ELIGIBILITY

ELIGIBILITY

Eligible employees must be actively at work on the plan effective date for new benefits to be effective.

EXISTING EMPLOYEES

When it's time to enroll in your benefits, your First Financial Account Representative will be available at each location to assist you with making your elections. Before enrollment, take time to educate yourself on the available benefits and what options would work best for you and your family by visiting the Employee Benefits Center.

MID-YEAR BENEFIT CHANGES

You may add or cancel coverage during the plan year if you have a change in family status. You must notify the benefits department within 30 days of the change.

QUALIFYING LIFE EVENTS INCLUDE:

- Changes in household, including marriage, divorce, legal separation, annulment, death of a spouse, birth, adoption, placement for adoption, or death of a dependent child
- Loss of health coverage, attributable to your spouse's employment, losing existing health coverage including job-based, individual & student plans, losing eligibility for Medicare, Medicaid, or CHIP, turning 26 and losing coverage through a parent's plan

SECTION 125 PLANS

SECTION 125 PLAN INFORMATION AND RULES

A Section 125 Plan provides a tax-saving way to pay for eligible medical or dependent care expenses. The funds are automatically deducted from your paycheck on a pre-tax basis.

HERE'S HOW IT WORKS

A Section 125 Plan reduces your taxes and increases your spendable income by allowing you to deduct the cost of eligible benefits from your earnings before tax. Plus, the plan is available to you at no cost, and you're already eligible – all you must do is enroll.

IS IT RIGHT FOR ME?

The savings you may experience with a Section 125 Plan are outlined in the example below. For instance, you could potentially take home about \$70 more each month if you participated in your employer's Section 125 Plan – that's a savings of \$840 a year!

You cannot change your benefit elections for the plan year unless the benefits office receives notification in writing within 30 days of the status change. If the benefits office is not notified within 31 days of the status change, no benefit change can be made until the next annual open enrollment.

IRS specified changes in family status include:

- Change in legal married status
- Change in number of dependents
- Termination or commencement of employment
- Dependent satisfies or ceases to satisfy dependent eligibility requirements
- Change in residence or worksite that affects eligibility for coverage

| SECTION 125 PLAN SAMPLE PAYCHECK | | |
|--------------------------------------|--------------|-----------|
| | WITHOUT S125 | WITH S125 |
| Monthly Salary | \$2,000 | \$2,000 |
| Less Medical Deductions | -N/A | -\$250 |
| Taxable Gross Income | \$2,000 | \$1,750 |
| Less Taxes (Fed/State at 20%) | -\$400 | -\$350 |
| Less Estimated FICA (7.65%) | -\$153 | -\$133 |
| Less Medical Deductions | -\$250 | -N/A |
| Take Home Pay | \$1,197 | \$1,267 |

YOU COULD SAVE \$70 PER MONTH IN TAXES BY PAYING FOR YOUR BENEFITS ON A PRE-TAX BASIS!

MEDICAL FSA

A Medical Flexible Spending Account (Medical FSA) is an IRS-approved program to help you save taxes and pay for out-of-pocket medical expenses not covered under your medical plan. If your plan includes a grace period option, you have additional time to incur and claim against unused funds in the new plan year. Keep in mind that remaining balances after the grace period is exhausted will be forfeited under the use-it-or-lose-it rule.

Your maximum contribution amount for 2023 is \$3,050.

HIGHLIGHTS

- Contributions are automatically deducted from your paycheck on a pre-tax basis, which helps reduce your taxable income and increase your spendable income.
- Your full election will be available to you at the beginning of the plan year.
- Be conservative – any money left in your account at the end of the plan year will be forfeited.
- Use your benefits card to pay for qualified expenses upfront without spending money out of pocket.
- Keep all receipts in case you need to substantiate a claim for tax purposes.

NOTE: The IRS requires proof that all expenses are eligible. Keep all receipts in case you need to substantiate a claim for tax purposes. Your receipt must include the date of purchase or service, amount you were required to pay after insurance, description of the product or service, merchant or provider name, and the patient's name.

DEPENDENT CARE FSA

With a Dependent Care Flexible Spending Account, you can set aside part of your pay on a pre-tax basis to pay for eligible dependent care expenses like childcare, babysitters, and adult day care.

**You may allocate up to \$5,000 per tax year for reimbursement of dependent care services.
If you are married and file a separate tax return, the limit is \$2,500.**

HIGHLIGHTS

- Eligible dependents must be claimed as an exemption on your tax return.
- Eligible dependents must be children under age 13 or an adult dependent incapable of self-care.
- Funds become available as contributions are made to your account.
- Keep all receipts in case you need to substantiate a claim for tax purposes.
- Balances will be forfeited at the end of the runoff or grace period.

FSA RESOURCES

The Benefits Card gives you immediate access to your money at the point of purchase. Cards are available for participating employees, their spouse and any eligible dependents who are at least 18 years old.

The IRS requires validation of most transactions for FSAs. You must submit receipts for validation of expenses when requested. HEALTH SAVINGS ACCOUNTS

A Health Savings Account (HSA) is a great way to help you control your healthcare costs. It works in conjunction with a qualified High Deductible Health Plan (HDHP) to combine tax-free savings earmarked for qualified medical expenses. An HSA allows you to set aside money to pay for higher deductibles associated with a lower monthly premium HDHP. The money you save in monthly insurance premiums is reserved for eligible medical expenses you incur in the future. Eligible expenses include things like co-pays and deductibles, prescriptions, vision expenses, dental care, therapy and medical supplies.

Portable, Permanent, Individual Life Insurance for Employees and Their Families

As an employee, you can apply for valuable life insurance protection on you and your family under eligibility guidelines established for your employer. Your employer has conveniently agreed to permit you to pay premiums through payroll deduction. This is a summary only. Policy provisions prevail. This brochure is not a contract or an offer to contract.

Minimal Cash Values Buy this policy for its life insurance protection, not its cash value. The primary benefit is life insurance. Payment of the Table Premium produces a small cash value (Benchmark Cash Value).

Permanent Life Insurance Coverage Unlike group term life insurance, PureLife-plus is a personally owned, permanent individual life insurance policy to age 121 that can never be canceled or reduced as long as you pay the necessary premiums, even if your health changes.

Guaranteed Period Continuous, timely, and uninterrupted payment of the Table Premium guarantees coverage for the Guaranteed Period shown. Texas Life (We) cannot legally predict the premium required to continue coverage after the Guaranteed Period. It may be lower, the same, or higher than the Table Premium. However, if the premium to continue coverage is ever higher, We guarantee a limited right to a partial refund of premium (described below).

Guaranteed Limited Right to Partial Refund of Premium If a premium higher than the Table Premium is ever required to continue coverage after the Guaranteed Period, you have the choice to:

- Pay the higher premium(s) required to continue coverage; or,
- Surrender the policy and receive a partial refund of premium equal to 120 times the minimum monthly premium due at issue (ten years worth of Table Premium). You are eligible for this refund if the actual cash value equals or exceeds the Benchmark Cash Value and you have taken no prior partial surrenders.

Portable Once issued, continued employment is not a condition to continue coverage. Coverage is guaranteed as long as required premiums are paid, even after you retire or terminate employment. When employment ends, you can pay equivalent monthly premiums directly or by bank draft (for monthly direct payments we add a monthly fee not to exceed \$2.00). Other modes are available.

Accelerated Death Benefit Due to Terminal Illness Rider This policy includes, at no additional premium, an Accelerated Death Benefit Due to Terminal Illness Rider (Form ICCo7-ULABR-07). See details on next page.

Individual and Family Coverage is Easy to Apply For Subject to age and amount restrictions, you may apply for an individual policy on your life or your spouse's life (see chart next page for spouse's minimum/maximum amounts). An individual policy is

also available on each of your children ages 15 days — 26, and even on each of your grandchildren ages 15 days — 18. Proof of insurability is required. Most policies are issued based upon the answers to three work and health related application questions.

Optional Benefits According to the guidelines established for your employer, your application will include the following benefit for an additional cost depending upon your issue age.

Accidental Death Benefit This benefit to age 65 (Issue Ages 17-59) doubles the coverage when death occurs by accidental bodily injury within 180 days of an accident. Maximum in-force limits and exclusions apply. (Form ICCo7-ULCL-ADB-07).

Accelerated Death Benefit Rider For Chronic Illness For Employee Only This benefit provides an accelerated death benefit if an insured becomes chronically ill as defined in the rider. (Form ICC15-ULABR-CI-15). See details on next page.

Interim Insurance: Interim insurance will be in force on the application date if these conditions are met: (1) the insurance is purchased through payroll deduction; (2) the Salary Deduction Authorization is signed; and, (3) the proposed insured is insurable at standard rates under Our rules and usual practice. Interim insurance remains in effect until the earlier of: (a) the Policy Date; (b) the date We decline the application; (c) the date We notify the applicant that s/he is ineligible for interim insurance; or, (d) the 180th day after the application date.

Policy Mechanics and Other Important Details Premiums are flexible. However, we highly recommend payment of the Table Premium during the Guaranteed Period, and no partial surrenders or policy loans. Table Premium produces a small cash value (Benchmark Cash Value). Paying a lesser premium results in an actual cash value which is less than Benchmark Cash Value, causing the policy to lapse. Premiums less a premium load create cash value to pay monthly administrative loads and cost of insurance. Cash value is currently credited at the guaranteed interest rate of 2.00% per year. We may, at any time, credit higher than the guaranteed interest rate. Likewise, We may charge cost of insurance rates which are less than the policy's maximum rates, but only when actual cash value equals or exceeds Benchmark Cash Value. No surrender charges apply. Loads include 10.00% of premium, \$2.03 per month and monthly administrative loads. Two year suicide and contestable clauses apply. The policy loan rate is 7.40% in advance. Surrenders and loans may be deferred for up to six months.

A Summary of the Accelerated Death Benefit Rider

Terminal Illness - included at no additional cost

The policy includes an Accelerated Death Benefit Due to Terminal Illness Rider. If the Insured has a terminal illness, in lieu of the insurance proceeds otherwise payable at death, you may elect to claim an accelerated benefit while the Insured is still alive. The single sum benefit is 92% of the insurance proceeds less an administrative fee of the lesser of \$150 or 7% of the insurance proceeds. Terminal Illness is an injury or sickness diagnosed and certified by a qualifying physician that, despite the appropriate medical care, is reasonably expected to result in death within 12 months. This benefit is intended to qualify for favorable income tax treatment and may not be subject to federal income tax. (See Important Notices below.)

Chronic Illness - included with an additional premium, for employee only

For an additional premium of 10% of the base policy premium, this policy may include an Accelerated Death Benefit Due to Chronic Illness Rider. If the Insured has a chronic illness, in lieu of the insurance proceeds otherwise payable at death, you may elect to claim an accelerated benefit while the Insured is still alive. The single sum benefit is 92% of the insurance proceeds less an administrative fee of the lesser of \$150 or 7% of the insurance proceeds. Chronic Illness means the Insured permanently: (a) is unable to perform, without substantial assistance from another individual, at least two Activities of Daily Living due to a loss of functional capacity and will need services for the rest of his or her life; or (b) requires substantial supervision to protect the Insured from threats to health and safety due to severe cognitive impairment and will need services for the rest of his or her life. Activities of Daily Living include: bathing, continence, dressing, eating, toileting, and transferring. Severe cognitive impairment means deterioration or loss of intellectual capacity that: (1) places the Insured in jeopardy of harming himself or herself or others, and therefore, the Insured requires substantial supervision by another person; and (2) is measured by clinical evidence and standardized tests which reliably measure impairment in: (a) short or long term memory; (b) orientation to people, places or time; and (c) deductive or abstract reasoning.

This benefit will be calculated and paid as a lump sum only. This lump sum is intended to serve as a per diem accelerated death benefit as described under Section 101(g) of the Internal Revenue Code. You may be able to exclude certain portions of this accelerated death benefit (specifically, the greater of: (a) the lump sum equivalent of the per diem amount; or (b) the actual cost incurred for Services provided in the year the Accelerated Death Benefit is paid) from your taxable income. Your benefit for Chronic Illness will be calculated in accordance with the rider and you may, in some circumstances, be paid more than the excludable per diem amount.

Important Notices

Tax laws related to the acceleration of life insurance benefits are complex. The information presented in this Summary is general in nature. You should consult a qualified tax or legal advisor to determine the effect of receiving this benefit. Texas Life Insurance Company and its agents do not provide tax or legal advice.

Receipt of any accelerated death benefit under your policy may affect your, your spouse's and your family's eligibility for medical assistance (Medicaid), Aid to Families with Dependent Children (AFDC), Supplemental Social Security Income (SSI), and drug assistance programs. You should consult with a qualified tax or legal advisor and the relevant social service agencies to determine how receiving the benefit may affect your, your spouse's, and your family's eligibility for public assistance.

An accelerated death benefit is not long term care insurance. This summary provides a general description of any accelerated death benefit under your policy. Your policy and riders contain certain exclusions, limitations, and exceptions. Please refer to your policy and rider for details. The right to accelerate benefits under any accelerated death benefit does not extend to any Child Term Life Insurance Rider. However, if the accelerated death benefit under any rider is paid, any coverage provided under the Child Term Life Insurance Rider attached to this policy becomes a paid up term insurance policy on each covered child.

This paid up coverage on each child will terminate on each covered child's 25th birthday. Payment under any accelerated death benefit rider terminates the policy and all other optional benefits/riders and reduces all insurance proceeds, cash values and loan values to zero.

Representation of benefit payable - Terminal or Chronic Illness

The following chart shows the effect of exercising an accelerated benefit on the base policy. This example is using a \$50,000 policy with a \$2,000 policy loan balance and all premiums are current. This chart is for representation purposes only. Your benefits may be higher or lower, depending on your face amount of coverage, any unpaid policy loan balance, and any overdue premiums.

| | Terminal Illness | Chronic Illness |
|-----------------------------|-----------------------------|----------------------------|
| Death Benefit | \$50,000 | \$50,000 |
| Policy Loan Balance | - \$2,000 | - \$2,000 |
| Available for Acceleration | = \$48,000 | = \$48,000 |
| Acceleration Percentage | x 92% | x 92% |
| Gross Benefit | = \$44,160 | = \$44,160 |
| Administration Fee | - \$150 | - \$150 |
| Overdue Premiums | - \$0 | - \$0 |
| Accelerated Benefit Payable | = \$44,010 | = \$44,010 |

Note: The benefit will be paid for either Terminal Illness or Chronic Illness. In no instance will benefits be paid under both riders.

SHORT TERM DISABILITY INSURANCE

American Fidelity | www.americanfidelity.com | 1.800.323.3748

Have you ever wondered what would happen to your income if you had an accidental injury, sickness, or pregnancy? That is why you need disability coverage. It replaces a portion of income for the period you are unable to work due to those reasons. You can choose the benefit amount, which is the amount of your income to replace, and the waiting period that you begin receiving payments.

How do you decide if you need disability insurance? Consider these questions when making your decision:

- How much employer leave do you have?
- Do you have savings?
- Do you have other income you can rely on, such as from your spouse or from child support?
- How close are you to retirement?
- Could you go on Social Security Disability or take a Disability Retirement?
- What are your other sources of income?

Choose the Right Plan for You

Benefits Begin

- Plan I -** On the 15th day of Disability due to a covered Injury or Sickness.
- Plan II -** On the 31st day of Disability due to a covered Injury or Sickness.

Injury means physical harm or damage to the body you sustained which results directly from an accidental bodily injury, is independent of disease or bodily infirmity; and takes place while your coverage is in force.

Hospital- the term "Hospital" shall not include an institution used by you as a place for rehabilitation; a place for rest or for the aged; a nursing or convalescent home; a long-term nursing unit or geriatrics ward; or an extended care facility for the care of convalescent, rehabilitative, or ambulatory patients.

Service in the Uniformed Services means the performance of duty on a voluntary or involuntary basis in a uniformed service under competent authority and includes active duty, active duty for training, initial active duty for training, inactive duty training, full-time national guard duty, and a period for which a person is absent from a position of employment for the purpose of an examination to determine the fitness of the person to perform any such duty; service in the armed forces of the United States pursuant to authorization by the United States Congress or presidential proclamation pursuant to the War Powers Resolution; or state active duty by members of the national guard who are activated pursuant to a call of the governor of this state or of any other state as provided for by law.

Policy Provisions and Plan Features

Eligibility

All permanent employees in covered group working 20 hours or more per week. Regarding your eligibility, we may require proof of good health and will rely on answers given on your application to determine if coverage can be issued. Regardless of your health at the time of application, if coverage is approved and issued, claims incurred while coverage is in force will be subject to all terms of the Policy including any Pre-Existing Condition limitation.

When Coverage Begins

Certificates will become effective on the requested effective date following the date we approve the application, provided you are on active employment and premium has been paid.

Donor Benefit

If you are disabled as a result of being an organ or tissue donor, we will pay your benefit as any other sickness under the terms of the plan.

If You Are Disabled Due to a Covered Disability and Not Working

We will pay the disability benefit described in the benefit schedule. No disability payment will be provided for any period in which you are not under the regular and appropriate care of a physician.

Disability or disabled means that you are unable to perform the material and substantial duties of your regular occupation.

- **Worksite Accommodation**

As a part of our claims evaluation process, if worksite modifications may assist your return to work, we will evaluate your claim for appropriate action.

Alcoholism and Drug Addiction Limited Benefit

If you are disabled due to alcoholism or drug addiction, a limited benefit of up to 15 days for each disability will be paid. Benefits will not be paid beyond the maximum benefit period. If drug addiction is sustained at the hands of, or while under the regular and appropriate care of a physician in the course of treatment for injury or sickness, it will be covered the same as any other sickness.

Pre-Existing Condition Limitation

No Disability Benefit will be payable if Disability is caused by or resulting from a Pre-Existing Condition and begins before you have been continuously covered under the Policy for 12 months. This provision will not apply if you have: gone treatment-free; incurred no expense; taken no medication; and received no diagnosis or advice from a Physician, for 12 consecutive months for such condition(s).

This limitation will not apply to a Disability resulting from a Pre-Existing Condition that begins after you have been continuously covered under the Policy for 12 months.

Any increase in benefits will be subject to this pre-existing condition limitation. A new pre-existing condition period must be satisfied with respect to any increase applied for and approved by us. If you leave employment to perform Service in the Uniformed Services and reapply for coverage after release from the uniformed services, including all of your family members and dependents previously covered, shall be reinstated with coverage under the group policy without any restriction because of a pre-existing condition.

Pre-existing condition means a disease, Injury, Sickness, physical condition or mental illness for which you: had treatment; incurred expense; took medication; received care or services including diagnostic testing or related measures; or received a diagnosis or advice from a physician, during the 12 month period immediately before your effective date of coverage. The term pre-existing condition will also include conditions which are related to such disease, injury, sickness, physical condition, or mental illness.

There is a *3 in 10* chance of a person suffering a disabling illness or injury that would keep them out of work for three months or more.

LONG TERM DISABILITY INSURANCE

American Fidelity | www.americanfidelity.com | 1.800.323.3748

Have you ever wondered what would happen to your income if you had an accidental injury, sickness, or pregnancy? That is why you need disability coverage. It replaces a portion of income for the period you are unable to work due to those reasons. You can choose the benefit amount, which is the amount of your income to replace, and the waiting period that you begin receiving payments.

How do you decide if you need disability insurance? Consider these questions when making your decision:

- How much employer leave do you have?
- Do you have savings?
- Do you have other income you can rely on, such as from your spouse or from child support?
- How close are you to retirement?
- Could you go on Social Security Disability or take a Disability Retirement?
- What are your other sources of income?

Benefits Begin

Benefits begin on the 181st day of Disability due to a covered Injury or Sickness.

Injury means physical harm or damage to the body you sustained which results directly from an accidental bodily injury, is independent of disease or bodily infirmity; and takes place while your coverage is in force.

Sickness means a disease or illness (including pregnancy). Disability must begin while your coverage is in force.

Hospital- the term "Hospital" shall not include an institution used by you as a place for rehabilitation; a place for rest or for the aged; a nursing or convalescent home; a long-term nursing unit or geriatrics ward; or an extended care facility for the care of convalescent, rehabilitative, or ambulatory patients.

Service in the Uniformed Services means the performance of duty on a voluntary or involuntary basis in a uniformed service under competent authority and includes active duty, active duty for training, initial active duty for training, inactive duty training, full-time national guard duty, and a period for which a person is absent from a position of employment for the purpose of an examination to determine the fitness of the person to perform any such duty; service in the armed forces of the United States pursuant to authorization by the United States Congress or presidential proclamation pursuant to the War Powers Resolution; or state active duty by members of the national guard who are activated pursuant to a call of the governor of this state or of any other state as provided for by law.

Policy Provisions and Plan Features

Eligibility

All permanent employees in covered group working 20 hours or more per week. Regarding your eligibility, we may require proof of good health and will rely on answers given on your application to determine if coverage can be issued. Regardless of your health at the time of application, if coverage is approved and issued, claims incurred while coverage is in force will be subject to all terms of the Policy including any Pre-Existing Condition limitation.

When Coverage Begins

Certificates will become effective on the requested effective date following the date we approve the application, provided you are on active employment and premium has been paid.

Physician Expense Benefit

Injury - \$150.00 per Injury
Sickness - \$50.00

If you need personal treatment by a Physician due to an Injury or Sickness, we will pay the amount shown above provided no other claim has been paid under the Policy. This benefit will be paid for Sickness only if the treatment is received during one full day of Disability during which you missed one full day of work. To be eligible for more than one payment for the same or related condition due to Sickness, you must have returned to work for at least 14 consecutive scheduled workdays. You are not required to miss one full day of work in order to receive the Injury benefit. This benefit will be limited to 8 payments per calendar year.

Accidental Death Benefit

A lump sum of \$20,000 will be paid to your designated beneficiary if you die as the direct result of an injury within 90 days after the injury.

Hospital Confinement Benefit

A Hospital Confinement Benefit will be paid each day you are confined as a patient in a Hospital due to an Injury or Sickness, for up to 60 days. The amount payable is 1 times the Disability Benefit which will be pro-rated on a daily basis. This benefit will not be reduced by Deductible Sources of Income. The Hospital confinement must be at least 18 continuous hours in duration. This benefit will begin after your satisfaction of the elimination period.

Waiver of Premium

No premium payments are required while you are receiving payments under the plan after disability payments have been received for 180 consecutive days. We will require proof annually that you remain disabled during that time.

Donor Benefit

If you are disabled as a result of being an organ or tissue donor, we will pay your benefit as any other sickness under the terms of the plan.

Offsets With Other Sources of Income

Deductible Sources of Income include:

- Other group disability income.
- Governmental or other retirement system, whether due to disability, normal retirement or voluntary election of retirement benefits.
- United States Social Security Act or similar plan or act, including any amounts due your dependent(s) on account of your disability.
- State Disability.

- Unemployment compensation.
- Sick leave or other salary or wage continuance plans provided by the Employer which extend beyond 180 calendar days from the date of disability.

We reserve the right to estimate these Deductible Sources of Income that you may receive as defined in your Certificate.

Minimum Disability Benefit

The Minimum Disability Benefit is 10% of the Monthly Disability Benefit or \$100.00, whichever is greater.

If You Are Disabled Due to a Covered Disability and Not Working

Your disability payment will be the disability benefit described in the benefit schedule less any deductible sources of income you receive or are entitled to receive. No disability payment will be provided for any period in which you are not under the regular and appropriate care of a physician.

Disability or disabled for the first 24 months of disability means that you are unable to perform the material and substantial duties of your Regular Occupation. After that, Disability means you are unable to perform the material and substantial duties of any Gainful Occupation for wage or profit for which you are reasonably qualified by training, education, or experience and which provides you with substantially the same earning capacity as your former earning capacity prior to the start of the Disability.

Return To Work Incentives: Disabled and Working

If you are disabled and working, you may be eligible to continue to receive a percentage of your disability payment in addition to your disability earnings. If your disability earnings exceed 100% of your monthly compensation, payments will stop and your claim will end.

• Family Care Benefit

If you are disabled and working and have one or more eligible family members, you may be eligible for a family care benefit. This benefit is for expenses incurred up to 25% of your monthly disability benefit. Your disability earnings, gross disability benefit, and family care benefit cannot exceed 100% of your monthly compensation. Payment of this benefit ends when you cease to be eligible for benefits under the Disabled and Working provision of the policy.

• Worksite Accommodation

As a part of our claims evaluation process, if worksite modifications may assist your return to work, we will evaluate your claim for appropriate action.

Mental Illness Limited Benefit

If you are disabled due to a mental illness, benefits will be provided for up to 2 years, not to exceed the maximum disability period.

Policy Benefit Limitations and Exclusions

Alcoholism and Drug Addiction Limited Benefit

If you are disabled due to alcoholism or drug addiction, a limited benefit of up to 15 days for each disability will be paid. Benefits will not be paid beyond the maximum benefit period. If drug addiction is sustained at the hands of, or while under the regular and appropriate care of a physician in the course of treatment for injury or sickness, it will be covered the same as any other sickness.

Pre-Existing Condition Limitation

A limited benefit up to 1 month's Disability Benefit will be payable for Disability due to a Pre-Existing Condition. This provision will not apply if you have: gone treatment-free; incurred no expense; taken no medication; and received no diagnosis or advice from a Physician, for 12 consecutive months for such condition(s).

This limitation will not apply to a Disability resulting from a Pre-Existing Condition that begins after you have been continuously covered under the Policy for 12 months.

Any increase in benefits will be subject to this pre-existing condition limitation. A new pre-existing condition period must be satisfied with respect to any increase applied for and approved by us. If you leave employment to perform Service in the Uniformed Services and reapply for coverage after release from the uniformed services, including all of your family members and dependents previously covered, shall be reinstated with coverage under the group policy without any restriction because of a pre-existing condition.

Pre-existing condition means a disease, Injury, Sickness, physical condition or mental illness for which you: had treatment; incurred expense; took medication; received care or services including diagnostic testing or related measures; or received a diagnosis or advice from a physician, during the 12 month period immediately before your effective date of coverage. The term pre-existing condition will also include conditions which are related to such disease, injury, sickness, physical condition, or mental illness.

Exclusions

The Policy does not cover any loss, fatal or non-fatal, resulting from:

- Intentionally self-inflicted injury while sane or insane.
- An act of war, declared or undeclared.
- Injury sustained or Sickness contracted while in the service of the armed forces of any country.
- Committing a felony.
- Penal incarceration. We will not pay benefits for Disability or any other loss during any period for which you are incarcerated in a penal or correctional institution for a period of 30 consecutive days or longer.
- Injury or Sickness arising out of and in the course of any occupation for wage or profit or for which you are entitled to Workers' Compensation.

The term "entitled to Workers' Compensation" shall also include Workers' Compensation claim settlements that occur via compromise and release. Further, no benefits will be paid under this Policy for any period during which you are entitled to Workers' Compensation benefits.

Your coverage may be continued for up to 1 year during a leave of absence approved in writing by your employer. Coverage will continue as long as the group policy remains in force, the premiums are paid and you remain eligible for the coverage under the policy. Your coverage will end when you no longer qualify as an insured, you retire, you are not on active employment, or your employment terminates. Your coverage can be terminated on any premium due date with 60 days advance notice. If premium rates are increased, we will provide a 45 day advance notice.

There is a **3 in 10** chance of a person suffering a disabling illness or injury that would keep them out of work for three months or more.

CANCER INSURANCE

Guardian | www.guardianlife.com | 1.888.600.1600

*** NEW FOR THE 2023 PLAN YEAR ***

Thousands of Americans are diagnosed with cancer each day. No doubt, the news is devastating, both personally and financially. It's impossible to anticipate a cancer diagnosis, but it is possible to prepare for it with a cancer insurance plan.

It is likely that your major medical coverage will not cover all the costs associated with a cancer diagnosis. Supplementing your major medical with cancer insurance may help you pay for related expenses, such as copays and deductibles, specialists, experimental treatment, specialty hospitals, travel expenses, in-home care and more.

Premiums are paid through convenient payroll deduction to ensure your policy remains in force if you should need it. Benefits are paid directly to you, so you can choose how to spend the money. Visit the Employee Benefits Center and view policy for more details.

How cancer insurance can ease the financial burden of a cancer diagnosis.

Cancer insurance

If you're diagnosed with cancer, the last thing you need to think about is the cost. Cancer insurance helps ease the financial burden.

Every year, more and more people are diagnosed with cancer. Unfortunately, in addition to bearing the physical and emotional toll of this disease, patients are often saddled with added financial expenses.

Who is it for?

Cancer insurance is for people who want added financial protection, in addition to their regular health insurance. It comes into play if you are diagnosed with cancer—providing additional financial support to help keep the focus on your cancer treatment and recovery.

What does it cover?

Cancer insurance benefits can help you handle medical plan deductibles, co-pays and other out-of-pocket costs by providing benefits when you receive radiation or chemotherapy treatment, or are hospitalized for surgery to treat cancer. These benefits can be used for non-medical expenses such as transportation to treatment facilities, and even everyday living expenses like groceries, rent, and mortgage payments.

Why should I consider it?

Health coverage may become more expensive, with higher co-pays, premiums, and deductibles. The unexpected out-of-pocket expenses of cancer recovery, including transportation, co-pays, and deductibles, can add up fast. What's more, some of the costs you may incur during recovery are non-medical, such as covering a mortgage, childcare, and household expenses. Cancer insurance can help you pay for all of them.

Plus, cancer insurance is portable and payments are made directly to you.

You will receive these benefits if you meet the conditions listed in the policy.

Extra support

Sarah's diagnosed with kidney cancer after a screening test and decides to undergo kidney removal surgery.

Average surgical expense: **\$25,000**

Average Major Medical deductible: **\$1,500**

Major Medical covers 80% of the surgical cost after the deductible is met, but Sarah's still responsible for 20%: **\$4,700**

Total out-of-pocket amount for Sarah (deductible + coinsurance): **\$6,200**

Sarah has Guardian's Cancer Advantage policy, which pays her **\$2,500** as an initial diagnosis benefit and **\$2,100** for a 7-day hospital stay.

This gives her a total of **\$4,600** to help cover a portion of her out-of-pocket amount.

This example is for illustrative purposes only. Your plan's coverage may vary. See your plan's information on the following pages for specific amounts and details.

Protection when faced with
a critical illness diagnosis
and you need treatment

Critical Illness Insurance from Allstate Benefits*

No one is ever really prepared for a life-altering critical illness diagnosis. The whirlwind of appointments, tests, treatments and medications can add to your stress levels.

The treatment to recovery is vital, but it can also be expensive. Your medical coverage may only cover some of the costs associated with treatment. You're still responsible for deductibles and coinsurance. If treatment keeps you out of work, the financial worries can grow quickly and stress levels may rise.

Critical Illness coverage helps provide financial support if you are diagnosed with a covered critical illness. With the expense of treatment often high, seeking the treatment you need could seem like a financial burden. When a diagnosis occurs, you need to be focused on getting better and taking control of your health, not stressing over financial worries.

Here's How It Works

You choose benefits to protect yourself and any family members if diagnosed with a critical illness. Then, if diagnosed with a covered critical illness, you will receive a cash benefit based on the percentage payable for the condition.

Meeting Your Needs

- Coverage available for dependents
- Covered dependents receive 50% of your Basic-Benefit Amount
- Benefits paid regardless of any other medical or disability plan coverage

Meet Ashley

Ashley is like any single parent who has been diagnosed with a critical illness. She's worried about her future, her children and how they will cope with her treatments. Most importantly, she worries about how she will pay for it all.

Here is what weighs heavily on her mind:

- Major medical only pays a portion of the expenses associated with my treatment
- I have copays I am responsible for until I meet my deductible
- If I am not working due to my treatments, I must cover my bills, rent/mortgage, groceries and my children's education
- If the right treatment is not available locally, I will have to travel to get the treatment I need

Ashley's story of diagnosis and treatment turned into a happy ending, because she had supplemental Critical Illness Insurance to help with expenses.

CHOOSE

Ashley chooses Critical Illness benefits to help protect herself and her children, if they are diagnosed with a critical illness.

USE

During Ashley's annual wellness exam, her doctor noticed an irregular heartbeat. She underwent an electrocardiogram (EKG) test and stress test, which confirmed she had a blockage in one of her coronary arteries.

Here's Ashley's treatment path:

- Ashley has her annual wellness exam
- Her doctor notices an abnormality in her heartbeat; tests are performed and she is diagnosed with coronary artery disease
- After visits with doctors, surgeons and an anesthesiologist, Ashley undergoes surgery
- Surgery is performed to remove the blockage with a bypass graft. She is visited by her doctor during a 4-day hospital stay and released
- Ashley follows her doctor required treatment during a 2-month recovery period, and has regular doctor office visits

Ashley is doing well and is on the road to recovery.

Ashley's Critical Illness claim paid her cash benefits for the following:

The cash benefits were direct deposited into her bank account.

Colonial | www.coloniallife.com | 1.800.325.4368

The costs associated with an injury can add up. Between hospital visits, exams and treatment, out-of-pocket costs could put you in a financial hardship. An accident plan pays benefits directly to you so you can determine where to spend the money. If you change jobs or leave your employer, you can take your coverage with you at no additional cost. Your coverage is guaranteed renewable as long as you pay your premiums when they are due or within the grace period.

VOLUNTARY RETIREMENT PLANS

First Financial Administrators, Inc. | www.ffga.com |

403(b) RETIREMENT PLAN

Research shows that Americans are living well past retirement years. Are you saving enough to be able to enjoy those years? A 403(b) plan can help you get there.

It's an IRS-approved retirement plan that allows you to set aside money on an after-tax basis for your retirement. Contributions are conveniently made through payroll deduction, so money is moved from your paycheck into the account automatically. Plus, your employer may even match your contributions based on how much you put into the plan. Now is the time to take full advantage of this opportunity to maximize your retirement savings!

457(b) RETIREMENT PLAN

The 457(b) plan is an employer-sponsored voluntary retirement savings plan that allows you to save money for retirement on a tax-deferred basis. The plan contains most of the same features of the 403(b) plan but is different in one unique way. Distributions from a 457(b) Deferred Compensation Plan are not subject to the 10 percent excise tax for early withdrawal.

CONTRIBUTION LIMITS

In 2023, you can contribute 100 percent of your includible compensation up to \$22,500, whichever is less. If you are age 50 or older, you can contribute up to an additional \$7,500 for a total of \$30,000.

403(b) RETIREMENT PLANS

First Financial Administrators, Inc. | www.ffga.com |
1.800.523.8422, option 2 | retirement@ffga.com

The 403(b) can be an excellent way to save money for retirement. It can serve as a supplement to a traditional pension plan or other retirement plan(s), or as a stand-alone plan. The 403(b) is a tax deferred retirement plan available to employees of educational institutions and certain non-profit organizations as determined by section 501(c)(3) of the Internal Revenue Code. Contributions and investment earnings in a 403(b) grow tax deferred until withdrawal (assumed to be retirement), at which time they are taxed as ordinary income. The 403(b) is named after the section of the IRS code governing it.

HOW A 403(B) WORKS

Employees enroll and participate through their employer. Contributions to a 403(b) are made on a pre-tax basis through a Salary Reduction Agreement. This is an arrangement where the participating employee agrees to take a reduction in salary. The amount by which the salary is reduced is directed to investments offered through the employer and selected by the employee. These contributions are called elective deferrals and are excluded from the employee's taxable income. Contributions grow tax-deferred until the time of retirement when withdrawals are taxed as ordinary income.

BENEFITS

- Tax deferred growth: no annual taxation on earnings
- Investment options: fixed annuities, variable annuities, or mutual funds
- Competitive interest rates
- Flexibility: start, stop, and adjust your contributions as allowed by your employer's plan.
- Receive periodic account statements

CONTRIBUTION LIMITS

In 2023, you can contribute 100 percent of your includible compensation up to \$22,500, whichever is less. If you are age 50 or older, you can contribute up to an additional \$7,500 for a total of \$30,000. *All investing involves risk. Past performance is not a guarantee of future returns.*

457(b) RETIREMENT PLANS

First Financial Administrators, Inc. | www.ffga.com |
1.800.523.8422, option 2 | retirement@ffga.com

A 457(b) plan is a Tax Deferred Retirement Plan available to employees of state and local governmental agencies, including public school employees. They are similar to 401(k) plans because they allow you to place a percentage of your salary into an employer-sponsored plan that helps you save for retirement. You will not have to pay taxes on what you contribute or your earnings made until you withdraw the money.

BENEFITS

- Investment options: fixed annuities, variable annuities, or mutual funds
- Flexibility: start, stop, and adjust your contributions as allowed by your employer's plan
- Receive periodic account statements
- No 10% federal penalty on interest or earnings for early withdrawal
- No current federal income taxes on the money you put into the plan until it is time to take withdrawals

CONTRIBUTION LIMITS

In 2023, you can contribute 100 percent of your includible compensation up to \$22,500, whichever is less. If you are age 50 or older, you can contribute up to an additional \$7,500 for a total of \$30,000. *All investing involves risk. Past performance is not a guarantee of future returns.*

LIFE/LONG TERM CARE INSURANCE

Combined | www.combinedinsurance.com | 1.800.225.4500

To fully equip yourself for the future, consider adding a life/long term care plan to your insurance portfolio. Most health insurance plans will not cover long term care services such as skilled in-home care, nursing home facilities, assisted living centers or adult day care. If you had a life/long term care insurance plan in place, you would have peace of mind knowing that these costs are covered.

A life/long term care insurance plan is there for you whenever you need it as long as the premiums are paid and the policy is still in force. And while we usually think of senior citizens being the ones who need a life/long term care plan, the truth is that any person at any age can claim benefits when it's necessary.

A life/long term care plan allows your loved ones to be there for you as a family member, not a caretaker. Plus, it helps preserve your assets so you can continue building your nest egg. Benefits are paid through payroll deduction, and the plan may be converted to an individual policy if you leave your employer.

Sit down with your First Financial Account Manager to discuss your group long-term care plan and choose the coverage the works best for you and your family.

LifeTime Benefit Term

Life Insurance— Valuable protection for your loved ones

You work hard to provide a good life for your family. However, what if something happened to you? Would your family be able to continue covering expenses you may have today like mortgage payments, childcare, credit card payments, college tuition and other household expenses? What about burial expenses or expenses for long term care like nursing home or assisted living care?

Many families would struggle, especially if the primary wage earner died. And few families are able to afford nursing home care without some type of financial assistance.

LifeTime Benefit Term Provides You with the Protection Your Family Needs

LifeTime Benefit Term helps protect you and your family if you were no longer able to provide for them. Your family can receive cash benefits paid directly to them upon your death that they can use to help cover expenses like mortgage payments, credit card debt, childcare, college tuition and other household expenses.

Cash benefits can also be paid directly to you while you are living for long term care expenses.

You Decide How You Want to Use LifeTime Benefit Term Benefits

When you make the promise to protect your family with LifeTime Benefit Term, there are several ways it can work.

As Life Insurance

LifeTime Benefit Term protects your family with money that can be used any way they choose. It is most often used to pay for mortgage or rent, education for children and grandchildren, retirement, family debt, and final expenses.

For Long Term Care* (LTC)

If you become chronically ill, LifeTime Benefit Term will pay you 4% of your death benefit each month you receive Long Term Care. You can use this money any way you choose, and your life insurance premiums will be waived.

- Your death benefit will reduce proportionately each month as you receive benefit payments for Long Term Care. After 25 months of receiving Long Term Care Benefits, your death benefit will reduce to zero.
- With Extension of Benefits*, if you continue to need LTC after you have exhausted your Death Benefits, you can receive up to 50 more months of benefits, for a total of 75 months of LTC benefits.

Restoration of Your Death Benefit

Ordinarily, accelerating your life coverage for Long Term Care benefits can reduce your death benefit to \$0. While in force, this rider restores your life coverage to not less than 50% of the death benefit on which your LTC benefits were based, not to exceed \$50,000. This rider assures there will be a death benefit available for your beneficiary until you reach age 121.

Term Life Insurance Built for Today

Guaranteed Premiums*

Life insurance premiums will never increase and are guaranteed to age 100. Thereafter no additional premium is due while the coverage can continue to age 121.

Guaranteed Benefits During Working Years

Death Benefit is guaranteed 100% when it is needed most—during your working years when your family is relying on your income. While the policy is in force, the death benefit is 100% guaranteed for the longer of 25 years or age 70.

Guaranteed Benefits After Age 70

After age 70, when income is less relied upon, the benefit is guaranteed to never be less than 50% of the original death benefit. And based on current interest rates and mortality assumptions, the full death benefit is designed to last a lifetime.

Paid-up Benefits

After 10 years, paid up benefits begin to accrue. At any point thereafter, if premiums stop, a reduced paid up benefit is guaranteed. Flexibility is perfect for retirement.

Long Term Care (LTC)*

If you need LTC, you can access your death benefit while you are living for home health care, assisted living, adult day care and nursing home care. You get 4% of your death benefit per month while you are living for up to 25 months to help pay for LTC. Insurance premiums are waived while this benefit is being paid.

Extension of Benefits*

Extends the monthly Long Term Care benefit for up to an additional 50 months, after 100% of the base death benefit has been used for LTC.

Terminal Illness

After your coverage has been in force for 30 days, you can receive 50% of your death benefit, up to \$100,000, if you are diagnosed as terminally ill.

Good things happen every day, and unfortunately hardship happens too. Let us help you protect everything you value.

Additional Benefit Options *(additional premiums required)*

Child Term

Death Benefits available up to \$25,000. Guaranteed conversion to individual coverage at age 26—up to 5 times the benefit amount.

Waiver of Premium

Payor Waiver of Premium

* LTC and Extension of Benefits premiums may be adjusted based upon the experience of the group or other group characteristics that may affect results. Life is full of unexpected events that may impact your health insurance coverage. Under the Consolidated Omnibus Budget Reconciliation Act, better known as COBRA, you have the right to continue your group health coverage such as medical, dental, vision insurance and flexible spending accounts for a limited period of time.

HIGHLIGHTS

- Temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work, divorce, death or a child no longer qualifying as a dependent. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.
- Either you or your family member are responsible for notifying your employer of a divorce, legal separation or child losing dependent status within 60 days of the event. In the case of termination, death or reduction in hours, your employer will be responsible for letting the provider know that you have the right to continue coverage under COBRA.
