

EMPLOYEE RETIREMENT BENEFIT What is a 403(b) Savings Plan?

403(b) is a voluntary retirement plan that allows you to save money in a pre-tax (Traditional) or after-tax (Roth) account. Contributions to the plan are salary-deducted from your paycheck and automatically deposited into your 403(b) retirement savings account. Early withdrawals from a 403(b) account are subject to a 10% early withdrawal penalty. TCG is the 403(b) plan administrator—managing your contributions, distributions, and personal updates. Money and investments are held with the vendor of your choice.

To get started, visit <u>www.tcgservices.com/documents</u> and find your employer's 403(b) Approved Vendor List. Open an account by contacting one of the approved 403(b) providers directly. Next, register access to your TCG 403(b) administration account and set up salary deferrals at <u>www.tcgservices.com/enroll</u>.
