The smartphone screen displays the Recuro Health app interface. At the top, the time is 9:41 and the signal strength, Wi-Fi, and battery icons are visible. The app header shows the Recuro Health logo. The main content area features a large photo of a smiling female doctor, Dr. Lilly Patterson, wearing a white lab coat and a stethoscope. Below the photo is a white circular badge with the text "Digital Medical Home™". To the left of the phone, a "Settings" menu is visible, including sections for Account (Profile, WellVia Account, Appearance), Support (Leave a Review, Send A Suggestion, Call 24/7 Member Services), and Notifications (News Emails, Visit Emails, Visit Texts). To the right, a "Dr. Lilly Patterson" profile card shows her specialties as a Physician, a rating of 9.8/10, and three visit time options for Saturday, June 18: 07:30 AM, 12:00 PM, and 09:30 AM. A "Provider Background" section provides a snippet of her education and experience.
