Are there any exclusions or limitations?

We will not pay benefits for a claim that is caused by, contributed to by, or occurs as a result of any of the following:

- committing or attempting to commit a felony;
- being engaged in an illegal occupation or activity;
- injuring oneself intentionally or attempting or committing suicide, whether sane or not;
- active participation in a riot, insurrection, or terrorist activity. This does not include civil commotion or disorder, injury as an innocent bystander, or Injury for self-defense;
- participating in war or any act of war, whether declared or undeclared;
- combat or training for combat while serving in the armed forces of any nation or authority, including the National Guard, or similar government organizations;

- being intoxicated; and
- a Date of Diagnosis that occurs while an Insured is legally incarcerated in a penal or correctional institution.

Additionally, no benefits will be paid for a Date of Diagnosis that occurs prior to the coverage effective date.

Pre-existing Conditions

We will not pay benefits for a claim when the covered loss occurs in the first 12 months following an insured's coverage effective date and the covered loss is caused by, contributed to by, or occurs as a result of any of the following:

- a pre-existing condition; or
- complications arising from treatment or surgery for, or medications taken for, a pre-existing condition.

An insured has a pre-existing condition if, within the 3 months just prior to their coverage effective date, they have an injury or sickness, whether diagnosed or not, for which:

- medical treatment, consultation, care or services, or diagnostic measures were received or recommended to be received during that period;
- drugs or medications were taken, or prescribed to be taken during that period; or
- symptoms existed.

Pre-existing Condition requirements are not applicable to children who are newly acquired after your Coverage Effective Date.

The pre-existing condition provision applies to any Insured's initial coverage and any increases in coverage. Coverage effective date refers to the date any initial coverage or increases in coverage become effective.

Is the coverage portable (can I keep it if I leave my employer)?

If your employment with your employer ends or you are no longer in an eligible group you can apply for ported coverage and pay the first premium within 31 days to continue coverage for yourself, your spouse and your children.

If your spouse's coverage ends as a result of your death, divorce or annulment, your spouse may elect to continue spouse and children coverage, as long as premium is paid as required.
