Dental insurance with affordable group rates**

## Simplify your dental care and save.

Trips to the dentist are a little less upsetting when you know how much you'll pay ahead of time. And easier, too, with no claim forms or deductibles.

### Here's how this important coverage works.

You choose your primary-care dentist when you enroll. To find a participating dentist, visit <http://ldc.lfg.com> and select "Find a Dentist".

- If you need to visit your dentist after your coverage begins, but before receiving your Dental ID card, please call 888-877-7828 to arrange your care. To expedite the call, please provide the following:
  - The exact spelling of your first and last name, submitted at the time of enrollment;
  - Date of Birth.
- To access your dental health information online, click REGISTER NOW and follow the prompts to complete your registration. You will need your Member ID Number\* which is located on your Dental ID Card. You can also print a Dental ID Card from this website.

\*Note, the Member ID Number contains nine digits. Please use all proceeding zeros when entering your Member ID.

*A complete Summary of Benefits is included on the next few pages.*

### Here's how little you pay with group rates.

As an employee, you can take advantage of this dental insurance plan and you can add loved ones to the plan for just a little more.

Your employer contributes 39% toward the cost of your coverage and 0% toward the cost of your dependents' coverage. Your estimated cost is itemized below.

Coverage	Monthly Premium
Employee only	\$11.14
Employee & spouse	\$21.72
Employee & child/children	\$23.50
Employee & family	\$33.98

**No money is due at enrollment.** Your premium simply comes out of your paycheck.
