Dental Rewards®

This dental plan includes a valuable feature that allows qualifying plan members to carryover part of their unused annual maximum. A member earns dental rewards by submitting at least one claim for dental expenses incurred during the benefit year, while staying at or under the threshold amount for benefits received for that year. Employees and their covered dependents may accumulate rewards up to the stated maximum carryover amount, and then use those rewards for any covered dental procedures subject to applicable coinsurance and plan provisions. If a plan member doesn't submit a dental claim during a benefit year, all accumulated rewards are lost. But he or she can begin earning rewards again the very next year.

Benefit Threshold	\$500	Dental benefits received for the year cannot exceed this amount
Annual Carryover Amount	\$250	Dental Rewards amount is added to the following year's maximum
Maximum Carryover	\$1,000	Maximum possible accumulation for Dental Rewards

Orthodontia Waiting Period - new enrollees only

Anyone hired after the initial plan enrollment will have a 12-month waiting period, after they enroll in this dental plan, before they are eligible to receive orthodontia benefits.

Dental Network Information

To find a provider, visit ameritas.com and select **FIND A PROVIDER**, then **DENTAL**. Enter your criteria to search by location or for a specific dentist or practice. California Residents: When prompted to select your network, choose the Ameritas Network found on your ID Card or contact Customer Connections at 800-487-5553. Your provider network is Ameritas Classic Network.

Pretreatment

While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.

Open Enrollment

If a member does not elect to participate when initially eligible, the member may elect to participate at the policyholder's next enrollment period. This enrollment period will be held each year and those who elect to participate in this policy at that time will have their insurance become effective on September 1. If you do not enroll during your company's open enrollment period, then you will be subject to the Late Entrant Provision.

Section 125

This plan is provided as part of the Policyholder's Section 125 Plan. Each employee has the option under the Section 125 Plan of participating or not participating in this plan. If an employee does not elect to participate when initially eligible, he/she may elect to participate at the Policyholder's next Annual Election Period.
