not elect the full acceleration amount.
- If two or more Accelerated Benefits are payable on behalf of the Insured/Covered Person under the policy or any attached riders for the same or related sickness, injury or loss, benefits will be paid in the following order:
 - 1) Accelerated Benefit for Critical Illness, if this optional rider is attached to the policy;
 - 2) Accelerated Benefit for Long Term Illness, if this optional rider is attached to the policy; and
 - 3) Accelerated Benefit for Terminal Condition.
- Additional limitations and exclusions may apply, please read your policy/rider carefully.

Upon request to accelerate the policy/rider proceeds, and upon the payment of the accelerated benefit, the Owner and any irrevocable beneficiary shall be given a statement demonstrating the effect of the acceleration on the payment of policy proceeds, cash value, death benefit, premium, and policy loans, as applicable.

Accelerated Benefit for Terminal Condition

Prior to the payment of any Accelerated Benefit, the Insured/Covered Person must have a Terminal Condition, defined as an imminent death expected as a result of a non-correctable medical condition that with reasonable medical certainty will result in a drastically limited life span of the Insured/Covered Person of 12 months or less. The maximum payable is the lesser of: 50% of the eligible proceeds as defined in the policy/rider, or \$100,000. There is no premium associated with this provision.

Payment of an Accelerated Benefit, if elected, will have the following effect on your contract:

- Upon payment of the Accelerated Benefit, the policy/rider will remain in force. Any premiums due to keep the policy/rider in force will be paid by us, and will be deducted from the policy proceeds upon death, unless you are currently exercising the Automatic Premium Loan option. If you are currently exercising the Automatic Premium Loan option,

any premiums will continue to be paid under this option, until such time as this option is exhausted or discontinued.

- Policy proceeds which are payable on the death of the Insured/Covered Person will be reduced by the amount of the Accelerated Benefit, any outstanding policy loans, and any premiums paid by us on your behalf.
- Cash values, if any, will continue to accumulate as specified in your policy or rider. Access to the policy cash value may be restricted to the excess of the cash value over the sum of the amount accelerated and any premiums paid by us and any other outstanding policy loans.
- Any outstanding loan, including interest will not be deducted from the Accelerated Benefit payment.
- This Accelerated Benefit will be treated as a lien against the death benefit and applied at time of death.

Accelerated Benefit for Long Term Illness (optional rider)

Prior to the payment of any Accelerated Benefit, the Insured must have a Long Term Illness, which means the Insured has been certified within the last 12 months by a Licensed Health Care Practitioner as permanently unable to perform, without Substantial Assistance from another individual, at least two out of five Activities of Daily Living for a period of at least 90 days due to a loss of functional capacity; or requiring Substantial Supervision due to permanent Severe Cognitive Impairment. The maximum payable is the lesser of 50% of the Eligible Proceeds available at the time of claim payable in two equal annual payments up to a maximum of 25% of the eligible proceeds per year for two consecutive years; or \$100,000 payable in two equal annual payments up to a maximum of \$50,000 per year for two consecutive years. Premium is required to keep this rider in force.

Payment of an Accelerated Benefit for Long Term Illness, if elected and/or Critical Illness, if elected, will have the following effect on your contract:

- Upon payment of the Accelerated Benefit, the rider will terminate and no additional benefits will be due under the rider, even for recurrence. The policy will remain in force and premiums will continue to be billed and payable as due.
- Policy proceeds which are payable on the death of the Insured will be reduced by the amount of the Accelerated Benefit.
- Cash values, if any, will continue to accumulate as specified in your policy or rider. The cash values will be adjusted proportionally by the percent accelerated.
- Any outstanding policy loan, including interest, will be proportionally reduced by the percent accelerated and will be deducted from the Accelerated Benefit payment.
- The Accelerated Benefit will reduce the Benefit Amount and will be applied immediately upon acceleration.
